The One Hundred and Twenty-seventh General Assembly of the Presbyterian Church in the United States of America met, according to appointment, at Rochester, New York, in the Central Presbyterian Church, at 10.30 o'clock A.M., on Thursday, May 20, 1915; and was opened with a sermon by the Moderator, Rev. Maitland Alexander, D.D., LL.D., from Hebrews xii. 2 and John xv. 11.

After the sermon, the Assembly was constituted with prayer.

The Committee of Arrangements, through its Chairman, Rev. C. Waldo Cherry, presented a Report in part, which was adopted and is as follows:

The Committee of Arrangements recommends:

1. That the Assembly meet this afternoon at 2.30 o'clock.

2. That the rule requiring that the Lord's Supper, at the sessions of the Assembly, be celebrated on the evening of the first Thursday, be and hereby is suspended for this Assembly, and that the Sacrament be administered at this morning's session, immediately after the constitution of the Assembly by prayer.

3. That the retiring Moderator, as is the custom, preside at the Communion; that the Rev. E. F. Hallenbeck, D.D., and the Rev. C. Waldo Cherry administer the Bread and the Cup, and the following Ruling Elders serve in the distribution of the elements: J. Willis Baer, of the Presbytery of Los Angeles; Walter J. Lewis, of the Presbytery of Indiana; George H. Althouse, of the Presbytery of Kansas City; T. Edward Ross, of the Presbytery of Philadelphia North; W. U. Follansbee, of the Presbytery of Pittsburgh; A. A. Loetscher, of the Presbytery of Waukon; Thompson McClintock, of the Presbytery of Chester; Henry Robertson, of the Presbytery of Chicago; R. J. Humphrey, of the Presbytery of Blairsville; James P. Dusenberry, of the Presbytery of Newark; Kenneth H. Lanning, of the Presbytery of New Brunswick; Silas F. Hallock, of the Presbytery

of New York; John T. Birge, of the Presbytery of Troy; Gustavus W. Knowles, of the Presbytery of Philadelphia; with Horace McGuire, Thomas Dransfield, William A. Hubbard, and F. M. Ellery, of the Presbytery of Rochester.

The Lord's Supper was then celebrated with due solemnity, the Assembly uniting reverently therein with prayer and praise, the Moderator pronouncing the apostolic benediction.

The Assembly took recess, and was closed with prayer.

---

THURSDAY, May 20, 2.30 o'clock P.M.

The Assembly met and was opened with prayer.

Upon permission of the Assembly, Rev. Vincent Pisek, D.D., pastor of the Bohemian Presbyterian Church of New York, was introduced by Rev. John Timothy Stone, D.D., and presented to the retiring Moderator a gavel commemorative of the five hundredth anniversary of the death of John Huss. The gavel is a unique work of art, containing woods from the birthplace of Huss and the chapel in which he preached, pieces of Hussite and other money, with blood-red jewels, and is inscribed with the names of John Huss, Jerome of Prague and other Reformers, and a quotation from the John Huss Battle Hymn. With Dr. Pisek were the following Bohemian ministers: Rev. V. Vanek, D.D., Rev. J. Kucera, Rev. J. Miksovsky, and, in addition, Mr. S. A. Beranek. Dr. Alexander made fitting response, expressing his high appreciation of the gift and gratitude for it.

Upon the report of the Permanent Committee on Commissions, the following ministers and elders were recognized as duly appointed Commissioners, and their names were entered upon the

The Permanent Committee on Evangelism, through its Chairman, Mr. Charles L. Huston, presented its Report, which was accepted, and, after addresses by Rev. William H. Foulkes, D.D., Rev. George G. Mahy, D.D., Secretary of the Committee; Rev. William H. Roberts, D.D., and Rev. John R. Davies, D.D., was adopted. The Report is printed in the appendix. The Resolutions adopted are as follows:

The following recommendations are submitted for adoption:

*Resolved*, 1. That, as the term of office of the following members of the Committee expires with this Assembly, *i.e.*, Rev. Murdoch McLeod, D.D., Rev. Henry Collin Minton, D.D., Rev. S. S. Palmer, D.D., Mr. Charles L. Huston, Mr. Thomas W. Synnott, and Mr. Calvin N. Payne, the Moderator be authorized to appoint six members, three ministers and three elders, for the ensuing term of three years.

*Resolved*, 2. That the Committee be instructed:

(1) To continue its program of Institute and Conference Work with Presbyteries and Synods, and to do all in its power to encourage those Presbyteries in which the churches have been indifferent to the work of soul-winning to enter with new vigor upon definite programs of evangelistic work.

(2) To maintain its correspondence with pastors and churches concerning their evangelistic work, and to arrange,

as soon as possible, for an increase in the supply of evangelistic leaflets for the use of pastors in leading their members to a deeper personal consecration and a more earnest service.

(3) To continue the direction of evangelistic work among the students in our Presbyterian schools and colleges, to carry on this work in connection with the Candidate Enlistment Program of the Board of Education, and to share equally with the Board in the entire expense of this work.

(4) To carry to completion the task entrusted last year to your Committee and the Committee on Christian Life and Work, of making a general inquiry concerning the practice of the churches in placing members on the Suspended Roll, and of preparing, for the consideration of Presbyteries, certain plans and recommendations designed to improve present conditions with reference to lapsed members.

(5) That the Committee be authorized to secure from Presbyteries a complete list of all evangelists who have been licensed, ordained or enrolled by them, and to secure such further information concerning these evangelists as will enable the Committee to give proper information to pastors and churches seeking evangelistic assistance.

(6) To coöperate with the Evangelistic Commission of the Federal Council of the Churches of Christ in America, and with the Evangelistic Committees of other denominations, as far as the Committee may deem it wise.

*Resolved*, 3. That the Assembly rejoices in the general increase of evangelistic activity throughout the entire Church, and urges the Presbyteries and Synods to continue the policy recommended by previous Assemblies of maintaining and strengthening Standing Committees on Evangelism, in order that the Church may be able to carry on a continued program of constructive work, and to conserve the results of such special evangelistic campaigns as may, in the providence of God, be conducted in their fields.

*Resolved*, 4. That the Assembly notes with approval the report of the cordial coöperation which the churches have given to the Permanent Committee on Evangelism, as evidenced by the way in which individual congregations, Presbyteries and Synods have availed themselves of the Committee's help, and by the increased amount of congregational contributions for the support of the Committee's work.

*Resolved*, 5. That, in view of the spiritual awakening which has come to many of our Presbyterian educational institutions, as a result of the visitation of the Committee on Evangelism and the Board of Education, the Assembly invites the faculty and student bodies of all Presbyterian schools and colleges

to coöperate as fully as possible in the work of preparation, and in the conduct of such meetings as are held among the students by these agencies, in order that the evangelistic appeal and the call to Christian service may be yet more effectively presented.

*Resolved*, 6. That the Assembly rejoices in the reports of numerous spiritual awakenings, both in great centres and in smaller communities, which have come about through the united labors of the pastors and members of evangelical Churches, under the leadership of earnest and faithful evangelists.

*Resolved*, 7. That the Committee be authorized to reappoint a sub-Committee on Coöperation with other Presbyterian and Reformed Churches, and that the Rev. J. Wilbur Chapman, D.D., for so many years the Committee's honored secretary, be appointed representative-at-large for the Committee.

*Resolved*, 8. That the Moderator and the Stated Clerk of the Assembly be *ex-officio* members of the Committee, and that the Committee be authorized to appoint special representatives to coöperate with it in its work throughout the Church.

Rev. W. Francis Irwin, D.D., Moderator of the Permanent Judicial Commission, reported that the Commission was now in session, with a quorum present and ready for business, and announced the names of members whose terms of office expire at the close of this Assembly, as follows: Class of 1913–1915, W. Francis Irwin, D.D., Solomon C. Dickey, D.D., David H. Johnston, D.D., and Ruling Elders James B. Welsh and C. D. Lennox.

The Executive Commission, through its Chairman, Rev. Maitland Alexander, D.D., presented its Report, which was accepted. Paragraphs I, IV, and V were adopted. The Charter presented in Paragraph VI was approved, and the Executive Commission was authorized to proceed with the incorporation of the Woman's Board of Home Missions. Paragraph IX was adopted. Paragraph XI was amended by changing "be invested," to "may be invested," and adopted. In Paragraph XII, Resolution 1 was postponed until the Report of the Committee on Legal Matters should be taken up. Then Resolution 2 was adopted. Paragraph XV was continued in the consideration of the Executive Commission. Paragraphs XVI, XVII and XVIII were adopted. In Paragraph XIX, Numbers 3 and 7 were adopted. In Number 8, for the name "Joint Budget Committee" was substituted "The Assembly's

Committee on the Every-member Plan." Under Number 8 the following Resolutions were adopted: (2), (3), (4), (5) and (7). In (6) the expenses of the Assembly's Committee on the Every-member Plan were limited to $12,000, proportions to be adopted after consultation with the Boards. Numbers 9 and 10 were adopted. Action was deferred upon the remainder of the Report.

The Moderator announced the new members of the Permanent Committee on Evangelism, as follows: Rev. Murdoch McLeod, D.D., Rev. Henry Collin Minton, D.D., Rev. Samuel S. Palmer, D.D., and Mr. Charles L. Huston, Mr. Thomas W. Synnott and Mr. Calvin N. Payne.

The Special Committee on the Deficits of the Boards of Home and Foreign Missions, through its Chairman, Rev. Maitland Alexander, D.D., presented its Report, which was approved, and the Committee was discharged, with an expression of deep appreciation of its work, and of the great sacrifices made by our missionaries. The Report reads:

The Special Committee on the Deficits of the Boards of Home and Foreign Missions respectfully reports as follows:

At the meeting of the General Assembly, held on May 21, 1914, in Chicago, Ill., the Assembly, after hearing the statements of the Home and Foreign Boards, and realizing that they were closing the year 1913–14 with a joint deficit of approximately $430,045.95 (Home Board, $137,895.79; Foreign Board, $292,150.16), appointed a Committee consisting of the following-named persons: Rev. Maitland Alexander, D.D., Rev. John Timothy Stone, D.D., Rev. John Henry Jowett, D.D., Rev. Samuel J. Niccolls, D.D., Rev. A. Van V. Raymond, D.D., Mr. John L. Severance, Mr. Alfred E. Marling, Mr. George W. Perkins and Dr. J. M. T. Finney, to act in coöperation with the Home and Foreign Boards in an effort to raise these deficits before the next meeting of the General Assembly.

Directly after the adjournment of the Assembly, the Moderator consulted with such members of the Committee as were present, and the first meeting was called for June 23, to be held in the Assembly Room of the Board of Foreign Missions in New York, at 10.30 A.M.

At that meeting the general plan to be pursued was outlined, and it was determined that it would be wise to postpone the active propaganda until the fall. Then it was arranged that the next meeting of the Committee should be held approximately October 1. It was also reported that Mr.

George W. Perkins had declined appointment as a member of the Committee, and Mr. Arthur H. Fleming was appointed in his place.

On September 30, 1914, a meeting was held at Atlantic City, N. J., for the purpose of outlining the work. In the meantime the conditions under which the Committee must pursue its work had been radically changed because of the outbreak of the European War. The Boards found themselves face to face with the problem of enlarged expenses in administration and also realized that the country had been made timid by the possibility of panic. Under these circumstances, the question was raised, whether a vigorous propaganda for the deficits would interfere with the regular income of the Boards. After prolonged discussion, it was voted that the Committee should not be deterred from its effort or yield to the obstacles which seemed to stand in its way, but that it should rely upon the capacity of the churches for deepened consecration and do all that was in its power to carry out the behest of the Assembly.

It was felt, however, that the Committee should work in the closest coöperation with the Boards in raising their regular budgets, and that emphasis should be placed on this necessity until the end of the fiscal year, March 31, 1915, and after that, and until the meeting of the General Assembly, the emphasis should be upon what might remain of the deficits still to be raised.

The third meeting of the General Committee was held on November 24, 1914, in the Assembly Room of the Presbyterian Foreign Board. At this meeting it was announced that a further change in the personnel of the Committee had been caused by the resignation of Dr. J. M. T. Finney.

In the interval between the September meeting and this meeting the situation throughout the country had been altered to such an extent that it was felt that even more vigorous action could be taken than had been proposed at Atlantic City. That action, therefore, was reconsidered, and it was voted to enter at once upon a definite plan to raise the deficits through a call to the churches to set apart a Week of Prayer and Sacrifice during the first week in January, or at a more convenient date prior to the first of February. In consequence of this, a Sacrificial Emergency Call was issued by the Moderator and sent abroad to the churches.

The response to this call was immediate and far-reaching. From all parts of the Church, letters were received approving the plan, and asking for assistance in arranging for this Week of Special Offerings. In response to these requests, the Committee issued various circulars containing suggestions

and material for presenting the cause before the churches, which were sent free of charge to all those who had responded.

In addition to the joint effort, the Boards of Home and Foreign Missions had been instructed by the Committee to do all in their power, in their individual capacity, to reduce the deficit, with the result that $31,105.22 was received for the Home Board and $103,967 for the Foreign Board. There was also $48,590.78 divided between the Boards approximately as follows: Home Board, $15,549.05; Foreign Board, $33,041.73; making a total for the Home Board of $46,654.27 and for the Foreign Board, $137,008.73.

At the close of the fiscal year, when this report is written, the Committee's work may be summed up by stating that of the deficit of $430,045.95, the sum of $183,663 was received as the result of the Committee's efforts, working jointly with the Boards, including that which came from the Week of Self-sacrifice. This leaves a balance still to be raised of $91,241.52 for the Home Board and $155,141.43 for the Foreign Board.

It is hoped that by the time of the meeting of the General Assembly this balance will be substantially reduced.

In behalf of the Committee,
MAITLAND ALEXANDER, *Chairman.*

It was announced that the balance of the indebtedness had been substantially reduced since the Report of the Committee was printed.

The Committee on *The Assembly Herald*, through its Chairman, Rev. A. Woodruff Halsey, D.D., presented its Report, which was adopted and is as follows:

We present our Annual Report with much confidence and pleasure.

The year 1914 was the best, in our opinion, *The Assembly Herald* has ever enjoyed—best from the standpoint of service to the Church, best from the standpoint of circulation, and best from the standpoint of appearance, typographical and otherwise. In addition, the deficit is smaller than at any time since the advance in the price of paper and printing five years ago, viz., $1,979.87 in 1914, as against $5,076.29 in 1909.

We make the statement that *The Assembly Herald* has been of greater service to the Church during 1914, without reservation, because of testimonials which have come to us, because of the lack of adverse criticism, because special numbers have been so splendidly received and because the

subscription list has increased to 54,817—a gain for the year of 3,316.

The January number of 1915, which was prepared in the interests of the "Presbyterian United Movement" and "Every Member Plan," was wonderfully popular. In addition to the copies required for the regular subscription list, 27,244 copies were ordered and paid for, at 5c. each. At this point the edition ran out and orders for several thousand copies could not be filled.

It was our pleasure to have the hearty coöperation of the Joint Executive Committee in outlining the contents for this special number and in bringing it to the attention of the Church at large.

We quote three out of a great number of testimonials, selecting them because they came from men of prominence in our Church work and, we might say, whose judgment is of great value to the Church. On January 4, 1915, Dr. John Timothy Stone, without invitation, wrote as follows:

"The January issue is a splendid example of what you can do, and we appreciate all of it. I am glad to say we gave out our full list of five hundred copies yesterday and it has been splendidly received. The whole get-up of the magazine is in harmony with the fine work you are doing."

On January 14, 1915, Dr. E. C. Ray, formerly of The College Board, had this to say in a voluntary letter:

"The beauty and symbolism of the December and January *Heralds*, and the entire scheme of the latter, crown a closed year and open brilliantly another year. The advertisements, in both character and number, tell a story of growing favor. You are again to be greatly congratulated. I do it with joy."

This from Mr. S. S. Marvin, widely known in connection with large business enterprises:

"The cover of *The Assembly Herald* for February is a beauty. I congratulate you! And if you persist in cutting out all advertisements that are questionable in any way, you will have one of the nicest magazines published. I look over this *Herald* with a great deal of interest. Can you do anything to double its circulation? I believe that if you can double the circulation, or even more than double it, you will increase the revenue to the different Boards of the Churches and you will please your advertisers amazingly."

*Circulation.*—Mr. Marvin is by no means the only one who has urged and suggested efforts to increase very greatly the circulation of *The Herald*. The Joint Executive Committee, after very carefully considering the whole subject and being convinced that this "Magazine of our Church"

should be taken by every Presbyterian family, has joined hands with us, and their efforts are bearing fruit at this time and we believe will help very much in the years to come.

In the last analysis the enlargement of the subscription list rests with the individual church, and we would state that it is our conviction that there is a certain misconception on the part of some pastors and Sessions as to where the responsibility for presenting *The Assembly Herald* to the people lies. Many are of the opinion, seemingly, that the various missionary organizations of the Church should handle the matter. We take exception to this idea, believing that, as it is the official magazine of the Church, the duty of supporting it and of getting the people to subscribe for it lies with the pastor and his Session. The missionary societies frequently take special publications or feel that only members of the society should be expected to subscribe for a missionary magazine. The contrary is unquestionably true, for in one sense it is more important that the men, women and families of the Church who are not identified with missionary organizations should have *The Herald.*

We sometimes have it said to us that there is so much literature and so much for the pastor and Session to attend to, that introducing *The Assembly Herald* is not practical. We know that the work requires both time and patience, but it is worth while, and we venture to say that every pastor and every elder in their work for the Church confront far greater difficulties than that of having the people subscribe for *The Herald* and that they solve them successfully. It is just getting at the thing, which is needed.

Just as this report is being written, the following letter comes from a minister traveling in the West. It emphasizes our statement that subscriptions may surely be obtained if the effort is made. The letter is as follows:

"I discovered congregations in which there was not a subscription to *The Herald,* and pointed out its value and urged people to get it. In a few minutes, at the close of the service, it was easy to get subscriptions. Last night, at F——, the pastor got fourteen. Fourteen were also secured at N——, five at C——, which will be increased to ten, and some are coming from S——." These churches have been written to repeatedly from our office of publication without result.

We bespeak, therefore, the same interest, the same zeal and the same determination for our Church magazine as is given to the other interests of the Church.

*Advertisements.*—In spite of the business depression and the falling off of advertisements during the latter part of the year, 1914 showed the best net receipts that *The Herald* has

ever been able to report. We determined to eliminate all advertisements of a medical nature and, furthermore, all financial advertisements not backed by satisfactory mercantile reference. We have been criticised pretty severely for this stand and are frank to confess that our receipts are several thousand dollars less than they would have been had we accepted that class of advertising.

We beg to make a suggestion to the members of this Assembly and the Church at large in reference to our advertisers. We all recognize that we have an obligation toward our subscribers, and that obligation is to publish the best magazine we possibly can. We also have an obligation just as binding toward each and every advertiser. It is to make their advertisements in *The Assembly Herald* pay. This we try to do in every way we can, but, and here is our suggestion: We cannot do much without the coöperation of our readers and we ask them to examine the advertisements, patronize the advertiser and so do their individual part toward making the advertisers' investments in space with us of value. If this is done we will get more advertising and it will be quite possible to wipe out our annual deficit.

We append herewith our financial statement for the year, which perhaps needs no special comment.

JOHN D. MURPHY, *Public Accountant.*

We close our report by extending our sincere thanks to the Joint Executive Committee for their courtesies, their hearty interest and support. Their advice and their actual help have been a source of great encouragement and value to us. We would that our entire Church might promote the interests of *The Assembly Herald* and be just as enthusiastic about it as the Joint Executive Committee. There are very many pastors, church officials and a host of good people in the Church who have given their labor in the interest of *The Herald*, and to them we extend also our expression of earnest appreciation.

The following resolutions are submitted for adoption:

*Resolved*, 1. That upon the pastors and Sessions rests the duty of presenting with earnestness the claims of *The Assembly Herald*, and, furthermore, that they should diligently seek to have every family in their respective churches subscribe for at least one copy.

*Resolved*, 2. That all the agencies of our Church be urged to get back of the efforts made to have *The Assembly Herald* the great medium for service to the Church, to popularize it in all right ways and to increase largely its circulation.

*Resolved*, 3. That in the opinion of this Assembly *The Assembly Herald* is indispensable as a means of informing the people concerning the work and needs of our Church.

*Resolved*, 4. That hereafter two pages be set aside for the use of the Board of Temperance each month.

*Resolved*, 5. That the Committee be continued.

Respectfully submitted,

A. W. HALSEY, *Chairman;*
JOHN DIXON,
WM. H. SCOTT.

The Committee on Christian and Secular Education, through its Chairman, Rev. William P. Fulton, D.D., presented its Report, which was adopted and is as follows:

Your Committee appointed to coöperate with the Council of the Reformed Churches in America holding the Presbyterian System, in matters relating to Christian and Secular Education, would respectfully submit the following Report:

In order that the significance and importance of this subject may be brought properly before the Assembly, the following recital of the action of the Council is given in substance:

The Council of 1912, after considerable discussion and careful consideration of the general situation in regard to the religious education of the children and youth of our land, accepting the broad principles that this phase of education was vital to the future of the Church, the State, the welfare, temporal and eternal, of the individual; and that the Church, through her own agencies and through the Christian home, alone could effectively inspire and direct this education, passed the following resolution:

"*Resolved*, That this Council earnestly urges all the Supreme Judicatories of the Churches represented to investigate more fully this problem and to seek in every possible way the fullest coöperation in ministering to the spiritual needs of these youth who are soon to become the future leaders of our national life and who must be saved to the Church."

The Council of 1914, realizing that the urgency of this matter was in no degree diminished but rather intensified, took the following action:

"WHEREAS, It is the teaching of the Word of God that the training of the young in the truths and practice of religion is committed to the Christian Church and to the Christian parent; and

"WHEREAS, All history teaches that this training is never accomplished successfully through any other agency; and

"WHEREAS, Notwithstanding the high character of the body of teachers in our public schools and their faithful use of every one of their limited opportunities to impress high ethical standards upon the minds entrusted to their care and even to impart knowledge of those fundamental religious truths which are needed to make ethical standards living and practical forces in life, it is becoming increasingly clear that the primary Scriptural agencies of religious and moral training must be awakened to new activity or roused from positive neglect of a sacred responsibility; otherwise the vicious forces, seeking to destroy character in the child,

unprotected by faithful religious instruction, will imperil the future, at no distant day, of both Church and State. Therefore,

"*Resolved*, That this Council renew formally and with increased urgency its request to the Supreme Judicatories for the careful investigation of this whole subject, with a view of devising some methods of averting the sad results of present inefficiency in the teaching of morals and religion.

"*Resolved, further*, That the Council requests each of the Judicatories to appoint a Committee to coöperate with the Committee of the Council both in securing facts and formulating plans."

The Assembly of 1914 complied with the foregoing request (*Minutes*, 1914, p. 254) and appointed the following Committee: *Ministers*—William P. Fulton, D.D., Samuel S. Palmer, D.D.; *Ruling Elder*—L. A. Bowman. Committees were also appointed by the General Assembly of the United Presbyterian Church and the General Synod of the Reformed Church in U. S.; the General Assembly of the Presbyterian Church in the U. S. referred the matter to its Executive Committee having charge of Education. This year, therefore, your Committee can do but little more than report progress.

The following recommendations, however, are submitted for approval:

*Resolved*, 1. That this Assembly renew its recommendation to Presbyteries that they use their utmost influence to impress upon Christian parents their vital relation to the religious and moral welfare of their children.

*Resolved*, 2. That this Assembly recommend and urge that pastors and elders make faithful and persistent effort for the maintenance, establishment or restoration of the family altar in the homes of their members as an educative and molding agency of priceless value.

*Resolved*, 3. That this Assembly urge upon pastors, elders and members to use every proper and legitimate means for the maintenance of the Bible in the public schools as an essential element in the education and training of the youth of our land.

*Resolved*, 4. That the Committee be continued to carry forward its investigation in coöperation with the Committee of the Council.

Respectfully submitted,

WILLIAM P. FULTON, *Chairman.*

The Assembly took recess, and was closed with prayer.

FRIDAY, May 21, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on Home Missions, at its own request, was permitted to hear missionaries this evening, having business to bring before the Committee.

The Special Committee on Christian Life and Work, through its Chairman, Rev. Maitland Alexander, D.D., presented its Report, which was accepted. The following parts were adopted:

III. MEMBERS.—The subject of the absence of members from the meetings of this and other Committees has been under consideration for some time, and the Committee respectfully submits for the consideration of the Assembly the following Resolution, with the recommendation that it be adopted:

*Resolved*, That when members of Committees do not attend for two successive meetings and their absence is unexcused, then their places become automatically vacant, and the Moderator of the Assembly is authorized to appoint their successors.

V. THE WHITE SLAVE TRAFFIC.—The General Assembly of 1914 (see *Minutes*, 1914, p. 180) ordered the commitment of this entire subject to the Special Committee on Christian Life and Work. The Committee took up the matter and after full consideration adopted the following Resolution:

"*Resolved*, That it is the opinion of this Committee that no further action is necessary upon the subject of the White Slave Traffic, in view of the Resolutions adopted by the General Assembly of 1914."

The Committee further resolved that the General Assembly call the attention of the Presbyteries and Synods again to the Resolutions found on pp. 178 to 180 of the *Minutes* of the General Assembly of 1914.

VI. COMITY.—The Committee respectfully requests that all communications and proposals be submitted to this Committee by the interested parties, report to be made to the next Assembly.

VII. STATISTICAL BLANKS.—*Resolved*, That the Committee, having considered all the Overtures from the Presbyteries and the proposals received from the Executive Commission, on the subject of the Statistical Blanks for Churches and Presbyteries, in view of the changes suggested, involving large additional expense, and the publication of figures pertaining distinctively to the contributions to the Boards, recommends

that the Assembly continue the Committee on Christian Life and Work in charge of this entire subject, and that this Committee confer with an advisory committee to be composed of one member from each of the benevolent and missionary Boards, report to be made to the next Assembly.

IX. TITHING.—The General Assembly at its meeting in Chicago, Ill., May 23, 1914, referred Overture No. 542, from Oklahoma Synod, on the subject of Tithing, to this Committee, for consideration and report. The Overture reads:

"WHEREAS, There is a wide-spread propaganda concerning the matter of Tithing; and

"WHEREAS, The system is being urged upon our young people; and

"WHEREAS, The teaching of Scripture on the subject is disputed by some, our Assembly not having issued a deliverance on the subject;

"Therefore, Be it *Resolved*, That the Synod of Oklahoma overtures the General Assembly to hand down a deliverance on the validity of the tithe, that our young people may be properly instructed concerning Christian giving, and that the teaching of the Church may be uniform."

The following reply is submitted by the Committee for the approval of the General Assembly:

WHEREAS, The Synod of Oklahoma has overtured the General Assembly to hand down a deliverance on the validity of the tithe, that our young people may be properly instructed concerning Christian giving, and that the teaching of the Church may be uniform; therefore,

1. The General Assembly places upon record its approval of the conduct of those members of the Church who give at least a tenth of their incomes to the causes of Christian Missions and Benevolence and of Church Support.

Further, the standard of New Testament Christian giving is announced in the First Epistle to the Corinthians, chapter xvi, verse 2, in the words, "as God has prospered him." Many persons can give more than a tenth of their income to the Lord, and some do. There is no Biblical limit upon the extent of Christian giving.

2. The teaching of the Presbyterian Church as to giving, is contained in the Directory for Worship, Chapter VI, entitled, "Of the Worship of God by Offerings."

Section 1 of this Chapter states that every member of the congregation should "be trained to give of his substance systematically, and as the Lord has prospered him." In Section 4 of the same Chapter it is stated that one of the duties of a minister is "to cultivate the grace of liberal giving in his congregation, that every member thereof may offer

according to his ability, whether it be much or little." The General Assembly commends the duties thus stated, both to ministers and congregations, and urges upon all persons the largest liberality possible in gifts to Christian Missions, to Benevolence, and to Church Support, remembering the words of the Lord Jesus, "It is more blessed to give than to receive."

XII. ABSENTEE CHURCH MEMBERS.—The following recommendations are submitted to the General Assembly for approval:

(1) Presbyteries should inquire of Sessions their reasons for placing members on the Suspended Roll, and whether, in every instance, the requirements of the Book of Discipline, relating to suspended members, have been complied with. It should not be regarded a light or trivial matter to strike a name from the church roll.

(2) Sessions should make diligent effort to recover and restore "lapsed" members by discovering, if possible, the whereabouts of all those at present on the Suspended Roll, and by tactful, tender, warm-hearted, loving effort reënlist them into the service and fellowship of the Church, (1) by personal visitation, (2) by letter-writing, (3) by special and united prayer.

(3) Pastors and elders should give prayerful consideration to the matter of systematic oversight and visitation of the entire membership of their respective congregations so as to prevent the "lapsing" of members, and thus reduce to a minimum the number to be placed on the Suspended Roll.

(4) Members who remove to new neighborhoods at a considerable distance from their church, and who find it difficult to attend the services, should be encouraged by the Session to unite with a church near at hand. The observance of this rule will frequently prevent "lapsing."

XIII. MARRIAGE AND DIVORCE.—The Committee recommends the reaffirmation of the Resolution adopted in 1914, as to a campaign of education, and also asks that it be discharged from the consideration of the subject of State legislation as to divorce.

XVI. CHURCH ATTENDANCE OF CHILDREN.—While recognizing and again emphasizing the paramount importance of evangelism, direct and indirect, within the Sunday-school itself, especially through the personal effort and pastoral oversight of the teachers, we recommend:

1. That through our Presbyterial Committees the above facts and the serious issues they involve be laid before our pastors and Sunday-school authorities.

2. That the children be definitely recognized in the planning

and conduct of our church services, as a part of the worshiping body, the varying circumstances themselves determining whether that recognition can be secured best through specially selected hymns, occasional or weekly brief talks to the children, passages in the regular sermon adapted to children's needs, or in other ways.

XVIII. LITERATURE.—*Resolved*, 5. That the Board of Publication be requested to publish for sale such portions of the Annual Narrative in leaflet form as may be decided on by the Committee on Christian Life and Work, it being understood that the form and price of such leaflets will be determined by the Board.

The remainder of the Report was referred to the Standing Committee on Christian Life and Work, and the full text of the Report is printed in the Appendix.

The Special Committee on Church Coöperation and Union, through its Chairman, Rev. William H. Roberts, D.D., presented its Report. The Report was adopted as a whole, and is as follows:

The Committee on Church Coöperation and Union respectfully presents its Report, arranged under the following heads:

I. The Presbyterian Church and Other Churches.
II. Meetings.
III. The Federal Council of the Churches of Christ in America.
IV. The Reformed Church in the U. S.
V. Plan of Union of all the Churches of the Presbyterian Household in the U. S. A.
VI. The Disciples of Christ in America.
VII. World Conference on Faith and Order.

I. THE PRESBYTERIAN CHURCH AND OTHER CHURCHES.

The Committee draws attention to the following declaration of the Assembly setting forth in clear terms the attitude of the Presbyterian Church towards other Churches:

"The Presbyterian Church holds Christian fellowship with all who confess and obey Jesus Christ as their divine Saviour and Lord, and acknowledges the duty of all Churches that recognize Him, as the only Head of the Church Universal, to work together in harmony and love for the extension of His Kingdom and the good of the world; and this Assembly earnestly desires to commend and promote this Christian coöperation, and also practically to advance the cause of Church Union by confederation, and, where possible, by

consolidation among the Churches of the Reformed Faith, which are most nearly akin in doctrine and organization."

The Committee has endeavored in all its work to advance the high ideals expressed in this deliverance of the General Assembly, remembering the words of the Holy Ghost through the apostle Paul, "There is one body, and one Spirit, even as ye are called in one hope of your calling; one Lord, one faith, one baptism, one God and Father of all."

## II. Meetings.

The Committee has held but one regular meeting during the year, at Philadelphia, Pa., March 31, 1915. Prior to this meeting conferences were had by the Chairman and by members with the representatives of other bodies. The meeting was characterized throughout by the seriousness arising out of the present unique situation in the history of the world and of the Church, and by the realization that great opportunities were likely to be offered for service in connection with the Work of Coöperation in the extension of the Kingdom of Christ.

## III. The Federal Council of the Churches of Christ in America.

The regular annual meeting of the Executive Committee of the Federal Council of the Churches of Christ in America was held at Richmond, Va., December 9–11, 1914. The members of the Executive Committee were guests of the Christian churches of Richmond. The number of members of the Executive Committee present was fifty-one, representing twenty-five Churches. There were also present sixty-six corresponding members, connected with the thirteen Commissions of the Council, and in addition eleven secretaries and associate secretaries. The Annual Report from the Secretary of the Federal Council is limited at this Assembly to the submission of the volume containing the Reports to the Executive Committee for the year 1914. Inasmuch as the General Assembly has made this Committee on Coöperation its representative in all matters in connection with the affairs of the Federal Council, the appointment of members of the Executive Committee included, particular attention is drawn to the following items in the Annual Report:

1. *Constituent Churches.*—The constituent Churches of the Federal Council remain the same. The number of ministers is 103,023, of churches 138,995, and the total of communicants is 17,438,862. These statistics are for January 1, 1915.

2. *Jurisdiction.*—The chief question which arises, as

thought turns towards this great aggregation of Christian resources, is whether it should be used solely for spiritual purposes, leaving moral and secular causes needing attention to the care of good citizens, and relying, so far as the Churches are concerned, upon the operation of those influences which are natural to the Christian religion, and which unfailingly work for the redemption and uplift of mankind.

This question is one which involves the whole attitude of the Presbyterian Church towards secular movements for the moral uplift of the people of this and other lands. The true State unquestionably is ordained of God equally with the true Church, each has its own particular jurisdiction, and there should be constant adherence by the Church to the jurisdiction which has been given to it by Him who is its Great Head.

Further, the policy of some of the Christian Churches in the Council tends more or less to entrance upon the jurisdiction of the State. The Committee presents this subject in definite terms to the Assembly, awaiting the developments of the future as to whether any action may be necessary thereupon.

3. *Christian Faith and Social Service.*—The following action adopted by the Executive Committee speaks for itself:

"The Executive Committee expresses its gratification at the joint action of the General Assemblies of the Presbyterian Church in the U. S., the Presbyterian Church in the U. S. A., the United Presbyterian Church, and the Associate Reformed Presbyterian Synod, in adopting the united declaration of Christian Faith and Social Service, prepared by their joint committee, and that, in view of its clear statements in harmony with the past action of the Federal Council, this declaration be printed in the minutes of the Executive Committee for the information of our Churches."

4. *The Church Peace Union.*—Upon recommendation of the Commission on Peace and Arbitration of the Federal Council, the Executive Committee approved the action taken for the holding of a Congress on International Peace, at Constance, Germany, August 2–5, 1914. Delegates were appointed from many Christian Protestant Churches throughout the world, and large expectations were cherished for the outcome of the gathering. The great war which broke out August 1, 1914, put an end to the Congress. A number of representatives, however, were present at Constance on July 31, 1914, the majority of whom were given safe conduct out of Germany by direction of the German Emperor. Others of the delegates suffered severe privations, and a large number who started from their homes, both in Europe

and America, were unable to get further than London, England, or Paris, France. Despite this drawback, the work of the Church Peace Union, and of the Federal Council, in behalf of international arbitration and universal peace, will be continued in earnest and effective ways. See Item 10.

5. *The Commissions.*—The regular Commissions which have been established in connection with the work of the Federal Council, and the names of the Chairmen, are as follows:

*a.* Foreign Missions, Dr. Robert E. Speer.
*b.* Home Missions, H. C. Herring, D.D.
*c.* Christian Education, W. F. Tillett, D.D.
*d.* Church and Social Service, Josiah Strong, D.D.
*e.* Family Life, G. P. Eckman, D.D.
*f.* Sunday Observance, Peter Ainslie, D.D.
*g.* Temperance, R. W. Miller, D.D.
*h.* Peace and Arbitration, J. B. Remensnyder, D.D.
*i.* Evangelism, Wm. H. Roberts, D.D.
*j.* State and Local Federations, A. W. Anthony, D.D.
*k.* Church and Country Life, Mr. Gifford Pinchot.

There are also two Special Commissions:

*a.* Theological Seminaries, Geo. B. Stewart, D.D.
*b.* Relations with Japan, Mr. Hamilton Holt.

These all presented reports. It is to be noted, however, that in Home Missions and Foreign Missions the proper organizations of the Churches for coördinating mission activities are acknowledged to be the bodies known as the Home Missions Council and the Foreign Missions Council. These two bodies are composed of representatives chosen by the Home Mission Boards and the Foreign Mission Boards of the Churches, and, while coöperating with the Federal Council, are not under its jurisdiction. The Home Missions Council, for instance, pays part of the salary of the Rev. Dr. H. K. Carroll, of Washington, D. C., as Associate Secretary.

6. *The Churches of Europe.*—

The following action was unanimously adopted as to the Churches of Europe:

"WHEREAS, The Federal Council of the Churches of Christ in America is profoundly affected by the burden of suffering of our Christian brethren among the European nations, now unhappily at war, the Council desires most earnestly that our European brethren should know of our sympathy and prayers, and our earnest desire to be of help as the way may open; therefore, be it

"*Resolved,* That the matter of our relations with Churches of Europe be referred to the Administrative Committee, with

power, especially the question of communicating to them the Christian sympathy and love of the Christian Churches of America."

7. *Evangelism.*—The Resolutions contained in the Report of the Commission on Evangelism were adopted by the following action:

"The Business Committee recommends the adoption of the resolutions presented by the Commission on Evangelism, recommending to all the Churches united prayer for a world-wide revival of true religion and of aggressive evangelism, and that this action be conveyed by the officers of the Federal Council and of the Commission on Evangelism.

"The Business Committee recommends that the resolution of the Commission on Evangelism be adopted, heartily endorsing the proposed religious work of the Committee of One Hundred for religious activities at the Panama-Pacific Exposition, and that we especially commend this work to all the Churches for their prayerful sympathy and financial support."

The Commission on Evangelism has published in the name of the Federal Council, "A call to prayer for a World-wide Revival." It is signed by Wm. Henry Roberts, *Chairman;* Wm. E. Biederwolf, *Secretary;* Shailer Mathews, *President;* and Charles S. Macfarland, *General Secretary.* The closing paragraph of the Call reads:

"Let prayer then be made for all men, for all nations and their rulers, for all the Churches of Christ in this and every land, for all ministers and church officers, for all church members, for the masses of men and women who are in spiritual darkness, and especially for the outpouring of the Holy Spirit in every land in Pentecostal revelations of divine power unto salvation, so that Jesus Christ may be accepted as the divine Saviour by all the world, and the Gospel may be so applied by the Holy Spirit, that human nature everywhere shall be truly regenerated, and men dwell together here on earth as brethren in Christ, even as it is the assured hope of saved men so to dwell in the everlasting and heavenly Kingdom of our Lord and Saviour Jesus Christ. Brethren in Christ of every denominational and Church name, let us unite in prayer for a world-wide Pentecost, in His name and for the extension of His Kingdom, who died upon His cross 'the propitiation for our sins, and not for ours only, but also for the sins of the whole world.' Let us pray in the spirit and power of the words, 'For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him, should not perish, but have everlasting life.'"

8. *Japan, Mission to.*—The Federal Council has had for

sometime a Joint Committee on Eastern Race Relationships. The organization of the Committee was caused by the representations made by Dr. Sidney L. Gulick and other persons greatly interested in the relations of the American Churches to the peoples of Eastern Asia, to the Christian Missions carried on in their midst, and to the Churches of Christ organized and accomplishing results within their territories. One of the results of the work of this Committee was the decision to appoint a Commission of Nine, whose general scope of service should be "to study the entire question of the application of the teachings of Christ to our relations with Japan, and to promote such influences and activities as shall lead to the right relationships between the peoples of these two nations." This Commission has been duly appointed. It was also determined to send a representative of the American Churches to convey a message to the Japanese Churches from the Federal Council, as representing the sentiment of American Christians. The representative appointed was the President of the Federal Council, the Rev. Shailer Mathews, D.D., and Rev. Dr. Sidney L. Gulick was appointed an associate with him. The Executive Committee prepared a message to Japan which was intrusted to these representatives, and from which the following extracts are taken:

"We beg to assure you, dear brethren, of the interest with which we have noted the recent history of Japan, that ancient and venerable nation with its notable achievements in the arts and sciences. With eager hands you have grasped what other peoples could offer for the enrichment of your life, and in turn you have contributed to the life of the world the inspiration of your fine enthusiasm. You have felt the stimulation of ethical ideals, the transcendant significance of moral values. In the industrial, intellectual and moral fields of your activity, America has noted your unwearied progress.

"But our deepest interest and sympathy have been evoked by the number of those who have been reaching out eager hands to God. Beyond all else, the spectacle of so many in Japan seeking after a deeper and stronger spiritual life has moved and still moves our hearts. It is with such sympathy toward you, beloved brethren, that we send our message to you.

"We are sending these, our brethren, to tell you as no written word of ours can tell, the sincerity of our affection, the eagerness of our desire, and the steady persuasion of our hope that we all, of the East and of the West, shall be one in Jesus Christ.

"We pray that in your land and in ours, faith shall have its satisfying vision of our Lord, that love shall be sanctified by His fellowship, and that our common life shall be broadened in its sympathies and beautified with His likeness."

President Mathews and Dr. Gulick visited Japan early this year, and their mission met with large success.

9. *Interdenominational Movements.*—The Richmond meeting of the Executive Committee had under consideration Interdenominational Movements and Organizations, and recommended that the Administrative Committee be authorized, at its discretion, to employ a secretary in the interest of such movements and of State and local federations, "when conditions shall warrant such action and when the special resources necessary for the maintenance of such a secretary shall be provided."

10. *Lord's Day Congress at Exposition.*—This important conference, to be held in Oakland, Calif., July 27 to August 1, 1915, has the cordial support of the Federal Council and of its Commission on Sunday Observance. We report, with regret, the decease of the Rev. William P. Swartz, D.D., the General Secretary of the Lord's Day Alliance of the United States. Dr. Swartz was a minister of the Presbyterian Church in the U. S. A., and, though but recently appointed to office by the Alliance, had rendered admirable service. He was deeply interested in the Exposition Congress.

11. *Peace and Arbitration.*—The following action of the Commission on Peace and Arbitration was approved by the Executive Committee, and is submitted to the General Assembly for consideration:

"The Commission recommends that the Protestant Churches of America be organized for active participation in a constructive program for world peace.

"The Commission urges that the general principles of the Peace Program demanded by those who believe in the Kingdom of God are, the application of the Golden Rule to international relations, care in the preparation of just treaties, and the faithful observance of both the letter and the spirit of those treaties.

"The Commission recommends to the Protestant Churches of America the following general form of organization for participation in the peace movement:

"(*a*) A Church Peace League in every community, and when practicable a Peace Committee in the local church.

"(*b*) The Church Peace League to be affiliated with the Commission on Peace and Arbitration of the Federal Council of the Churches of Christ in America."

12. *Popular Meeting.*—A mass meeting in the interest of the causes, represented by the Federal Council, was held in the city Auditorium, Richmond, Va., December 9, 1914, 8 P.M. This meeting was arranged for by a committee of the Richmond churches, Rev. Russell Cecil, D.D., Chairman. Among those on the platform were Governor Stewart, of Virginia, and Mayor Ainslie, of the city of Richmond. The speakers were President Shailer Mathews, D.D., on the subject of Militant Idealism, and the Hon. William Jennings Bryan, who spoke upon the Unity of the Churches and International Peace. Mr. Bryan was a representative of the Presbyterian Church in the U. S. A.

13. *Third Council.*—The Third Quadrennial Federal Council will be held December, 1916. The place, as yet, has not been fixed, but will be reported next year. In the meantime it is well to take action with the view to the appointment of delegates, and a Resolution on the subject will be found at the close of this division of the Committee's Report.

14. *World Congress.*—The action of the Executive Committee as to the World Congress is as follows:

"The Business Committee recommends that the matter of a World Conference be referred to the Administrative Committee, who shall bring the subject to the attention of the several ecumenical Church organizations and to the constituent bodies of the Federal Council, report to be made to the next meeting of the Executive Committee."

In connection with this action, your Committee submit a Resolution at the close of Division VII of this Report.

15. *The Fraternal Spirit.*—The Committee has had occasion to note that there has been a tendency in some quarters to criticise adversely in public certain of the distinctive doctrines of the several Churches in the Federal Council, and also the fundamental doctrine which they hold in common as the basis of Federation. The hope is expressed that increasing care will be taken to avoid undesirable forms of speech which may be provocative to others, and in particular care should be taken in this respect, by the representatives of the Churches in the Council, or on its committees, and by the officers of the Council. A Resolution on this subject is presented below.

The following Resolutions are submitted for approval:

RESOLUTIONS TO BE CONSIDERED.

*Resolved*, 1. That the General Assembly reaffirms its sympathy with the purposes of the Federal Council of the Churches of Christ in America.

*Resolved*, 2. That the General Assembly advises its repre-

sentatives on the Federal Council to advocate caution in connection with action upon all subjects which are upon the border line of the jurisdiction of the State and the Church, in particular, as there is present need for this caution owing to the international complications of the great war.

*Resolved*, 3. That the General Assembly rejoices that the Federal Council, through its Commission on Evangelism, has issued a solemn call for prayer for a World-wide Revival of Religion.

*Resolved*, 4. That the General Assembly declares that in view of the doctrinal basis of the Federal Council, and of the agreement of the constituent Churches as to fundamentals, that the representatives and the officers of the Council should not criticise in public the distinctive doctrines of the several constituent Churches, or the doctrines which they hold in common.

*Resolved*, 5. That the Committee on Church Coöperation and Union is hereby authorized to report to the General Assembly of 1916, the names of delegates, both principals and alternates, to the Federal Council to be held in December of that year, reporting the names of the members of the Committee as a part of the delegation.

*Resolved*, 6. That the Committee on Church Coöperation and Union is hereby authorized, as during past years, to represent the General Assembly in all matters dealing with the affairs of the Federal Council.

## IV. Reformed Church in the U. S.

At the meeting of the Committee held in Philadelphia, March 31, 1915, the Rev. George W. Richards, D.D., Chairman of the Permanent Commission of the General Synod of the Reformed Church in the U. S. on Closer Relations and Church Union, was present by invitation, and a conference was had which was helpful in determining the general situation as to the whole matter of Church Union not only as affecting the Reformed Church in the U. S., but also as to other Churches. The matter of a general union of Presbyterian Churches is taken up under another head. As to union with the Reformed Church in the U. S., Dr. Richards stated that the plan submitted in 1914 had been voted down by the Classes (Presbyteries) of the Reformed Church by a two-thirds vote. The discussion, however, has not left a disagreeable feeling as to Church union. The majority in the Reformed Church had reached the conclusion that it would be easier to unite six rather than two Churches. Dr. Richards was heard on the subject at length, and at the close of the conference was tendered the thanks of your Committee.

The action of the General Synod of the Reformed Church on the Plan of Union of 1913 was as follows:

"*Resolved*, That in view of the large number of Classes which have taken unfavorable action on the Plan of Union, further negotiations on the basis of this proposal cease."

It will be remembered, in this connection, that the Plan of Union of 1913 was approved by the Presbyteries of this Church by a vote of 220 in the affirmative to 3 in the negative. It is not deemed wise to enter into any analysis of the si uation, especially in view of the new proposal, stated in the next division of this Report. It is recommended that the following Resolution be adopted:

*Resolved*, That this General Assembly accepts the action of the General Synod of the Reformed Church in the U. S., at its meeting in May, 1914, at Lancaster, Pa., as conclusive, in so far as negotiations between the two Churches are concerned, for union on the basis of the Plan of Union of 1913.

## V. The Proposed Union of all the Churches of the Presbyterian Household in the U. S. A.

The Plan of Union of 1913, between the Presbyterian Church in the U. S. A. and the Reformed Church in the U. S., as already intimated, was brought to an end by the opposition of the majority of the Classes of the Reformed Church, and because many of them favored a larger union than the one contemplated in said plan. As already stated, the Rev. George W. Richards, D.D., Chairman of the Permanent Commission on Closer Relations with other Churches, of the General Synod of the Reformed Church, was present with your Committee at its meeting in March. This Commission was created and its duties indicated by the following resolutions, all of which, having each a relation to the subject of Union, are hereinafter quoted:

"*First.*—That in view of the large number of Classes which have taken unfavorable action on the Plan of Union, further negotiations on the basis of this proposal cease.

"*Second.*—That a Permanent Commission on Closer Relations with other Churches be appointed by the General Synod, which shall have authority to receive overtures and proposals from other Church bodies in reference to federal or organic union, and that this committee, without having authority to take final action, submit such communications to the General Synod from time to time.

"*Third.*—That the General Synod encourage efforts toward closer coöperation with the Presbyterian Church in the U. S. A. and the other Churches represented in the Council

of Reformed Churches in America holding the Presbyterian System." (*Minutes*, General Synod, 1914, p. 50.)

At the meeting of your Committee on March 31, already referred to, it was agreed that the Rev. Dr. Richards would correspond and confer with the members of his own Commission, with reference to the question as to whether they would unite with the Committee of this Assembly in inviting other Churches to take part with them in the consideration of proposals for Closer Union.

In this connection it is important to note that the Committee of the General Synod of the Reformed Church, through its Chairman, stated that it is not seeking to advance cooperation between the Missionary and Benevolent Agencies of the different Churches in the Council of the Reformed Churches in America holding the Presbyterian System. There is no opposition in this movement to the work of the committee appointed by the said Council. That work, however, is limited by the action of the Executive Committee of Council to the coöperative side of Church activity, as is shown elsewhere.* It is definitely understood, on the other hand, that the purpose of the appointment of the Commission, of which Dr. Richards is Chairman, is either Federal or Organic Union. Both these movements, therefore, can go forward side by side, and each will be complementary to the other.

Dr. Richards, on his return to Lancaster, at once took up the matter with his own brethren, and as a result the following letter was handed to the Chairman of your Committee by Dr. Richards in person:

"LANCASTER, PA., Apr. 23, 1915.

"*Rev. William H. Roberts, D.D., Chairman, Philadelphia, Pa.:*

"DEAR DR. ROBERTS:—The Commission on Church Union of the Reformed Church in the U. S. is prepared to join with the Committee on Church Coöperation and Union of the Presbyterian Church in the U. S. A., in inviting representatives of other Churches in the Council of Reformed Churches in America holding the Presbyterian System, to a joint meeting for a consideration of proposals for closer union as soon as at least four Churches of said Council will send delegates to such an Assembly.

"Yours very truly,
"GEORGE W. RICHARDS, *Chairman,*
*Commission on Closer Union, of*
*the Reformed Church in the U. S.*"

* See Report of Council in Appendix.

As a result of these negotiations, the following Resolutions are submitted for adoption:

*Resolved*, 1. That while deeply regretting the action of the Reformed Church in the U. S. upon the Plan of Union of 1913, the General Assembly responds fraternally to the Resolution adopted by the General Synod, encouraging "efforts for closer coöperation with the Presbyterian Church in the U. S. A. and other Churches in the Council of Reformed Churches in America holding the Presbyterian System."

*Resolved*, 2. That the Committee on Church Coöperation and Union is hereby authorized to enter into conference with said Permanent Commission on Closer Relations of the Reformed Church in the U. S., with a view to such a general union of the Churches of the Presbyterian and Reformed family in the U. S. A. as shall secure the ends sought by the Overture proposed by the Reformed Church and sent to the other Assemblies at its suggestion by this Assembly in 1913. (*Minutes*, G. A., 1913, pp. 72–74.)

*Resolved*, 3. That the Assembly authorizes and directs the Stated Clerk to notify other Churches in the Council of Reformed Churches in America holding the Presbyterian System, of its approval of the action of the General Synod of the Reformed Church, as to a larger union, and requests the appointment by them of Committees to consider and to report upon proposals for union, which may be submitted.

*Resolved*, 4. That the Committee on Church Coöperation and Union is hereby directed to conduct negotiations with the Committees appointed by other Churches of the Presbyterian household, whenever due notice of their appointment of committees shall have been received.

## VI. The Disciples of Christ in America.

Just as last year, there has been no opportunity this year for a Conference with the Commission on Christian Unity of the Disciples of Christ, but such a Conference has been arranged for either October or November, 1915. The Rev. Peter Ainslie, D.D., the Chairman of the Commission of the Disciples, has intimated that it is the desire of himself and brethren to have the Conference. These brethren, located in different parts of the country, seek to cultivate the spirit of fellowship in their own denomination with other Christian Churches, and it is to be remembered that their Church was, to a large extent, founded by Presbyterians. The Rev. William H. Black, D.D., a member of the Assembly's Committee, read at the meeting on March 31, 1915, an admirable paper upon The Disciples, and stated that he

had delivered it to audiences composed of ministers and members of that Church with much acceptance. The following Resolution is submitted for adoption:

*Resolved,* That the General Assembly authorizes the Committee on Church Coöperation and Union to continue to confer with the Commission on Christian Unity of the Disciples of Christ, with a view to closer relations.

## VII. World Conference on Faith and Order.

The visits to Europe of certain delegations appointed by the Commission of the World Conference on Faith and Order, of the General Convention of the Protestant Episcopal Church, were suspended as a result of the war in Europe. One of these delegations appointed to visit the Churches on the continent of Europe had crossed the Atlantic, but was unable to proceed with its mission. For the present, therefore, the work of the delegations has been suspended.

The following additional Churches have appointed Commissions to coöperate with the Commission of the Protestant Episcopal Church:

The Congregational Union of New Zealand,

The Congregational Union of England and Wales,

The Primitive Methodist Church of England,

The Victoria and Tasmania Conferences of the Methodist Church of Australasia,

The Church of England in the Province of South Australia,

The Presbyterian Church of England,

The Church of Scotland,

The New South Wales Conference of the Methodist Church of Australasia,

The South Australia Conference of that Church,

The Presbyterian Church in Ireland,

The Churches of Christ in New South Wales,

The Society of Friends in Great Britain,

The Congregational Union of Australasia,

The United Free Church of Scotland,

The Churches of Christ in Great Britain, and

The Queensland Conference of the Methodist Church of Australasia.

Added to the thirty-one Churches reported last year, this makes forty-seven Churches in all, found on all the continents.

On April 7, 1915, the Advisory Committee for the World Conference on Faith and Order, composed of representatives of the different Commissions already officially appointed by the Churches, united in a conference, which was held in New York, N. Y., and considered a tentative scheme for

further preparation for the Conference. The Advisory Committee, after careful deliberation, recommended that a Preparatory Conference be held, composed of the Commissions, or of representatives appointed by the Commissions, of the Churches in North America.

It is noteworthy, in connection with this world movement, that no Church has withdrawn from the Conference because of the war. There is generally the consensus of opinion that the Conference will be one of the best possible present methods for the manifestation of the Christian spirit in connection with the relations of the different Christian Churches, each to the other. Further, the opinion of the Advisory Committee was that the Preparatory Conference above referred to should be held as speedily as possible. In this conclusion your Committee concurs, and also adds that it is its opinion that no other movement for a World Congress of all Christian Churches should be undertaken so long as the movement in that direction of the Protestant Episcopal Church, commends itself to the Churches which have officially taken part therein.

The following Resolutions are submitted for adoption:

*Resolved*, 1. That the General Assembly approves of the holding of a Preparatory Conference of the Churches in North America, to further the movement for a World Conference on Faith and Order, proposed by the Protestant Episcopal Church in the United States.

*Resolved*, 2. While thus approving the Preparatory Conference, the General Assembly advises that said Preparatory Conference should decline to discuss for the present any questions as to Faith and Order, but should deal only with plans and methods preparatory to the proposed World Conference.

*Resolved*, 3. That, pending the continuance of the movement for a World Conference on Faith and Order under the direction of the Protestant Episcopal Church in the United States, that it is unwise for any other body to take steps for a World Congress of all Christian Churches.

*Resolved*, 4. That the General Assembly again entrusts the negotiations with the view to the Proposed World Conference and all matters connected with the preparations therefor, expenses included, to the Committee on Church Coöperation and Union, as the authorized representative of the Assembly.

In connection with the whole work entrusted to it, your Committee cherishes the spirit of optimism. It will continue its work, having the hope which is as an anchor within the

vail. This spirit and this hope have their source in the promises of God and in the person of Jesus Christ. Our trust is not in man or in any of man's resources. In the circumstances which surround the Churches for the time being, we remember the Master's words in Matthew xxiv. 6 and xxiv. 14,

"And ye shall hear of wars and rumors of wars; see that ye be not troubled; for all these things must come to pass, but the end is not yet."

"And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come."

Let us lay to heart the words of our Lord and Saviour, and go forward in all Christian work with the calmness which derives its source from His infinite mind, and with the courage which has as its support His infinite power. We follow the Divine Leader who cannot be defeated, and we represent in the world the authority and power of the Triune God. His promise is, "That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father."

In behalf of the Committee,
WM. HENRY ROBERTS, *Chairman.*

The Assembly was led in prayer by the Rev. Charles Wood, D.D.

The Report of the Council of the Reformed Churches in America holding the Presbyterian System, and the Report of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System, were referred to the Committee on Bills and Overtures.

The Committees on Editions of the Constitution, Digest, etc., through their Chairman, Rev. William H. Roberts, D.D., presented its Report, which was adopted, and is as follows:

The Committees on Editions of the Constitution, Digest, etc., respectfully present a Joint Report as follows:

1. A new edition of the Constitution has been issued by the Board of Publication and Sabbath School Work, including all changes up to the year 1914.

2. The manuscript for a new edition of the Digest is well in hand. This matter of the Digest was referred to the Executive Commission by the General Assembly of 1914, and the Commission has directed that the Digest be issued

as soon as practicable. The reasons for apparent delay are again stated: (*a*) The Digest has always been issued at considerable intervals of time. (*b*) The demand for the Digest is limited at the best and the expense of production is considerable. (*c*) The new edition will include decisions of the United States Courts connected with the litigation over the Union with the Cumberland Presbyterian Church. It is expected that the new edition of the Digest will be issued during the present ecclesiastical year.

Respectfully submitted,
WM. H. ROBERTS,
WM. B. NOBLE,
ALEXANDER HENRY.

The General Assembly of 1914 appointed, at the request of the American Bible Society, a Committee to Coöperate with similar committees representing other religious bodies and with the Society itself, in making the necessary preparations for the proper observance of its Centennial Anniversary (*Minutes*, G. A., 1914, p. 58).

The Committee as appointed by the Moderator consists of Maitland Alexander, D.D., John Timothy Stone, D.D., John Henry Jowett, D.D., Generals John W. Foster and Ralph E. Prime (*Minutes*, G. A., 1914, p. 80).

The Committee on the Huss Semi-Millennial Anniversary, through its Chairman, Rev. William L. McEwan, D.D., presented its Report. The resolutions were adopted, and are as follows:

The Special Committee on the Huss Semi-Millennial Anniversary respectfully reports as follows:

The Moderator appointed the following Committee on the Semi-Millennial Anniversary of the Martyrdom of John Huss:

*Ministers*—Rev. William L. McEwan, D.D., Rev. John Timothy Stone, D.D., Rev. J. Ross Stevenson, D.D., Rev. William H. Roberts, D.D., Rev. George Wales King; *Elders*—A. C. Robinson, Charles T. Thompson. The Moderator later appointed Mr. William H. Scott, of Philadelphia, to fill the vacancy caused by the death of Mr. Charles T. Thompson.

The Committee held a meeting in the Witherspoon Building, Philadelphia, March 24, 1915.

The Committee was hindered in its work by the European War, and its meeting was deferred in the hope that the delegation appointed to represent the Church at the celebration at Prague, Bohemia, might make arrangements for their presence on the occasion. The continuation of the war postpones to July 19, 1916, the celebration at Prague.

Your Committee presents the following recommendations:

(1) That this Assembly set apart an hour on Friday afternoon, May 21, for the purpose of observing the Five Hundredth Anniversary of the Martyrdom of John Huss, and that the Rev. Francis L. Patton, D.D., LL.D., be invited to make the memorial address.

(2) That the Presbyteries and Synods of our Church be asked to arrange for such celebration of this anniversary as they deem best.

(3) That the Assembly recommend Sunday, June 27, 1915, as the time for the churches to make an offering for the work of the Reformed Church of Bohemia, and that such offerings be sent to the Special Treasurer, Mr. A. C. Robinson, Commonwealth Trust Company, Pittsburgh, Pa., and that such funds be devoted to the Reformed Church of Bohemia under the direction of this Committee.

WILLIAM L. MCEWAN, *Chairman.*

The Chairman, Dr. McEwan, presided during the celebration of the anniversary, and the memorial address was delivered by Rev. Francis L. Patton, D.D., LL.D., who had been invited by the Committee. Prayer was offered by the Rev. Samuel J. Niccolls, D.D., LL.D., and an appropriate hymn was sung.

After an announcement by the Pulpit Supply Committee, the Assembly adjourned, and was closed with prayer.

FRIDAY, May 21, 7.45 o'clock P.M.

A popular meeting in the interest of Sabbath School Work was held at the Central Presbyterian Church, and addresses

were delivered by Rev. Henry C. Swearingen, D.D., and Rev. Hugh W. Rankin.

---

SATURDAY, May 22, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The following additional Commissioners were enrolled: *Elders*—R. L. Clark, of the Presbytery of Winnebago; Addison W. Baird, M.D., of the Presbytery of New York, and John S. Gordon, of the Presbytery of Ogden.

The Committee on Bills and Overtures, having received from the Clerk of the Assembly the list of Overtures, as far as printed, and also additional Overtures received from the Presbyteries and in other communications, submits the entire list to the Assembly, as follows:

*Overtures Nos. 1* to *30*, from the Presbyteries of Atlantic, Bellingham, Buffalo, Carthage, Cayuga, Columbia–A, Columbia River, Denver, Ebenezer, Emporia, Freeport, Hodge, Kansas City, Lackawanna, Lake Superior, Lehigh, Lincoln, Madison, Mahoning, Newburyport, Newton, Niobrara, Ogden, Ozark, Redstone, St. Lawrence, Syracuse, Topeka, Willamette, and Winnebago, relating to a paper by the Assembly's Executive Commission, entitled "Declaration on the Essential Principles of the Protestant Reformation," these *Overtures* being in the following terms:

"We appreciate the value of the recommendation of the Assembly that the churches should observe in some suitable manner the occurrence of anniversaries of interest to the Churches of the Reformation.

"We must, however, express our regret that the Executive Commission of the General Assembly should have made use of the recommendation of the Assembly to present to the Church a document which is entitled, 'A Declaration of the Essential Principles of the Protestant Reformation.' We believe that the contents of this so-called 'Declaration' do not justify the title; we also must question the authority of the Executive Commission to undertake any such statement and to present it to the Church. We fear lest this proceeding may lead some to regard this document as authoritative for our churches. While not entering upon any dis-

cussion of the many statements made in this paper, we must enter our protest against its publication in this form as an encroachment on the rights of the churches, and as an overstepping of the duties of the Executive Commission. We believe that the matter is of sufficient importance to call for action on the part of the General Assembly.

"For the above reasons, we respectfully overture the General Assembly to call the attention of the Executive Commission to the rules under which the Commission serves the Church, and to the fact that matters of doctrines and teachings of our Church do not come within its province."

The Presbyteries of Rio Grande, Logansport and Pueblo reported non-concurrence in the subject-matter of these *Overtures*.

*Papers Nos. 31* to *33*, from the Presbyteries of Omaha, Seattle, and Zanesville, relating to the paper entitled, "Declaration on the Essential Principles of the Protestant Reformation," which was transmitted to the presbyteries by the Assembly's Executive Commission, expressing approval of said paper.

"We ask that the membership of each Board shall consist of one member from each Synod, to be nominated by the Synod to the General Assembly, ministers and elders alternating, each to be elected for a two-year term; these members to elect a small executive committee and employed officers, to transact business, and to be responsible to the Board."

An argument accompanies the *Overtures*.

*Overture No. 62,* from Pueblo Presbytery, relating to the expenses of Presbyterial committees working in the interests of the Boards, asking the Assembly "to advise the several Boards of the Church, that they pay the expenses incurred by their respective presbyterial committees, in the discharge of their routine duties in the interests of these Boards, when the bill of expenses shall be audited, approved, and submitted for payment by the Presbytery."

*Overtures Nos. 63* to *65,* from Colorado Synod, and the Presbyteries of Cheyenne and Southern Arizona, relating to church loans, dealing with the policies and transactions of the Board of Church Erection in the matter of making loans to weak and newly organized churches, the *Overtures* containing numerous details in connection with the request made of the Assembly.

*Overture No. 66,* from Nevada Presbytery, relating to the titles of properties held by churches getting aid from the Board of Church Erection, "praying the said Assembly to adopt and establish a rule for the administration of the funds of the Board of the Church Erection Fund of the Presbyterian Church in the U. S. A., requiring that all churches procuring aid, either in grants or loans from said Board, shall, before such aid is granted, vest the title of their real property, in the Presbytery of which the Church seeking aid is a part—if said Presbytery is lawfully entitled to hold real property—but if not so entitled, then the title of such real property shall be vested in a Presbytery, Synod or Board of the Presbyterian Church in the United States of America entitled to hold real property."

The *Overture* contains explanations and details relating to the subject presented.

*Overture No. 113*, from Sacramento Presbytery, relating to courses of lectures to seminary students by business men, in the following terms:

"Many men come into the ministry without having had any training in the management of business and are consequently placed at great disadvantage in managing their own affairs, as well as the affairs of the church. After many years of observation and investigation, we believe this disadvantage to be the greatest factor in explaining the extremity of so many ministers.

"We therefore overture the General Assembly to urge our theological seminaries to invite qualified business men to deliver courses of lectures before the students, giving them the much needed instruction."

*Overture No. 114*, from Ohio Synod, relating to aid for ordained theological students, asking the Assembly "to direct the Board of Education to grant to ordained ministers in our body, who are without the prescribed course of preparation in our theological seminaries, and who desire to take up such preparation, the aid granted to candidates for the ministry in pursuing their theological studies."

*Overture No. 120*, from Topeka Presbytery, relating to grants made by the Boards to their retiring officials, asking the Assembly "to direct the Boards, in case they persist in pensioning their retiring servants, to restrict their grants to a sum not exceeding that which the Church has provided for its servants in other departments of work, when forced by sickness or the infirmities of age to relinquish active service in the cause of their Master."

"The Presbytery of St. Louis hereby overtures the General Assembly to make an order that Commissioners shall receive from these funds a sum only in proportion to the time they have actually given to the Assembly. Each Commissioner shall report, in writing, the number of sessions attended and the number missed, and he shall be paid out of the Mileage and Entertainment Funds only according to the time he has actually given to his duties in the Assembly. *Overture No. 154*, from Utica Presbytery, relating to the "Suspended Roll," asking the Assembly "to change the caption of that column in the Statistical Reports of the Minutes of the General Assembly, which now reads 'Suspended Roll,' so that it shall read 'Absentee List,' on the ground that the word 'Suspended' carries to many a false impression and denotes that persons so designated have been disciplined by a church court and therefore are unworthy."

The Judicial Committee, presented its Report on—

*Judicial Case No. 3,* John R. Ellis *vs.* The Synod of Indiana, which was adopted and is as follows:

The Judicial Committee of the General Assembly of 1915 hereby certifies that it has duly examined all the papers, documents and records filed with it by the Stated Clerk of the Assembly in the within case, and finds that all steps have been taken which are required by the laws of the Church, in order to properly present to the Permanent Judicial Commission the questions arising therein, and herewith transmits to said General Assembly all such papers, documents and records, and recommends the reference of the case to the Permanent Judicial Commission.

In behalf of the Committee,
CORNELIUS M. STEFFENS, *Chairman.*

The Stated Clerk presented the following Report, which was approved.

The Stated Clerk respectfully reports to the General Assembly the answers of the Presbyteries to the Overtures sent down by the General Assembly of 1914. They are as follows:

*Overture No. 1,* on Deacons. Presbyteries voting in the affirmative, 213; in the negative, 49; taking no action or not reporting, 30.

*Overture No. 2,* on Deaconesses. Presbyteries voting in the affirmative, 251, in the negative, 14; taking no action or not reporting, 27.

*Overture No. 3,* on Divorce of Ministers. Presbyteries voting in the affirmative, 211; in the negative, 52; taking no action or not reporting, 29.

*Overture No. 4,* of Executive Commissions. Presbyteries voting in the affirmative, 187; in the negative, 69; taking no action or not reporting, 36.

The total number of Presbyteries is 292.

In accordance with the rule established by the General Assembly, these answers are to be transmitted to a Committee on Canvass, who will report in full on each Overture, and present with each return a form of declaration, for the use of the Moderator in announcing the amendments to the Standards of the Church. The Committee on Canvass is composed of three ministers and two elders.

Respectfully submitted,

WILLIAM H. ROBERTS, *Stated Clerk.*

The Moderator appointed the following Committee on Canvass: *Ministers*—John A. Marquis, D.D., Daniel Russell, D.D., W. J. Boone, D.D.; *Ruling Elders*—Harry G. Evans and W. Holmes Forsyth.

Rev. Maitland Alexander, D.D., introduced to the Assembly Rev. John Fox, D.D., Secretary of the American Bible Society, who addressed the Assembly in the interest of said Society. The Rev. Henry White, D.D., of Siam, also addressed the Assembly. The following resolution was adopted:

The General Assembly congratulates the American Bible Society that its ninety-ninth year just completed shows issues far beyond anything in its history, making a total of 6,370,485 volumes. This brings the total circulation for ninety-nine years to 109,890,356 volumes. The Assembly learns with regret that at the beginning of the one hundredth year the Society should be compelled by a deficit in its receipts for the year past to reduce its appropriation for the coming year by 20 per cent. This means a large reduction in the supply of Bibles for the needy nations of mankind. Surely, this year of terrors is no time for a famine of Bibles. The world needs to be fed abundantly with the bread of life.

The Assembly, therefore, earnestly urges all its ministers, elders and congregations to lay these facts to heart, to pray for the Society, and to increase the offerings of all our churches for this great and sacred cause.

Rev. Judson Swift, D.D., Secretary of the American Tract Society, addressed the Assembly in the interest of the work of said Society. The following resolution was adopted:

*Resolved*, That the General Assembly rejoices with the American Tract Society in the celebration of its ninety years of service in diffusing, by means of the printed page, a knowledge of our Lord Jesus Christ as the Redeemer of sinners. They have, indeed, been fruitful years, the Gospel message having been published in one hundred and seventy-eight

languages and dialects, thereby giving invaluable aid to the mission stations in both the home and foreign fields, the total publications in all languages amounting to 791,142,050 copies, and the total foreign cash appropriations, including grants of electrotypes, amounting to nearly $1,000,000. The Assembly is pleased to note that the Society's missionary colportage totals 18,406,676 family visits made and 17,326,937 volumes distributed, thereby carrying the Gospel message to vast numbers of our non-church-going population.

The Assembly further calls attention to the awakening in behalf of the moral and spiritual needs of Latin America, and heartily commends the Tract Society in its enlarged efforts to produce Christian literature in the Spanish and Portuguese languages, the total in Spanish alone numbering more than 300 distinct publications, many millions of which have been distributed.

In view of the above facts and the greatly increased demands for multiplying many-fold the output of Christian literature in the vernacular at foreign mission stations, the Assembly urges that the American Tract Society be most heartily supported in its efforts to provide the literature needed, and recommends that the Society be included in the benevolences of our churches and individuals, and that each Session be requested to give the Tract Society's world-wide work a place in its annual budget.

Mr. William H. Scott, of the Presbyterian Historical Society, addressed the Assembly, presenting the object and methods of said Society. The following resolution was adopted:

The General Assembly commends to its ministers and churches the Presbyterian Historical Society and expresses the hope that they will do all they can to further its purposes and plans by giving to it all moral and financial support.

The Report of the Special Committee on Union Theological Seminary was made the order of the day for Monday afternoon at 4 o'clock.

The following Memorial to the President of the United States was adopted by the Assembly and ordered to be sent, signed by the Moderator and Stated Clerk.

*To the President of the United States, Washington, D. C.:*

The General Assembly of the Presbyterian Church, in session at Rochester, N. Y., assures you herewith of its fellowship and prayer in these times of heavy responsibility.

We recognize your peculiar relation to the Church which we represent, and we rejoice in your true relation to all those who love our one Lord. We have observed with gratitude to God the wisdom and tact which have marked your leadership of the nation during the trying days already past, and we earnestly expect that these gifts of the Divine Grace will be granted in all fullness in the days that are to come, and that God will sustain and guide you in the important matters with which you must deal. We pray that our nation may be led in those ways of righteousness and peace which will make it more and more a helper of the world.

J. Ross Stevenson, *Moderator;*
Wm. H. Roberts, *Stated Clerk.*

The Assembly was led in prayer by Rev. Dr. C. B. McAfee, who moved the Resolution.

The Special Committee on Sabbath Observance, through its Chairman, Mr. James Yereance, presented its Report, which, after addresses by Rev. John W. Dinsmore, D.D., and Rev. John R. Davies, D.D., was adopted. It is as follows:

Brethren:—Nearly a quarter of a century has passed since this Committee was appointed by the General Assembly to serve without expense to the Assembly. These years have been freighted with facts concerning the Sabbath that cause both rejoicing and regret. We believe that notwithstanding many victories won and the large encouragement for the workers in our Sabbath Associations, every opportunity must be embraced to enunciate the importance and need of better Sabbath observance and that the Church ought to speak out more frequently and clearly on this question, a greater than which does not confront the Church of Christ to-day. Voltaire said: "There is no hope of destroying the Christian religion so long as the Christian Sabbath is acknowledged and kept by men as a sacred day."

Christianity stands or falls with the Christian Sabbath. Just as the Westminster Confession of Faith and the Catechisms of our Church are losing their grip on our people through failure of faithful and efficient teaching to the young, so also the Christian Sabbath is suffering through the failure of imparting its meaning and the fullness of its requirements as often in our churches to-day as was the commendable custom years ago. It is time for a genuine revival to break out in this direction, when pastors will preach on the subject and make it as serious a part of the Church's business as Missions, and give as proper financial support to the Lord's

Day organizations as is given to Home and Foreign Missions or any Board of the Church.

We reiterate the statement we made a year ago, that never have our legislators, State and national, been so open to the protests of the friends of the Sabbath against all weakening of the Sabbath laws; and never have the officers of the law been so ready to act on requests of Sabbath organizations to enforce the laws; and that captains of industry and employers of labor were never so willing to listen to the needs of labor, as urged by the Sabbath organizations, to accord to their employees the divine right of one day in seven for rest and worship. These facts suggest that every effort should be made to reinforce the splendid work of the organizations so well and bravely defending this bulwark of our faith.

First, we are grateful to Almighty God and His co-workers for the many outstanding

### Victories of the Year.

*The Lord's Day Alliance of the United States.*—Through this organization, which represents sixteen Christian denominations, and its auxiliary and affiliated bodies, millions of persons in the United States have enjoyed an unconscious benefit through the defeat last year in our State legislatures and committees of scores of bills directed against the Christian Sabbath. No one can estimate the harm that would have been done to churches and communities, families and individuals, if this proposed legislation had not been prevented.

*Sunday Rest in Government Departments.*—A great advance has been made in a movement to bring about Sunday rest in various departments of the United States Government. Usually officials coöperate quite readily with the Alliance when the injustice and evils of a seven-day working week are pointed out. Occasionally opposition is experienced. As judgment begins at the House of God, so should every legitimate effort be made to eliminate any injustice on the part of our Government toward its employees, thus setting a worthy example to other employers in the nation.

During the past year two attempts to force an entering wedge to the brilliantly successful Sunday-closed Post-office were defeated by Christian forces under the leadership of the Lord's Day associations which three years ago secured this benefit to 100,000 Post-office employees. Here is an illustration of the sentiment expressed by thousands of letter carriers and clerks: "We cannot find words which will adequately express our thanks . . . . for our Sunday rest."

Concerning the weekly rest day for all employees in the

engineering department of the Federal buildings of the port of New York, Hon. William G. McAdoo, Secretary of the Treasury of the United States, in a letter to the United States Senate, pronounced it a "desirable reform," and the supervising Chief Engineer on March 19, 1915, publicly thanked the Lord's Day Alliance of the United States for accomplishing it and said it was "a benefit both to the employees and to his department."

Among the other recent accomplishments of the Alliance are these:

The securing of one day of rest in seven for the laborers, watchmen and elevator staff in the New York Post-offices.

Securing of a unanimous decision of the judges of the Special Sessions Court in New York City against slaughtering and packing of hogs on Sunday. Complete victories against Sunday slaughtering in New York, Brooklyn, Jersey City and Newark would relieve 6,000 men of Sunday work. The Department of Agriculture at Washington has promised the withdrawal of Federal inspection if the State Courts decide that this kind of Sunday work is a violation of the law. As none of the places in question can operate except when a Federal inspector is present, the vindication of the law would cause an automatic cessation of Sunday work.

It has continued its work along educational and other lines for bringing about a lessening of work on Sunday in steel and iron mills, foundries, on transportation lines, etc.

It is now at work to secure the weekly rest day for the men in the municipal ferry department of Greater New York, the Customs Guards of the port of New York, and for Government employees in other cities.

Engaged in many campaigns for civic betterment and a closed Sunday, Covington, Ky., and Washington, D. C., are conspicuous 1915 examples. In coöperation with the local religious forces, organizations were effected in both cities for perfecting plans to put "the lid on."

Coöperating with the Alliance on a national scale are the ministerial associations of the country, scores of other religious organizations, industrial and Government associations.

In order to acquaint the Assembly with the principal Sabbath organizations of the country, affiliated with the Alliance and others of a more independent character, we give below an account of victories won by them in their respective fields:

*Lord's Day League of New England.*—In order to see the persistency of the enemies of the Lord's Day and the efforts put forth to force the Continental Sunday upon the States of our nation, it is well to look at the record-breaking number

of bills adversely affecting the Lord's Day, introduced in the New England legislatures during the year just closed. There were 27 such bills: 14 in Massachusetts, 6 in Rhode Island, 6 in Connecticut and 1 in Maine. Among the things these bills advocated were various games and amusements, including Sunday baseball, hunting, concerts, many kinds of work and trade, business in photographic studios and bakeries. The Lord's Day League of New England has been successfully waging warfare against these bills, which, if enacted into law, would have wrought great harm to the people living in "the land of steady habits." Later returns from New England show all the bills in Maine and New Hampshire defeated, and in Massachusetts all except a bill for widening the extent of the sale and making of bread-stuffs. The greatest battle was in Connecticut, where efforts are made to open Sunday more fully to sports and amateur games, and for opening hotels and restaurants to the sale of liquor on Sunday. The battle is still on in that State.

*New York State Sabbath Association* successfully, with coöperating Sabbath and reform associations, stood against bills introduced at Albany to legalize Sunday baseball, the open theatre and other menacing measures.

*New Jersey Lord's Day Alliance* defeated every one of several adverse Sunday bills last year, and are vigorously battling against others in present legislature.

*Pennsylvania Lord's Day Alliance* have held the old Sunday law of 1794 intact, and, with other coöperating bodies, have prevented the legalizing of Sunday sports, baseball, fishing, hunting, and moving pictures.

*Lord's Day Alliance of Maryland* effectively handled the Sunday saloon problem in Baltimore, reducing liquor fines of $1,388 in 1913, for Sunday opening, to $29 in 1914. Its frequent tours in automobile through the State for conferences and open-air meetings were very successful. Dr. Howard A. Kelly, the distinguished surgeon of Baltimore, was usually with the party who made addresses.

*Tennessee.*—There is a stirring of the Christian conscience concerning the Christian Sabbath, and a movement is on to effect a State Lord's Day Alliance.

*Wisconsin Sunday Rest Day Association.*—The past year the Christian people have been awakened to the imperative duty of making the Sabbath a day for rest and worship, and efforts have been made to federate the Christian forces in every community.

*North and South Carolina.*—Work here has been chiefly educational, through addresses and distribution of literature.

*Mid-West District of the Lord's Day Alliance.*—The public

mind and conscience in Colorado, Kansas and Oklahoma have been quickened for Sabbath observance, the reducing of unnecessary labor and sport and of securing one day's rest in seven for every toiler. Petitions for closing the third- and fourth-class Post-offices have been procured.

*The Northwest Sabbath Association.*—Coöperation with the temperance forces for the suppression of the liquor evil, a menace to the Sabbath in Oregon, Washington and Idaho, has been the outstanding feature of the work here recently. A movement is on to place a strong Sunday law on the statute books of Idaho.

*The New York Sabbath Committee.*—This committee has been devoting a great deal of time to a scientific research to determine more accurately the influence of the Sabbath upon human welfare, and urges that it is the duty of all good citizens—Protestants, Roman Catholics, Jews and others—to combine their efforts for the protection of the day as essential to the peace and good order of the community, the religious welfare of the citizen, the rights of wage-earners and the welfare of the State. It has rendered effective service for the Sabbath in New York City and aided in the work at Albany on bills affecting the Sabbath.

*The Woman's National Sabbath Alliance,* by distribution of literature from its headquarters and through its auxiliaries and by numerous meetings, has created much sentiment for a better Sabbath observance in the home and elsewhere in many parts of the United States. The 1915 calendar published by this organization contains a carefully selected list of quotations for daily attention and would be of valuable daily help in every Christian home.

*The Woman's Christian Temperance Union* has proved a worthy ally in Sabbath-observance work, and by faithfully directing attention to Lord's Day Week has helped to keep the fact of a much-needed sturdy defense of the Sabbath before the churches of the nation.

*The Sunday League of America,* located at St. Louis, Mo., publishes a monthly paper in the interest of Sunday Reform, engages in campaigns for better Sabbath observance and aids in law enforcements.

### Conditions in other Countries.

*Canada.*—Through the Lord's Day Alliance of the Dominion, the "Federal" statute secured in 1906 for the defense of the Day of Rest, is a break-water against the tide of Sunday evils pressing to overflow Canada in these war times. This national statute, following a development of favorable sentiment, is now recognized in every province of the Domin-

ion. Rev. Dr. W. M. Rochester, the General Secretary, said on April 7 last, "I do not know what we would do without this statute now in these troublous days." Here is a worthy example set for the Christian forces of the United States. Let them line up with the Lord's Day and Sabbath organizations, and, under the leadership of the Lord's Day Alliance of the United States, the National organization representing most of the Christian denominations, go forth to victories. The United States does not know how much it already owes to the Lord's Day Alliance.

Since March 1, 1907, when the Lord's Day Act came into force, a conservative estimate of toilers in Canada who have gained a weekly rest day, places the figures at about 125,000. With the majority it is the Lord's Day. The publication of Sunday newspapers in Canada has been discontinued, and the distribution and sale of American Sunday newspapers, which had risen to 150,000, has been practically stopped.

*Brazil.*—The *cinemas* ("movies") do their best business on Sundays. The saloons flourish on the Lord's Day. Football games are played, bull-fights are in order, and few people go to church on Sunday.

*Panama.*—A new law went into effect December 1, 1914, making it illegal, punishable by a heavy fine, for shops to be open, as formerly, on Sunday.

*Scotland.*—The Sunday newspaper, its development and sale, is creeping into Scotland. The war has been made the excuse for great activities in this direction.

*New Zealand.*—An amendment has been made to the Factories Act, providing for a statutory working week of six days. The law became operative January 1, 1915.

### Sunday Laws Needed.

*California and District of Columbia.*—Two conspicuous places in the nation have no Sunday laws: the fair State of California, and the District of Columbia, seat of the nation's capital. An attempt was made last year to get a Sunday-rest law passed in California, but failed. For renewal of the battle and encouragement to the workers, the International Lord's Day Congress, to be held at Oakland, Calif., July 27 to August 1, and the Exhibit of Lord's Day and Sabbath organizations, preceding the Congress, and continuing through the Exposition year, should be great factors. A deep impression for better Sabbath observance and the necessity for Sunday laws and their enforcement should be urged by these organized Christian Associations not only in California, but the whole nation, and ought to give impetus also to the work in other countries.

## Difficulties in the Way.

In the last generation so many changes in the social order have taken place, so much adjustment necessary to the times that it has been difficult to persuade many people, both without and within the Church, to see the necessity of standing squarely as the Church teaches on this question of Sabbath observance. Automobiling for pleasure on Sunday, luring children and families away from Sunday-school and public worship; the Sunday newspaper, despiritualizing the home; baseball, golf, other games, moving-picture shows—these are some of the influences which have made themselves felt in the life of the American people to their hurt and the desecration of the Lord's Day. The Sunday saloon, the cabaret, theatres and vaudeville, business, the commercialized seven-day week, Sunday laws strained by Court decisions, rendering difficult law enforcement, the bold and defiant violation of the laws, urge the awakening of the churches to the ugly fact of this peril. The need of stronger laws in many States and amendment of others to make perfectly clear what is prohibited on the Christian Sabbath is plainly evident.

We quote the words of Rev. William A. Sunday, D.D., the noted evangelist, apropos, as we believe, to the general agitation for Sunday sports:

"I tell you whenever a city turns its theatres loose on Sunday and has its baseball parks open, it is putting the red flag down the track."

*The Moving-picture Problem.*—It is said there are about 18,000 moving-picture theatres in the United States, attended by nearly 16,000,000 people. A large number of these are open on Sunday, and movements are on to operate as many as possible seven days a week.

It will be seen that the Sunday moving-picture problem is becoming serious. It has intruded itself in every city wherever possible and is a disturber of the moral and religious atmosphere of the Christian Sabbath. Investigation has proved that not only are the "movies" commercializing and secularizing seven days of the week, but also in many instances add insult to injury to the Lord's Day by producing picture plays of an immoral character. Even at our National Capital, where the highest order of morality should obtain, "movies" and vaudeville performances of a disgraceful order are habitual Sunday offenders.

*Legal Decisions and Encouraging Signs.*—It is refreshing to observe that Sunday movies and theatrical performances are forbidden by law in New York State, all of New England,

and that many cities, such as Worcester, New Bedford, Springfield, Mass., have shut down the movies by order of the mayor. Judge Morschauser, on January 13, rendered a decision against a Yonkers motion-picture association company, in a case taken from Yonkers to White Plains, N. Y.; the action was brought against Mayor Lennon, of Yonkers, to restrain him and the Commissioner of Safety from enforcing an ordinance which prohibits the giving of any performance on the Sabbath.

*Other Judicial Decisions.*—Judge W. C. Ryan, Berks County, Pennsylvania, July 13, against Sunday baseball. Judge H. M. Edwards, Scranton, Pa., November 16, 1914, that Sunday baseball in this State is a violation of the law.

The Court of Appeals of New York, on February 5, upheld as constitutional the "one-day-of-rest-in-seven law."

*Sunday Slaughtering.*—Before the Special Sessions Court in New York recently, a conviction was secured in a test case on the Sunday law, against one of the strongest slaughtering and packing establishments in the Metropolis for killing hogs on Sunday. In the vicinity of New York, Brooklyn, Jersey City and Newark 6,000 men are employed every Sunday at the unnecessary work of slaughtering animals and preparing them for market.

*Sunday Law.*—Public officials in many places are pressing the necessity for law enforcement. Judges are interpreting the laws according to their intent and purpose. Judge George C. Tennant, of Hudson County Court of Common Pleas, New Jersey, January 27 last, sent a letter to the Chief of Police of Jersey City threatening "indictments for malfeasance in office" if the Sunday closing law and the Bishops' law for the exposure of saloon interiors were not strictly enforced. A great mass meeting of citizens of Jersey City was held later and a Law and Order Enforcement League of Hudson County was organized to reinforce the judge in his Sunday closing campaign. Governor James Fielder was present and in an address said he was there as a delegate from St. John's Episcopal Church to give his voice and effort for the enforcement of the laws and regarded it the duty of every good citizen to aid Judge Tennant in the Sunday closing work. The lid went on.

Hon. Henry Bruere, City Chamberlain of New York, on March 1, 1915, said: "I believe in the seventh day of rest for actors, as well as other folks. Sunday theatrical performances are an abomination."

Robert B. Ward, president of the Brooklyn Federal League Baseball Club, said, November 30, 1914: "Brooklyn (Federal League) never will play Sunday ball as long as I

have a dollar invested in the game; and, I may add, I have no intention of quitting now."

An organized movement to get a bill legalizing Sunday baseball in Pennsylvania last year failed.

It is reported the players of the National Baseball League are against Sunday baseball.

The Central Railroad of New Jersey, following the example of other railroad managers, started a movement last summer to lessen Sunday work as much as possible. Only passenger, excursion and perishable-freight trains are to be run on Sunday. We regret that "excursion" trains are still to continue.

Last November the Brewers' Exchange of Rochester, N. Y., granted one day of rest in seven to their engineers and firemen without reduction in pay. If an institution like this, even under pressure, will make such a concession to its employees, how quickly should every morally legitimate business establishment gladly give the same to its employees?

Mrs. Thomas A. Edison, of West Orange, N. J., wife of the famous inventor, recently gave her voice against Sunday amusements. We give the statement below and suggest that other prominent Christian women follow her example and put their foot down on this popular form of Sabbath desecration: "It would be well," said Mrs. Edison, "for the people of West Orange, as well as everywhere else, to hark back to the example of our forefathers and stay quietly at home on Sundays. We should not be so anxious for amusements at all times, but try to cultivate the home idea, especially on Sundays."

*Governor Whitman and Law Enforcement.*—Regarding this mighty problem of the Church to-day and the need of most serious attention given for its solution, we call attention to words of Governor Charles S. Whitman, of New York, at his inaugural, January 1, respecting the growing impatience of restraint, moral and legal, observed everywhere in America: "There is but one way of meeting the danger, and that way is through the creation of a dominant and prevailing public sentiment in support of the enforcement of the law." We believe it to be the duty of every minister to inform and instruct his people along these lines and advocate the practice of professed faith by fearlessly aiding in this work and helping to support the organizations defending the Sabbath and working for the enforcement of the laws.

### Law Enforcement.

*Altoona, Pa.*—For illustration of what boroughs and cities can do to effect better observance of the Sunday law, we

point to Altoona, Pa., where for ten years, through a consecrated Sabbath Observance Committee of ministers and laymen of the Ministerial Association and Inter-Church Federation, the city of 55,000 population has closed its cigar stores, confectionery and ice-cream and soda-water establishments.

*Johnstown, Pa.*, of 60,000, passed an ordinance making it a fine of $25 for violating the Sunday law.

*Washington, N. J.*, passed a similar ordinance.

*Allegheny, Pa.*, for many years has reinforced the State Sunday law by the ordinance which imposed a heavy fine for violation of the law.

*New Jersey* makes it plain in the latest amendment to the law that boroughs and cities may pass ordinances increasing the fine above that of the State law. The fight in some of the above cities for law enforcement was continued through formidable opposition, but the victory was won.

*Covington, Ky.*—At a great Civic Betterment Campaign in Covington, Ky., last January, the Protestant churches uniting, an Inter-church Committee was organized for the purpose of effecting plans to close up the saloons, business establishments, theatres, etc., on Sunday.

*American Federation of Labor.*—This pronouncement on the question of Sunday rest as given by the president, Mr. Samuel Gompers, sometime ago, merits attention again to-day both of the laboring and all other classes of citizens:

"Not only am I personally in hearty accord with any movement which has for its object the preservation of one day's rest in seven, but the American Federation of Labor, representing over two million working men and women, has emphatically declared itself in favor of the Sunday rest day, and it has done as much, if not more, than any other organized body of men and women to enforce the observance of the Sunday rest day."

*The Defender* says: "The laboring classes of New England are not, we are sure, in favor of the open Sunday, with its baseball and theatricals, although this claim is constantly made. They realize that rest, home and worship are the most valuable assets of the man of toil."

## Press Observations.

We quote the following from an editorial which appeared in the Indianapolis (Indiana) *News*, as it very succinctly puts an argument for the Sunday laws and routs the advocates of personal liberty:

*Liberty.*—"Those who oppose the Sunday laws always have much to say about liberty and the rights of the

individual. But they never think of the liberty and rights of those who are forced to labor on Sunday—and every other day—in order that others may enjoy themselves. The actors who were arrested a few days ago do not wish to work on Sunday. On the contrary, they would be glad to have a day of rest. The extra burden imposed on railroad men and street-car men by the Sunday excursions and Sunday baseball is never thought of by those who in the name of liberty demand that their brothers shall suffer in order that they may have a 'good time.' There is a good deal more selfishness than there is love of liberty in this campaign against the Sunday laws. People think of their own pleasure rather than of the rights of others."

*The Sunday Guardian*, London, says the following protest is from the Roman Catholics of Dublin:

"That we, the Confraternities Council, representing 800 members of the Confraternities of the city and suburbs, strongly renew our protest against Sunday performances in the picture theatres of the city."

*The Edinburgh* (Scotland) *Evening News* recently published this:

"We view with grave concern the development and sale of Sunday newspapers, as a revolution in practice, and in the habits of the people of Scotland." It also states that "since the beginning of the war there has been a gradual increase of war editions." As the Sunday newspaper in the United States was introduced in our Civil War days, we fear that Scotland and other countries, unless they successfully stay this tendency of the press, will find the "camel" hard to get out once he is fully in the House of the Sabbath.

## International Lord's Day Congress.

The preparations for the International Lord's Day Congress, to be held at Oakland, Calif., July 27 to August 1, are well under way. Nearly all the larger Lord's Day organizations of the United States have united in the movement, also a number in Europe and Great Britain, and the Lord's Day Alliance of Canada. The European War will prevent any participation by some societies which had hoped to have part in the Congress. President Wilson accepted the Honorary Chairmanship of the Honorary Council, and Hon. Alton B. Parker, the Chairmanship of the Congress. The earnest hope of all participants is that a mighty impression for better Sabbath observance will be made not only on California, but throughout the United States, and have its effect for good also on all foreign civilized countries. Strong protests

have been sent to the Exposition management against the opening of the Exposition on Sunday, and all churches and Christians are called on to voice emphatically this sentiment and to aid in every possible way the Congress which, by its presence and sessions, will show that a united Christianity refuses to countenance such use of the Sabbath and stands solidly against it. The Beachy acroplane accident, which resulted in the death of the well-known aviator in a Sunday exhibition before a vast crowd, emphasizes the need of a mighty Christian protest against Sunday abuses.

Lord's Day and Sabbath organizations of the Congress have an exhibit in the Palace of Education which is a constant reminder of the need of a proper observance of the Christian Sabbath. This exhibit will remain throughout the year.

*Lord's Day Week.*—We express the conviction that Lord's Day Week, beginning the first Sunday after Easter and continuing through the following Sabbath, should be more generally observed by our churches and that each year early preparations should be made that this week may prove of telling effect for Sabbath Observance through instruction from pulpit, in Sunday-schools and Young People's Societies and that the value of the day for weekly rest and worship may be deeply impressed on the younger generation.

The "Lord's Day" Special Program for Lord's Day Week, prepared by the Lord's Day Alliance of the United States, and which was so successfully used last year and again this year, will prove of great help to every Sunday-school and Young People's Society using it. The number of copies needed by any school or society is furnished on application on the simple condition that an offering be taken for the Alliance. Pastors have found it a helpful service for Sunday evening public worship.

*Lord's Day Leader.*—The Lord's Day Alliance of the United States is now publishing an attractive and timely magazine which is full of the best and latest facts on the Sabbath question and a generous amount of fresh and valuable material for addresses, sermons and other purposes. All contributors to the Alliance receive it. The first issue, January-February number, includes the President's anniversary letter, the annual report and Dr. Chas. E. Jefferson's sermon on the occasion of the 26th Anniversary of the Alliance.

In conclusion, the Committee recommends the adoption of the following resolutions:

*Resolved*, 1. That the General Assembly reiterates its strong and emphatic disapproval of all secular uses of the Sabbath Day, all games and sports, in civic life, as also in

Army and Navy, all unnecessary traveling and all excursions, and urges upon all employers of labor and captains of industry to recognize the need of the laboring man for his weekly rest day, and thereby insure his greater efficiency and happiness and the greater prosperity of both capital and labor.

*Resolved*, 2. That we most respectfully call the attention of all public officials to the potent influence of their position, pro or con, on all moral questions, and the necessity of greater care on their part, proportioned to the exalted nature of the offices which they occupy, that they may strengthen rather than weaken, by their influence, public and private observance of the Lord's Day; and this Assembly respectfully, but emphatically, urges all public officials faithfully to enforce all laws to protect the Sabbath from desecration, and calls upon every member of our churches loyally to support all officials in such faithful discharge of their duties.

*Resolved*, 3. The General Assembly urges on all families not to buy anything on the Sabbath, to plan for their servants on the Sabbath and to help them fulfill their religious duties and to pay laborers so that they may have Saturday afternoon to make provision for the Sabbath.

*Resolved*, 4. That this Assembly heartily endorses the plan of the Saturday half-holiday, and recognizes it as tending to the better observance of the Sabbath.

*Resolved*, 5. That the General Assembly hereby reiterates its emphatic condemnation of the Sunday newspaper, and urges the members of the Presbyterian Church in the United States of America to refuse to subscribe for it or read it or advertise in it.

*Resolved*, 6. That the General Assembly respectfully requests the faculties of colleges and seminaries, if the way be clear, to omit recitations on Monday mornings, so as to leave the Sabbath free from the felt necessity of some of the students to prepare their lessons on that day or to return on the Lord's Day from week-end absence from their schools.

*Resolved*, 7. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Presbytery, to coöperate with similar committees of other denominations within its bounds in aiding the work of local Sabbath associations; and where such organizations do not exist, to promote the formation of such associations in connection with the State or national organizations, the Lord's Day Alliance of the United States and the Women's National Sabbath Alliance.

*Resolved*, 8. That the General Assembly recommends that a Sabbath Observance Committee be organized in each Synod, of which the chairman of each Presbytery's Committee on

Sabbath Observance shall be at least a corresponding member, and that the Synod's Committee shall coöperate with the State Sabbath Associations.

*Resolved*, 9. That we most heartily commend and warmly endorse the work of the Lord's Day Alliance of the United States and the Woman's National Sabbath Alliance, national organizations, in their efforts to preserve in its purity the Christian Sabbath, and its work for the practice of its teaching.

*Resolved*, 10. That we commend the Lord's Day Alliance of the United States for preparing a bill for Sunday rest for government employees and of the plan to have it introduced in the next Congress.

*Resolved*, 11. That we earnestly recommend that the week commencing the first Sabbath after Easter and embracing the second Sabbath after Easter, be observed as a Week of Prayer for the preservation of the Lord's Day, in its quiet, rest and worship; that the lesson in all our Sabbath-schools on the first Sabbath after Easter be on the observance of the Sabbath; and that each pastor of our communion preach a sermon on that day or at some more convenient time on the subject of the Sabbath.

*Resolved*, 12. That we recommend that the Lord's Day Alliance of the United States, which is the only association that represents the Presbyterian Church in the United States of America in this department of Christian work, organized by the coöperation of the General Assembly in 1888, be included in the budget of benevolences of the churches, or in lieu of this an offering be taken for the Alliance on the first or second Sabbath of Lord's Day Week, contributions to be sent to George M. Thomson, Treasurer, 203 Broadway, New York City; and that the Committee on Sabbath Observance be continued without any expense as usual to the Assembly.

Respectfully submitted,

JAMES YEREANCE, *Chairman;*

The Special Committee on Prison Reform, through its Chairman, Rev. W. Francis Irwin, D.D., presented its Report, which was adopted, and is as follows:

The Special Committee on Prison Reform appointed by the General Assembly in session at Chicago, 1914, respectfully reports as follows:

The appointment of this Committee grew out of the interest aroused in the Atlanta Assembly of 1913 upon the introduction of the following Resolution:

"WHEREAS, Through the operation of the Criminal Courts and jail system, large numbers of men and women are annually imprisoned and subjected to conditions and influences which are unnatural and detrimental and which oftentimes make it difficult, if not impossible, for them to obtain honest employment upon their discharge; and

"WHEREAS, The spirit in which such system is administered often savors of revenge and retaliation rather than a desire for the reformation of the offender, and is thus opposed to the law of Christ; and

"WHEREAS, It is claimed by many that this system of dealing with offenders is not only detrimental to the individuals and families directly affected, but is also injurious to society and is resulting in a growing increase in crime and disrespect for law; and

"WHEREAS, The humane and successful methods adopted by Governor West, of Oregon, Governor Hunt, of Arizona, Judge Lindsey and Warden Tynan, of Colorado, and others, in the treatment of delinquents, indicate the Christ-like spirit and the true way of bringing about their reformation; and

"WHEREAS, In a matter so vitally affecting the spiritual, moral and physical welfare of multitudes of our fellow-men, it is the duty of the Church to take an intelligent and active interest, in order that it may best promote the cause of Christ;

"Therefore, *Resolved*, That a Committee consisting of five members be appointed to investigate, and report to the next General Assembly whether the present methods of dealing with offenders is in harmony with the law of Christ and wherein the Church may the better perform its duty and fulfill its obligation to the prisoner."

CAPITAL PUNISHMENT.—Through some oversight, the Moderator appointed a Committee of three instead of five, consisting of Drs. Irwin and Ryan and the Hon. C. F. Scott. This Committee reported to the General Assembly of 1914. The recommendations were adopted. After a debate upon the adoption of the Report as a whole, a motion was carried to refer it to an enlarged Committee of seven, to report to the General Assembly at Rochester in 1915. This action was due to the introduction, from the floor, of the subject of Capital Punish-

ment, which eclipsed the real facts and purpose of the Report. Capital punishment was foreign to the thought of the Committee and the object of the Resolution. It was never discussed in the conferences. Certain phrases may have lent themselves to that construction, but such was not intended.

Your present Committee is anxious to guard against another digression from the main issues. We do not consider capital punishment to be within the limits of present instructions. No statement in this Report, therefore, should be so construed.

Duties of Your Committee.—In the light of the original Resolution, the duties of your Committee, therefore, are limited to investigating and reporting,

(1) Whether the present method of dealing with offenders is in harmony with the law of Christ, and

(2) Wherein the Church may the better perform its duty and fulfill its obligation to the prisoner.

As a Committee we have not been able to conduct independent investigations of prisons or the penal systems. Neither the time nor the money necessary for so vast an undertaking has been at our disposal. We have, however, gathered together the results of personal investigations and the findings of those organizations and individuals devoted to thorough and exhaustive study of the subject.

The past few years have witnessed a radical change in the spirit and method of dealing with offenders against the law. A vast amount of literature upon criminology and penology, transformations in public institutions and the appointment of commissions by Federal and State governments, the introduction of prison reform as a plank in the platform of every political party, mark a new era in approach to a solution of this perplexing problem. Since the framing of the above Resolution, other men have become conspicuously successful in reform work. The start has been made. The Church cannot afford to withhold either its official recognition of this advance or its sympathetic coöperation. "Visiting" those "in prison" surely means more than perfunctory cheer. When asked what was the first and essential condition of penal reform, Dr. Peyton, superintendent of the Indiana Reformatory, replied, without hesitation, "The education of the public."

Unchristian Theories and Practice.—Common knowledge alone, regarding the "present methods of dealing with offenders," would be sufficient to enable your Committee to report that such methods are not in harmony with the law of Christ. The principle upon which our penal system is

based and operated is that of punishment for the wrongdoer, without regard to whether he has repented and reformed, and without regard to the circumstances of each particular case, such as ignorance, poverty, inherited weakness, etc. The old barbaric theory which regarded the treatment of criminals as a matter of revenge, has given way to the civilized theory of reform. "The present theory of the law must be changed. Its aim should never be punishment in the sense of retaliation, but prevention and correction. This theory of punishment is condemned by our religion, discarded by experience, contrary to our democratic ideals, and a disgrace to our civilization." (Thomas Mott Osborne, Warden of Sing Sing.) The law not only proceeds upon the theory of revenge—of punishment—for crime, but it attempts to make a nicely graduated system by which the exact amount of guilt in the offender must be weighed and determined and the exact and proper amount of revenge administered—so much crime, so much punishment.

"It is a ridiculous idea for a judge to send a man to prison and state beforehand how long he must stay. It would be just as foolish to send a man to the hospital and tell him he must stay there two weeks because he had the measles," says Mr. Osborne. Upon which a daily newspaper comments as follows: "But Mr. Osborne is a revolutionary. He is talking as if prisons were designed to cure men of criminal tendencies, rather than to punish them. Cure was the last thing considered when our prison system was inaugurated. Cure is not remotely squinted at in most of the laws we have made to deal with criminals. Society has been seeking retribution, not regeneration. If we adopt Mr. Osborne's viewpoint, we will have to make radical changes in both prisons and laws. We hope we will."

"The penal institution no longer is regarded as a place to punish men, but a place to reform them. At last the world has heard the great Judge say, 'Vengeance is Mine; I will repay,' and leaving that to Him, we turn to helping our weak brother to become strong." (Frank Moore, Superintendent New Jersey Reformatory.)

No human being or any number of human beings can weigh and determine the guilt of each criminal by the mere facts of his crime, nor judge the amount of criminality in this one as compared with that one. Only God can do that.

The law practically ignores the whole psychological problem; the sense and degree of responsibility, the inheritance, the effect of environment, the influence of others, the unforeseen circumstances, and confines itself to the crudest possible set of facts. But the crude facts are the least

important and the psychological facts are the most important in determining the real guilt of a criminal.

It is a practical impossibility for government to punish offenders in such a way as to be equitable and just to all. Not only do all Courts err, but such errors are most likely to operate to the disadvantage of the poor and weak. Money and influence are of decided advantage in defending against criminal prosecutions. There is, moreover, great variance among judges in their severity or leniency, and the particular humor in which a judge happens to be often determines the penalty. Many judges presiding over Criminal Courts are unfitted by temperament or training for the exercise of powers involving life, liberty, reputation, character, homes, family and destiny. Thousands of cases are disposed of at an incredible rate of speed and unfortunates subjected to punishment which benefits neither them nor society.

Punishment by the State is essentially a savage practice, found among every barbarous race, and differing only in its methods. There is neither necessity nor excuse for it in a Christian nation. That God punishes transgressors furnishes neither authority nor justification for our attempting to do so. God makes no mistakes in His judgments, which are "true and righteous altogether." Punishment under Divine laws is not for revenge, but—in this world so far as we can see—for correction, discipline, education and life. The punishment of the Prodigal son was not merely the consequence of his sins, but also the means whereby "he came to himself" and eventually to his Father.

The principle of punishment, moreover, is opposed to all the principles of justice, humanity and love of Christ. No order of society was beyond His pity and help. His glad tidings were for those in prison, literally and figuratively. He was for the "under man," the man who was down and out. The thief upon the cross heralds the possibility of the salvation of the criminal, as well as the all-embracing love and forgiveness of the Saviour. He enjoins individual forgiveness to a repentant brother. Government is but the sum of individuals which cannot do as a whole what is forbidden to its members. The transcendent functions of government in matters economic and political do not involve an abrogation of moral law.

"The Son of Man is come not to destroy men's lives, but to save them." A Christian nation is not greater than its Lord. "Neither do I condemn thee; go, and sin no more." Christ's example is our law. Forgiveness, hope and restoration are essential to service and character. "The State can only be rightly guided by men who know something higher

than the State," said Plato. A Christian civilization is not limited to worldly wisdom.

Failures of the Unchristian Methods.—As a result of the theory of punishment in accordance with which men are imprisoned, our prisons have in many cases practiced cruelties and barbarities upon the inmates which are utterly out of harmony with the present-day civilization, and of course are repugnant to the law of Christ. In spite of the improvements in penal institutions since the day of Howard, "we must not lose sight of the horror, the degradation and the crime-breeding atmosphere which surrounds these poor, desperate creatures who inhabit the hell-like institutions which to-day stand as a blot upon our civilization and our Christianity." (E. S. Whitin, Secretary, National Committee on Prison Labor.)

Official investigations have in recent years been made of fifteen prisons, and their reports show cruelties of the most revolting character practiced upon inmates. In pardoning 365 convicts in one day, Governor Donaghey, of Arkansas, stated that he did not believe a penitentiary should be a "revengeful hell." His action was the only possible protest against the last form of legalized slavery—convict labor leased for private or State profit. His action dramatically focused public attention upon the slave markets under our governmental control. At the cost of thousands of lives and billions of wealth, African slavery was abolished. The Dark Ages are repeated in the cruel and inhuman torture put upon the States' slaves, exploited by greed and graft on remote farms and in swamps and mines. The contract system of prison labor is prejudicial to the welfare of the prisoner, the prisoner's family and the public, and condemned by all right-thinking people. All but twenty-three States have abolished the iniquity.

If convicts were committed to prison, not to punish them in the spirit of revenge, but merely to deprive them of their liberty for the protection of society, there could be no possible pretext for the infliction of such barbarities. Many other counts could be added to this indictment against the prison, all of which are brought about by the mistaken principle according to which it is deemed necessary to deal with such wrongdoers.

Upon the almost universal custom of imprisoning trivial offenders because of their inability to pay fines, your Committee is not agreed. Mr. Loesch, out of his long and varied legal experience, is of the opinion that no other method is possible. The rest of the Committee regard the system as intolerable and as a cruel discrimination against the poor

and helpless. The fine is the State's acknowledgment that the act is not worthy of imprisonment. Imprisonment is then imposed, not because of the first offense, but because the accused has no money, and the "debtors' prison" continues to flourish. Some more reasonable and equitable method of dealing with such offenders should be devised.

To sum up:

As might naturally be expected of a system based upon a wrong principle, our penal system has utterly failed to accomplish the purpose for which it was intended.

(1) It has not reduced crime or lawlessness. Our penal institutions by compelling their inmates to live unnatural lives, separated from every influence which naturally tends to elevate and improve men, are little calculated to normalize those who are abnormal or subnormal. The universal distrust of ex-convicts is sufficient reflection upon the whole system.

(2) Through the association of the professional and the amateur, jails become schools for crime and bestiality, and are thus self-perpetuating.

(3) It has increased disease and poverty. Amid the depressing and unnatural influences of the jail, men become easy victims of disease, especially tuberculosis. Ex-convicts are less able to earn a livelihood for themselves or their families.

The Christian Theory and Method.—The correct theory of dealing with violators of the law and the one which is in harmony with the law of Christ and offers the only solution for the problem of crime is the one which makes, to begin with, the Court the reformatory instead of the prison, and makes the prison the last resort instead of the first in the treatment of the ordinary offender.

All experience goes to prove conclusively that delinquents cannot be reformed by mere punishment. Reformation is a constructive process, and there is nothing constructive either in punishment or the fear of punishment. The only way by which a criminal can be reformed, if at all, is by removing the cause of his delinquency. This is not done by punishment. Imprisonment can do it only temporarily, if at all. It can, however, be promoted by the trial Court by placing the offender on probation under a suspended sentence, and requiring him as a condition of his liberty to do or not to do certain specific things. This conserves his reputation, character, health, home, family and everything else which the prison ordinarily destroys. If he prove incorrigible and will not reform, at liberty, then he should be imprisoned for the protection of society and for that custodial care which

may produce reformation, if possible. While thus incarcerated his earnings should be devoted to the support of those dependent upon him. Society has the right and duty to protect itself against the law-breaker, but society also is bound to protect the innocent wives and children of such offending members.

"In order to do this, he should be given his entire earnings over and above the cost of the raw material entering into the product he creates. It is useless to advocate that his maintenance should first be deducted, for no reformatory, attempting to carry out the purpose for which it was created, can ever hope to be self-sustaining. When the State takes into custody and locks up one of its derelicts and affords society protection against his offenses, society has gotten all to which it is entitled and has no right to appropriate the prisoner's earnings, thus pauperizing his family, which is one of the causes of crime." (D. C. Peyton, Superintendent Indiana Reformatory.)

Results of the Christian Method.—It is encouraging to note that probation laws embodying these principles are now in force in about two-thirds of our States.

"The parole system is in force in more than thirty States and several foreign countries, and once adopted has never been discontinued. The latest and most inclusive figures from all sources show that more than 80 per cent. of men on parole make good. The most accurate figures available indicate, in contrast to the large proportion of recidivists under the old system, that only about 5 per cent. of men on parole commit new crimes while paroled. The parole system has saved to the State more than $10,000,000. The parole system has saved to society through the earnings of men on parole, by conservative estimate, over $30,000,000." (R. H. Gault, *Journal of Criminal Law and Criminology*, March, 1915.)

The indeterminate sentence finds greater justification day by day. But an indeterminate sentence to be effective should be indeterminate—not limited, as in many States, *i.e.*, "from two to ten years."

The change in method and spirit in penal institutions and the best proof that this is not sickly sentiment, anarchistic, dangerous or foolhardy are shown in the successes of Thomas J. Tynan, warden of the State Penitentiary of Colorado. His work may be taken as the best concrete illustration. His humanitarian methods inside prison walls would have made him a national figure, but he is best known by his system of working convicts on public roads. Fifteen life-termers are among the 300 convicts who in blue or khaki

uniforms are blasting roads through the Rockies. They work under unarmed overseers, with no stockade, no barbed wire, no ball and chain, no growl of guns. They climb into tented bunks at night while the camp's one solitary rifle is shouldered by a convict guard—to keep off coyotes. These convicts are upon "their honor," having sworn not to escape and to prevent, if possible, any fellow-convicts from escaping. Less than $\frac{1}{2}$ of 1 per cent. of 1,800 convicts in four years have tried to escape, far less than the desertions in the United States Army and Navy. Men who were untamed and unbroken by flogging, starvation and dungeon have responded to their warden's trust. A new sense of honor, a new hope, a quickened conscience and a desire to "make good" have resulted. They have learned a trade in the open air and sunshine; their sentences are reduced ten days a month in addition to the good time allowed by law for good behavior. They work eight hours a day, have their own time on Sundays. The highway to the top of the Royal Gorge, the Sky-line Drive, the new Santa Fé Trail and others are a triumphant vindication of the honor system. During 1909–10 fifty-seven miles of roadway were finished at a saving to the tax-payers of over $160,000.

During 1911–12, one hundred and fifty-seven miles of finished roadway saved the tax-payers $223,479.59 in actual cash.

On the prison ranches others learn soil values, crop care and all the details of scientific farming. Tynan guarantees that 90 per cent. of the men will never return to crime; and when they leave the penitentiary he gets them a job and sees "that their pictures do not get in every police station in the land."

Trust, work, new health and new minds have sent "Tynan's boys" out into the world to be respectable citizens "on their second chance."

Henry Ford announced before the Industrial Relations Committee that he could take any convict in Sing Sing and "make a man of him." In conjunction with Warden Osborne, he is being given the opportunity to prove his statement. The future of the ex-convict should be an integral feature of prison study. Such efforts, as the above, are in the right direction at least.

Light from Scientific Investigations.—No presentation of this subject would be fair or complete without reference to the scientific investigations in this field. The whole subject of penology and criminology is being illuminated by the researches of the psychological laboratory. The Indiana State Reformatory was the first penal institution

to introduce psychological methods in the study of the criminal. The Municipal Courts of Chicago, under Chief Justice Olson, have introduced a psychopathic bureau. The results show that a large part of crime should be dealt with by the neurologist and the psychologist.

In one of our most advanced institutions are 1,000 men. The average physical age is twenty-one years, the average mental age is eleven years; 58 per cent. of these "children" have never gone beyond the fourth grade of school, and this in a State of compulsory educational laws; 36 per cent. are illiterates, yet before the law these dwarfed intelligences are placed on a level of responsibility and guilt and punishment with mature, intelligent and deliberate criminals; 75 per cent. have no fixed trade and until the mental tests were inaugurated no attempt was made to fit the task to the stunted intelligence. Dr. Katherine B. Davis, Commissioner of Corrections of New York, while superintendent of the Bedford Reformatory for Women said that the average girl of the 500 inmates was mentally a nine-year-old. "Is a nine-year-old child fit to cope with life and to order her own life?"

Add to congenital weakness and taint the evils of the "slums"—the breeders of defectives and crimes, the festering sores which all our boasted civilization has never even partially healed—the foul atmosphere, the malnutrition, the insanitary conditions, the obscene language and pictures, and on top of all whiskey, and crime is a foregone conclusion. Ninety per cent. of the convicts in Colorado, says Warden Tynan, were led to criminal acts through whiskey.

A whole family in Bedford came from a feeble-minded mother and an epileptic father.

From one-third to one-half of all prisoners are defective delinquents—*i.e.*, insane—including alcoholics, drug fiends, epileptics and feeble-minded. In the very nature of the case, such defectives must have committed their crimes under disabilities which render them both careless and incapable of making the necessary effort to live a life of integrity and regard for law.

Here is a mass of human beings which cannot be treated under an easy rule of punishment; such treatment for the mentally abnormal or deranged is one of society's "crimes against criminals." And the care or cure goes far deeper than mere physical restraint. If mentally defective, there is hope of remedying the mental lack. Every mentally defective child is potentially a "criminal"—a violator of society's law. If placed in an institution under modern observation and skill, he may be trained to useful citizenship.

Dr. Katherine B. Davis, after quelling, at the risk of her life, a mutiny on Blackwells Island, said that criminals are not merely *like* bad boys: they are bad boys. Criminals, like children, are strong individualists. The criminal thinks of himself and of what is best, or he thinks is best, for himself. The child must be taught to think not of his own good solely, but of the good of the group—his group—the family circle, and, as his mental vision widens, of the good of his schoolmates, his friends, of society, the world. Social consciousness is asleep in the criminal as in the child. In both it must be awakened, and when awakened, trained. "The only thing I didn't take to Blackwells," Dr. Davis said, "was my slipper."

Scientific treatment is based upon the postulate that crime is in a large measure caused by some mental abnormality; that the "criminal classes," so called, are the offshoots of racial stock that is contaminated with a neurodegenerative taint. The causes that operate to produce this strain are biological, sociological and pathological; and once engendered, this strain magnifies itself through the ages. The whole problem of the criminal, therefore, is approached by science to-day in the way of (1) prevention, (2) constructive amelioration, (3) the permanent and humane custody of the hopelessly defective or the so-called incorrigible, for the protection not only of society, but of these unfortunates as well.

The sane and hopeful treatment of the criminal growing out of the investigations of science is in sharp contrast to the apathetic acceptance by society of irrational and inhuman methods.

Possible Advantages of the New Methods.—The subject of Prison Reform is too complicated and far-reaching to admit of more than suggestive treatment in such a report. However, the principles and methods of dealing with offenders touched upon herein would have these advantages:

(1) The elimination of the brutally degrading spirit of revenge and retaliation which now pervades our entire penal system, and the substitution therefor of the desire for reformation of the offender and the protection of society.

(2) The elimination of crime as a profession, inasmuch as incorrigible criminals will be eventually all confined during their lives.

(3) The great reduction in the number of persons arrested and imprisoned, inasmuch as such arrests are now frequently caused by the desire for personal revenge.

(4) The protection of the home and family.

(5) The education of the public into the causes of degen-

eration and the possible prevention of "moral and mental sickness" with its criminal symptoms.

RECOMMENDATIONS.

Your Committee, therefore, in reporting wherein the Church may the better perform its duty and fulfill its obligation to the prisoner, recommends:

1. That the influence of our denomination and the support of our pastors and members be enlisted in endeavoring to encourage and promote the treatment of offenders in accordance with the plan of probation for ordinary casual offenders, and the imprisonment for life of vicious and incorrigible criminals.

2. That we seek to discourage, wherever possible, the spirit of revenge and retaliation in dealing with all such offenders, and insist that while they should be dealt with firmly and justly for their own good and the protection of society; yet that it be done in a way which will not render them outcasts upon society, but will rather build up and restore to their proper place those who may be reformed.

3. That we condemn unqualifiedly the prison contract system, and call upon every State where such system is in operation to abolish it.

4. That we approve the laws limiting the products of penal labor to governmental consumption only.

5. That we approve the honor system in use in many of our States, under which convicts are employed upon outdoor work.

6. That we deem it of the greatest importance that the qualifications of judges of the Criminal Courts should include a knowledge of social and industrial conditions, in order that they may be properly equipped for dealing with delinquents.

7. That our Church show herself worthy of leadership by extending sympathy, encouragement and coöperation to the noble men and women who, in the face of scorn and ridicule and opposition, are applying the principles of Jesus to the removal of the cause of delinquency and the correction and salvation of delinquents, for whom, also, Christ died.

The Committee on Narrative was granted permission to present so much of its Report as relates to Vacancy and Supply, at 10 o'clock on Tuesday morning, instead of 11.30, and for twenty minutes.

The Committee on Bills and Overtures presented a report on papers referred to it, which was adopted, with the exception that *Overture No. 59* was referred to the Standing Committee on Home Missions. The Report is as follows:

The Committee on Bills and Overtures beg leave to offer the following recommendations:

That in the matter of *Overtures Nos. 1* to *33*, relating to a paper by the Assembly's Executive Commission, entitled "Declaration on the Essential Principles of the Protestant Reformation," the following answer be made:

That, in view of the action of the Assembly in its instructions to the Executive Commission (*Minutes*, 1914, p. 217), the answer be made, that the Executive Commission was wholly within its province in the action taken by it.

*Overtures 34* to *58*, dealing with the reorganization of the Church Boards. It is recommended that the Overtures be answered in the negative.

*Overture No. 161*, from the Presbytery of Willamette, dealing with Peace among Nations. It is recommended that no action be taken.

a sum not exceeding that which the Church has provided for its servants in other departments of the work, when forced by sickness or the infirmities of age to relinquish active service in the cause of their Master. It is recommended that this Overture be answered in the affirmative.

*Overtures Nos. 155* to *158*, relating to the celebration of the two hundredth anniversary of the meeting of the General Synod. It is recommended that the Assembly concur in this matter, and that the Moderator and Stated Clerk of the General Assembly be made the Assembly's Committee thereon, and be empowered to take such action as may be necessary to the proper observance of the same.

*Overture No. 160*, from the Rock River Presbytery, on the subject of the present European war. It is recommended that in view of the action already taken on the floor of the Assembly, no further action is necessary.

*Overture No. 59*, from the Presbytery of Cheyenne, submiting a plan for the reorganization of the Home Board. It is recommended that it be answered in the negative, granting at the same time to a minority of the Committee the opportunity to present a minority Report on this Overture.

*Overtures Nos. 162* to *165*. The following action is recommended:

"*Resolved*, That the Stated Clerk of the General Assembly be authorized to send a memorial, by way of a petition, to the next regular meeting of the United States Congress, asking for the submission of an amendment to the Federal Constitution forever prohibiting the practice of polygamy and polygamous living, or the employment of any means that is intended to lead thereto, in any State or Territory of the United States of America."

*Overture No. 285*, from Hastings Presbytery, relating to the transfer of Rev. Edward A. Ford from Corisco Presbytery. It is recommended that the action taken be confirmed.

*Overture No. 290*, from Portland Presbytery. It is recommended that no answer be given.

*Overture No. 287*, from Philadelphia Presbytery, relating to aid for aged or infirm deaconesses. It is recommended that it be answered in the affirmative.

*Overture No. 288*, from St. Louis Presbytery, relating to a paper entitled "The Fundamentals." It is recommended that no answer be given.

Respectfully submitted,

MAITLAND ALEXANDER, *Chairman.*

The Executive Commission presented a Report on the change of the name of the Board of Freedmen. A motion was made to adopt it, and, discussion arising, further consideration of the Report was deferred.

The Standing Committee on Ministerial Relief and Sustentation, through its Chairman, Rev. William W. Faris, D.D., presented its Report, which was received and, after addresses by the Chairman, by Rev. William H. Foulkes, D.D., Secretary, and others, was adopted. The Report is as follows:

The Standing Committee on Relief and Sustentation respectfully submits its Report, as follows:

We call attention to the signally successful year of the Board in both its Departments. The increase of total income to all funds, amounting to nearly $900,000 in total receipts, speaks for itself in trumpet tones. In the past three years there has been a total gain in resources of $1,338,-413, of which $812,860 is for Relief and $525,553 for Sustentation. The work of Relief, instead of being handicapped by its union with the work of Sustentation, as some feared, has been distinctly advanced. The Relief roll has, during the year, grown from 1,403 to 1,489—an increase of 86; and Current Funds for Relief, from $271,700 to $282,860—an increase of more than $11,000. Of this gain, upwards of $5,000 came in contributions from churches and Sun ay-schools. Considering the extremely trying financial conditions of the year, which probably account for the slight decrease in the number of contributing churches, this record bespeaks at once excellent management in the office, rising interest among the people, the commanding fitness of the work, and a triumphantly achieved harmony of interests as between Relief and Sustentation, which not only controls the Board itself, but also has grown manifest throughout the Church at large.

Of the total roll of 1,489 beneficiaries from Relief funds, 608 are ministers; 240 of these on the Honor Roll, these 240 receiving an average of $385 each, while the average of the entire 608 was $305.

It is gratifying to note that, although it is impossible to secure vast sums of money without the expenditure of money, the Board has scrupulously kept its administrative and campaign expenses down to as low a level as is known in such enterprises and as is consistent with the accomplishment of its task. The fact that the total administrative and campaign expenses of the Board last year, on the basis of the entire receipts, is only 8 per cent., is gratifying to every

friend of sound finance, judicious economy and high efficiency in the administration of benevolent funds.

In addition to all those named above, approximately 400 dependent children, members of the families of annuitants, and approximately 200 wives of disabled ministers have been directly aided by the Board, though not upon its roll, making something over 2,000 persons directly benefited by the Board's *Relief* work during the year.

Next, we would call attention, and award applause, to the unique illustrated booklet of twenty-four pages, entitled "Heroes of Peace," issued and widely circulated by the Board, as a typical instance of its enterprising and effective publicity work. This superb and striking advertisement is due to the generosity of a Presbyterian elder, who has been a loyal and liberal friend for many years, and who has thus moved forward to keep pace with the Board's developing policy of publicity. No right-minded person can absorb the touching message of these twenty-four pages and gaze upon the 124 speaking countenances of needy beneficiaries here portrayed without warm response to the appeal thus justly pressed upon the Church.

As to the results of the policy of publicity thus exemplified, we are informed that frequent and significant gifts of money can be traced directly to particular advertisements. Much of this is but a wise sowing of seed for future and sometimes distant harvests, as frequent inquiries concerning the making of wills clearly indicate.

As to the Sustentation Department, this has already nobly proved itself an effective force. Although the first formal applications for membership were received only nine years ago, already 43 of the members are receiving pensions. Twenty-eight of these are widows' pensions, 13 disability pensions, and the remaining 2 automatic pensions, that is, pensions paid to those who have become seventy years of age, having served the Church thirty full years. Two hundred and twenty new members were received during the year, and the total active membership on March 31 was 995. Sustentation looks largely to the next generation, and is necessarily of slow growth, so that this beginning of fruitage already is the more notable.

Sustentation is neither relief nor life insurance; it is a connecting link between the two, is supplementary to both, is far cheaper than ordinary life insurance, is on a more adequate commercial basis than relief as related to the uses of its members, and at the same time it stimulates and buttresses that work of Ministerial Relief, which has been a blessing to our underpaid and disabled ministers and their widows and orphans, for many years past.

It is with peculiar pleasure that your Committee reports the fact that the Sustentation Department is paying to-day, upon an actuarial basis, 70 per cent. of the maximum benefits due those who are drawing pensions. This indicates that in addition to the 20 per cent. of the pension which the ministers' own payments have secured, the Church has already contributed enough to provide 50 per cent. more. Progress made in so rapidly reaching this large proportion is both unusual and gratifying. On the other hand, this fact makes its appeal to the ministers because it provides for them a maximum pension, one-fifth of the cost of which alone is borne by themselves, the rest being due to the coöperative provision of the Church for the day of their old age and disability.

Sustentation evidently appeals to the rank and file of our ministers, for inquiry shows that the average salary of the forty-three present pensioners, while in active service (including the husbands of widows now on the roll), was only $880.

To the Presbyterian Church belongs the glory of having in this Sustentation work been the first great religious body thus to come in line with the more beneficent of our great industrial concerns in putting the premium of a pension upon service, thrift and unselfish toil for the uses of old age and disability; and other denominations, hearing of our work, have begun to send for our literature and to copy our methods.

This notable development along new lines is the product of some thirty years of steadfast purpose and preparatory toil on the part of a man too modest to publish the pertinent facts: the Rev. Dr. John R. Sutherland, one of the Associate Secretaries of the Board. After many years of preparation, he brought the matter before the Synod of Iowa in 1900. After repeated efforts, the scheme was taken up officially by the General Assembly, in 1906. Six years later, that is three years ago, the work achieved its due recognition, by a union of the two organizations which together constitute the Presbyterian Board of Ministerial Relief and Sustentation. The cost in toil and prayer, in patient waiting, in the endurance of rebuffs, and in actual cash outlay by Dr. Sutherland can be imagined, though feebly at best, by those who have in like manner given themselves to initiating some great work in the development of the Kingdom of God; but it is due to the facts, due to history, due to the future of the work, and due to Dr. Sutherland, that at the present juncture this acknowledgment of a debt that can never be paid be put on record by this General Assembly.

The united work owes much also to the signal efficiency of its General Secretary, the Rev. William Hiram Foulkes, D.D., whose skill, energy and fidelity are attended by happy aptitude for just this task. The coming of Dr. William Sylvester Holt also into the work, as one of the Associate Secretaries, has brought it added value. The generous enthusiasm of Dr. Davies, the President of the Board, is shared by Dr. Hunter, the Vice-President; by Dr. Heberton, the Recording Secretary and Treasurer, and apparently by the entire personnel of the Board, a compact body of twelve, seven laymen and five ministers, who unselfishly give themselves, in exertion of concentrated energy and in perfect harmony, to the work of developing this institution of the Church's active benevolence, on business principles, and in the spirit of devout piety.

The Merriam Home at Newton, N. J., the Thornton Home at Newburgh, Ind., on the banks of the Ohio, and the Ministers' Memorial Cottage at Albuquerque, N. M., are all in satisfactory use. The Board has been legally notified of a recent legacy of $30,000 for the use of the Merriam Home. The Ministers' Memorial Cottage at Albuquerque, one of the finest of its kind in the United States, solid in its construction and simple but serviceable in its appointments, has available accommodation for twelve annuitants of the Board. Approximately one-fifth of the ministers of our Church have contributed $7,185 toward its total cost, and if the other four-fifth of our ministers will contribute the balance of approximately $7,000 to cover the entire cost of the cottage and furnishings, the cottage will be a doubly beautiful memorial to the ministry itself. *Shall not the 8,000 of us who remain now make good this $7,000?*

The contributions to Relief from the women's societies have increased from $372 to $3,720—a tenfold gain in one year; the number of contributing societies having risen from 40 to 389. This development augurs well for the cause and for the Church at large; and when our Sunday-schools and the large remnants of our women's societies join the procession of givers, the receipts and assets of the Board for its Relief work cannot fail to be greatly augmented. Let there be no hesitation in urging this upon our people.

It needs to be said again and again, with ever-increasing urgency, that the work of this Board should be placed by the Church at large on the basis of honest debt-paying to its faithful and underpaid servants. Neglect at this point brings infinite discredit on the Church. The quickened conscience of our people, as shown in increasing contributions to Relief and also to the endowment of the Sustentation

scheme, is a token of distinct advance in both intelligence and piety among our people.

Your Committee, after due examination, finds that the books kept by Dr. W. W. Heberton, as Recording Secretary, are orderly and luminous. In presence of the Committee he has shown himself graciously deferential to suggestion from expert scribes and financiers among our number, and, thus and otherwise, he merits the cordial approbation of the Assembly.

The publicity methods employed and the low cost achieved in maintaining them, taken together, constitute a work of high art in timely Christian enterprise, which merits warm praise from this Assembly and generous response from the entire Church. The Master's summons to enterprise and adventure, voiced in the parable of the pounds and the parable of the talents, is fundamental to loyalty in the development of the Church and in the toils and advance of the Kingdom. This feature of organic Christianity, so sadly ignored in many quarters by reason of moral indolence, spiritual sluggishness, and blindness to the great issues involved, has seldom had more notable or more noble illustration than in the creation and development of the dual work which this Board now represents, and especially in its achievements during recent years. The bold *venture* of intelligent faith and whole-hearted consecration, thus happily exemplified, cannot but prove healthfully contagious throughout the entire realm of varied activities to which our Church is called. Sane adventure and resolute enterprise are integral to the Christian life, in all its phases, from its beginning to its consummation. Our Lord's stinging reproach that "the children of this world are wiser in their generation than the children of light," ceases to apply to us *only* when faith *dares*, and works, organizes and creates, pushes constantly and fearlessly into the unknown, and makes the Church of God distinguished more for its startling and wholesome achievements, and its conquest of new territory year by year, than by any richness of ritual, perfection of philosophy, or finished articulation of creed. It is by such developments of sound initiative and organic force as our aggressive Boards exemplify that we make it clear and cogent that the tomb is empty and our Lord risen and alive. When the spirit of resolute adventure shall have taken possession of us, in our evangelism, in our missionary enterprises, in our creation of new forces in education, Sustentation, Relief, philanthropy and literature, and in the generating of new agencies of power for the development of piety, the revivification of Christian home life, and the enlarged efficiency of our Sunday-schools,

it will at last begin to be evident to all that the Church of God is ruled by the reigning Christ and vitalized by the indwelling spirit of the Holy One; and for this commanding reason it seems most fit that this Assembly should signalize by sympathetic approval and unstinted applause, its appreciation of that particular phase and form of adventurous Christian enterprise which the Board of Relief and Sustentation is more and more exemplifying. Happily, other enterprises of the Church, in various ways and different degrees, give evidence of the same spirit and like wisdom. On every hand the leaves begin to stir and rustle with the winds of heaven. The invigorating presence of the Mighty One is *felt*, whichever way we turn. The old ways are no longer adequate. The Church is growing ashamed of its monotonous futilities and of its shameful parsimony at once of courage, of untried methods, of novel truth forms, and of sacrificial giving. The rising cry for more and better, for larger and richer gifts, attainments and achievements, in every domain of our thought and activity, is product and proof of the Church's enlarging life and augmenting power; for larger life means ever-new differentiation and integration, the development of new forms and methods, and the growth of new and more abundant fruit. It is on this arena, and amid these newly created values, that we are to introduce to men the clearer vision of the imperial triumphant Christ.

The challenge, then, of the sacred task which confronts this Board, that of securing $10,000,000 as a foundation for the adequate care of her disabled servants, meets the Church upon the high plane of expecting great things from God and attempting great things for God.

Your Committee respectfully recommend:

1. That the records of the Board of Ministerial Relief and the Ministerial Sustentation Fund be approved.

2. That the Assembly place on record its approval and applause in presence of the faithful and efficient administration of the Board's work, during the year past.

3. That the Assembly express anew its emphatic expectation that young men entering our ministry shall unite, at once, with the Sustentation Department of this Board, as contributing members and future pensioners.

4. That the Assembly put its special seal of approval upon the worthiness of this cause, as related both to Relief and Sustentation, to be remembered in wills, legacies and annuities at the hands of benevolent Presbyterians. The installing of a pension system, fully fledged, and over the entire ministry, while a gradual work to be effected without placing any undue burden on the Church, amply merits the considerate

generosity of the devout in making provision for the distribution of their property.

5. That the continued prosecution of the work of increasing the Permanent Funds of the Board of Relief and Sustentation is earnestly recommended, until at least a minimum amount of $10,000,000 shall have been secured.

6. That the distribution between Relief and Sustentation of all undesignated subscriptions to this Board be left to the discretion of the Board.

7. That pastors and church officers shall be instructed so to construe the Budget plan as to secure the fullest access for the special appeals of this Board for its increased Permanent Funds.

8. That the Assembly heartily approves the methods of the Board by means of which, through the labors of its officers and faithful and efficient field representatives, the Board has carried on and is planning to continue for a period of years extensive campaigns throughout the Church for the purpose of securing additions to its Permanent Funds, and the assured stimulation of the Church's interest in this cause.

9. That contributions from churches, Sunday-schools, and women's societies for Relief be sought from our churches with increasing assiduity, and that ministers and Sessions be enjoined to see to it that the cause is fairly presented to the people through all these agencies: for experience proves that no department of the Church's benevolence appeals more tenderly to the people than this, or secures so prompt and generous response from them.

10. Inasmuch as experience shows danger of injustice to the benevolent at this point, Presbyteries are hereby warned with all emphasis against carelessness in the reception of ministers from other bodies, especially when these have reached mature years, and when it is not clear that suitable work awaits them, and that there is reasonable prospect of their continuing for a term of years to labor efficiently in the ministry.

11. That the following-named persons be elected by the General Assembly as members of the Presbyterian Board of Relief for Disabled Ministers and the Widows and Orphans of Deceased Ministers, their terms to expire in 1918: Rev. John R. Davies, D.D., Philadelphia, Pa.; Rev. Robert Hunter, D.D., Philadelphia, Pa.; Mr. Richard H. Wallace, Philadelphia, Pa., and Mr. William Thomson, New York City, N. Y., and that the action of the Board in electing Rev. Charles L. Candee, of Wilmington, Del., and Ormond Rambo, Esq., Philadelphia, Pa., to fill vacancies in the class

whose terms expire in 1916, be approved by the General Assembly.

12. That Rev. John R. Davies, D.D., Rev. Robert Hunter, D.D., Mr. Richard H. Wallace, and Mr. William Thomson, be nominated to the Sustentation Fund for election as Directors, whose terms shall expire in 1918, and that the action of the Board of Directors of the Ministerial Sustentation Fund in electing Rev. Charles L. Candee and Ormond Rambo, Esq., to fill vacancies in the class whose terms expire in 1916, be approved by the Assembly.

Respectfully submitted for the Committee,

W. W. Faris, *Chairman.*

The following communication was received from President Wilson in response to the telegram sent to him yesterday by the Assembly:

*Rev. J. Ross Stevenson, D.D., Moderator, General Assembly Presbyterian Church, Rochester, N. Y.:*

The President has received your telegram of May 22, and has asked me to thank you warmly for it. He desires me to express his genuine appreciation of the action of the General Assembly of the Presbyterian Church in its expression of sympathy and good will. He is greatly heartened by your generous message.

Sincerely yours,

J. P. Tumulty, *Secretary to the President.*

The Special Committee on the Educational Policy of the Church, through its Chairman, Rev. William L. McEwan, D.D., presented its Report and made request that, since there are three Reports, the Report of John Willis Baer, LL.D., be presented first, the Report signed by himself second, and the majority Report last. Pending discussion, this Report was made the Order of the Day for 4 P.M. on Wednesday.

The following communication was reported by the Stated Clerk from the General Assembly of the Presbyterian Church in the U. S.:

Newport News, Va., May 22, 1915.

*To the Venerable General Assembly of the Presbyterian Church in the United States of America, in Session at Rochester, N. Y.:*

Dear Brethren:—Overtures have reached us from two of our Presbyteries in the South, complaining of breaches of comity on the part of Presbyteries subject to your jurisdiction. Rev. George Summey, D.D., of the Presbytery of New Orleans, a Presbytery under our jurisdiction, is com-

missioned to lay the facts before your venerable body. While passing no judgment on the merits of these complaints, we bespeak for him your patient hearing, as we are exceedingly anxious that the relations of comity existing between the two Assemblies should not be disturbed by any action of the lower courts.

W. McF. Alexander, *Moderator;*
Thomas H. Law, *Stated Clerk.*

The communication was received and was referred to the Committee on Bills and Overtures. The Stated Clerk also submitted the credentials of Rev. George Summey, D.D., as Special Representative of the Presbyterian Church in the U. S., in the matter just reported.

The Assembly took recess, and was closed with prayer.

MONDAY, May 24, 2.30 o'clock P.M.

The Assembly met and was opened with prayer.

The Standing Committee on Education, through its Chairman, Rev. Edwin F. Hallenbeck, D.D., presented its Report, which was accepted, and, after addresses by the Chairman; by Rev. Joseph W. Cochran, D.D., Secretary of the Board; Rev. William H. Crothers, Secretary for Candidate Enlistment, and Rev. Henry Collin Minton, D.D., was adopted. It is as follows:

Your Committee on Education begs leave to make the following Report:

We are profoundly impressed with the strategic importance of the work which you have asked us to review. The Board of Education does not undertake the trimming of trees, but rather the nourishing of roots. It is not concerned so much with channels through which the stream will flow, as with reservoirs in the hills where the stream has its birth. Many things are important. Few are essential. This is one of the latter. The Church can live without gargoyles in its architecture. It cannot live and grow and do its work without the power-house and the currents of might that flow therefrom. There must be the continual pouring of life—consecrated, disciplined, trained and tested life—into the ministry of the Church, else the blessed proclamation will fail of its largest results.

Let it be said at the beginning that your Committee is concerned, not to say alarmed, at what seems to be a lack

of vision on the part of the Church as to the fundamental importance of this task, as attested by a disposition to relegate it to the rear; to let its call pass unheeded, wretchedly to neglect its treasury. We fear that many of our pastors and Sessions have come to think of it as a mere matter of formal administration. This is essentially a missionary Board. It is at work lighting torches which will shine into the darkest corners of the earth. It is shaping influences, which will mold and tone the life of the Church far into the future years. It is a foundation task. Shoddy workmanship here will weaken the work of every other Board and cripple the life of the entire Church.

To be sure, the receipts of the Board have increased during the past few years, but the responsibilities which the General Assembly has laid upon it have increased in larger measure.

In the year ending March 31, 1915, the offerings from churches, societies, and Sunday-schools were larger by $5,314.22 than in the preceding twelve months. The gifts from individuals during the same period decreased $2,081.32. The receipts from legacies were greater by $4,153. This means a net increase of $7,375.90; but, in order to do the work the Church enjoined, the Board expended $10,000 more than the total income, including interest on invested funds, which total amounted to $164,458.88. The loans necessitated by the demands of the year, added to the deficit brought forward from previous years, make an indebtedness of $52,000. As a partial offset comes a legacy of $18,000, which is at this moment in the bank, leaving a net deficit of $34,000. Had the churches met the budget which the General Assembly asked, the year would have been closed free from debt. This situation must not be passed lightly by. It calls for serious thought, fervent prayer and sacrificial giving.

Certain departments of the Board's work invite special consideration.

Aiding students for the ministry made the single task of the earlier period. To-day it is one of many tasks. We are encouraged to note that the number of ministerial candidates continues to increase. Last year the Church had 1,304 young men in preparation for the ministry—an increase of 116 over the previous year and of 238 over five years ago. There were recommended for aid 822 men, of which number 776 were accepted. Of these 312 are in seminaries, 392 in colleges, and 72 in preparatory schools. Foreign-speaking students, to the number of 115, have been granted financial assistance. It is interesting to know that 25 nationalities are represented in the institutions which train these men from other lands, including Armenians, Austrians, Belgians,

Bohemians, Bulgarians, Canary Islanders, Germans, Hollanders, Hungarians, Italians, Jews, Macedonians, Moravians, Persians, Poles, Porto Ricans, Russians, Ruthenians, Servians, Slavs, Spaniards and Swedes. Here is material for another Pentecost. God grant that it may come to pass.

The Board has also given direct assistance to the seminaries at Dubuque and Bloomfield.

At Biddle and Lincoln 30 colored men received from this Agency the stipend which enabled them to prosecute their work in preparation for the Gospel ministry.

The work among Presbyterian students in our State universities has gained in momentum and in scope during the year. For long a neglected field, by the husbandry of consecrated and splendidly equipped servants of Christ, it has already yielded fine fruit. Unfaithfulness here means serious loss. By what sort of legerdemain can the Church which ignores its young people during the influential years of their university experience hope to bring them forth into pure faith and devoted service? If ever in the whole reach of life they need the warm sympathetic touch of their mother Church, they need it here. Many a splendid man, aye, and many a capable woman, has been lost to the cause of Christ by reason of the tides of agnosticism and materialism encountered in purely secular institutions. A spiritual anchorage might have saved them. Such anchorage the Board is undertaking to provide.

Work has been carried on in twenty centres; fifteen university pastors—men of choice gifts—brainy, human, magnetic men, have given themselves to this field. Devotional services and life-work meetings have been held. Bible classes have been organized; social work has been planned; a virile type of Christianity has been presented, but more effective than all else beside has been the living contact of a strong, true Christian leader with tempted, troubled and often timid souls. We believe the entire Church should rise in support of this project and place at the disposal of the Board resources with which properly to lay hold upon its opportunities. More men are required; well-located buildings in harmony with their surroundings are greatly needed.

Your Committee looks with favor upon the union of effort which has been inaugurated with the Board of Church Erection for the purpose of building Presbyterian churches at university centres, and dares to hope that a substantial fund may be created to this end.

Another task for which the Board can show a considerable wage in the coin of redemption is that undertaken in conjunction with the Committee on Evangelism. This is the

fifth year of such united work among the men and women in our colleges. Meetings continuing for an average of five days have been held in each of forty-eight institutions. Four hundred and two services are reported. More than 6,000 letters were mailed in advance to Christian parents, requesting prayer on behalf of the work contemplated. Revival fires have been kindled, stubborn wills have been subdued, noble life purposes have been formed, young people have been started for the pulpit and the mission fields. As a partial result, 472 conversions are reported. It is gratifying to notice the cordial coöperation which college faculties have given to this work.

Your Committee is convinced that Vocation Day may be made to play an important part in recruiting our youth for the service of Christ in home and in foreign lands. We must not trifle with this feature of our holy trust. It is not enough to dig out stones for the temple; we are to shape pillars. We must not be content with making Christians; we are called upon to build leaders. For the minister of a large and influential church to say, "I have not had in my congregation a ministerial candidate in thirty years," betrays unfaithfulness at a vital point in his ministry. If the Gospel be proclaimed in power, if a heroic Christianity be programmed and lived, if the returns which follow the investment of life in Christian service are adequately revealed, strong men and women will answer to the call and cry, "Here am I, send me!" We believe Vocation Day has "come to the kingdom for such a time as this," and we would suggest that the Board prepare and issue the strongest, most attractive literature and use every possible zeal to write large before the Church the opportunity which this special occasion affords.

One year ago the Board suggested that substantial gain might be secured by making some wise effort to standardize the course for ministerial candidates in our colleges. We considered this of sufficient consequence to deserve the recommendation which is given place farther on in this Report.

We approve the desire of the Board to make our Day of Prayer for Colleges correspond with the date which has been set by the International Student Movement, namely, the last Thursday in February, and also the suggestion that the week beginning with Vocation Day and including the Day of Prayer for Colleges be known as "Education Week," a time when from every family altar and every church may make to God the prayer of gratitude and intercession for all students and institutions of learning.

The Board has begun to grapple with the problem of religious education for children who are in the public schools. This is so vitally related to the great cause for which we stand that it cannot be ignored. By coöperation with similar agencies in other denominations, we believe real progress may be made.

We rejoice in the extension of the Board's assistance to lay workers in course of training for missionary service. Twenty-two medical mission students have been given aid during the year and thirty-two students in Presbyterian training schools.

The loan method, which has taken the place of the former "grant" in the operations of the Board, is a distinct advance. It seems to make for steadiness of purpose. We believe this plan should be extended to include students who are preparing for lay service in the Church.

Your Committee is deeply impressed with the necessity for holding vigorously to high standards of education in the ministry. We may expect exceptions to the rule. God will call men from the toll booth and the plow, now as in other days, but never in the history of the pulpit has so much been demanded of the man of God. The opportunity has never been so big; the difficulties have never been so great. Sin is keen and tenacious and skilled in the art of attack. The hosts of mammon hurl their power with tremendous force against spiritual living. Unsanctified learning is bold and defiant. If ever the minister required the finest qualities of brain and heart and personality, he needs them to-day. Accurate scholarship, careful research, literary attainment; most of all, soul vision and spiritual power—these are to be the tools in his kit. He needs the knowledge of books and the knowledge of men and the knowledge of God. The Church must help him to shape these tools and keep them sharp.

Your Committee presents the following recommendations:

1. That the Minutes of the Board and the Treasurer's Report for the year ending March 31, 1915, be approved.

2. That the Ninety-sixth Annual Report to the General Assembly be accepted and commended to the study of the Church as an educational document of unusual value.

3. That we express our confidence in, and our hearty appreciation of the devoted labors of Rev. Joseph W. Cochran, D.D., LL.D., Secretary of the Board; Rev. Richard C. Hughes, D.D., Secretary for University Work; Rev. William H. Crothers, Secretary for Candidate Enlistment and College Visitation, and their associates.

4. That attention be called to the inadequate support

which the Board has received: new responsibilities have been created and funds with which to meet them have not been supplied; that the budget of $150,000 for 1915–1916, already approved by the General Assembly, be laid upon the Church as a sacred obligation; that ministers and Sessions be enjoined to give larger consideration to the claims of this work; that Synods and Presbyteries be requested to make every needed effort to bring at least the amount of the budget into the Board's treasury, to the end that the deficit may be canceled and the enlarging fields properly cultivated.

5. That in view of the "grants" which have been made to Dubuque and Bloomfield, our seminaries for foreign-speaking candidates, the Synod of the West, German, and the German churches throughout our communion be urged to increase their support and to send all offerings for Dubuque and Bloomfield through the Board.

6. That Presbyterial Committees on Education be requested to consider the Board's suggestions concerning standardized courses for ministerial candidates in our colleges, and that the General Assembly's Standing Committee on Theological Seminaries be asked to study the data in the Board's Report in order to a closer coöperation between Presbyteries, seminaries and the Board in the persistent purpose to secure for our candidates the largest and best preparation for their ministry.

7. That the General Assembly hereby reaffirms the historic position of the Presbyterian Church in its adherence to high standards of education for the ministry, and that the Board be directed to conduct its work in accordance with such standards.

8. That our hearty approval be given to the work of College Visitation, which has been prosecuted in conjunction with the Committee on Evangelism, aiming at decision for Christ and enlistment for definite service at home and abroad.

9. That the Board be directed to continue its efforts on behalf of lay workers in Presbyterian Training Schools, and to take such steps as may be feasible in commending this important work to the consideration of the churches.

10. That the method of assisting students, through loans instead of grants, which has already proved its great value, be extended to lay students, including those who are in preparation for medical mission work, and that the Board be authorized to amend its rules in accordance therewith.

11. That the work among students in the State universities be heartily approved, and that the Board be directed to push the same with increasing vigor.

12. That, following the steps which have been taken toward financing the building of Presbyterian churches where needed at university centres, in coöperation with the Board of Church Erection, the Joint Committee of the Boards be authorized to raise at least $100,000 within the next year for this purpose, and that the Secretaries be requested to assist in this undertaking where it may be necessary.

13. That the tentative plan of coöperation between all evangelical agencies at university or college centres, endorsed by the Council of Church Boards and reported to the last General Assembly, be approved, and commended to the religious forces which are at work in these centres.

14. That the prospective Interdenominational Campaign for Christian Education, scheduled to begin in 1916–1917, under the direction of the Council of Church Boards, a movement which is endorsed by the Association of American College Presidents and the Association of Church Workers in State Universities, be commended to the churches for their support.

15. That Thursday, February 24, 1916, be observed as the Day of Prayer for Colleges; that the previous Sunday, February 20, be set apart as "Vocation Day"; that ministers, Sessions and Sunday-schools be urged to use this as a fitting opportunity to bring the call of God for definite Christian service to the youth of the Church, and that the week of which this is the beginning be known as "Education Week," a time when in church and home special prayer shall be offered for the educational institutions and the students of the world.

16. That the Board be commended for its report concerning the problem of religious education of children in the public school, with the request that its diligence in this field be continued, in hope of making a contribution to the solution of one of the grave problems of the Church.

17. That the following persons, whose terms of office on the Board expire with this Assembly, be reëlected to the class of 1915–1918: *Ministers*—Charles Wadsworth, Jr., D.D., Alexander MacColl, D.D., Rev. William Muir Auld, John Balcom Shaw, D.D., LL.D.; and *Elders*—George W. Bailey, M.D., Edward B. Hodge, Jr., M.D., Mr. William R. Nicholson, Mr. James L. Wilson, Mr. Thomas L. Latta. That the election of Mr. William H. Hensel, to fill the unexpired term of Mr. James A. Hayes, resigned, and Mr. Edwin M. Wilson, to fill the unexpired term of Mr. Alba B. Johnson, resigned, both in the class of 1914–1917, be confirmed, and that Mr. William G. Moore be elected to fill the unexpired term of Mr. A. G. Bradford, resigned, class of 1913–1916.

Respectfully submitted, on behalf of the Committee,

EDWIN FORREST HALLENBECK.

Rev. Luther S. Black, Chairman of the Committee on Leave of Absence, stated that Rev. A. G. Yount, Rev. Frank W. Grossman and Elder J. C. Greenfield were compelled to leave the Assembly at once, and asked that they might not forfeit their mileage and entertainment by so doing. The request was granted.

Ewing, D.D., Rev. J. M. Manoney, Rev. C. E. Tucker, D.D., Rev. J. A. Savage, D.D., Rev. C. B. Dusenberry, D.D., and Rev. James J. Wilson, D.D.

TUESDAY, May 25, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The action fixing the Order of the Day for the Report of the Committee on Union Theological Seminary at 2.30 o'clock this afternoon, was reconsidered, and the Report was made the Order for 4 o'clock.

The Committee on Bills and Overtures presented its Report, which was adopted and is as follows:

The Executive Commission, through its Chairman, Rev. Maitland Alexander, D.D., presented its Report with reference to Space for Certain Boards in the Witherspoon Building. Pending its discussion, the Order of the Day having arrived, it was placed on the Docket.

The Judicial Committee presented the following nominations for membership in the Permanent Judicial Commission, Class of 1915–1918:

The Judicial Committee nominates for membership in the Permanent Judicial Commission, Class 1915–1918, *Ministers*—John T. Bacon, D.D., W. S. P. Bryan, D.D., Wallace M. Hamilton, D.D.; *Ruling Elders*—Judge Warner E. Settle and Charles D. Merrick, Esq.

No nominations being presented from the floor, the nominations were closed.

The Judicial Committee also reported on Judicial Cases, Nos. 1, 2, and 4. The Report was adopted, and is as follows:

*Judicial Cases Nos. 1 and 2*—Percival H. Barker *vs.* the Presbytery of Neosho and Percival H. Barker *vs.* the Synod of Kansas.

*First.* It is recommended that the appeal of the said Percival H. Barker from the Presbytery of Neosho be dismissed, on the ground that the said Presbytery rendered no judgment in the case from which an appeal could be taken.

*Second.* It is recommended that the reference from the Presbytery of Neosho be not entertained, on the ground that there is no just reason why the usual course of procedure should not be followed, namely, a reference to the next higher Judicatory.

*Third.* In the case of the complaint of the said Percival H. Barker against the action of the Assembly of 1914 in its reversal of the finding of the Judicial Commission, it is recommended that the complaint be referred to the Permanent Judicial Commission for its interpretation of the action taken by the Assembly of 1914, and to take under consideration any further action deemed necessary.

We recommend that the Stated Clerk place all the papers, together with the action of this Committee, in the hands of the Permanent Judicial Commission.

*Judicial Case No. 4*—Eakin *et al. vs.* the Synod of California. —The Judicial Committee of the General Assembly of 1915 hereby certifies, that it has fully examined all the papers, documents and records filed with the Stated Clerk of the Assembly in the within case, and finds that all steps have been taken as are required by the laws of the Church in order to present properly the question arising therein to the Permanent Judicial Commission, and herewith transmits to said General Assembly all such papers, documents and records, and recommends the reference of the case to the Permanent Judicial Commission.

In behalf of the Committee,

C. M. Steffens, *Chairman.*

The Standing Committee on Christian Life and Work, through its Chairman, Rev. Guy W. Simon, D.D., presented that part of its Report which pertained to Vacancy and Supply. After addresses by Rev. George N. Luccock, D.D., and Rev. Walter H. Houston, D.D., the Order of the Day having arrived, further consideration of this Report was postponed.

The Standing Committee on Freedmen, through its Chairman, Rev. George Dugan, D.D., presented its Report, and, after addresses by Rev. John M. Gaston, D.D., Associate Secretary of the Board; Rev. Edward P. Cowan, D.D., Secretary of the Board, and the Chairman of the Committee, the Report was adopted and is as follows:

The attention of the Church has already been directed to the fact that fifty years ago, at the meeting of the General Assembly convened in the First Presbyterian Church of Pittsburgh, Pa., May 18, 1865, the following action was taken, on May the 24th:

"*Resolved,* 1. That the General Assembly, recognizing and rejoicing in the adorable Providence that has given civil liberty to nearly four million of the enslaved African race; recognizing also, that the hope of that race, not only for the

world to come, but also for this world, is in their possession of the Gospel; that only by this influence can they be elevated to the proper standing of freemen, and that without its influences they must still further deteriorate physically, mentally and spiritually; recognizing, further, that the elevation of that people among us is essential to the highest interests of our own race, and of our beloved country, and is in order to the evangelization of the land of their fathers, and the consequent fulfillment of the prophecy that Ethiopia shall stretch out her hands unto God; in the belief also, that the system of truth taught by our Church, and the policy established by her in Church-extension, are in order to the highest development of that now degraded people, hereby declares that in its judgment it is the duty of the Presbyterian Church, as patriots, as philanthropists, as Christians, at once to enter upon and vigorously to cultivate the field that God has opened before them.

"*Resolved*, 2. That a Committee consisting of nine ministers and nine ruling elders be appointed by this Assembly, to be styled the General Assembly's Committee on Freedmen, and whose location shall be the city of Pittsburgh, Pa., to whom shall be committed during the existence of the present exigencies, and until the Assembly shall otherwise order, the religious and educational interests of so many of this people as may be brought under their influence."

Today your Standing Committee on Freedmen asks the Assembly to note that, fifty years after, there are still "present exigencies" among the negroes, which make it mandatory that our great Church, which has never occupied a secondary place in response to the demands of Christian patriotism and philanthropy, shall move forward, wisely and generously, in her efforts to serve the religious and educational and social interests of so many of this people as may fall within the zone of her influence.

Fifty years ago, there were upward of four million negroes appealing for the brotherly aid of the Christian Church. Fifty years after, there are upward of ten million negroes in our country, constituting in their numbers and needs one of the most tasking problems with which the Churchmanship and the statesmanship of our country are confronted.

Of these upward of ten millions of negroes, 1,078,904 are in the North, while 8,748,859 are in the Southern section of our country. It is with this eight and three-quarters millions in the Southland that our Board of Missions for Freedmen is, for the present at least, concerned, or, to speak accurately, so many of them as may be fairly considered within the limits of our responsibility.

But the problem confronting our Board is not stated when you have given the number of souls within the thirteen States in which our agents are serving. We must know the facts out of which the needs to be met emerge. And what are these facts?

It would be unfair to the negro people not to reckon with the fact that they are only fifty years removed from slavery, and that during this half-century they have had troubles of their own. With this thought in mind, it is neither untrue nor unfair to say that the moral and religious condition of this disadvantaged people is such as to call, not for denunciation and derision, but, rather, for sympathetic approach, and patient instruction in righteousness. We are speaking within the bounds of truth when we say that the spiritual and moral deficiency of a considerable proportion of this people is one of the most appealing calls that our Church ever heard to go and preach the truth as it is in Jesus—the truth that makes men free, indeed.

Moreover, it is an impressive fact that 30 per cent. of this eight and-three quarters millions are illiterate. Now, the ignorance set forth by the fact is not the ignorance that is bliss, but the ignorance that is blight. And so our Church is confronted with this grim fact and its bearing upon the welfare of this rapidly multiplying people. Our Church has always been aware of the fact that, wherever she makes her appeal to the moral and spiritual sides of life and awakens them into vital power, the mind invariably clamors for its share in this awakened life. And we have found that if we would hold the trophies of His Grace in the rights and privileges and duties of the Kingdom of Christ, we must set the school hard by the church and enlighten the eyes of the understanding.

Furthermore, these eight and three-quarters millions of colored people are scattered throughout thirteen States, and, what is most significant, 85 per cent. of them are in rural communities. Here is a rural church problem that is indeed a problem and worthy of the very best statesmanship in our Church. How to train a backward and handicapped race to live on the land and become competent and content in the rural life of our day, is a problem that is challenging the wisdom and the ingenuity of our representatives in the work for freedmen. This is the task with which our Board is beset. We now wish to call attention to the constructive program which has been set up in order to deal adequately with its demands.

Our Board has responded to the spiritual and moral demands of the task with a preaching force of 250 ministers,

two evangelists, one in the Eastern Synods and one in the Western Synods, 431 churches and missions, and 388 Sunday-schools. To meet the educational needs, our Board has erected 140 day-schools throughout thirteen States, with 480 day-school teachers coming into daily contact with 17,000 pupils. And let us pause to note at this point the fact that in all our schools the Bible and Catechism are required daily studies.

To answer the requirements of a people who are almost wholly settled in the country, our Board has intelligently and efficiently given itself to the social and industrial aspects of their task. Our educational system reveals a very sensible appreciation of the value of industrial training. Young men and women coming from our schools are well equipped for the successful undertaking of life in a rural environment.

Domestic arts and sciences are taught with the demands and daily living in view. Bricklayers, carpenters, masons, printers, bakers, farmers, etc., are going out from our schools prepared to cope steadily and successfully with the elements that go to make up the struggle for a self-supporting and satisfying life.

Your Committee has observed, with great pleasure, the abiding results that have appeared as a result of this constructive program.

That the provisions made for the religious welfare of the people have been wisely conceived and well used, is manifest in the fact that there are reported for the year nearly 2,000 added to the Church of such as are being saved; 241 have been received by letter; 22,881 scholars in the Bible schools; and 26,376 enrolled communicants.

That the program set up to meet the educational needs is wisely conceived and well administered, no one can doubt who will take the pains to know the facts. Four hundred and forty teachers in 140 day-schools are daily instructing 17,000 pupils, and doing it well, on less money than a certain well-known independent school spends for the instruction of less than one-tenth the number of our scholars. I am not sure that this is a matter for boastfulness. For if there is one way in which Presbyterians have shown themselves as "God's silly people," it is just the silly way in which they give to others while failing to support their own.

That the effort of our Board to approach their task from the social and industrial point of view is meeting with encouraging results, there can be no room for doubt.

Take, for instance, the school at Scotia Seminary, at Concord, N. C. This school is limited to 300 students, it being the policy of the Board not to build up a few big schools,

but more well-balanced, medium-sized schools, at strategic centres, as fast as the funds contributed will warrant. Now there are at this school as many students on the waiting list as there are enrolled in its classes. The youth are clamoring for educational advantages.

Permit me to cite two other instances. There is a school at Keysville, Ga., which is partitioning 1,000 acres among worthy colored people, on terms that are easily within their reach. There is another school, the Harbison Agricultural College, at Irmo, S. C., where 500 acres are being tilled by the men in the college and where 850 acres are being parceled, as before mentioned. Here you have in process colonizing schemes looking toward the social and industrial welfare of the negro. And let it not be forgotten that at the centre of all these schemes is the church and the school-house, designed for the ministry of the Word, without which no form of social or industrial organization can peacefully and permanently hold together.

Your Committee now wishes to call attention to three things which we believe to be noteworthy in the work of our Board of Freedmen:

1. They are proceeding upon the conviction that no great or permanent contribution to the best and lasting interests of the negro can be made save as the characteristic forces of our evangelical Christianity are brought to bear upon the life of the people. We have inquired, and have learned, that the Board has never had resort to atomizers. They have built upon the foundation of the apostles and prophets, Jesus Christ being the Chief Corner-stone.

2. We have discovered in their work a most creditable faith in the negro's capacity for responsible leadership. Of their 621 workers, all are colored save sixty-six. Of the 140 schools, all are under the responsible administration of colored people save six. Biddle University has sixteen professors, all colored. Harbison Agricultural College, with 1,400 acres under control, and Boggs Academy at Keysville, where the same situation prevails, are both under the leadership of worthy and well-qualified negroes. Our Board is committed to the policy of raising up an educated ministry and teaching force from among the negroes themselves, and so bring them on the way toward self-government and self-support. If any evidence were needed of the movement toward self-support, it is at hand in these facts. The amount given by the people on the field for congregational expenses approximated $73,000. Patrons and friends on the field gave another $73,000 for educational work. In addition to all this, the churches under the care of the Board, not

including those that are self-supporting, gave $940 to the Freedmen's Board and to other Boards $2,340. You see, therefore, that the negroes themselves have practically given for the support of the varied interests of our Boards approximately $150,000.

Indeed, there is good ground for believing that in the matter of bringing the negro to self-government and self-support, we are in advance of other Churches in the field.

3. Your Committee think that they discern in the work of the Board a commendable desire to meet all reasonable demands for forward movements in the work as speedily as is consistent with the wisest churchmanship and the sanest economy. The unsearchable riches of Jesus Christ cannot be distributed among the negroes of the South in response to superficial and fitful appeals to go here and go there, and do this and do that, nor can we dig channels for the flow of the life-giving river of grace among this needy people upon a theory of a minimum outlay. On the contrary, the work is so worth doing that we must do it well—which means that we must move as we are guided by the best counsel, and advance with such well-directed zeal as shall provoke the Church to abound more and more in her support of the cause.

During the year, the Board received from all sources $288,480.69—an increase of $41,292.49 over the preceding year.

Your Committee would call attention to the fact that 6,116 churches had a share in furnishing these sinews of war, showing a gain of 202 contributing churches. There are, however, 4,014 non-contributing churches. Something more than cosmic processes will need to be found to translate these churches out of indifference into active coöperation with the Board.

Your Committee respectfully submits the following recommendations:

1. That we commend the godly women who, in the mind and the spirit of our Master, have rallied to the support of the Board, particularly the Women's Department, whose industry and consecration brought into the treasury the sum of $95,000, and that we extend to them our grateful appreciation of their indispensable works of faith and labors of love.

2. We recommend that the Sunday nearest Lincoln's birthday, or, if that be not convenient, some Sunday agreeable to the plans of the local church, be set apart for informing our Sunday-schools touching the work of the Board and inspiring them to make an offering for the support of the work.

3. We recommend the approval of the records of the Board, and cordial commendation of the officers and workers for the faithful and effective way in which they have studied their field, for the intelligent way in which they have faced the whole front of human need, and, above all, for their unceasing adherence to the foundation that has been laid, which is Jesus Christ.

4. We recommend that our pastors and churches inform themselves with respect to the work among the Freedmen to the end that there may be no lack of means for answering all the growing needs of the field.

5. We recommend that the Rev. J. M. Duff, D.D., Rev. Samuel J. Glass, D.D., Rev. Robert H. Allen, Mr. Charles H. Riggs, Mr. A. C. Robinson, whose terms of office expire, be reëlected to membership in the Board.

Respectfully submitted,

GEORGE DUGAN, *Chairman.*

The Standing Committee on Freedmen also presented a Report on Overtures referred to it, the consideration of which was postponed.

The Report of the Standing Committee on Christian Life and Work, upon Vacancy and Supply, was again taken up, was adopted and is as follows:

The Standing Committee on the Narrative of the Christian Life and Work present its Report on Vacancy and Supply as follows:

We believe that this is a Committee born not out of, but in, due season, as attested by the following facts: in 1913 this Committee found that there was an average need of three additional pastors to each Presbytery; in 1914 this need was reduced by 25 per cent. In other words, in 1913, each 10 Presbyteries needed 23 additional pastors to care properly for their vacant fields, while by the last of 1914 they needed but 17 additional men. In other words, 177 men without work had had a door of service opened to them, and many vacant churches supplied.

In commending the Report of this Committee, found in the Blue Book of the Assembly, we gladly testify to the rapidly increasing adoption of the Assembly's plan of Vacancy and Supply. Over 160 Presbyteries had adopted the said plan previous to the recent spring Presbyterial meetings. In the Presbyteries where the plan has been tried out, there has already appeared a marked decline in the number of vacant churches and unemployed ministers.

In cordially commending the General Assembly's Vacancy

and Supply plan, we hereby present the following resolutions, as suggested by the Permanent Committee on Vacancy and Supply:

"(1) The General Assembly approves of the various lines of activity pursued by the Permanent Committee on Vacancy and Supply and records its appreciation of the faithful and efficient services rendered by the representatives of the Committee, resulting in improved conditions as to vacancies throughout the Church.

"(2) The General Assembly expresses its gratification at the fact that fully two-thirds of the Presbyteries on the Home Field have already adopted the Vacancy and Supply Plan as presented by the Permanent Committee and approved by the last Assembly and in the interest of uniformity, this Assembly again recommends it to the remaining Presbyteries for consideration and adoption.

"(3) Believing that the proper support of all of our pastors is a matter of intense importance, the General Assembly commends the investigations being made in many of the Presbyteries in the hope that existing wrongs may be righted and inequalities adjusted, and the Assembly again calls the attention of all of the Presbyteries to the necessity that careful consideration be given all phases of the subject of Ministerial Support.

"(4) That Drs. George N. Luccock and John E. Bushnell, and Elders Henry P. Crowell and E. A. K. Hackett, whose terms of service on this Committee expire with this Assembly, be reëlected."

Respectfully submitted,

G. W. Simon, *Chairman.*

The Standing Committee on Christian Life and Work also presented its Report, upon the Report of the Special Committee on Christian Life and Work, which was adopted. The Report is printed in the Appendix, and the Resolutions are as follows:

*Resolved,* 1. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members, together with the Moderator and Stated Clerk, *ex officio,* making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

*Resolved,* 2. That the Stated Clerks of Synods be and are

hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly.

*Resolved*, 3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the *Minutes*.

*Resolved*, 4. That the churches are advised, wherever the way is clear, to unite with the churches of other denominations in the communities in which they are located, for the purpose of carrying on coöperative Christian work, and Presbyteries and Synods are directed to supervise this work within their bounds.

*Resolved*, 5. That the Board of Publication be requested to publish for sale such portions of the Annual Narrative, in leaflet form, as may be decided on by the Committee on Christian Life and Work, it being understood that the form and price of such leaflets will be determined by the Board, and that the Special Committee be authorized to prepare such a leaflet.

*Resolved*, 6. That church Sessions are most earnestly requested to give very particular attention to the absentee members of their congregations, to comply with the requirements of the Book of Discipline, in relation to such matters, and to endeavor by correspondence to recommend such members to unite with the churches in the communities in which they are located.

*Resolved*, 7. That church Sessions are earnestly advised to give careful attention to young Christians, who, as the Directory for Worship indicates, having been "born within the pale of the visible Church, and dedicated to God in baptism, are under the inspection and government of the Church; and are to be taught to read and repeat the Catechism, the Apostles' Creed, and the Lord's Prayer. They are to be taught to pray, to abhor sin, to fear God, and to obey the Lord Jesus Christ. And when they come to years of discretion, if they be free from scandal, appear sober and steady, and to have sufficient knowledge to discern the Lord's body, they ought to be informed it is their duty and their privilege to come to the Lord's Supper." (Directory for Worship, Chapter X, Section 1.) In this connection Sessions are requested to give particular attention to the attendance of the baptized children of the Church, at church services.

*Resolved*, 8. That the Presbyteries be and hereby are instructed to give particular attention to the Sabbath-schools

connected with the churches under their jurisdiction, and especially to make provision for the establishment of one or more Sabbath-schools in connection with every congregation, and that the Presbyteries are hereby also directed to report the facts as to the Sabbath-schools to the churches.

*Resolved*, 9. That the Presbyteries are earnestly directed to inquire of Sessions of all congregations subject to their authority, as to the prevalence of the evangelistic spirit in their midst; and to encourage all Sessions to stimulate a true evangelism among all the members, in order that in every church there may be obedience to the command of Christ to preach the Gospel to every creature. Thus laboring in the spirit of our Divine Saviour, will it be possible in every congregation to add unto the number of them that are saved.

*Resolved*, 10. That the Rev. C. Waldo Cherry, Rev. James A. Worden, D.D., and Mr. Thomas J. Arnold be elected as members of the Special Committee, serving as the Class for 1915–18; and that Mr. Benjamin Daniels be elected to fill the vacancy caused by the illness of Mr. Andrew Stevenson.

Respectfully submitted,

GUY W. SIMON, *Chairman.*

The Standing Committee on Christian Life and Work also reported on *Overture No. 151*, from the Synod of Oregon, referred to it, asking for modifications in the plan of publishing the General Assembly *Minutes*, Reports of the Boards, etc., recommending that the Overture be answered in the negative. Adopted.

The Stated Clerk, Dr. Roberts, introduced to the Assembly Rev. Robert Dykes Shaw, D.D., General Secretary of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System.

The Assembly took recess, and was closed with prayer.

---

TUESDAY, May 25, 2.30 o'clock P.M.

Assembly met and was opened with prayer.

The Standing Committee on Temperance, through its Chairman, Rev. Charles Wood, D.D., presented its Report, which was accepted and, after addresses by Rev. Charles Scanlon, Secretary of the Board, and by the Chairman, was adopted. An additional resolution, presented by Rev. George I. Long, of San José, Cal., was also adopted. The Report reads:

Your Standing Committee on Temperance, in offering this Report, congratulates all who have toiled and prayed on behalf of this cause, on the dawning of a new day upon the fields whitening for the harvest.

The whole subject has of late been lifted to a higher level than in the past. "The International mind" has interpenetrated all the more serious discussions of it. It has become a subject of world-wide interest to those who think in terms of countries and continents, of philanthropy and Christianity. It is no longer possible to ignore it or even to relegate it to a negligible class. Not only is temperance a question of the very first importance, morally and religiously, but also economically and politically. Scientific economists in organizations and corporations, whose success is secured by accuracy in estimating the results of seemingly insignificant causes, railroads, life insurance, bonding and many other such societies, have all acted in harmony, in barring from preferential groups the users of intoxicants even in moderation.

Politically, the most impressive testimony ever given, perhaps, as to the value of temperance, is in the prohibition in "All the Russias," by the Tsar, of the use and sale of Vodka, the national drink, from which a large part of the national revenue was drawn. It is scarcely less significant that wine and beer have since been included in this prohibition. An advanced position in practical prohibition has been taken in France and Germany. In England the partial prohibition of intoxicants has been acknowledged a necessity for the successful prosecution of the war. The example of total abstinence set by the throne has been followed in court and camp and even in the Church with only a dissenting voice here and there. Political leaders here in America assert, some gladly and others reluctantly, that the temperance question is more vital to all parties than the tariff and that the attitude of any party toward temperance may decide its prospects in 1916.

It is a most suggestive and encouraging fact that the number of prohibition States has increased during the past year from nine to eighteen. While welcoming all rational temperance legislation, we reaffirm our reliance primarily on education in the home, in public and private schools and in churches and Sunday-schools. Only by education can we hope to reach the three classes thus unconvinced of the importance of this subject: the unthinking, the ignorant and the prejudiced.

Therefore, be it

*Resolved*, 1. That we heartily commend the Board of

Temperance for its efficiency, during the past year, and congratulate the officers, and in particular its President, the Rev. Thomas Watters, D.D., and its General Secretary, Professor Charles Scanlon, on the able and tactful way in which they have carried on the work of the Board. We find the minutes and the Treasurer's report, certified to by a public accountant, in order, and recommend their approval.

*Resolved*, 2. We commend the Church for the generous contribution to the cause in the past year, and recommend that, in view of the demonstrated efficiency of the Board, this Assembly heartily commends it to the churches for the full amount of the budget, $55,000, and to individual members for largely increased gifts in order to meet the rapidly growing demands upon it.

*Resolved*, 3. We commend all temperance organizations and societies laboring to suppress the sale and use of intoxicants, whether by education or legislation, and we reaffirm the antagonism of our Church to intemperance in all its forms, as that antagonism has found expression in the deliverances of every Assembly, from the first to the one hundred and twenty-seventh.

*Resolved*, 4. Your Committee would call the attention of the Assembly to the coming battle against alcohol in Alaska. The territorial legislature, at its recent session, provided for an election to be held in November, 1916, to determine the question of "wet or dry" in Alaska. We commend this Home Mission Field of our Church to the prayerful interest of the Church in the coming struggle and to the special help and support of the Board of Temperance.

*Resolved*, 5. We commend the organ of our Board, *The Amethyst*, whose name carries in it both classical and Scriptural significance, and in whose pages much reliable and stimulating information is found.

*Resolved*, 6. We call the attention of all our ministers, elders and church members to the National Abstainers' Union organized in Washington, D. C., January, 1915. This Union represents thirty denominations, with 17,000,000 communicants. It includes in its membership many United States Senators and Representatives, with the Governors of many States and other political leaders. We recommend that all our ministers and elders coöperate with this society by becoming members.

*Resolved*, 7. That we favor legislation making the vendors of alcoholic beverages, their bondsmen and the owners of property rented for such purposes, jointly and severally, responsible for damage resulting from the intoxication of those to whom such beverages are sold.

*Resolved*, 8. That we commend the action of railway officials who have excluded intoxicating liquors from their trains and stations, and express the earnest wish that all steamship officials might take similar action.

*Resolved*, 9. That we rejoice that approximately 600 daily newspapers and a large number of other leading publications have excluded all liquor advertisements from their pages, and express the hope that other periodicals may speedily take similar action.

*Resolved*, 10. We recommend to all our ministers the duty, privilege and importance of preaching upon temperance annually and of practicing it daily.

*Resolved*, 11. We recommend the reëlection of the members of the Board whose terms expire with this Assembly, viz.: *Ministers*—John Royal Harris, D.D., John F. Hill, D.D., Robert H. Kirk; *Elders*—O. L. Miller, M.D., W. R. Zeigler, W. W. Shields.

CHARLES WOOD, *Chairman.*

The following additional resolution was adopted:

In view of the wide publicity given certain correspondence and telegrams of a clergyman within our jurisdiction, and in particular a telegram addressed to a citizen of San Francisco, and dated October 20, 1914, expressly intended to influence voters against the prohibitory amendment, then pending before the people of the State of California, in which telegram said minister stated his amazement "at the possible prohibitory action of California," characterized it as unsound and unwholesome, and declared it to be un-American and immoral.

And in view of the fact that the liquor interests have made wide use of this aid and assistance given to their cause, esteeming it their strongest weapon against the threatened uprising and success of prohibition in the campaign of 1914.

And in view also of the fact that other correspondence from the same source continues to hearten the saloon interest of California, and in the same measure to humiliate and sometimes to dishearten, if not to discourage, those who are fighting in the battle against the legalizing of this monstrous vice; therefore, be it

*Resolved*, That this Assembly deeply regrets this action of one within its jurisdiction, and most heartily disapproves such aid and assistance, or any aid and assistance or encouragement being given, at any time, by any minister or layman within its jurisdiction, to defend or uphold or perpetuate the curse of legalized liquor-selling, including all intoxicating drinks, malt and spirituous liquors, whether known as light

wines or heavy whisky, and calls upon its ministry to use all their influence, in conjunction with the organized temperance forces of the country, to destroy absolutely and abolish the legalized liquor traffic, and to cleanse our States, and ultimately our nation, from the curse of the saloon.

The Standing Committee on Colleges, through its Chairman, Rev. Harlan G. Mendenhall, D.D., presented its Report, which was accepted and, after addresses by Rev. Robert Mackenzie, D.D., Secretary of the Board; President Kroeze, of Jamestown, North Dakota; President Crooks, of Albany College, Oregon; President Boone, of the College of Idaho, and President Baer, of Occidental College, was adopted. The Report reads:

The Standing Committee on Colleges respectfully reports as follows:

The Annual Report of the College Board is so full and so interesting that you are asked to study its pages very carefully. Its income last year was $1,400,000, and in this financial increase it is surpassed only by the Boards of Home and Foreign Missions. It has inspired many colleges to win endowments through conditional grants. A total payment of $78,000 for this purpose has brought to these institutions, in buildings and endowments, the larger sum of $1,568,930.

We rejoice to learn of a closer coöperation between the State universities and the denominational schools. This makes for better things. The suspicion and selfish rivalry of other years have gone, and these different schools, in their respective spheres, are giving to our Church and country a splendid manhood and womanhood, of which both are proud.

Educational Efforts.—We are particularly impressed by that part of the Board's Report which is under the heading "Educational Efforts." There is evident need of arousing the Church to a keen realization of the fact that purely secular education is not sufficient to produce the type of men necessary to the furtherance of the ideals of the Kingdom of God. Only an education which includes the training of the will and heart and conscience, which aims at the realization of the ideals of Jesus Christ, and which undertakes to lead students into harmony with the will of God and into acceptance of divine power in order to do that will and realize those ideals, can give the Church what it needs, and such an education is furnished alone by the Christian college.

But the people do not all understand how fundamental is this type of education. Indeed, multitudes of Presbyterians do not realize that religion is an essential part of a complete education, and, therefore, they are content with a purely

secular education. The people must be taught. They must be awakened. This need is keenly felt by the presidents and faculties of our colleges. Commonly they are met by the questions, What is the need of the Christian college? Why should not all education be left to the State? These presidents are calling earnestly for a campaign of education which shall teach what our Church members need to know, thus creating a sympathetic background which will encourage gifts of money and the attendance of students. Who should conduct such a campaign if not the College Board? This is one of the principal purposes for which it was brought into existence, and this purpose is written into its very Constitution. As the college presidents say, in a resolution adopted in their Conference and sent to us, "Intelligence is the basis of confidence, and we express the belief that the only way to arouse the Presbyterian Church to an appreciation of the College cause and opportunity is to carry forward an immediate and aggressive campaign of publicity. . . . As the enlargement of the Home and Foreign missionary causes came when their Boards equipped themselves with sufficient men and means to make the Church listen, so we believe the same awakening and conviction will come for our cause if our Board will avail itself of the same avenues and methods." Because of this belief, it is our judgment, expressed in one of the resolutions that follow, that the Board should freely use its income from undesignated permanent funds for the purpose of arousing the whole Church to the meaning and importance of Christian education.

Consolidation of Colleges.—The college presidents, in their annual Conference with the College Board, held on May 19, 1915, recommended that the College Board study especially those fields where colleges are unduly multiplied, and make suggestions to these colleges and to the Synods in which such colleges are located, in order to remedy the unsatisfactory situation. We find that this is one of the functions of the College Board, the Constitution, in Article 9, instructing the Board to limit the number of colleges in any region so as to secure strong institutions rather than many weak ones, and advising that colleges be consolidated where the Board deems it advisable. The General Assembly has several times renewed this advice, and we find that the Board has been steadily but patiently and considerately working towards this end.

Further, the College Board is taking the lead in a movement to secure greater coöperation among the evangelical denominations, so that where only one Christian college is at present feasible, as in Utah, for instance, the members and official

bodies of several denominations shall coöperate in building up one institution, instead of seeking to maintain several separate denominational schools. We find in the minutes of the Board the following statement: "The College Board approves of the general principle that the denominations should coöperate in such States . . . . where it seems impracticable for each denomination to maintain a separate college, and the Board instructs its Secretaries to carry out such a policy of coöperation." We approve of all such efforts. We realize, however, that this is a task of great delicacy, and should be pursued with patience and tact, and therefore we would not advise the Board to exercise too great haste. Nevertheless, we believe that the Board will be justified, as it is authorized to do in Article 9 of the Constitution, in refusing all aid to colleges which do not assent to this wise policy of coöperation and concentration, for we believe that the Board should be the recognized leader of the Church in carrying such policies into effect.

Bible Chairs.—The Board reports that seventeen colleges are now engaged in the task of raising funds with which to endow chairs of English Bible and Pastoral Oversight, and the Board is able, through the John C. Martin Fund, to encourage this movement by making appropriations from the income of this fund. This movement has grown so rapidly that it calls for more time and attention on the part of some officer of the Board, and Dr. French has been assigned to this task and given authority to secure assistants, who will aid the colleges in these endowment campaigns. We consider this a most important enterprise. The thing which distinguishes the Christian colleges from others is their emphasis upon Bible teaching and Christian training, and each college should be able to maintain a professor who shall devote his whole time to this work. To do so, each college must have adequate endowment, and Presbyterians can make no better use of their money than by giving it for the establishment of such chairs, for the Bible Department of a Presbyterian college should certainly be as well provided for as any other college department, and at present only a few of the colleges are able to make such provision.

We commend the activity and enthusiasm of our secretaries: the beloved Dr. Mackenzie, a worthy successor of Drs. White, Ray and Dickson; Dr. French, who has had practical knowledge through his successful work at Huron; and Dr. Clarke, who was a member of the Board before being Secretary.

We submit the following recommendations:

1. That the minutes of the Board, which have been

examined and found in order, be approved, and that the manner in which the minutes are recorded and the neatness with which they have been engrossed be especially commended.

2. That the financial report of the Board, duly audited, be approved.

3. That the following-named members of the Board, whose terms of office expire with this Assembly, be reëlected as their own successors: Rev. John R. MacKay, D.D., Rev. S. Edward Young, D.D., Rev. Edwin A. McAlpin, Jr., Mr. Gates D. Fahnestock, Prof. J. C. Egbert, Hon. Thomas E. Hodges, LL.D., Mr. John R. Rush, Mr. J. F. Wild, and that Mr. J. N. Jarvie be elected to fill a vacancy in the Class of 1918.

4. That the request of the Conference of College Presidents for a committee, to be selected from their own number, to act as a cabinet of counsel and suggestion to the officers of the Board, be approved.

5. That, in accordance with Article 9 of its Constitution, and in order to eliminate waste and friction in the college field, the Board be instructed to give particular attention to those States which contain more Christian colleges than are necessary, and to take such steps as may be practicable to persuade Synods to reduce the number of Presbyterian institutions where, in the Board's judgment, there are too many. We further recommend that the Board be encouraged to coöperate with other Christian denominations in effecting combinations, to the end that the number of colleges may be reduced, and that those remaining may be sufficiently endowed and equipped to meet the demands of the times.

6. That the Assembly again call upon the Synods and Presbyteries, and upon all Presbyterian givers, to coöperate heartily with the Board and the colleges in the movement to endow chairs of English Bible and Pastoral Oversight in all our colleges, and that the Board be commended for giving this movement so important a place as a part of its Extension work.

7. That the Board vigorously press the extension campaign which it has recently inaugurated and which is urged by all our colleges, so that the meaning and importance of Christian education and the vital place of the Christian college may become apparent to every Presbyterian, and that a liberal share of the Board's income from permanent funds should be used for this purpose for at least five years, in order that additional agencies may be employed to awaken our people to the need of the Christian college.

8. That the overtures from various Presbyteries, asking

that the principal of the Kennedy Fund be distributed among selected colleges, be answered in the negative, and that the policy of the Board, endorsed by previous Assemblies, be approved. We have given careful and serious consideration to this request, and are persuaded that there has not been sufficient time to develop the present policy. It is of vital importance that no action be taken now that will interfere with the program of extension so earnestly urged by the colleges, and which cannot be carried forward if the present policy with reference to the Kennedy Fund be changed.

9. That the Assembly authorize the Conference of College Presidents to appoint annually a committee of three to coöperate with a representative of the Board as a Committee on College Classification.

10. That *Overture No. 112*, from the West Jersey Presbytery, which asks that the Assembly authorize and direct the College Board to appropriate the income of the Van Meter Fund to aid the M. S. Fithian Night School of Bridgeton, N. J., be answered in the affirmative, and, if the legal way be clear, that the Board use the income of this Fund for the benefit of the M. S. Fithian Night School, at least until other and better use of said Fund within the bounds of said Presbytery shall be found.

Respectfully submitted,

H. G. MENDENHALL, *Chairman.*

The Order of the Day, the Report on Union Theological Seminary, was taken up, and the Report of the Committee was adopted. It is as follows:

Your Committee appointed by the Atlanta Assembly to investigate the legal, ecclesiastical and theological status of Union Theological Seminary would most respectfully submit the following Report:

## HISTORY.

The brief history preceding and culminating in the appointment of your Committee shows the following facts:

The Assembly which met at Atlantic City in 1911 (see *Minutes* of General Assembly, p. 206) appointed a Committee of Conference with Union Theological Seminary, with a view of reëstablishing relationship with the Seminary and the Assembly on the basis of the Standards of the Presbyterian Church in the United States of America.

The resolution appointing said Committee reads as follows:

"WHEREAS, The Union Theological Seminary in the city

of New York, was founded by Presbyterians and largely endowed from Presbyterian sources; and

"WHEREAS, Some years past there developed a condition which led to the severing of the relations which had existed from the organization of the Seminary, between it and the General Assembly; and

"WHEREAS, We are persuaded that there are in the faculty and in the directorate of Union Theological Seminary men who are in accord with evangelical Christianity as expressed in the Standards of the Presbyterian Church in the United States of America, and who are zealous in all good work for the growth of the kingdom of our Lord Jesus Christ in the world; and

"WHEREAS, We believe that it would be a signal manifestation of the spirit of our Lord and Saviour Jesus Christ, who prayed 'that they all may be one,' for Christian brethren under the gracious guidance of the Holy Spirit to remove all misunderstandings, alienations and antagonism, and to become vitally and aggressively united in the doctrine of our beloved Church in the work of bringing nations and the world to Christ; therefore, be it

"*Resolved*, That the Assembly hereby authorizes the Moderator to appoint a Committee of nine, to consist of five ministers, of whom the Moderator shall be one, and four ruling elders, none of whom shall be connected with the directors and faculty of the said Seminary, with a view to the reëstablishment of relations between the Seminary and the General Assembly on the basis of the Standards of the Presbyterian Church in the United States of America; this Committee to report at the next Assembly."

That Committee was unable to report to the Louisville Assembly of 1912, and asked to be continued until the next Assembly. Its Report was made to the Atlanta Assembly of 1913, and was by the Atlanta Assembly referred to your Committee for its consideration, and is hereby submitted as a part of the history and record of said investigation, and will be filed with the Stated Clerk as "Exhibit A" of this Report.

The Atlanta Assembly was arrested in its debate on the minority and majority Reports submitted by the previous Atlantic City Assembly Committee, by a resolution closing said debate and appointing a new Committee of seven, to which all reports and papers then before the Assembly, or previously in its possession, were to be submitted. The resolution appointing said Committee is as follows:

"*Resolved* That a new Committee of seven be appointed by the Moderator, to which the three Reports and other

papers now before us shall be committed, and which shall be empowered and instructed to make a thorough investigation of all the legal, ecclesiastical and doctrinal questions involved, and to report to the next Assembly."

You are requested to keep ever before you the fact that the new Committee was appointed, empowered and instructed to make a thorough investigation of all the legal, ecclesiastical and doctrinal questions involved, and to report to the next Assembly. Your new Committee was vested with power to investigate only and to submit to you the findings of said investigation. Upon said findings you are to write your proclamation or verdict.

The Committee originally appointed consisted of four ministers and three ruling elders, and was composed as follows: Rev. Drs. George Alexander, William Courtland Robinson, Edgar W. Work and Mark A. Matthews; and ruling elders, George V. Massey, Rush Taggart and Frank J. Loesch. Rev. Dr. Alexander declined to serve, and Rev. Dr. A. V. V. Raymond was appointed. Rev. Dr. Work was unable to serve, and Rev. Dr. Joseph A. Vance, of Detroit, was substituted.

Your Committee, thus finally constituted, was unable to report to the Chicago Assembly because of its inability to secure certain papers and documents needed by the sub-committee making the legal investigation. The correspondence between your Committee and the Board of Directors and Officers of Union Theological Seminary resulted in securing the books and records of said Seminary from which your legal sub-committee obtained a great deal of invaluable information. The correspondence is hereby filed with the Stated Clerk of the Assembly, to be placed in the archives of the Assembly and marked "Exhibit B."

The Committee divided itself into sub-committees for the consideration of the three questions upon which your Committee was to make its thorough investigation, namely, the legal, ecclesiastical and doctrinal status of Union Theological Seminary.

The Committee has held four general meetings, in New York City.

The reports of the sub-committees have been carefully considered not only by the sub-committees, but by the Committee as a whole at its semi-annual sessions. After thorough discussion of all the facts obtained, your Committee submits for your judgment and verdict a unanimous Report showing the unmistakable facts, revealing the legal, ecclesiastical and theological status of Union Theological Seminary, as follows:

## I. Report of the Sub-committee on Legal Questions.

### *Statement of Facts.*

The Union Theological Seminary, according to its records, had its origin at a meeting of a few gentlemen at the home of Knowles Taylor in New York City on the 10th of October, 1835. On the 19th of October these gentlemen appointed a committee to draft an exhibit of the reasons calling for the contemplated institution and also to outline a plan of instruction to be pursued. This committee, on the 3d of November, reported, and the minutes state, "After a free interchange of views upon the subject it was again resolved unanimously that it is expedient, depending on the blessing of God to attempt to establish a theological seminary in this city." On the 9th of November the committee on the subject of organization, which had been appointed as a separate committee on October 19th, recommended the following principles as appropriate to the complete organization of the institution: (1) The government of the Seminary shall be vested in a Board of Directors, consisting of twenty-eight members, resident in the cities of New York and Brooklyn, one-half of whom shall be clergymen, and all the members of the Board shall be ministers and members of the Presbyterian Church, adopting the "Confession of Faith" of the same. There was a further resolution as to the division of the directors into four classes, one to go out each year, to be reëligible, their successors to be elected and all vacancies filled by the Board. A separate resolution was adopted: "that the institution be known by the name of the 'New York Theological Seminary.'"

On the 16th day of November there was reported a list of persons suitable for directors and a subscription of $41,000 obtained. On November 25th a committee was appointed to draft a constitution for the Seminary in conformity with the principles already adopted. On January 11, 1836, this committee reported and its report was accepted. The persons suggested for directors were elected with power to fill certain vacancies. At this meeting the Board was directed to apply to the Legislature of the State for an act incorporating the institution, and was empowered to transact any other business which the interests of the institution might require. At this meeting further subscriptions were made, making a total of $61,000.

The Constitution adopted consisted of two documents designated "Preamble to the Constitution" and a "Constitution." The preamble reads as follows:

"That the design of the Founders of this Seminary may

be fully known to all whom it may concern, and be sacredly regarded by the Directors, Professors and Students, it is judged proper to make the following preliminary statement:

"A number of Christians, both clergymen and laymen, in the cities of New York and Brooklyn, deeply impressed with the claims of the world upon the Church of Christ to furnish a competent supply of well educated and pious ministers of correct principles to preach the Gospel to every creature; impressed also with the inadequacy of all existing means for this purpose; and believing that large cities furnish many peculiar facilities and advantages for conducting theological education; having, after several meetings for consultation and prayer, again convened on the 18th of January, A.D. 1836, unanimously adopted the following resolution and declarations:

"§ 1. *Resolved*, In humble dependence on the grace of God, to attempt the establishment of a Theological Seminary in the City of New York.

"§ 2. This Institution (while it will receive others to the advantages it may furnish) is principally designed for such young men in the cities of New York and Brooklyn as are or may be desirous of pursuing a course of theological study, and whose circumstances render it inconvenient for them to go from home for this purpose.

"§ 3. It is the design of the Founders to furnish the means of a full and thorough education, in all the subjects taught in the best Theological Seminaries in the United States, and also to embrace therewith a thorough knowledge of the standards of faith and discipline of the Presbyterian Church.

"§ 4. Being fully persuaded that vital godliness well proved, a thorough education, and a wholesome practical training in works of benevolence and pastoral labors, are all essentially necessary to meet the wants and promote the best interests of the kingdom of Christ, the Founders of this Seminary design that its Students, living and acting under pastoral influence, and performing the important duties of church members in the several churches to which they belong, or with which they worship, in prayer meetings, in the instruction of Sabbath-Schools and Bible-classes, and being conversant with all the social benevolent efforts in this important location, shall have the opportunity of adding to solid learning and true piety, enlightened experience.

"§ 5. By the foregoing advantages, the Founders hope and expect, with the blessing of God, to call forth from these two flourishing cities, and to enlist in the service of Christ and in the work of the ministry, genius, talent, enlightened piety and missionary zeal; and to qualify many for the

labors and management of the various religious institutions, seminaries of learning, and enterprises of benevolence, which characterize the present times.

"§ 6. Finally, it is the design of the Founders to provide a Theological Seminary in the midst of the greatest and most growing community in America, around which all men of moderate views and feelings, who desire to live free from party strife, and to stand aloof from all extremes of doctrinal speculation, practical radicalism and ecclesiastical domination, may cordially and affectionately rally."

The Constitution consisted of nine articles, some of the articles having several sub-sections, relating to the organization, officers, faculty, instruction, students, etc. The sections material to this inquiry are the following:

"Art. II, Sec. 2. The Board shall consist of twenty-eight members, one-half of whom shall be clergymen and one-half laymen, members of the Presbyterian Church, and residing in the cities of New York, Brooklyn and vicinity.

"Sec. 4. Every Director on entering upon his office shall make and subscribe the following declaration in the presence of the Board, viz.: 'Approving of the plan and constitution of the New York Theological Seminary, and of the Confession of Faith and Form of Government of the Presbyterian church, I do solemnly promise that I will endeavor to sustain the same so long as I shall remain a member of the Board of Directors of this Institution.'

"Sec. 5. The Board of Directors shall have power to make its own by-laws, fill all vacancies, which may occur by death or otherwise, appoint all Professors and teachers, fix their salaries, determine their duties, hold, and manage the funds of the Seminary, select the location, and erect the necessary buildings, and in general to do whatever the nature of their office, and the interests of the Institution may require.

"Art. IV, Sec. 4. Every Professor elect, both Permanent and Extraordinary shall on entering upon his office, make and subscribe the following declaration, viz.: 'I believe the Scriptures of the Old and New Testaments to be the word of God, the only infallible rule of Faith and practice, and I do now in the presence of God, and the Directors of this Seminary, solemnly and sincerely receive and adopt the Confession of Faith of the Presbyterian Church, in the United States of America, as containing the system of doctrine taught in the Holy Scriptures. I do also in like manner approve of the form of government and discipline of said church, and I do solemnly promise that I will not teach, or inculcate anything which shall appear to me to be subversive

of the said system of doctrine, or of the principles of said government, so long as I shall continue to be a Professor in this Seminary.'

"Art. V, Sec. 1. This institution shall be equally open to every denomination of evangelical Christians for the admission of students of requisite qualifications.

"Art. IX. The Board of Directors shall have power at any of its meetings, to alter, or add to this constitution, any article that may from experience be found necessary, provided the article shall have been regularly proposed at two previous meetings, shall be named in the notice calling the meeting, and shall be passed by a vote of not less than eighteen. This constitution shall be read before the Board of Directors at their stated autumnal meeting every year, and each Professor and Teacher and students shall be furnished with a copy."*

On the 18th of January, 1836, was held the first meeting of the directors of the New York Theological Seminary, and the Board was then organized. The members of the Board subscribed to the declaration required by the Constitution, classified themselves by lot, appointed Committees on Professors, Finance, By-Laws, and Application to the Legislature. The duty of the last-named committee was stated to be "to endeavor, as agents of the Board, to procure an act of incorporation upon such principles as the Board shall approve." The Committee on application to the Legislature reported with a draft of an act of incorporation on February 10, 1836; the draft was approved and the committee was directed to lay it before the Legislature. The minutes contain no copy of this report or draft. The minutes of June 30, 1836, contain a reference to the action of this Committee on Legislation to the effect that it reported progress. No further mention of this Committee or action looking to incorporation appears in the minutes until December 17, 1838. In the meantime the institution was opened and instruction was begun in December, 1836. Certain verbal alterations in the Constitution not now necessary to be noticed were made by the Board of Directors and adopted early in December, 1836. On the 17th of December, 1838, a new committee was appointed to take proper steps to secure an act of incorporation from the Legislature, and on the 15th day of March, 1839, it was resolved that the Committee on the Charter be requested to solicit an act of incorporation for the Seminary under such name as they might find acceptable to the Legislature.

On the 27th of March, 1839, an act incorporating the

*A copy of the entire Constitution as then adopted is attached as an Appendix to this Report.

Union Theological Seminary was passed by the New York Legislature, as follows:

"An Act to Incorporate the Union Theological Seminary in the City of New York.—Passed March 27th, 1839.

"The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Phelps, Pelatiah Perit, Cornelius Baker and Knowles Taylor, and their associates, who are the present Directors, and their successors are hereby constituted a body corporate by the name of 'The Union Theological Seminary in the City of New York;' and by that name shall have succession, and be capable in law of taking and holding by gift, grant or devise, or otherwise, and of purchasing and holding and conveying, both in law and equity, any estate, real or personal; provided, that the clear annual value or income of their real estate shall not exceed the sum of fifteen thousand dollars; and their personal estate shall not exceed the sum of fifty thousand dollars, exclusive of such Professorships as may be from time to time endowed.

"§ 2. The government of the Seminary shall at all times be vested in a Board of Directors, which shall consist of twenty-eight members; one-half of whom shall be clergymen, and the other half laymen.

"§ 3. The Board of Directors already chosen shall be divided into four classes, to be numbered one, two, three and four; the term of the first class shall expire in one, the second in two, the third in three, and the fourth in four years from the eighteenth of January last. The following persons shall be Directors of the first class: Thomas H. Skinner, William Adams, Samuel H. Cox, Selah B. Treat, Abijah Fisher, Joseph Otis, Caleb O. Halstead and Leonard Corning. Of the second class: William Patton, Ichabod S. Spencer, Henry White, David Magie, Pelatiah Perit, Charles Butler and Micah Baldwin. Of the third class: Henry A. Rowland, Absalom Peters, Nathanael E. "§ 4. The members of any class of Directors may be eligible to reëlection; and each election shall take place at least one week previous to the expiration of the term of office of the class to be supplied. And the said directors shall have power to fill all vacancies in their own Board, which may happen from year to year; and the appointment to fill such vacancy shall be valid for the unexpired term of the Director whose office shall be vacant.

"§ 5. Equal privileges of admission and instruction, with all the advantages of the Institution, shall be allowed to Students of every denomination of Christians.

"§ 6. The Legislature may at any time alter or repeal this act."

On the 20th of December, 1839, this act of incorporation was read to the Board of Directors, and on motion it was duly accepted.

On the 9th of January, 1839, the declaration in Article II, Section 4, of the Constitution was amended so as to read as follows:

"Approving of the plan and constitution of the New York Theological Seminary and of the Westminster Confession of Faith and the Presbyterian form of church government, I do solemnly promise, etc."

Article IV, Section 4, relating to the declaration of professors, was also changed to read as follows:

"I believe the Scriptures of the Old, and New Testaments to be the word of God, the only infallible rule of faith and practice, and I do now in the presence of God, and the Directors of this Seminary, solemnly and sincerely receive and adopt the Westminster Confession of Faith as containing the system of doctrine taught in the Holy Scriptures. I do also in like manner approve of the Presbyterian form of government, and I do solemnly promise that I will not teach, or inculcate anything which shall appear to me to be subversive of the said system of doctrine, or of the principles of said form of government, so long as I shall continue to be a Professor in this Seminary."

On the 3d of January, 1840, the committee reported a plan of organization under the Charter; the report was accepted and it was resolved that thereafter the institution be known by the name of "The Union Theological Seminary in the City of New York."

During the succeeding years, from time to time, verbal amendments and alterations to the Constitution were made, among others a renumbering and rearrangement of the articles and sections, and on January 24, 1853, amendments were made as follows:

"Art. II, Sec. 2. Every member of the faculty shall on entering upon his office, and annually thereafter, so long as he remains in office, make and subscribe the following declaration in the presence of the Board; and if any Professor shall refuse to repeat the same declaration, he shall forthwith cease to be a Professor in the Institution, viz., 'I believe,' etc., as set forth in Art. 4, Sec. 4.

"Art. VIII. Donations and Endowments. Sec. 1. It is hereby expressly declared and agreed that all devises, subscriptions and donations, which have been made to the funds of the Institution, and all devises, subscriptions and donations of money which may at any time hereafter be made for the use of the Seminary shall be considered as having been made, and as being made, to uphold and teach the doctrinal basis as contained in the second section of Article I and in Section 2 of Article II of this constitution.

"Art. IX, Sec. 1. The Board of Directors shall have power at any meeting regularly convened to make any amendment to this constitution, not inconsistent with the Act of Incorporation, or with the doctrinal basis as now subscribed by the Directors, contained in Art. I, Sec. 2, and in Art. II, Sec. 2, of this constitution provided said amendment shall have been proposed at a previous meeting and shall be passed by an affirmative vote of not less than fifteen."

On May 1, 1865, April 1, 1870, May 11, 1874, and March 17, 1905, acts were passed by the Legislature amending the Act of Incorporation, but as these amendments, with one immaterial exception, simply provided for an increase of the amount of property, real and personal, which might be held by the institution, they are not here reproduced.

On the 11th day of November, 1890, an amendment was made to Article I, Section 2, of the Constitution by striking from the declaration therein provided the words, "Westminster Confession of Faith and the Presbyterian Form of Church Government," and substituting the words, "System of Doctrine and Form of Government of the Presbyterian Church in the United States of America."

On the 18th of April, 1893, the following changes in the Constitution were considered and acted upon separately and affirmatively, subject to modification at the next meeting of the Board:

"Whereas the Presbyterian Church is engaged in the work

of revising the Confession of Faith and is considering the formulating of a new creed, and

"Whereas the mind of the church is deeply agitated as never before on the subject of subscription, therefore to afford such relief to the sensitive and scrupulous as the history of the church and our constitutional obligations will justify,

"Article 1st, Section 1st, of our constitution be changed so as to read 'No person shall be eligible to the office of Director unless he be a minister or member in good standing of some evangelical Church and approve of the Westminster Confession of Faith as adopted by the Presbyterian Churches in this country.'

"Article 1st, Section 2d be amended so that the declaration shall read as follows:

"'Approving of the plan and constitution of the Union Theological Seminary in the City of New York, and of the System of doctrine contained in the Westminster Confession of Faith in all the essential and necessary articles thereof, and of the principles of the Presbyterian form of government, I promise to maintain the same so long as I continue to be a member of the Board of Directors.'

"Article 2d, Section 2d be amended to read as follows:

"'In the presence of God and the Directors of this Seminary I solemnly affirm that I believe the Scriptures of the Old and New Testament to be the word of God, the only infallible rule of faith and practice; that I receive and adopt the Westminster Confession of Faith in all the essential and necessary articles thereof as containing the system of doctrine taught in Holy Scriptures; that I approve of the principles of the Presbyterian Form of Government; and that I will not teach anything which shall appear to me to be subversive of the said system of doctrine or of the principles of the said form of government so long as I continue to be a Professor in this Seminary.'"

"Article 4th, Section 1st be amended to accord with the language of the charter, and to read as follows:

"'Equal privileges of admission and instruction, with all the advantages of the Institution shall be allowed to students of every denomination of Christians.'"

On the 16th of May, 1893, all these changes were unanimously adopted, after the assurance that in the judgment of eminent counsel the changes could in no way impair the provisions of Articles VIII and IX of the Constitution.

On the 15th day of November, 1904, the following amendments to the Constitution were adopted:

"Article I, Section 2 was amended to read:

"Every Director on entering upon his office immediately after the reading of the Preamble adopted by the Founders on the 18th of January, 1836, shall make the following declaration in the presence of the board:

"I promise to maintain the principles and purposes of this institution as set forth in the Preamble adopted by the Founders on the 18th of January, 1836, and in the charter granted by the Legislature of the State of New York on the 27th of March, 1839, and accepted by the Board of Directors on the 20th of December, 1839.

"Art. II, Sec. 2. Every member of the faculty on entering upon his office immediately after the reading of the Preamble adopted by the Founders on the 18th of January, 1836, shall make the following declaration in the presence of the Board:

"I promise to maintain the principles and purposes of this institution as set forth in the Preamble adopted by the Founders on the 18th of January, 1836, and in the charter granted by the Legislature of the State of New York on the 27th day of *January*, 1839, and accepted by the Board of Directors on the 20th of December, 1839."

On the 10th of January, 1905, the following amendment to the Constitution was adopted:

"Article I, Section 1 to read:

"'No person shall be eligible to the office of Director unless he be a minister or member in good standing of some Presbyterian or other Evangelical Church.'"

On the 14th of November, 1905, the following amendment to the Constitution was also adopted:

"Article II, Section 1, amended so as to read:

"The Faculty shall consist of the President and Professors of the Seminary. The President shall ordinarily be also a Professor, and both he and the Professors of Systematic and Pastoral Theology shall be ordained ministers of the Gospel. And all members of the Faculty shall satisfy the Board of their Christian faith and life."

On the 16th day of May, 1870, the following overture was adopted and ordered to be presented to the General Assembly to meet at Philadelphia on May 19th, 1870:

"WHEREAS, In the recent negotiations for re-uniting the two branches of the Presbyterian Church, great importance was attached to some uniform system of ecclesiastical supervision over the several Theological Seminaries of the denomination; and

"WHEREAS, The Directors of the Union Theological Semi-

nary in New York—an Institution founded before the disruption of the Presbyterian Church, belonging exclusively to neither of its branches, and administered upon its own independent charter—are desirous of doing all in their power to establish confidence and harmony throughout the whole church in respect to the education of its members; and

"WHEREAS, It has appeared to many, and especially to those who took an active part in founding the Union Theological Seminary, that there are many disadvantages, infelicities, not to say, at times, perils, in the election of Professors of those Seminaries, directly and immediately by the General Assembly itself—a body so large, in session for so short a time and composed of members to so great an extent resident at a distance from the Seminaries themselves, and therefore personally unacquainted with many things which pertain to their true interest and usefulness; therefore be it

"*Resolved*, That the Board of Directors of the Union Theological Seminary, in the City of New York, being all of them ministers or members of the Presbyterian Church do hereby memorialize the General Assembly to the following effect, viz.: That the General Assembly may be pleased to adopt it as a rule and plan, in the exercise of the proprietorship and control over the several Theological Seminaries, that, so far as the election of Professors is concerned, the Assembly will commit the same to their respective Boards of Directors, on the following terms and conditions:

"First: That the Board of Directors of each Theological Seminary shall be authorized to appoint all professors for the same.

"Second: That all such appointments shall be reported to the General Assembly, and no such appointment of Professors shall be considered as a complete election if disapproved by a majority vote of the Assembly.

"*And further be it resolved*, That the Board of Directors of the Union Theological Seminary in the City of New York, persuaded that the plan proposed in the Memorial will meet the cordial approval of the patrons, donors and friends of all these Seminaries, and contribute to the peace and prosperity of the Church, do hereby agree, if the said plan shall be adopted by the General Assembly, that they will agree to conform to the same, the Union Theological Seminary in New York being, in this respect, on the same ground with other Theological Seminaries of the Presbyterian Church."

Question as to the scope of the obligations of this compact having arisen, after considerable discussion of its meaning and effect with representatives of the Assembly, the Board

of Directors of the Union Theological Seminary, on April 28, 1892, requested the assent of the Assembly to the termination of the agreement. The General Assembly "declined to be a party to the breaking of the compact." It also proffered arbitration and appointed a committee with authority to appoint five arbitrators. The committee appointed the arbitrators, and on July 15, 1892, advised the Board of Directors of the action taken by the Assembly and by the Committee. The Board of Directors of the Union Theological Seminary, on October 13, 1892, rescinded the resolution of May 16, 1870, and gave notice to the General Assembly of the termination of the relations created thereby and requested its assent to the termination of the compact. The General Assembly declined to be a party to the breaking of the compact. Arbitration of the questions at issue was likewise tendered by the General Assembly, but declined by the Union Theological Seminary. The General Assembly likewise advised that the Seminary apply to the Legislature of New York for legislation to enable it to do that which it declared itself unable to do legally, and this the Board of Directors, after consideration declined to act upon.

*Correspondence.*

The Sub-committee on Legal Relations, in order to secure the exact facts as to the legal relations between Union Theological Seminary, New York, and the General Assembly, received permission from the Board of Directors of the Seminary, through the Rev. Francis Brown, D.D., President of the Seminary, to examine the records of the Institution. This permission, courteously granted, enabled the Chairman of the Sub-committee on Legal Relations, with the aid of Mr. Price, the Treasurer of the Seminary, to examine the records, in such a manner as to secure accuracy. The resulting statement of facts was then submitted by the Sub-committee, through its Chairman, to President Brown, as shown by the following letter:

"NEW YORK, October 5, 1914.

"*Rev. Francis Brown, D.D., President Union Theological Seminary, New York City.*"

"MY DEAR DOCTOR:—The Sub-committee on Relations between the Union Theological Seminary and the General Assembly, has recently completed its statement of facts concerning the history of the Seminary, and as chairman of this Sub-committee I was directed to submit this statement

of facts to you for examination by the authorities of the Seminary, to ascertain if, after the examination of the records so kindly placed at our disposal, anything has been overlooked or incorrectly or imperfectly stated, the desire being that, whatever may be the conclusions, the facts with respect to the organization and relations of the Seminary may state the truth, the whole truth and nothing but the truth. After an examination of the statement, any suggestions or corrections will be very cordially welcomed.

"In this connection and on behalf of the committee, I wish to express our very great appreciation of the facilities accorded us in making the investigation, and of the aid accorded us by your Treasurer, Mr. Price and his force.

"With kind regards, I remain,
"Sincerely yours,
(Signed) "RUSH TAGGART."

To the above letter the following answer was received:

"UNION THEOLOGICAL SEMINARY,
"PRESIDENT'S ROOM,
"NEW YORK, October 29, 1914.

"*Rush Taggart, Esquire, Office of General Counsel, Western Union Telegraph Co., 195 Broadway, New York City.*

"MY DEAR MR. TAGGART:—At length I have been able to go over the Statement of Facts which you were good enough to send me (and which I return herewith), and compare your paper with the records. I find a few points that seem worth noting, although most of them are not at all fundamental. I have drawn up a list of these, which I enclose, and remain,

"Very cordially yours,
(Signed) "FRANCIS BROWN."

The modifications suggested by President Brown were duly made.

*Legal Questions Involved.*

With respect to the legal questions which are involved in the organization of the Union Theological Seminary, and its relations with the General Assembly under the foregoing facts, your Committee has considered these questions under the following heads:

(1) The status of the Union Theological Seminary.

(2) Legal relation of the Seminary to the General Assembly, growing out of such status.

(3) Legal effect of the Compact of 1870.

1. *The Status of the Union Theological Seminary.*—The Seminary had its inception in the voluntary association of individuals in 1836. Practically coincident with its organization, an attempt to secure legislative action was initiated, but no such action was obtained until the act of incorporation of March 27, 1839.

The form of this Act of March 27, 1839, is significant in that it constituted the then existing Board of Directors by name and their successors as a body corporate by the name of the Union Theological Seminary.

The extent of the provisions of the Charter, was in Section 1 to constitute the individuals named a body corporate with powers of succession, capable in law of "taking and holding by gift, grant or devise or otherwise, and of purchasing and holding and conveying, both in law and equity, any estate, real or personal; provided, that the clear annual value or income of their real estate shall not exceed the sum of Fifteen Thousand Dollars; and their personal estate shall not exceed the sum of Fifty Thousand Dollars, exclusive of such Professorships as may be from time to time endowed."

Section 2 further provides that the government of the Seminary shall at all times be "vested in a Board of Directors, which shall consist of twenty-eight members; one-half of whom shall be clergymen, and the other half laymen."

Section 3 classifies these directors and speaks of them as "already chosen," and provides with respect to the classes of directors to be thereafter chosen. By Section 4, the directors are expressly made eligible for reëlection and they have power to fill all vacancies in the Board. Section 5 provides that equal privileges of admission and instruction, with all the advantages of the institution, shall be allowed to students of every denomination of Christians. It was evidently the intention of the Legislature to take the existing voluntary association as then constituted and engaged in the work it was designed to do, with the then existing directors, and give that association a corporate form. To this Board of Directors was confided the power of perpetuating the organization, because to them was given the power to fill all vacancies which might occur in the Board, which would include vacancies caused by lapse of time as well as those caused by resignation or death. To the discretion of this Board of Directors was confided by the charter the control of the organization in order to secure the realization of the aims and purposes of the organization thus chartered. This discretion was a personal trust confided to the directors, which could not be delegated by them to any person or tribunal.

Just what was the aim and purpose of the organization thus committed to the directors by this Charter?

The Constitution of the voluntary association in Article II, Section 4, and in Article IV, Section 4, and Section 3 of the Preamble to the Constitution, together with the provisions of Article II, Section 2, limiting the membership of the directors to members of the Presbyterian Church, very clearly indicated that the fundamental purpose of the Founders of the voluntary association was the creation and conduct of a theological school in which young men wishing to enter the ministry should be prepared for such ministry upon the doctrinal basis of the Westminster Confession of Faith and the Form of Government of the Presbyterian Church in the United States of America, with the further provision that the institution should be equally open to students of every denomination of Christians.

There are two views which may be taken with respect to the force, meaning and effect of the Preamble and Constitution, in connection with the Act of the Legislature. One, the Legislature, by giving corporate existence to the voluntary association which already had in existence this Preamble and Constitution, made them a part of the Charter, and that the Constitution and Preamble are to be given effect as though expressly included in the act of the Legislature, and therefore that Article IX thereof giving the Board of Directors power at any of its meetings, to alter or add to the Constitution any article that may from experience be found necessary, grant a continuing power to alter any and every article in the Constitution, including the power to change the fundamental principles, or add to the principles or purposes for which the institution was organized. The other view is that the Preamble and Constitution are for the interior regulation of the institution—in substance a code of By-Laws; and that, while the Board of Directors may alter from time to time the interior workings of the institution, yet the fundamental purposes and objects for which the institution was created are to be deduced from the Preamble and Constitution and conditions existing at the time the Legislature made its enactment of March 27, 1839; and that any action taken by the Board of Directors with respect to these interior regulations thereafter could not alter or affect the fundamental purpose of the founders as it existed at the time of the legislative action in 1839. The latter view, in the opinion of your Committee, is the sounder one, because the power of alteration to the extent indicated in the first view would amount to a legislative grant to the Board which would permit it from time to time to change the whole

basis of the trusts necessarily arising from donations, devises or bequests to the institution. It would place in the Board of Directors the power completely to change the main and fundamental purpose of these trusts by action at any meeting of that body. Such extraordinary powers are not to be considered as intended to be granted by the Legislature in a corporate charter unless the language employed by the Legislature will admit of no other construction. This rule of construction is against the grant of such an extensive scope as involved in connection with this Charter.

Your Committee, therefore, is of the opinion that the second view is the sounder view, and that we are to look at the situation as it existed in 1839 on the acceptance of this Charter to determine, from the language of the act of incorporation as applied to the existing voluntary association as then constituted, the fundamental purpose and aim of the founders of this institution and of the Legislature, and that the purpose thus ascertained will determine the Charter limitations which in turn will fix the character of the trusts to be administered by the Board.

Looking at the voluntary organization and the Preamble and Constitution then adopted, it is very clear that the purpose and aim of the then existing institution was "to furnish a competent supply of well-educated and pious ministers of the Gospel," or, as expressed in Section 3 of the Preamble:

"It is the design of the Founders to furnish the means of a full and thorough education, in all the subjects taught in the best Theological Seminaries in the United States, and also to embrace therewith a thorough knowledge of the standards of faith and discipline of the Presbyterian Church."

What the founders meant by these sections of the Preamble is clearly shown by what they incorporated in the Constitution, and which is contained in Article II, Sections 2 and 4, and Article IV, Section 4, defining the character and qualifications of the men who were put in charge of the institution, and by the requirements which they exacted from every professor on entering upon his office.

The subsequent action of the Board of Directors in 1853, in providing by Article VIII that all devises, bequests, subscriptions and donations to the funds of the Seminary should be sacredly considered as made to uphold and teach the doctrinal basis contained in these articles, and simply expressing what was an obligation of the Board of Directors of equal force arising by necessary implication under the Charter of 1839. So, likewise, the amendment to Article IX, adopted at the same time, limiting the power of amendment

by the directors so that such amendments should be consistent with the doctrinal basis as expressed in these articles, was merely an expression of that which was necessarily implied from the provisions of the Charter.

It follows, therefore, that the teaching of the doctrinal basis designated in the original Constitution of the voluntary association as the "Confession of Faith and Form of Government of the Presbyterian Church," but changed a few months before the passage of the Act of March 27, 1839, to "the Westminster Confession of Faith and the principles of the Presbyterian Form of Government and to furnish a competent supply of well-educated and pious ministers of the Gospel," trained to believe and preach such doctrinal basis, was the fundamental aim and design of the Charter and must be kept in mind in determining the limitations of the powers of the directors in the administration and development of the Seminary.

Consistent with this fundamental purpose, the Board of Directors of the Union Theological Seminary controls its organization and action, and has the power and is under obligations to use the funds of the institution in such a way as will, in its best judgment, accomplish this end. It may include in the curriculum of the institution "all the subjects taught in the best theological seminaries in the United States, embracing therewith a thorough knowledge of the standard of faith and discipline of the Presbyterian Church," but may not, in the opinion of your Committee, introduce into the curriculum subjects and teachings antagonistic to or subversive of such doctrinal basis.

2. *Legal Relations between the Seminary and the General Assembly.*—The Union Theological Seminary, by the incorporating act of the New York Legislature, is made an independent organization, owing its existence to the State, with the powers vested in its Directors by the act. The Directors must proceed to carry out the purposes and objects for which the institution was formed. No legal relations can be said to exist between the Seminary and General Assembly of the Presbyterian Church in the United States of America, as a mere result of the organization of the Seminary. No power of control over the action of the Board of Directors of the Seminary exists in the General Assembly.

The administration of the Union Theological Seminary under its Charter is in its Board of Directors holding its property under and subject to trusts and amenable to the civil power granting its Charter for proper action. All the members of the Board and Faculty, who are members of the Presbyterian Church in the U. S. A., are subject to the

control and direction of their respective Presbyteries and Synods, and to the General Assembly in all matters ecclesiastical according to the law and discipline of the Church.

3. *Effect of the Compact of 1870.*—The compact of 1870 grew out of the action of the Directors of the Seminary on May 16, 1870, asking that in the election of professors in all the Seminaries of the denomination, including the Union Theological Seminary, the plan be followed of reporting such appointments to the General Assembly, and that no appointment of a professor should be considered as complete if disapproved by a majority vote of the Assembly.

This plan was accepted and acted upon for some years until a disagreement as to its application in a particular case. The discussions relative to this matter finally resulted in the consideration being urged by the Directors of the Seminary that the compact was one which under their charter they had no legal authority to enter into. Upon this ground they took action to rescind their action of May 16th, 1870, upon which the compact was based. Is their position legally correct?

Under the Charter of the Union Theological Seminary, which vested in the Board of Directors the duty, among others, of selecting professors, and did not grant to the Directors the power to divest themselves of this duty, there arose a legal obligation on the part of the Directors personally to select professors to carry out the fundamental purposes of the institution, and any attempt to delegate this power of selection to any person or tribunal, in the absence of express authority in the Charter, would be of necessity *ultra vires*, and hence null and void. No such authority is found in the Charter. From this it follows that the compact of 1870 is legally unenforceable, and the action of the Directors of the Union Theological Seminary in returning to the Charter method of selection of professors was, in the opinion of your Committee, in conformity with their legal duty.

Respectfully submitted,

RUSH TAGGART,
GEO. V. MASSEY,
FRANK J. LOESCH.

II. REPORT OF SUB-COMMITTEE IN REGARD TO DOCTRINAL AND THEOLOGICAL QUESTIONS.

The facts appear to be:

Union Seminary was "founded by a group of Christian Ministers and laymen of the Presbyterian Church" prior to the division of 1837. January 18, 1836, is given as "the

official date of the founding of the Seminary" (Catalogue 1914–15, p. 29).

By the Catalogue it is claimed that the Founders were "Presbyterians of the broader type" affiliated with what became "The New School" branch, and that they had many ties with New England Congregationalism.

It is to be noted in the "Preamble" printed in the Catalogue, "that it is the design of the Founders to furnish the means of a full and thorough education in all the *subjects* taught in the best Theological Seminaries, and to embrace therewith a thorough knowledge of the *standards* of faith and discipline of the Presbyterian Church." It is important to call attention to the words "*Subjects*" and "*Standards.*" Evidently they meant to include all subjects, such as History, Homiletics, etc., as would find place in any excellent seminary, but these courses were not to exclude or minimize careful instruction in Presbyterian standards of faith and polity. Only by a great misuse of interpretation can we infer that the Founders meant to include careful instruction in the *standards* of other denominations. Plainly the intention was to give a well-rounded seminary course which should include careful instruction in Presbyterian faith and order.

This interpretation is greatly strengthened by the fact that "for many years," as the Catalogue states, "Directors and Professors gave their assent to the Westminster Standards." "By many years" is meant from the founding in 1836 until 1905, a period of sixty-nine years out of a total history of seventy-nine years.

Not only so, but the demand for adherence to the standards of the Presbyterian Church was especially emphatic. Some notations from published documents of the Seminary will reveal this.

Constitution of 1836, Article II:

"Section 4. Every Director, on entering upon his office, shall make and subscribe the following declaration, in the presence of the Board, viz.:

"'Approving of the plan and constitution of the New York Theological Seminary and of the Confession of Faith, and form of Government of the Presbyterian Church, I do solemnly promise that I will endeavor to sustain the same, so long as I shall remain a member of the Board of Directors of this Institution.'"

Article IV:

"Section 4. Every Professor-elect, both permanent and extraordinary, shall, on entering upon his office, make and subscribe the following declaration:

"'I believe the Scriptures of the Old and New Testament to be the word of God, the only infallible rule of faith and practice; and I do now, in the presence of God and the Directors of this Seminary, solemnly and sincerely receive and adopt the Confession of Faith of the Presbyterian Church, as containing the system of doctrine taught in the Holy Scriptures. I do also, in like manner, approve of the form of government and discipline of said Church; and I do solemnly promise that I will not teach or inculcate anything which shall appear to be subversive of the said system of doctrine, or of the principles of said government, so long as I shall continue to be a Professor in this Seminary.'"

This was prior to the granting of the Charter by the Legislature of New York. In 1841 the door was opened a little wider as to the denomination, but the insistence on the "Westminster Standards" was made a bit tighter.

Article I:

"Section 1. No person shall be eligible to the office of Director unless he be a minister or member in good standing of some evangelical Church, receiving the Westminster Confession of Faith as adopted by the Presbyterian Churches in this country.

"Section 2. Every Director, on entering upon his office, *and also after each re-election*, shall make and subscribe the following declaration, in the presence of the Board, viz.:

"'Approving of the plan and Constitution of the *Union Theological Seminary* in the city of New York, and of the Westminster Confession of Faith, and the Presbyterian form of Church Government, I do solemnly promise to maintain the same, so long as I shall continue to be a member of the Board of Directors.'"

Article II:

"Section 3. Every President and Professor-elect shall, on entering upon his office, *and at the end of every four years thereafter* so long as he remains in office, make and subscribe the following declaration in the presence of the Board, viz.: 'I believe the Scriptures of the Old and New Testament to be the word of God, the only infallible rule of faith and practice, and I do now, in the presence of God and the Directors of this Seminary, solemnly and sincerely receive and adopt the Westminster Confession of Faith, as containing the system of doctrine taught in the Holy Scriptures. I do also, in like manner, approve of the Presbyterian Form of Government, and I do solemnly promise that I will not teach or inculcate anything which shall appear to me to be subversive of the

said system of doctrine, or of the principles of said Form of Government, so long as I shall continue to be a Professor in this Seminary.'"

In 1852 the Directors sent out an appeal in behalf of the Union Theological Seminary to friends of the institution for funds. The Appeal is printed by William C. Bryant & Co., 18 Nassau Street, New York City, and dated April 30, 1852. The following are extracts from the Appeal:

"Although a Presbyterian institution, requiring in its directors and professors an approval of the Westminster Confession of Faith, it is truly liberal in its design and administration, being open to students of every denomination free of charge for the tuition" (p. 3).

"Whilst adhering faithfully to the doctrines of the Presbyterian Church, it has shunned the arena of partizan controversy, and has aimed to promote union among Christians; hence it has received generous aid from men connected with different branches of Christ's Church."

It is very significant that in the year 1853, soon after this Appeal for funds, Article VIII was added to the Constitution, which reads:

"All devises, subscriptions, and donations to the funds of the Seminary shall be sacredly considered as made to uphold and teach the doctrinal basis contained in Article I, Section 2, and in Article II, Section 2, of this Constitution."

And also, at the same time, Article IX, which reads as follows:

"Section 1. The Board of Directors shall have power, at any meeting regularly convened, to make any amendments to this Constitution, *not inconsistent with the Act of Incorporation, or with the doctrinal basis contained in Article I, Section 2, and Article II, Section 2 of this Constitution;* provided the said amendment shall have been proposed at a previous meeting, and shall be passed by an affirmative vote of not less than fifteen.

"Section 2. All articles and provisions of the former Constitution of this Seminary not embodied in this present Constitution are herewith abrogated."

The Constitution of the Union Theological Seminary published in 1875 by John F. Trow & Son, 205–213 East Twelfth Street, New York City, is similar to the one published in 1858, except in the preamble of Section 2, Article II, which reads as follows:

"Every member of the Faculty shall, on entering upon his office, and triennially thereafter, or when required by the

Board, so long as he remains in office, make and subscribe the following declaration in the presence of the Board, viz.:

"'I believe the Scriptures of the Old and New Testament to be the word of God, the only infallible rule of faith and practice, and I do now, in the presence of God and the Directors of this Seminary, solemnly and sincerely receive and adopt the Westminster Confession of Faith, as containing the system of doctrine taught in the Holy Scriptures. I do also, in like manner, approve of the Presbyterian Form of Government; and I do solemnly promise that I will not teach or inculcate anything which shall appear to me to be subversive of the said Government, so long as I shall continue to be a Professor in this Seminary.'"

There is a slight change in the third section of the same article. It reads as follows:

"If any Professor shall refuse at the stated time, or when required by the Board, to repeat the above declaration, he shall forthwith cease to be a Professor in that institution."

Article VIII:

All devises, subscriptions, and donations to the funds of the Seminary, shall be sacredly considered as made to uphold and teach the doctrinal basis contained in Article I, Section 2, and in Article II, Section 2, of the Constitution.

From the date of founding until 1891, no one, least of all the directors and professors of the Seminary, seriously questioned the standing of the Seminary as a Presbyterian institution, nor was there serious question as to the doctrinal teaching being within the terms of subscription to the Westminster Standards.

In 1876 the Seminary declared in its "General Catalogue and Early Annals" that since 1870 "the Seminary was on the same footing with the other Seminaries of the Church." Many quotations could be given to show that the professors and directors considered the institution Presbyterian in doctrine and spirit both before and immediately after the break with the General Assembly regarding the transfer of Prof. Charles A. Briggs.

Beginning with that historic event, a gradual change is noted.

In 1896, Article I, Section 2, the affirmation of professors was modified somewhat.

"In the presence of God and of the Directors of this Seminary, I do solemnly affirm that I believe the Scriptures of the Old and New Testaments to be the word of God, the only infallible rule of faith and practice; that I receive and

adopt the Westminster Confession of Faith, *in all the essential and necessary articles thereof*, as containing the system of doctrine taught in the Holy Scripture; that I approve of the *principles* of the Presbyterian form of Government; and that I will not teach anything that will appear to me to be subversive of the said system of doctrine, or of the principles of the said Form of Government, so long as I continue to be a Professor in this Seminary."

In 1904 the whole official attitude was formally changed, and the Preamble of 1836 and the Charter became the form of theological belief in place of Westminster Standards. Witness:

For Directors:

"I promise to maintain the principles and purposes of this Institution, as set forth in the Preamble adopted by the founders on the 18th day of January, 1836, and in the Charter granted by the Legislature of the State of New York on the 27th day of March, 1839, and accepted by the Board of Directors on the 20th day of December, 1839."

For the Faculty:

On November 15, 1904, and November 14, 1905, Sections 1 and 2 of Article II were amended to read as follows:

"Section 1. The Faculty shall consist of the President and Professors of the Seminary. The President shall ordinarily be also a Professor, and both he and the Professors of Systematic and Pastoral Theology shall be ordained ministers of the Gospel, and all the members of the Faculty shall satisfy the Board of their Christian faith and life.

"Section 2. Every member of the Faculty, on entering upon his office, immediately after the reading of the Preamble adopted by the Founders on the 18th day of January, 1836, shall make the following declaration in the presence of the Board:

"I promise to maintain the principles and purposes of this Institution, as set forth in the Preamble adopted by the Founders on the 18th day of January, 1836, and in the Charter granted by the Legislature of the State of New York, on the 27th day of March, 1839, and accepted by the Board of Directors on the 20th day of December, 1839."

It is very plain that by formal action and repeated amendments to the By-Laws the Directors of Union Theological Seminary have changed the doctrinal basis and spirit of the teaching in that institution. Until 1891 the tendency was apparently to bind the Directors and Faculty more tightly to the Westminster Standards. Since 1891 the trend has been exactly in the opposite direction.

*The Present Theological Position of Union Seminary.*

In the Catalogue 1914–15, p. 30, we read:

"In fact instruction is given not only in the doctrine and polity of the Presbyterian Church, but also in those of other leading Protestant Churches. The student body at the present time is made up of members of twenty-nine different Christian bodies. All of these are urged to retain their original connection, and to enter the ministry of their respective Churches. The endeavor is made to provide them all with what they need for effective service to their own people."

It is to be noted that to-day the Seminary distinctly disavows its distinctive Presbyterian standing. We are carefully informed in the Catalogue that assent to the Westminster Standards has not been required since 1905. The Faculty and Board of Directors include representatives of five evangelical Christian denominations. Very clearly it is said that instruction is given in the doctrine and polity of the leading Protestant Churches.

Less than half the men reported as professors, lecturers or instructors are enrolled as ministers in good standing in the Presbyterian Church, U. S. A. (eleven out of twenty-eight). At least two whose names are printed in the Catalogue have been under charges of heresy in the Presbyterian Church, U. S. A. The present Librarian of the Seminary was suspended by the General Assembly.

As to the courses of study, the following excerpts from the Catalogue 1914–15 should be read with care as shedding light on the general theological attitude.

"*The Person of Christ.*—A survey of the more important theories of the Person of Christ, with special reference to the modern period. Particular attention will be given to the theory of the Kenosis, and to the Christologies of Dorner and Ritschl. Method, by lecture, discussion and selected reading. Prof. W. A. Brown, second term, two hours weekly.

"*The Theology of Puritanism.*—Informal reading and discussion of selected passages from the Westminster Confession and Catechisms, together with lectures on the sources, history and present significance of the Westminster Theology. Prof. W. A. Brown, First Term, two hours weekly (one paper and examination)."

Some words in these sections are worthy of special notice, *e.g.*, "With special reference to the modern period." "Particular attention," etc. Notice in the second quotation, "Informal reading of *selected* passages from the Westminster Confession and Catechisms." It is to be noted also that

this course on "The Theology of Puritanism" was not given during the school year 1913–14, but a course entitled "The Theology of Ritschl" took its place, and these words were used, "A *careful* reading and discussion, etc."

It is declared that every student should take courses to give him a knowledge, among other things,

"Of the principles of Church polity and of the government and discipline of the particular Church in which he expects to labor."

Following the suggestion of the Committee of the General Assembly, we find printed in the Catalogue of 1914–15:

The Rev. Jonathan Ritchie Smith, D.D.,
*Lecturer on Presbyterian Principles and Doctrine.*

The Rev. Jesse Franklin Forbes, Ph.D., D.D.,
*Lecturer on Presbyterian Polity.*

We find also in the same list:

The Rev. Harry Emerson Fosdick, D.D.,
*Lecturer on Baptist Principles and Polity.*

The Rev. Raymond Collyer Knox, B.D.,
*Lecturer on Episcopal Church Polity.*

The Rev. George Warren Richards, D.D.,
*Lecturer on the Polity of the (German) Reformed Church.*

In the same Catalogue, a new course is announced: "Presbyterian Principles and Doctrine," Lectures, Dr. J. R. Smith, First Term, two hours weekly. (Examination), half course, Tu. 3–5.

Dr. J. R. Smith is assumed to be Rev. J. Ritchie Smith, D.D., Professor of Homiletics in Princeton Theological Seminary.

Under the head of Systematic Theology, in the Catalogue of 1914–15, we find the following:

"In Systematic Theology the requirement for the Diploma, with or without the Degree of B.D., may be met by satisfactory completion of the course in Systematic Theology.

"Or by passing an examination which will test (1) the candidate's knowledge of some one of the great historic systems, such as Lutheranism, Calvinism, Arminianism or Anglicanism, and (2) his experience and ability in constructive theological thinking. For the purpose of testing the latter an essay upon some assigned topic in theology will be required from the candidate.

"In preparation for (1) it will be necessary to study the

official confession of some historic Church and a standard text-book representing its theology. In preparation for (2) the candidate is advised to study some modern work on Theology, like Clarke's "Outline" or Brown's "Christian Theology in Outline."

(See Graduate Department.)

In reply to a committee of the General Assembly, the directors of Union Theological Seminary made the following statement, dated March 27, 1913, relative to the doctrinal position (*italics are our own*):

"Allow us to call your attention at once to the fact that we and the Faculty are loyal ministers or members of our *several* Church organizations, taking part in their activities, promoting their interests, putting ourselves at their disposal, as far as in us lies, for the great ends of God. All these several Church organizations are represented in the Federal Council of the Churches of Christ in America. We are, indeed, of several Church organizations, and we take pleasure in so much of practical Christian unity. We *cannot*, as a *body*, *claim* or *expect more* than a *certain consensus* of *specific beliefs*, which leaves *each individual with a large measure of freedom*. We do *not think alike* on *all matters*. But our agreements are central, and our loyalty to our common Christianity is not affected by our minor divergencies.

"This consensus of which we speak is not *rigidly defined*, because institutional authority is, with us, vested not so much in articles, as in living and conscientious men. With its eyes wide open, this Board of Directors has refrained from formulating any *statement* of *belief*.

"But we believe a better thing is possible. We feel no hesitation in putting into an informal statement the fundamental purposes and convictions which govern the teachings of this Seminary because they are deeply implanted in the minds and hearts of the men who teach.

"The one great purpose and desire of us all, Directors and Professors, is to spread the Kingdom of our Lord Jesus Christ, the Kingdom of righteousness, truth and love, the Kingdom which is appearing here and now, and will endure forever. To this every one of us is devoted. For this we feel enthusiasm and hope. For this we wish to live, and for this, we venture to believe, we are all ready to die. This we eagerly proclaim as the supreme object of human endeavor.

"We speak of the Kingdom of Christ and the Kingdom of God interchangeably, because Christ is, for every one of us, God manifest in the flesh. We declare joyfully the deity of Christ, never dissociating this from the humanity of Christ;

just as we claim, for our comfort and assurance, the humanity of Christ, knowing well that in Him is deity also.

"*Some* of us use, freely and heartily, the traditional language of creeds and confessions. For some of us this language does not always form the most natural expression of our faith. All of us fall back on the language of the Bible as simpler, more authoritative and more satisfying.

"In preaching to men and training others to preach, it is *vital religion*, a living experience of God in Christ that we and our Professors are primarily concerned with. In every connection, whether as preachers, as theologians, or as needy men, we lay greater stress on vital religion than we do on specific forms of words—not because forms of words are unimportant, but because it is so easy to rest in forms of words, and lose the vital power of the experience—which words can never fully express. Jesus Christ reveals to us the loving purpose of God, bidding and empowering us to adopt it for ourselves. We desire to take absolutely in earnest His summons to follow Him. We believe with absorbing conviction that 'if any man have not the spirit of Christ, he is none of His,' that 'if any man willeth to do His will, he shall know of the doctrine' and that there is, for the obedient, a divine guide into all needed truth.

"We are conscious of sin in ourselves, and we cannot shut our eyes to it in others. It is the absence of the loving purpose in human life, it is the absence of the divine righteousness, it is pride and hardness and selfishness in all its forms. It may be sensuality and vileness.

"God's loving purpose in Jesus Christ is redemption from sin. Jesus is the Saviour from sin. By His life of loving righteousness, by His sufferings, and death, by His resurrection and glorious life, He removes the barriers, brings to us forgiveness and makes us one with God, and gives us that redemptive spirit, that readiness to spend and be spent with Him and for the highest life of other people, which is in Him, and which is the permanent temper of the God revealed by Him. We know no hope for the world apart from Him. We believe that those who are possessed by His spirit belong to Him. We long for the transformation of all men into His likeness.

"The Bible is to us the fundamental charter of our faith. It is a Book of history and of divine revelation. Holy men of God spake as they were moved by the Holy Ghost. We cannot look at it in a mechanical way. It is a Book of Life from which we ourselves draw nourishment, and which we pass on to others with confidence that it will do for them what it has done for us, and has done for the Christian

generations. It is a Book absolutely unique. To it, mainly, we owe our knowledge of God's dealings with men in all the early ages; to it, above all, we owe our knowledge of Jesus Christ our Lord. In it we commune with Him. We use it in our teaching and in our devotions. We find human elements in it—inevitable, if it were not to drop ready-made from the sky, like the Book of Mormon. The rigidity of the Book of Mormon, and the Koran, of itself marks them as in a wholly different class. The human elements in the Bible we recognize without hesitation and without fear, because, we are so sure of the divine power in it. The results of critical inquiry enhance, for us, its religious value. Through the Bible, as it now is, God speaks to the souls of men."

We would call attention to the fact that this statement of the theological position of the Seminary, signed by the President and Secretary of the Board of Directors, and therefore official, does not purport to be more than a "consensus of specific beliefs." It is not a statement by the professors themselves, but the opinion of the Directors, as to the beliefs of the professors, which opinion is not supported by any public or official declaration or formal affirmation as in former days.

It is conceded that the "consensus" is not "rigidly defined"; that individuals are given a large measure of freedom, and all do not think alike; that reliance is put on conscientious men rather than formal statements, and the Directors have deliberately refrained from formulating any statement of belief—all of which is in marked contrast to the spirit and action of the Board of Directors prior to 1891.

We would call attention also to the fact that in this general statement there is no mention of the Bible as the supreme and final authority in theological controversy; no mention of the virgin birth of Jesus; no mention in particular that Christ offered up "himself as a sacrifice to satisfy divine justice, and to reconcile us to God"; no mention of the bodily resurrection of Jesus, nor of the working of miracles by our Lord; all of which were declared by the General Assembly of 1910 to be "essential doctrines of the Word of God and our Standards."

It has been a cause of disturbance and distress in some parts of our Church, that graduates of Union Theological Seminary, seeking ordination by Presbytery, have been exceedingly vague in their belief, or frankly agnostic, or openly unbelieving concerning these particular doctrines which are declared to be "essential and necessary" (*Minutes*, G. A., 1910, pp. 272, 273).

Notice should be taken of the fact that, although Rev. Charles A. Briggs, D.D., LL.D., was pronounced by the highest judicatory of our Church to be out of accord with our standards of faith and was suspended from the ministry, he was continued as a professor in Union Seminary until his death.

The action of the Assembly of 1899 (*Minutes*, p. 96), passed unanimously by a rising vote regarding the published views of Rev. A. C. McGiffert, D.D., was totally disregarded by the Directors of the Seminary, and Dr. McGiffert was and is continued as a professor in the Seminary.

These statements are made to show that the Directors, since 1891, do not require the same theological loyalty to the Presbyterian Church or the Westminster Standards as was required prior to that date.

The authorities of the Seminary, in the Catalogue of 1914–15, make this statement, in italics:

"Students are urged to pay strict attention in their choice of courses to the requirements for admission to the ministry laid down by the Churches to which they belong."

In an official statement dated March 12, 1912, the Directors declare "that no student goes before Presbytery with our knowledge and consent whom we do not believe to be in accord with the Westminster Standards," in all "essential and necessary articles thereof." Indeed, the claim is made in the same paper that there are Presbyterian ministers in the Church to-day who have been saved to the Church by the teaching in that Seminary. In spite of this strong claim, there can be no doubt but that many graduates of the institution have revealed doubts and shown a spirit before the Examining Judicatories of the Church which have caused serious concern to a great number of devout and intelligent ministers and elders.

An examination of the history and facts leads to the following conclusions, viz.:

(*a*) At the time of the founding and through all the history down to 1891 there was no desire, thought or intention on the part of the Directors and Faculty to be anything else than an institution chiefly to train men to be ministers of the Presbyterian Church. Strong obligations were formally and solemnly taken by all Directors and instructors to maintain and inculcate the doctrines of the Westminster Confession of Faith. More than once a step was taken to bind the Seminary and the Standards in closer union.

(*b*) After 1891 a change of attitude and tendency appears. By a steady course the Seminary minimized more and more its relation to the Presbyterian Church. Men out of accord

with the Presbyterian Standards, as officially interpreted, were retained in the Faculty. Men of other denominations were chosen Directors and professors. The right of the Church to supervise the instruction was openly denied. It was made very plain by the utterance of speakers on formal occasions and by printed documents that any particular preference for Presbyterian teaching and spirit had ended. The institution to-day desires no formal or informal relationship with the General Assembly of the Presbyterian Church, U. S. A.; feels no constraint to teach Presbyterian doctrine any more than that of any other denomination; gives no preference to Presbyterian students. The Seminary is very glad to retain friendly relations with the Presbyterian or any other Church that will furnish students and accept the finished product of the Seminary. The Directors and the professors who are connected with the Presbyterian Church are very glad to sit in the judicatories and be members of the Boards of the Presbyterian Church, but they do not feel under obligation to teach or promote the teaching of Presbyterian doctrine in Union Theological Seminary. In brief, Union Seminary, in teaching, spirit, and by direct and formal act, has ceased to be theologically in any sense a Presbyterian institution as distinguished from any other denomination.

W. Courtland Robinson,
M. A. Matthews,
*Sub-committee.*

III. Report of Sub-committee on the Ecclesiastical Relations between Union Theological Seminary and the General Assembly of the Presbyterian Church in the United States of America.

The Sub-committee appointed to report upon the specific question of "Ecclesiastical Relations" has accepted the "Statement of Facts" presented by the Legal Committee as containing all the necessary data upon which to base its conclusions.

From this "Statement of Facts" it appears:

1. That by the Act of Incorporation the government of the Seminary was vested absolutely in a self-perpetuating Board of Directors. (See Act of Incorporation, Article II, Section 5.)

2. That the broad purpose of the founders of the Seminary, as outlined in the Preamble to the Constitution, was to furnish "the means of a full and thorough education in all subjects taught in the best Theological Seminaries in the United States" and "to stand aloof from all extremes of

doctrinal speculation, practical radicalism and ecclesiastical domination." (See Preamble, paragraphs 3 and 5.)

3. That in harmony with this purpose, and in the exercise of its rights under the Charter, the Board of Directors maintained the Seminary in absolute independence of any direct ecclesiastical supervision or control, from the beginning of its chartered existence in 1839 to 1870, when, upon its own initiative, it entered into an agreement with the General Assembly of the Presbyterian Church in the United States of America, whereby it granted to said General Assembly veto power in the election of professors, thus placing the Seminary, "in this respect, upon the same ground with other Theological Seminaries of the Presbyterian Church."

4. That this compact, or agreement, was revoked by the Board of Directors of the Seminary in 1892, by its own corporate action, rescinding the Resolution of 1870, thus restoring the Seminary to its original independence.

It is the opinion of your Committee that under the Act of Incorporation the Directors transcended their rights when, in 1870, they ceded certain veto powers to the General Assembly, as such powers could not be delegated to any other body without violating paragraphs 1 and 2, and that therefore the General Assembly has no ecclesiastical authority over the conduct of Union Theological Seminary and legally never has had such authority.

It is evident, however, in the opinion of your Committee, that it was the purpose of the founders of the Seminary, wholly apart from the question of ecclesiastical control, to create a coöperative relation between the Seminary and the Presbyterian Church. This is shown—

1. By the obligation required of a member of the Board of Directors on assuming office. (See Article II, Section 4.)

2. By the obligation required of a professor-elect on assuming office. (See Article IV, Section 4.)

3. By the whole history of the Institution prior to 1893, notably the voluntary offer of the Board of Directors in 1870 to cede some of its power to the General Assembly.

This coöperative relation was practically destroyed by the action of 1904–5, changing the terms of subscription for both Directors and professors. Prior to this, every professor was obliged to subscribe to the Westminster Confession of Faith and Form of Government of the Presbyterian Church, and every Director, on assuming office, promised to endeavor to sustain the same as long as he remained a member of the Board of Directors of the Institution. The action of 1904–5 required Directors and professors to make the following declaration only:

"I promise to maintain the principles and purposes of this Institution as set forth in the Preamble adopted by the Founders, etc."

Whether or not the change thus indicated is in violation of the oath of office previously taken by Directors and professors, is a question upon which opinions may differ, and does not really come within the scope of your Committee's inquiry.

Respectfully submitted,

ANDREW V. V. RAYMOND,
JOSEPH A. VANCE.

Your Committee begs to submit the foregoing Reports of the Sub-committees separately because, in the opinion of your Committee, they present all the essential facts bearing on the legal, ecclesiastical and doctrinal relations of the Union Theological Seminary to the General Assembly.

The Sub-committees independently pursued their investigations, and each presents the facts as bearing upon the particular phase of the situation presented for its consideration.

The same are respectfully submitted to the General Assembly for its information, in the belief that these Reports, as above stated, furnish all the essential facts, and in the belief that by thus presenting them the facts will be somewhat more available for the consideration of the General Assembly and for such action as it may deem proper.

It is proper to add that the Report of each Sub-committee was unanimously adopted by the members thereof.

Respectfully,

M. A. MATTHEWS, *Chairman;*
A. V. V. RAYMOND,
WM. COURTLAND ROBINSON,

TUESDAY, May 25, 7.45 o'clock P.M.

A popular meeting, in the interest of Home Missions, was held. Addresses were delivered by Rev. Wilton Merle Smith, D.D., Rev. Harvey S. Murdock, Rev. Charles L. Thompson, D.D., Rev. Joel B. Hayden, and Rev. Moses Breeze, D.D.

---

WEDNESDAY, May 26, 9 o'clock A.M.

The Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

Rev. Francis Brown, D.D., asked that his name be recorded as dissenting in part from the action taken yesterday in the adoption of the Report on Union Theological Seminary. The request was granted.

The Committee on Bills and Overtures presented a Report, which was adopted and is as follows:

The Committee on Bills and Overtures respectfully reports on certain matters referred to it. viz.:

The Committee reports in the matter of a *Memorial from the Presbyterian Church in the U. S.*, that they have received the papers placed in their hands by the Rev. Dr. George Summey, the accredited representative of the General Assembly of the Presbyterian Church in the U. S., that they have heard him, and beg to submit the following as their recommendation for the action of the Assembly:

*Resolved*, That papers which have been referred to the Committee on Bills and Overtures, in the matter of the memorial of the Presbyterian Church in the U. S., are hereby referred to the Executive Commission, with power, and they are directed:

1. To confer with our own Presbyteries and Synod involved, in order that the facts in the case may be known and that the rights of our Presbyteries may be safeguarded and that justice may be done to all concerned.

2. Also to confer with any Committee or other agency that may be appointed by the General Assembly in the U. S., in a spirit of fraternal and brotherly kindness.

3. Also to endeavor to make more definite the basis of comity between the bodies.

*Resolved*, That if adopted, this action be telegraphed by the Stated Clerk to the General Assembly of the Presbyterian Church in the U. S., in session at Newport News, Va. Adopted.

*Overtures Nos. 260* and *261*, from the Presbyteries of Boisé and Lehigh, asking for authority to erase from their Rolls the names of certain ministers. It is recommended that the Overtures be answered in the affirmative, and that the Presbyteries be authorized to erase the names as requested. Adopted.

*Overture No. 294*, relating to the pensioning of aged and infirm Federal employés. The following answer is recommended: That while our deepest fraternal sympathy would lead to approval of this overture, the Assembly is under the restraint of the Constitution of our Church that permits it to enter into the affairs of State or national governments, only "by way of humble petition in cases extraordinary." We therefore recommend that no action be taken. Adopted.

*Paper No. 293*, submitted by Rev. Charles Stelzle, D.D.

It is respectfully reported in this matter that the action of the Executive Commission in the case of the Rev. Charles Stelzle was as follows:

Minutes of the meeting of the Executive Commission in Winona Lake, Ind., August 24, 1912: "The matter of the alleged Socialistic utterances of the head of the Department on Church and Labor was considered, and the following action was had:

"*Resolved*, That the Committee on Interdenominational Agencies be requested to examine into the speeches of said author, and report to the Commission at its fall meeting."

Minutes of Executive Commission, October 31, 1912:

"The Committee on Interdenominational Agencies made the following report, which was received and approved:

"Your Committee respectfully reports upon the whole matter, recommending that in view of the question of authority, and also in view of information received, the whole inquiry be dropped."

The Committee can only regret that the initiative and not the final action was reported in the public press.

*Overture No. 256*, from the Presbytery of Oxford, in which the General Assembly is asked to validate the action of a minority of said Presbytery, taken at two meetings, held respectively on April 6, 1915, and April 20, 1915, at neither of which a quorum of the Presbytery was present. The particular action sought to be validated was the reception, in each instance, of a minister who had been regularly dismissed to said Presbytery.

It appears that due diligence was exercised to secure the presence of a quorum, but on account of the small number of members constituting the Presbytery (only eight ministers), and the long distances to be traveled in order to reach the place of meeting, a quorum was lacking.

The law of the Church is clear as to the necessity of the presence of a quorum in order to the legal conduct of business; but, inasmuch as in the instances brought before us, no interests were jeopardized, but, rather, the interests of the Presbytery were served, it is recommended that the prayer of the Memorial be granted, and the action taken in both instances be validated, but as exceptional cases.

For the Committee,

MAITLAND ALEXANDER, *Chairman.*

The Judicial Committee presented a Report on Judicial Cases which was adopted and is as follows:

*Judicial Case No. 5*, being the Appeal of C. R. Allen *vs.* the Synod of California.

*Resolved*, That the appeal of C. R. Allen be recommended for dismissal, on the ground that the papers are incomplete, and that it involves no question of doctrine or of the Constitution, and the action of the Synod was therefore final.

*Judicial Case No. 7*—McMordy *vs.* Presbytery of Rio Grande.—The Judicial Committee reports that it has fully examined all the papers, documents and records filed with the Stated Clerk of the Assembly in the within case, and finds, that, while the papers are regular in regard to the complaint, but not in order as to the appeal, the case being a judicial one, your Committee finds that the case does not

involve questions as to doctrine or the Constitution, and therefore recommend to the General Assembly that it be dismissed. Adopted.

For the Committee,
C. M. STEFFENS, *Chairman.*

The following telegram was received from the General Assembly of the Presbyterian Church in the United States, in session at Newport News, Va.:

NEWPORT NEWS, VA., May 25, 1915.

*Rev. Wm. H. Roberts, D.D., Presbyterian General Assembly, Rochester, N. Y.:*

The Southern Assembly wishes to express to the Northern Assembly its sincere appreciation of the services rendered by Rev. J. Wilbur Chapman, D.D. Four services were held under the direction of Dr. Chapman and Mr. Alexander, and they will ever be memorable for their spiritual power. We believe that the Southern Church is entering upon a great spiritual revival. The services of Dr. Chapman and Mr. Alexander at Atlanta, Charlotte, and the General Assembly has made a contribution to this work of inestimable value.

W. MCF. ALEXANDER, *Moderator;*
THOMAS H. LAW, *Stated Clerk.*

The following telegram was sent to the General Assembly of the Presbyterian Church in the United States, in reply to the above:

ROCHESTER, N. Y., May 26, 1915.

*To the General Assembly of the Presbyterian Church, in session at Newport News, Va.:*

The General Assembly in session at Rochester, N. Y., appreciates greatly your fraternal message as to the evangelistic work and services of Dr. Chapman and Mr. Alexander. We rejoice that your Church is entering upon a great spiritual revival, and hope and pray that we may have a share therein in the goodness of God. We are glad that in the past year there have been added to our membership on confession of faith one hundred and twelve thousand persons, the largest number in our history. May God bring both you and us yet greater blessing.

J. ROSS STEVENSON, *Moderator;*
WILLIAM H. ROBERTS, *Stated Clerk.*

The Standing Committee on Home Missions, through its Chairman, Rev. Charles R. Erdman, D.D., presented its

Report, which was accepted. The names of the Home Missionaries who have died during the year were read, after which an appropriate hymn was sung. After addresses by Rev. B. P. Fullerton, D.D., Secretary of the Board, and Rev. Joseph L. Weaver, D.D., the Report was unanimously adopted. It is as follows:

The Standing Committee on Home Missions respectfully reports as follows:

Your Committee rejoices in the privilege which has been granted it of receiving a new and larger vision of the vast and complex work of the Board of Home Missions and of the significant relation in which this work stands to the evangelization of America and of the world.

It would be impossible to commend to the Assembly with sufficient earnestness the careful reading of the Annual Report, which shows so vividly the rapid advances which have been made in all the departments of the Board's activity. Such a survey calls to mind the great army of faithful workers toiling with patient heroism in their various spheres of labor; to them go forth our sympathies, our admiration and our prayers.

With deep regret we must record the names of those of this number who within the past year have ended their earthly toil and have entered upon their eternal rest. We call the honored roll with grateful memory of their services and reverent regard for their noble lives. They are:

Mr. Sandalio Delgado, Mayaguez, Porto Rico.
Rev. Francis E. Higgins, Delano, Minn.
Rev. John H. McJunkin, Missoula, Mont.
Rev. James M. Palmer, Alfred, N. Dak.
Rev. Addison Burl Prichard, Covington, Tenn.
Rev. Robert B. Smith, Beaver Creek, Minn.
Rev. Finis P. Witherspoon, Kansas City, Mo.
Rev. Charles L. Work, D.D., Fort Lauderdale, Fla.

The Board has suffered the loss of two of its members by death: Mr. John E. Parsons had been a member of the Board for forty years. He was its counsel and gave his services freely and gladly in all of the numerous legal cases in which the Board was interested. Dr. Allan D. Carlile was at the time of his death chairman of the Administration Committee. He took a deep interest in, and gave much time and thought to, the churches seeking aid from the Board. Mr. Henry W. Jessup and Dr. John H. Finley have resigned their membership from the Board during the past year, and the Assembly makes grateful mention of their services.

Dr. D. Stuart Dodge, who has been President of the

Board for seventeen years, tendered his resignation as President, which was reluctantly accepted by the Board. At the request of the Board, he still retains his membership. The Assembly acknowledges with sincere appreciation Dr. Dodge's long and valued service to the Board and to the Church at large, and prays for him the abundant blessings of the Master. Dr. Wilton Merle-Smith has been elected to succeed Dr. Dodge; the Assembly confidently expects large things from his administration.

Dr. Charles L. Thompson carried out his announced purpose to retire from the Secretaryship; his resignation was accepted on June 3. He was relieved from all responsibility for administration, and was asked to accept the position and duties of Publicity Secretary, devoting his time by voice and pen to the presentation of the cause and claims of Home Missions.

The reorganization of the Board, suggested by the last Assembly, has been effected; a wider representation has been secured by the election of members from the Western sections of the country. The Home Mission Council, for which provision was made, has been constituted; it has held an important session, and its influence promises much for increased Synodical control of Mission work, and also for a closer relation between Synods and the Board.

The Board closed the year 1913–1914 with a cash deficit of approximately $138,000; the net deficit, however, being $101,964, to the latter amount there has been added during the year just closed, $115,835. But for the fact that there was contributed toward the old deficit the sum of $46,684 as a result of the work of the Deficit Committee of the Assembly, the accumulated deficit as of March 31, 1915, would have stood at $264,273. The generous response of the Church, however, leaves the deficit standing at $217,799. This is a large burden for the work of Home Missions to carry, but we have faith to believe that churches, societies and individuals will see to it that during this year the pressing work of the Board will be generously cared for and that the deficit will be wiped away.

The Committee has become aware of sincere and serious criticisms passed upon certain administrative policies of the Board, but believes that these relate to matters which lie wholly within the province of the Board to adjust; that they are insignificant in comparison with the great work being accomplished by this agency of the Church; and that in view of the fact that the Board, in obedience to the Assembly, is now inaugurating a new plan of organization and that the president of the Board is just entering upon his

administration, all adverse criticism should be suspended, and for this year at least shall not be published to the world, but frankly and fully presented to the Board.

With the peculiar opportunities and obligations of this time of universal trial and tragedy, with the certain advent to our shores of hosts of immigrants from foreign lands, in view of the complex problems which are inseparable from a work of such vast magnitude, we bespeak for the Board the most cordial and effective coöperation and support, that, with full confidence in the sympathy of a united Church, it may press forward to its task as the leading agency in the constructive Home Missionary work of our land.

Your Committee begs leave to report action on the following overtures:

*Overture No. 116,* from the Presbytery of Aberdeen. It is recommended that, in view of the provision of the Assembly in reference to a new method of appropriation to Presbyteries, no action be taken.

*Overture No. 117,* from the Presbytery of Florida. It is recommended that it be referred to the Board of Home Missions for sympathetic consideration.

*Overture No. 264,* from the Presbytery of Pueblo. It is recommended that the following answer be given: "Faithful accounting for the use of funds apportioned" is construed to mean that aid-receiving Presbyteries shall make reports to the Board as frequently and as fully as the Board may deem necessary, in order to enable the Board to assure its constituency that amounts appropriated to Presbyteries are being judiciously used.

"Within the limits of the Board's apportionment" is construed to mean, that the Board has final authority in the matter of amounts appropriated to Presbyteries, and cannot be held responsible for salaries in excess of amounts so appropriated.

Your Committee begs leave to present the following Resolutions for adoption:

*Resolved,* 1. That the Minutes of the Board of Home Missions, which the Committee had examined and found to be kept with fullness and accuracy and in a most attractive form, be approved, together with the recorded election of the Secretaries of the Board.

*Resolved,* 2. That the following members of the Board, whose terms of office expire with this Assembly, be reëlected: *Ministers*—D. Stuart Dodge, D.D., Lyman Whitney Allen, D.D., Henry Sloane Coffin, D.D., W. Francis Irwin, D.D., Charles G. Williams, Ph.D.; *Laymen*—Frank L. Babbott,

Theodore W. Morris, William S. Bennet, LL.D., E. Francis Hyde, W. M. Cosby.

*Resolved*, 3. That the Board be commended for its endeavor faithfully to follow the plan of reorganization adopted by the last General Assembly.

*Resolved*, 4. That the Assembly endorse the action of the Board in making special provision for the work of publicity, and in appointing to this work, for one year, the former Secretary of the Board, The Rev. Charles L. Thompson, D.D.

*Resolved*, 5. That the Assembly recognizes the value and the pioneer character of the work done by the Board in connection with the problem of immigration, of social service and of the needs of rural communities; and that the Assembly expresses its confidence that such work will be conducted with due consideration of the wider aim of the Board as defined in its Charter: "To assist in sustaining the preaching of the Gospel in feeble churches and congregations . . . . and, to supervise the whole work of Home Missions"; and it further records its gratification in the expressed purpose of the Board to permeate all its departments with a fervent evangelical spirit and to conduct all its work with a definite evangelistic aim.

*Resolved*, 6. That the Assembly expresses its deep sympathy with the faithful workers serving in the various fields of activity in which the Board is engaged, and recommends that, in view of the reduced budget, the Board make every effort to send to Presbyteries the largest possible appropriations and that the Presbyteries endeavor so to adjust their expenditures that there may be no reduction of missionaries' salaries.

*Resolved*, 7. That we recognize our duty and obligation to maintain and encourage the work throughout the South and Southwest, and that we recommend due diligence in the prosecution of our work in that section, avoiding meanwhile, as has been our custom, any interference with the work of other denominations that are laboring in the same field.

*Resolved*, 8. That on the Sunday nearest Thanksgiving Day, and on the Sunday nearest to Washington's Birthday, the Sunday-schools make their offerings for the Board of Home Missions.

*Resolved*, 9. That the Assembly record its gratification in all that has been accomplished by the Board during the past year in all the fields of its activity, and specially commends the Woman's Board for its zeal and devotion in the great work of supporting our mission schools and hospitals. The Assembly further expresses its hope that every effort

will be made to avoid any division of Home Missionary interest, and that societies and individual contributors will continually have in mind the proportionate needs of the specifically evangelistic work of the Board.

*Resolved*, 10. That the recommendations contained in "A paper approved by the Joint Conference of the Officers of the Home Board and the Woman's Board" be adopted. (The paper is printed at the end of this Report. See p. 176.)

*Resolved*, 11. That the Assembly approve the new plan of making appropriations to Presbyteries. It is as follows:

*A New Plan of Making Appropriations to Presbyteries.*—

1. Appropriate to each aid-receiving Presbytery, when needed, the entire sum it paid into the treasury of the Board for evangelistic work during the last fiscal year.

2. Make an additional appropriation, as the needs of the Presbytery may require and the ability of the Board may permit.

3. Make a conditional appropriation for every $50 which the Presbytery sends to the treasury of the Board during the fiscal year, April 1 to March 31, in excess of the sum paid in during the preceding fiscal year; the Board to make an additional appropriation of $50. Such additional appropriation to be at the disposal of the Presbyterial Home Mission Committee for salaries or for new work. If not drawn out by the Presbytery before June 30, then the unused sum shall lapse. All such conditional appropriations to be drawn from any reserve funds held by the Board or from the Kennedy Fund.

*Resolved*, 12. That the Assembly approve the Report of the Home Mission Council (see Annual Report of the Board, p. 118) and recommend the adoption of its Resolutions, but with the following Amendments:

1. Add the words "or Presbytery" after the word "Synod" (p. 120, line 6).

2. Substitute for II. "a" and "b" (Annual Report of the Board, p. 122) the following:

"a" To refer to the Standing Committee on Polity the desirability of appointing a committee to draft an amendment to "Chapter XVIII, of Missions," in the Form of Government of the Presbyterian Church in the U. S. A., that it may meet present conditions and demands of Home Mission administration.

"b" That meanwhile such Presbyteries of aid-receiving Synods as so elect, may conduct their Home Missionary work independently of these provisions for Synodical control. (The ten Resolutions adopted of the Home Mission Council are printed at the end of this Report. See p. 178.)

*Resolved*, 13. That the Home Mission Council be and hereby is a part of the administrative scheme of the General Assembly for Home Mission work; that its expenses be borne by the Board of Home Missions, and that its report be included with the report of the Board of Home Missions; and, further,

*Resolved*, 14. That all self-administering Presbyteries and Synods, as well as the Board of Home Missions, submit their last annual reports to the Home Mission Council for consideration and review, so that the Council may present to the General Assembly the work of Home Missions carried on by the entire Church.

*Resolved*, 15. That the Assembly place itself on record as most cordially endorsing the Board of Home Missions and commending it to the heartiest support of all the Churches.

On behalf of the Committee,
CHARLES R. ERDMAN, *Chairman.*

The paper approved by the Joint Conference of the officers of the Home Board and the Woman's Board, and submitted to these Boards and approved by the General Assembly, so far as its recommendations are concerned, is as follows (see p. 175):

WHEREAS, There is confusion attending the prosecution of missionary interests in Young People's Societies and Sunday-schools, owing to the several policies followed by the Mission Boards of the Church, it is recommended:

*First:* That the Board of Home Missions and the Woman's Board of Home Missions adopt the policy followed by the Board of Foreign Missions and the six Women's Boards of Foreign Missions, whereby the Board of Home Missions shall become responsible for the education of Sunday-schools along the line of Home Missions, and shall solicit and receive gifts from said Sunday-schools for the furtherance of its work as a Board, and the Woman's Board of Home Missions shall become responsible for the education of Young People's Societies—including Senior, Junior and Intermediate Christian Endeavor organizations—along the line of Home Missions, and shall solicit and receive gifts from said Young People's organizations for the furtherance of its work as a Board.

*Second:* That, whereas, it has been the custom to divide equally between the Board of Home Missions and the Woman's Board of Home Missions all gifts from Sunday-schools and Young People's Societies (where said societies have been composed of young men and women), and by

such arrangement Sunday-schools and Young People's Societies have been under the care of a Joint Young People's Department, and a large interest worked up on the part of both Sunday-schools and Young People in the work of the Woman's Board of Home Missions and of the Board of Home Missions, it is recommended that

(1) Funds from Sunday-schools and Young People's Societies shall no longer be divided between the Board of Home Missions and the Woman's Board of Home Missions.

(2) Each Board shall work out the details of administration necessary for the fulfillment of its responsibility for the carrying out of the policy outlined in the first recommendation.

*Third:* That a joint preliminary announcement be prepared and sent to officials in Synods, Presbyteries, synodical and presbyterial societies.

*Fourth:* That, in view of the fact that a large interest in scholarships under the Woman's Board has been aroused during the past years, whereby annual pledges to the extent of about $16,000 have been secured from Sunday-schools,

(1) A list of said scholarship pledges be given the Board of Home Missions in order that the new policy may be explained and an endeavor made to enlist the interest of said Sunday-schools in the work committed to the Board of Home Missions; and that the Woman's Board communicate likewise with the Sunday-schools in question, explaining the new policy and that they will be approached by the Board of Home Missions for a change of Home Mission objects:

(2) This recommendation be understood to cover present pledges only.

(3) Future requests from Sunday-schools for home mission objects be referred to the Board of Home Missions.

*Fifth:* That if, after careful explanation and solicitation on the part of the Board of Home Missions, a Sunday-school shall insist upon continuing its interest in a scholarship of several years' standing, it shall not be considered a breach of policy if the Woman's Board shall accept such scholarship money, it being conceded that any organization has the final right to act concerning the distribution of its gifts.

*Sixth:* That the facts contained in paragraphs fourth and fifth, relating to Sunday-schools, apply in like manner to Young People's Societies—*i.e.*, organizations composed of boys and girls, and young men and women—with reference to the Woman's Board.

*Seventh:* That the Board of Home Missions ask the General Assembly for the offerings from Sunday-schools on Thanksgiving Sunday and the Sunday nearest Washington's Birthday.

*Eighth:* That the Board of Home Missions suggest to the Freedmen's Board that they fall in line with the Boards of Home and Foreign Missions in the matter of Sunday-school gifts.

*Ninth:* That these recommendations shall be considered as effective from April 1, 1915.

The Resolutions of the Home Missions Council, as amended and approved by the Assembly (see p. 175), are as follows:

I. As to the Council.—

1. That the full term of service of members of the Council shall be three years. At the meeting of the Council in 1916 it shall divide these, by any method which may be deemed wise, into three approximately equal classes. One of the classes shall serve for three years; one for two years, and one for one year. In case of a vacancy, the unexpired term shall be filled by action of the Synod.

2. That the Council approve the action of the Board in fixing June 30 as the date for closing its administrative year. In view of such action, the date for the annual meeting of the Council shall be the Monday preceding the annual meeting of the General Assembly, and the place shall be the city where the General Assembly is to meet.

3. That the Board shall present to the Council at this meeting the following information:

*a.* A complete list of Presbyterial and Synodical applications for aid, together with its action thereupon.

*b.* A statement of its plans and policies, together with a complete estimate of needs for all other work under its care and its administrative expenses, for the following year.

*c.* A careful estimate of the probable receipts from all sources, together with any proposed reductions for expenditures.

4. That the Board and each self-supporting Synod or Presbytery shall present to the Council a full report of work for the year ending March 31 preceding, and from all information in its hand the Council shall prepare a report of the entire Home Mission activities of the Church, for presentation to the Assembly, together with its recommendations.

II. As to Home Mission Work.—

1. That the administration of Home Mission work can best be carried on by Synodical organization which shall include all the Presbyteries of a given Synod, such organization to provide for Synodical field force and for Presbyterial representation on Synod's Home Mission Committee.

2. That the Synodical field force should be available for work anywhere within the bounds of the Synod in coöperation with Presbyterial Committees.

3. The following method of procedure in all Synods desiring aid be approved:

*a.* At its spring meeting each Presbytery desiring aid from the Home Mission funds of the Assembly shall prepare a complete estimate of needs covering the year beginning July 1, which, when reviewed and approved by the Synod's Committee on Home Missions, shall be forwarded to the Board not later than April 30.

*b.* Each Synodical Committee shall send to the Board, in addition to Presbyterial estimates, an estimate for superintendence and other Synodical Home Mission work.

4. That in Synods receiving aid the Synod itself should pay one-half the necessary expense of the spring meeting of its Home Mission Committee and one-half the Committee's administrative expense, and that the Board be requested to provide the other half of these expenses.

5. That the Council advises against the practice of paying out of Home Mission appropriations the traveling and moving expenses of ministers in going to their fields.

6. That in securing men to fill strategic positions, contracts between ministers and Presbyteries should be such as will insure the greatest possible permanency.

7. That there is a better way to select the field force than by popular vote of Synod or Presbytery, and that Synods and Presbyteries be advised to consider the question of what improvement or change can be made in the interest of efficiency.

8. That field men should not, in any case, be members of either Presbyterial or Synodial Home Mission Committees.

9. That when any Synod desires the Board to make a bulk appropriation to the Synod, the Board shall do so. In that event Synod shall have authority to distribute among its Presbyteries the bulk sum appropriated by the Board. Any portion of such Synodical total appropriation unused for the original purpose may be transferred by the Synodical Committee to other work within the Synod. Appropriations for field men also should be made in bulk to Synods, to be distributed to particular Presbyteries by the Synodical Committee according to their best judgment, rather than by the Board directly.

10. That it be the rule that all appropriations by the Board shall expire on June 30.

11. *a* and *b*. (See under Committee on Polity.)

Rev. John Dixon, D.D., Secretary of the Board, was granted the privilege of the floor, and expressed grateful appreciation of the services of Dr. Erdman and the Com-

mittee and his profound sense of obligation to the Assembly for the action taken.

The Committee on Work on the Continent of Europe, through its Chairman, Rev. Sylvester W. Beach, D.D., presented its Report, which was adopted and is as follows:

This Committee hereby presents its Twelfth Annual Report to the General Assembly.

The Committee has met twice during the year and has attended faithfully to its duties.

The Committee reports the decease of John Edward Parsons, Esq., a member of the Committee from its establishment, who passed away from earth on January 16, 1915, after a brief illness, in the 86th year of his age. He was for many years a ruling elder of the Brick Presbyterian Church, New York City, and also a member of the Board of Home Missions. This Committee bears testimony to his unflagging interest in its work, an interest shown by personal contributions, by correspondence, and in other ways. Mr. Parsons served his day and generation well.

The year opened with a most encouraging outlook. The work in Paris had reached the high-water mark of efficiency and success. In Frankfurt-am-Main the little congregation gave evidence of increased interest, and there was marked increase in the attendance at the preaching services. The financial obligations of the people were generously and promptly met.

Dr. T. S. Wynkoop, having been commissioned by your Committee to begin a work in the city of Munich, was on his way to the field, full of enthusiasm for a service to the growing colony of Americans in that city. This new field that promised so much has, therefore, not been opened.

On August 1st a great change passed over the face of Europe. War was declared, involving almost the entire continent. Americans were forced to flee from the cities of Europe because of the suspension of business and educational opportunities. The stream of tourists usually inundating all parts of the continent was brought to a sudden pause. Universal paralysis prevailed except for armies and armaments. Our work necessarily suffered a shock, the effect of which cannot even yet be fully known. Of one thing only is your Committee confident: the work must go on during the present stress and strain, and, the war being ended, opportunities greater than ever dreamed of will open up to the American Church for work in Europe.

I. *Paris.*—At the beginning of hostilities, when Paris was daily threatened with invasion by the German army, Dr. and

Mrs. Shurtleff were required to leave the city, by military authority. They fled to London, where they remained until the 15th of November, awaiting orders from your Committee. On the 12th of November your Chairman wrote as follows to Dr. Shurtleff: "It is the judgment of our Committee that you should now return to Paris, look over the whole situation, and get fullest information on two points: (*a*) What might be done in the way of continuing the students' services, even though the number of students is now so small? Could the meetings, to avoid expense, be held in your own apartment until the attendance should be large enough to justify a return to the large Atelier? (*b*) Another, and perhaps, at the moment, a more important matter to investigate would be, What kind of relief work, growing out of the necessities of this war, you and Mrs. Shurtleff might engage in, as representing the students' work, which could be used as an appeal to all the contributors of the work, not only to continue their ordinary contributions, but increase them for such special purposes? In this connection, the question would be raised whether the new Ambulance Hospital operated by Americans in Paris would furnish one avenue for your work, where we might be able to look after a certain number of beds; or whether the McAll Commission might also be a line in which good work could be done?

"The idea of the American Committee, in case you deem it advisable to incorporate into your religious work relief for refugees, would be to get out a circular here to be sent to American contributors, making an appeal for funds for this wider work. It would be clearly stated that Dr. and Mrs. Shurtleff would make primary their religious work for American students, so far as there remains a field for such work, but that it would be their purpose to supplement such work by the establishment of a Relief Department. Your Committee is of the opinion that such an appeal would find generous response from our friends, inasmuch as Dr. and Mrs. Shurtleff have been in Paris now for ten years, have the fullest confidence of our contributors, and occupy a position of influence in Paris that would greatly add to their efficiency in this new department of service. All money given would go directly to the point of greatest need without the expense of any machinery.

"Another advantage in thus extending our work in the present crisis is that we thus maintain the continuity of a work that has proceeded for twenty years without interruption. The war having ended, the students' work would be already in operation and ready to enter upon a service to the increased American colony with the force of a momentum

added by reason of the enlarged sphere of usefulness to which the Atelier Reunions had adapted themselves in an emergency."

To this proposition Dr. Shurtleff replied by returning to Paris immediately, opening services for the students, and putting in motion carefully organized activities for the relief of refugees. He wrote, upon his return to Paris, that the meetings for students had been resumed, there being no other religious service for English-speaking people in the Latin Quarter. The attendance was most encouraging, great gratitude being expressed on all sides that services were resumed. A small studio of the École Speciale d'Architecture was offered at small expense. Dr. Shurtleff declared that it would be, in his judgment, wise and expedient to inaugurate immediately a Relief Work. He had, therefore, called together a meeting of representative Americans, and a Committee to organize and push measures of immediate relief for suffering refugees was organized under the leadership of Dr. Shurtleff. Funds from America will be applied directly to cases not reached by agencies already operating. Such cases of dire need are apparent on all sides.

Later, Mrs. Shurtleff writes as follows:

"The response which we have received in Paris, both to the Relief Work and the Sunday services, has been most encouraging. People tell Dr. Shurtleff that he is having the largest Sunday audiences of any of the American services now being held in the city. Certainly, the students and artists in the Quarter have shown their appreciation of the services in a marked manner. The past two months have given eloquent testimony to the wisdom of those who saw and tried to meet the needs of the Quarter by starting the Reunions so many years ago. The response of the Americans remaining in the city to the Relief Work of the Reunions has been almost a surprise to us—so hearty and generous has it been—knowing how every one had given and given, we feared our appeal would come too late, but clothing and gifts have fairly poured in upon us. Our little flat soon became so overcrowded that an outside 'Vestiaire' became a necessity. A little over a week ago a beautiful ground-floor atelier was found on Rue Boissonade, which is only two blocks from our home. This, with a stove already installed, has been secured free of charge, and is arranged with chairs, tables, boards and shelves (all lent) as a 'refugee Vestiaire.'

"The clothing has been moved to the Vestiaire and put on the shelves and tables. Now it takes only a moment to see whether a need can be met or no. Here the refugees who are in Paris come to be fitted out with clothes, and here the

packages are arranged for the blind refugees who have been unable to reach Paris and are living near the battle front. We have just had such a pathetic letter from one such family, bombarded out of Lens and now living at Ouehil, which is about seventeen kilometers from Dethune, where such heavy fighting is taking place. This man, with six children, three of whom are blind, is living in an empty house which has been lent him and is without the barest necessities. The clothing they had on when they escaped is all they have. We are sending a change of garments to each member of this family of eight. So near the battle line are they, that the package cannot be sent by train, and will have to go by special messenger.

"Yesterday, we had a family of seven at the 'Vestiaire,' who had just escaped from their village home near Soissons. The old grandmother in this family had a difficult time getting away. She could not walk fast enough along the shell-ploughed roads, and some soldiers who were passing with an ammunition wagon took pity on her and put her in the wagon and covered her over, saying, 'Don't allow yourself to be seen, as we might be shot if we were caught doing this, which is strictly against orders.' In this way the old woman reached the railroad, and so got away. We were able to give entire changes of garments to the children of this group and some warm wraps to the older women, as well as some undergarments. This family needs blankets, as they are suffering very much with the cold these bitter nights. We had no blankets, but a friend is making them a covering out of newspapers and an old curtain! Nothing is lost in Paris these days. We treasure every scrap of cloth and paper and string. The only inhabitants left in the village where these people lived are an old couple over eighty. They refused to leave when ordered out by the soldiers, saying, 'We lived through the war of '70—if we are to die in this war, well and good—we can but die and we have lived to a good old age—but we will not leave our home where we have passed so many years.'

"The bravery and spiritual courage of these refugees is wonderful. With everything burned and destroyed, with their families scattered and dead, they still keep their 'heads up and eyes to the front,' and their one idea is to return to the ashes of all they once called home and start life again.

"One of the most interesting cases of the past week was a blind, paralyzed man from Rheims, who with his wife and daughter have lived for months under the terrific bombardment to which the city has been subjected. For weeks they took refuge in the caves with some four thousand other

refugees. This man, in spite of his handicaps, had a very successful brush commerce, and made a comfortable living for himself and family. Now everything has been destroyed, and, middle-aged, blind and paralyzed, he finds himself without home, clothes or money. His wife and daughter came to us, blue with the cold, with only their open-work shawls as wraps. We have been able to give them warm clothing, but so far have not found any work for the two women who beg for it with tears in their eyes. If some of the good women of America would only send us wool, we could pay these women 1.25 fr. a pair to knit it into socks for the Belgian soldiers, who are in great need of them. Indeed, if we only had wool we could give work to many poor women who can find no means of earning their bread. They will knit all day for 12 cents. We have a number of blind women who are most anxious to make socks at this price.

"We are giving work, and have been now for some weeks, to a number of women who have no income and no work. Among our women, who are sewing and earning about 1 fr. a day, making garments for the refugees, are some pathetic cases. One is paralyzed, another is supporting her little grandchild and a feeble-minded daughter; another is the sole support of a blind, eighty-year-old mother; another is a woman of good family who has lost all; another is a clever dressmaker who last year was rushed with work—this year she is glad to make a blouse for 1.50 fr., etc., etc. Many of these women could not work all day in an 'ouvrier,' and so we give them the work to take home. I have it cut out in our home and the women come in the evening to get it and bring the finished garments. There is also much need among the mothers with little babies whose husbands are at the front. This week we are giving two layettes to two mothers who cannot work and whose husbands are fighting. One student gave us thirty-five little gowns which she had received from America from a woman's club. This week she is bringing us another package. Indeed, we have had a great many things which have been sent from America and turned over to us. But, oh, we need so many more!

"This week we are sending out several hundred garments and our poor Vestiaire needs replenishing."

In another letter Mrs. Shurtleff says:

"As for the reality of the horrors of the situation among war sufferers, it is impossible to paint things in sufficiently vivid colors to present the living facts. There may be a tendency in neutral countries, in view of the deluge of articles overflowing papers and magazines, to lose sight of the fact that hundreds of thousands of people described as destitute,

homeless, penniless, helpless, wretched in every extremity of privation, are individuals, each of whose needs must be met individually, if met at all. From the distance, the picture is composite—at this close range, it is individualized. Were there not thousands of thousands of merciful hands stretched forth in these stricken countries, doing the individual work at close personal range, with the provision of money and clothing received from America and elsewhere, the situation would be beyond conception. It would be stimulating to every giver if he realized that he is represented by another giver who is contributing, individually, his time, strength and sympathy, to bring supply and need together, and that his gifts are not merely being showered upon a vague field of general desolation. Of course, we cannot compete, in our relief work, with some of the greater institutions, in the volume of supplies sent out, but, having chosen a distinctive work among blind refugees, the element of individual, personal contact to which I refer is manifest. We hear of the individual cases and are making up our packages for distinctive needs; for example, so many undergarments, so many shoes, so many children's dresses for the family of M——, at ——; so many for this particular chair-maker and his family; so many for that basket-maker; this organist, etc., etc. In this distinctive work we are able to assure givers that their donations are directed towards concrete, rather than abstract cases. I do not mean to imply that the larger organizations are not doing exactly the same kind of work; I think that individualized benevolence is the marked characteristic of the whole movement; but what I want to emphasize particularly is that it is the kind of work which must of necessity be the method with us."

II. *Frankfurt-am-Main.*—For the past twelve months, Rev. Charles D. Brokenshire has been in charge of the congregation. The work has been carried on now for eight years, without the interruption of a Sabbath. Numbers of people of all ranks and degrees, of all religions and no religion, have visited the services of this little church. The register indicates the vast number of people and the various sections of America represented in the services. Mr. Brokenshire writes: "Especially was our work appreciated at the outbreak of the war. We have never had a church building, but the hotel hall—in the Hotel Imperial, Opernplatz—where we worship, was crowded to overflowing on the Sabbaths immediately after the opening of hostilities. People of several nationalities, besides our own American and our many German friends who like to attend our worship, were there, and we were all glad to sing 'America' very heartily.

"The English Episcopalians have a fine building here, but their pastor was away and the edifice was closed and their work completely discontinued, owing to the misfortunes of the war. So far as I know, ours is the only American Church in this part of Europe for miles and miles around, and the writer is the only evangelical pastor whose native tongue is the language of America. If there are any sick to be visited at home or in the hospitals, any deaths, or desires for the sacraments on the part of invalids, as has been the case, it is the American pastor who is called upon. Especially did he find room for usefulness in helping with the crowds at the General Consulate when there were so many hundreds of applications for repatriation.

"Our little flock of permanent supporters feels that the work ought not to be abandoned when it is most needed. That is also the opinion of our General Consul, Mr. Harris, who has always encouraged our work. We had our congregational meeting a few days ago and elected officers, and the few who can be depended upon as supporters are desirous to do their part. One family especially which has given most support, however, left the country at the outbreak of the war. The head of it had our church records, and they are still where he has deposited them, and we cannot obtain them. Nevertheless, we have held our own in all difficulty and want to continue.

"Especially are there considerations that make this advisable. The work is now most needed. It is almost the only centre for social and religious fellowship for Americans here. What could we not do if we had a church building? But every time we use the hotel, it is an expense. Yet Sabbath-school and preaching have regularly been maintained, we have made a great number of calls on all classes, especially the poor, the sick, the bereaved, and the aged. We have received many calls and have been called on for help, from the organizing of women's relief work for the distress in the war down to consolation of rejected suitors for the wounds of unrequited love!

"A new university has just been opened in Frankfurt-am-Main. Many American students are expected after the war. We hope for a great influx of Americans. There is an excellent chance to supplant English influence, without mean and sordid motives.

"It is much easier to maintain this work than to let it die, and attempt to revive it later. Such are the considerations which occur to all, and they have been suggested by our Consul-General, as well as by others.

"The more prominent church supporters, among them

Consul-General Harris, feel that the church ought by all means to be maintained during the war, owing to the great opportunities for growth that may be expected immediately afterward, as well as owing to the need among those of our own tongue here now. As I have previously emphasized, we are the only church of the kind in this part of Europe. So we held the annual business meeting two weeks ago (January 15), and elected officers with the hope of going forward if we have the reliable promise of financial support from the Assembly's Committee and the Board of Home Missions. Yet, if we do not receive such definite assurances by return mail, the result will be disaster for the church and great embarrassment to our future work in this metropolis."

Your Committee would respectfully offer the following recommendations:

*Resolved*, 1. That the Committee be and is hereby continued, constituted as follows: Rev. Sylvester W. Beach, D.D., *Chairman;* L. Y. Graham, D.D., J. Gray Bolton, D.D., W. H. Roberts, D.D., W. L. Herrick.

*Resolved*, 2. That the General Assembly hereby expresses its sense of the great importance of the work for which this Committee is responsible, and its realization of the increased opportunity for work on the continent of Europe, for Americans, sure to result from the present war.

*Resolved*, 3. That the Assembly hereby commends the work in Europe to the cordial support of the whole Church; and that the action of former Assemblies in directing the Board of Home Missions to extend aid to the church at Frankfurt-am-Main be and hereby is modified so as to apply no further than to the end of the present fiscal year, January 31, 1916; and that the policy of the Board in regard to the Work in Europe be hereafter determined by mutual counsel between the Board and the Committee.

The Standing Committee on the Presbyterian Brotherhood, through its Chairman, Rev. Andrew M. Brodie, D.D., presented its Report. After addresses by the Chairman and Rev. William F. Weir, D.D., the Report was adopted. It is as follows:

Your Standing Committee on the Presbyterian Brotherhood would respectfully submit the following, relative to the work of the Permanent Committee.

It is heartening to have a Committee compelled to raise its own budget, yet fully alive to its opportunity, come through the year having all debts paid and having a balance in the treasury.

The zeal of the members of this Committee, their self-sacrificing services and their generous contributions for the work, compel appreciation and admiration.

The many insistent calls from all parts of the land for assistance in Brotherhood organization are indicative of the large field of usefulness and the imperative need of the work of the Permanent Committee. These calls also speak well for the growing interest in men's organized work for men.

What has been accomplished during the past year by men's organizations would fill volumes; we simply and briefly call your attention to their activities along the lines of social welfare, organized Bible classes and evangelism.

The joy of being a real brother to some man or a big brother to some boy has put delight into many a man's heart, has been to him a spiritual uplift, and at the same time has reclaimed hundreds of wayward boys and has kept thousands from straying.

The field for organizing Men's Bible Classes is well-nigh boundless and the marvelous results already accruing in Bible study, increased attendance at the Sabbath and mid-week services of the church, and contributions for local charities and for the Boards of the Church alone would far more than justify the creation of the Brotherhood Committee.

The opportunity for evangelism through men's organizations is one of the most hopeful indications of all our church

activities. The record of the work done the past year by Presbyterian men reads like a chapter from the Acts of the Apostles, when believers witnessed to the grace of God and the Lord added to the church daily such as were being saved.

We marvel at the work accomplished by this Committee with the meager resources available, and we note with pleasure the far-reaching plans of the Committee for Synodical Organization, that the many loud and insistent calls for aid may not this year, as last, go unheeded and unhelped.

We recommend:

1. That this Assembly put its stamp of approval upon the splendid labors of the Brotherhood Committee of the past year.

2. That Rev. William C. Covert, D.D., Chicago, Ill.; Rev. Robert R. Bigger, D.D., Cleveland, Ohio; Mr. Draper D. Dayton, Minneapolis, Minn.; Mr. James J. Parks, St. Louis, Mo., and Mr. William A. Owen, Toledo, Ohio, be elected to the Committee as the Class of 1915–18.

3. That we cheerfully approve of the Committee's budget of $15,000 for the current year.

4. That a General Secretary be secured as soon as available funds are in sight, and that we urge organizations aided, Brotherhoods, Bible classes, churches and generous individuals, to contribute generously, that the great work of the Brotherhood may be pushed speedily and with vigor.

In behalf of the Committee,

ANDREW MELROSE BRODIE, *Chairman.*

The Assembly took recess, and was closed with prayer.

---

WEDNESDAY, May 26, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Executive Commission reported concerning the assignment of space in the Witherspoon Building to the Boards of Education and Ministerial Relief, that a satisfactory arrangement had been effected among the Boards concerned, and that report in full would be made later.

The Standing Committee on the Board of Publication and Sabbath School Work, through its Chairman, Rev. David R. Workman, D.D., presented its Report. After addresses by Rev. Alexander Henry, D.D., Secretary of the Board; Rev. John B. Laird, D.D., and Rev. Cleland B. McAfee, D.D., the Report was adopted and is as follows:

Your Standing Committee on Publication and Sabbath School Work would respectfully submit the following:

We are persuaded that we present the work of a Board that has a large place in the hearts of the members of this Assembly; the work of few, if any, of the Boards of our Church has brought larger blessings to us individually and to the members of our household than has this.

Your Committee has not only read with great interest the Seventy-seventh Annual Report of the Board, but it has also read and discussed the Minutes of the four departments of the Board's work, and has had before it at repeated sittings the men of the Board who superintend, with those who are heads of departments, who have kindly answered many questions asked by members of your Committee. From these sources your Committee has derived such information as was needful to the discharge of the task entrusted to it.

The magnitude, diversity and helpfulness of the work being done by this Board for our Church have impressed themselves upon your Committee. We are particularly glad to report that the past year was the best in many respects in its history. More literature was published, more field representatives were at work, and more contributions were received than during any previous year.

Business Department.—In reviewing the Business Department of the Board's work, your Committee was gratified to find that the total sales of the past year aggregate $1,047,264.96.

After the transaction of such a volume of business, some of you may be ready to inquire, What about its net profits? Why not be able to make a better showing in the way of aggregate profits than is displayed in the Annual Report? To all such questions, sometimes heard in the Church at large, your Committee would reply that this Board must ever be controlled by the idea of service to the Church rather than the purpose of large financial gains. This is said with the knowledge that profits are necessary in conducting the business of the Board, especially since one-half the net profits are to be given to the Missionary Department.

As an explanation for smaller net profits than would otherwise accrue, we call the Assembly's attention to the fact that, in accordance with the instruction of previous Assemblies, the Board is required to maintain Depositories of its publications in six of the larger cities of the country. These Depositories, while necessary for the churches' convenience in those States and contiguous territory, are not always sources of large profit to the Board. At times, indeed, they have had to be conducted at a loss. The steadily

increasing cost of manufacturing, the demand for changes and improvements in the Board's products, the high standard of quality required by the Church, are further explanation of smaller net profits than would be secured by a similar business house in no way under constraint to work for the benevolent welfare of the Church.

Your Committee not only read and examined the Minutes of the Business Department of the Board, but had before it the Board's Business Manager, and after receiving such information as he gave in answer to our questions respecting methods of conducting the business, desire to commend to you his fidelity, and the fidelity and devotion of the Business Committee of the Board.

II. Missionary Department.—The Missionary Department of the Board's work we consider as not second in its importance to any other. We desire to call your attention to the fact that churches, Sabbath-schools and individuals contributed over $200,000 to this Department of the Board's work the past year, and that this, with other moneys of the Board's income, supported 132 Sabbath-school missionaries for longer or shorter periods during the year. Of this number seventeen were district and synodical workers. Through the labors of these men, 940 new schools were organized and 360 schools revived. In these were gathered 43,438 persons. To these newly organized schools this Board gives lesson helps, papers, hymnals, libraries, Bibles and Testaments. To this must be added the work of the Board's colporteurs, 33 in number. These men, in their faithful house-to-house visiting, distributed during the past year by sale and gift no less than 4,767 copies of God's Word, more than 15,000 religious books and more than 10,700,000 pages of religious tracts.

We desire especially to call the attention of the Assembly to the extent of the work being done by the Board among foreigners by these colporteurs. The Board issues more than one million copies of religious papers in foreign languages annually. Two papers are read by Bohemians, Moravians and Slovaks. The Ruthenians of our country receive 1,500 copies of a paper in their language, while the Magyars receive 1,200 copies of a paper in their tongue, and the circulation of the paper in Italian reaches 2,500 copies. A bi-weekly paper in the Polish language is also supported and put in circulation by this Board. These papers, together with more permanent literature distributed by the colporteur, are helping to solve one of our nation's greatest problems, namely, the Americanizing, and, above all, the Christianizing of this great mass of immigrants to our shore.

III. Editorial Department.—The editorial work of the

Board is deserving of the highest commendation. Upon no department of any Board of our Church has so much criticism been lavished when things have not been to the Church's liking as on this. In testimony of this assertion we have but to recall the many voices raised in condemnation of the graded Sabbath-school Lessons two or three years ago; and perhaps no other department of any Board of our Church has sought more faithfully to minister to the necessities of our Church than has the Editorial Department.

The labors along these lines have been greater than in previous years. The Board decided, in response to demands by Presbyterian parents and Sabbath-school teachers, to issue a paper known as "King's Treasuries" for boys and the "Queen's Gardens" for girls, and has made these papers rich with stories suitable for character-building, missionary information, and articles on scientific subjects. These papers are, through this Assembly, commended to the heads of families and Sabbath-schools as highly valuable literature to be put in the hands of our youth in place of the pernicious Sunday newspaper.

The attention of the Assembly is called to the new departmental graded lessons issued by the Editorial Department last January, as a noteworthy contribution to the cause of Sabbath-school education. When the graded lessons were published, it was found that they were too complex for the average school. This new series of graded lessons, based upon departments rather than on the age of the pupil, is the solution of the difficulty. As a course of instruction in the Sabbath-schools, it has not only met the commendation of many schools in our own Church, but has also been adopted by several other Presbyterian and Reformed Church publishing houses.

We desire to commend the Board's proposition to provide literature for use in promoting the advanced standard for our Sabbath-schools, as set forth in the May issue of "Religious Instruction."

We would also suggest to the Board the more perfect filling out of the curriculum of the graded course of instruction in our Sabbath-schools, so as to include and secure the memorizing more largely of passages of Scripture, hymns and the catechism.

IV. EDUCATIONAL DEPARTMENT.—The work done in the Department of Religious Education by this Board presents very many attractive and valuable features. The Department has charge of the Board's Educational, Sabbath-school and Young People's Work. Its work is of two general kinds: first, the offices; second, the field work.

In the office, it is the duty of the Superintendent of this Department of the Board to take his place in and assist the work of the Sunday-school Council of Evangelical Denominations, the International Lesson Committee, the Commission on Education of the Federal Churches, and the Committee on Education of the International Sunday-school Association.

The field work of the Superintendent of Sabbath-school Education of the Board included, among other services of the past year, the holding of conferences and the delivering of educational addresses in many cities of our land.

The educational feature of the Young People's Work, which belongs to the Department of Religious Education of the Board, has been carried on with vigor along various lines. It has aimed to promote the efficiency of Young People's Societies and to promote definite religious education in all other societies.

Summer conferences were held in six centrally located places during the past summer, in which were carried out programs including the study of the Bible, Church history, Presbyterian standard, missions, etc.

In addition to the conference work, the head of this Department gave addresses at conventions, institutes and many individual churches in the interest of religious education.

The Assembly will be glad to learn that the income of the Board, from business profits and other sources, enables it to pay all expenses of administration and educational work, so that every cent received from the contributions of churches, Sabbath-schools and individuals is spent upon the field in the prosecution of its missionary work.

A year ago the Assembly authorized the Board to secure, at the earliest possible moment, a Superintendent to give his entire time to this part of the work. Your Committee is assured by the Board that efforts have been made to secure such a Superintendent, but that owing to the fact of possible changes in the entire policy of the Church respecting Christian education and consequent uncertain tenure of the office, the Board has thus far been unable to carry out the instructions of the last Assembly.

Your Committee has had presented to it the fact that there is now in successful operation, in several States, plans under which academic credits are granted in high schools for Bible study work of academic grade done in Sunday-schools, and believing that this affords a much-desired motive for Bible study by pupils of a high-school age, would therefore recommend that this General Assembly:

1. Commend this plan to the whole Church and authorize the Board to take suitable steps to promote it, also to adapt

or prepare graded courses suited for the curricula that may be outlined by the various States.

The following additional recommendations are submitted for approval:

2. We recommend that the Assembly would again emphasize the importance of a more regular and systematic reading of God's Word as the foundation of all religious education. To this end we would commend the projected publication of a book on family worship which will encourage the reading of the Bible in the home.

3. We recommend the observance of Children's Day and Rally Day by our Sabbath-schools.

4. That the first Sunday in February be set aside as Young People's Day, to be observed in the churches by a special service, for which a special program and literature shall be furnished by the Board.

5. That the Department of Religious Education be commended for its fidelity and zeal in carrying out the plans of the Assembly, and in its attempt to meet the rapidly rising tide of the demands of religious education.

6. That this Assembly heartily approves the plan of the Department of Young People's Work for summer and winter conferences and of study classes which are so effective in helping our young people to a higher conception of the Church's purpose and aim and to a greater love and enthusiasm for its work.

7. That the General Assembly has heard with pleasure of the proposed new song book, "Alleluia," to be issued in the near future, and which is designed for use in schools, in the home, in young people's societies, and in social services, and recommend that it may have the careful consideration of our people. The Assembly also approves and endorses the high standard maintained by the Board in all its musical publications.

8. That the General Assembly approve the action of the Board in issuing a new series of annuity bonds to the amount of $60,000, to cover the mortgage indebtedness of the recently acquired building in Nashville, Tenn., and commends these bonds to the thoughtful consideration of the Church.

9. Two Overtures were presented to your Committee for their consideration. *No. 61*, having to do with the question of the increase of salaries of missionaries, received no action by your Committee, since the Board has already met the desires expressed in the Overture so far as is practicable.

The second *Overture, No. 60*, asks that no steps be taken to change in any way the work of the Board. While your Committee is unanimous in its approval of this Overture,

in view of the question yet pending before this Assembly respecting the merging of the Boards, we recommend that no action be taken.

It is also recommended that the Rev. John T. Faris, D.D., Editorial Superintendent of the Board, be elected the representative of our Church on the International Lesson Committee, vice Dr. Schauffler, who is unable to serve, and that the following-named members of the Board, whose terms will expire in June, be reëlected: *Ministers*—Harold McAfee Robinson, Loyal Young Graham, D.D., W. Courtland Robinson, D.D., George H. Hemingway, D.D., Richard W. Binkley, D.D.; *Ruling Elders*—William W. Allen, Thomas W. Synnott, George Hale, M.D., George R. Russell, Thomas R. Patton. Respectfully submitted,

DAVID R. WORKMAN, *Chairman.*

Rev. Mark A. Matthews, D.D., on behalf of many Commissioners of the Assembly, in a brief address presented a loving cup to Rev. W. B. Noble, D.D., LL.D., the Permanent Clerk, through the hands of the Moderator, who made an address of presentation. Dr. Noble responded, expressing his thanks and high appreciation of the gift. The inscription on the cup is as follows: "Presented to Rev. William Brown Noble, D.D., LL.D., Permanent Clerk of the General Assembly of the Presbyterian Church, U. S. A., by Commissioners of the One Hundred and Twenty-seventh General Assembly, sitting in Rochester, N. Y., May 25, 1915, with their loving appreciation of his faithful services, and their high esteem for his noble life and character."

The Stated Clerk requested that he be authorized to provide whatever might be necessary for the comfort and care of the Permanent Clerk during the Assembly, owing to his temporary indisposition. The Assembly unanimously granted the request.

The Chairman of the Mileage Committee announced that Commissioners would receive their checks for mileage to-morrow at 2.30 P.M.

The Order of the Day, the Report of the Special Committee on the Educational Policy of the Church, was taken up. It was resolved that the final vote on the Report be taken not later than 5 o'clock. Report No. 3 of the General Report, presented by President John Willis Baer, was adopted. The part of the Report which was adopted is as follows:

The Special Committee on the Educational Policy of the Church respectfully presents the following Report:

In order that this Assembly may have before it the whole subject involved in this report, it is necessary to state briefly these facts:

(1) The Presbyterian College Union presented to the Executive Commission at its meeting in February, 1913, a communication looking toward the union of the College Board and the Board of Education.

(2) The Executive Commission reported to the Assembly of 1913, meeting in Atlanta, Ga.:

"That no such union is at present feasible or expedient; and that any action on that subject should be based upon a more careful and exhaustive consideration of the whole subject of Christian Education.

"It therefore recommends that no such action be taken at present.

"In view, however, of the great importance of the subject of Christian Education, and the growing confusion in the minds of their constituency as to the functions of the various Boards and Agencies which are engaged wholly or in part in providing such education, and of the increasing danger of friction between said Boards and Agencies, and of the duplication of their work, the Commission further recommends that the whole subject of Christian Education be referred to a Special Committee of nine to be appointed by the Moderator, which shall consider the matter and report to the next General Assembly its conclusions thereon and its recommendations."

(3) The Moderator appointed a Special Committee of nine, consisting of the following persons: *Ministers*—Rev. William L. McEwan, D.D., Rev. C. B. McAfee, D.D., Rev. Ira Landrith, D.D., Rev. W. H. Boocock, Rev. Robert Clements, President F. W. Hinitt, D.D.; *Elders*—President John Willis Baer, President John S. Nollen and Honorable W. P. Potter.

(4) The Committee, after several meetings and full consideration, was not able to reach a unanimous conclusion, but in order that the whole matter might be brought to the attention of the Church it reported to the Assembly of 1914, meeting in Chicago, Ill., presenting a tentative Report which it did not ask the Assembly to adopt, but to have reported in the religious papers, attested by the Stated Clerk. It was announced that this printing was for the purpose of inviting suggestions from all quarters of the Church. The tentative Report proposed the organization of a new Board, to be known as the "Christian Board of Education," this new Board to absorb the whole of the present educational work of the

Board of Publication and Sabbath School Work, the Board of Education, and the College Board.

(5) The Assembly of 1914 continued the Committee with the same powers as heretofore and increased the membership of the Committee to fifteen by adding the following members: *Ministers*—Rev. John F. Carson, D.D., Rev. Marcus A. Brownson, D.D., Rev. Caspar W. Hodge, Ph.D., Rev. Alexander J. Kerr, D.D.; *Elders*—John Inglis, M.D., and Mr. S. Earle Hoover.

(6) The enlarged Committee met in Philadelphia on November 17 and 18, 1914. As the tentative Report presented to the Assembly of 1914 expressed the judgment of some members of the Committee, the one question of the merging of the Boards doing educational work occupied the attention of the Committee. Sub-Committees were appointed to obtain from the College Board, the Board of Education, and the Board of Publication and Sabbath School Work, full information as to their organization, administration, policies, endowments and expenses, and these sub-Committees reported at another meeting of the full Committee held in Philadelphia, March 23, 1915. After the fullest discussion and with a sincere desire on the part of all the members of the Committee to agree on some recommendations to present to this Assembly, your Committee finds itself unable so to do. There is unanimous appreciation of the stupendous and vital importance of the educational work of the Church, but as to the Agencies through which the Church shall do this work there are irreconcilable differences.

Eight members of the Committee are of the opinion that a new Board should be erected by the merging of the College Board, the Board of Education, and the educational work of the Board of Publication and Sabbath School Work.

Six members are of the opinion that there should be no merging of the Boards, but that the existing Boards should be strengthened and their duties more clearly defined.

One member is of the opinion that the College Board and the Board of Education should be merged, but that the educational work of the Board of Publication and Sabbath School Work should not be disturbed.

The Committee, therefore, presents to the Assembly the three Reports, which are signed by the members who recommend them. [Reports I and II are printed only in the Blue Book, under the Rule of the Assembly, not having been adopted.]

[Pres. J. Willis Baer respectfully submitted the following Report, No. III, and it was adopted:]

*Resolved*, 1. That the General Assembly of the Presby-

terian Church in the U. S. A. hereby approves of the merging or consolidation of its Board of Education and its College Board, and hereby directs that its Board of Education and its College Board be merged into one Board or administrative Agency of the Church.

*Resolved*, 2. That the whole subject be referred to the Executive Commission, which is hereby empowered and directed to present to the General Assembly of 1916 a complete plan for the legal creation of the new Board or administrative Agency.

*Resolved*, 3. That the Executive Commission's Report shall cover all details, such as the name of the new Board or administrative Agency, its charter or constitution, its departments, its duties, the personnel of its members and officers, the methods of administration, and all other matters that may be necessary to carry out the instructions of this Assembly as directed by the Resolutions of this Report.

For the Committee,

WILLIAM L. MCEWAN, *Chairman.*

*Overture No. 4, on Executive Commissions.*—The Overture reads:

Shall a new Chapter, to be numbered XXVI, and to be entitled, "Of Executive Commissions," be added to the Form of Government, to wit:

FORM OF GOVERNMENT.

CHAPTER XXVI. OF EXECUTIVE COMMISSIONS.

1. A Presbytery, a Synod, and the General Assembly may elect from the ministers and ruling elders composing them, an Executive Commission, which shall consist of not less than three members for a Presbytery, not less than seven members for a Synod, and not less than fifteen for the General Assembly. The membership shall be divided in each case, as equally as practicable, between ministers and ruling elders. No member, salaried officer or employee of a missionary or benevolent Board or organization, under the direction of the judicatory concerned, shall be a member. Vacancies may be filled by the Moderator of the judicatory until the next regular meeting. The term of service shall be three years, and the members shall be divided into three classes, one of which shall be elected annually. A quorum shall be a majority of the members, and less than a quorum may adjourn to a fixed date.

2. A Presbytery or a Synod shall elect the Chairman of its Executive Commission, and the Stated Clerk of the electing judicatory shall be the Secretary of the Commission. The

Moderator of the General Assembly shall be the Chairman of the Executive Commission of the General Assembly, and the Stated Clerk of the General Assembly shall be the Secretary of the Commission. Stated Clerks of judicatories when Secretaries of the Executive Commissions shall not be members of the Commissions.

3. Executive Commissions shall handle and consider only such administrative business as may be referred to them by the electing judicatories, as indicated in the succeeding sections, and shall have no power of initiating action except as hereinafter provided. No judicial business shall be referred to an Executive Commission.

4. The proceedings of an Executive Commission shall be conducted in accordance with the provisions of the Constitution and Rules of the Church. The Commission may sit in private whenever deemed advisable, and all business transacted shall be held as private unless definitely voted otherwise.

5. The Executive Commission of a Presbytery may have the following general powers when voted by the electing Presbytery: To prepare the docket of business for the meeting of the Presbytery, with the assistance of the Stated Clerk; to consider and report upon all proposals and appeals for moneys; to correspond with the Executive Commissions of Synod and General Assembly, and to present to the churches the budget of the missionary and benevolent causes and agencies as adopted by the General Assembly.

It may have also the following specific powers, when voted by the Presbytery: to receive and dismiss ministers, in good standing, who are without pastoral charge, in the intervals between regular meetings; to receive under care of Presbytery licentiates or candidates for the ministry from other Presbyteries; to install ministers, to organize or to dissolve churches, and to adjust difficulties in particular churches, after appropriate action by Presbytery. The Executive Commission shall report at each regular meeting of Presbytery every item of business transacted by it. Its decisions shall be operative, wherever power has been conferred, but may be reviewed and reversed by Presbytery.

6. The Executive Commission of a Synod may have the following powers when specifically voted by the electing Synod: to prepare the docket of business for the meeting of the Synod with the assistance of the Stated Clerk; to correspond with the Executive Commissions of Presbyteries and of the General Assembly; to carry out the directions of Synod with respect to the Presbyteries, Sessions and people under the care of Synod; to inquire into conditions existing in any Presbytery, but it shall not receive power to erect,

unite or divide Presbyteries; and in consultation with the Presbyteries or the Executive Commissions of the Presbyteries under the Synod, to have charge of the Budget of the benevolent and missionary causes and agencies within the Synod. The Executive Commission shall report at each regular meeting of Synod every item of business transacted by it. Its decisions shall be operative wherever power has been conferred, but may be reviewed and reversed by Synod.

7. The Executive Commission of the General Assembly may have the following general powers when voted by the Assembly: to correspond with the Executive Commissions of Presbytery and Synod; to confer with and advise the permanent benevolent and missionary agencies of the Church; to prepare and submit annually to the General Assembly the Budget for such benevolent and missionary agencies, and to consider, between annual meetings of the General Assembly, cases of serious embarrassment or emergency concerning the benevolent and missionary work of the Church, when requested by a Board, and to provide direct methods of relief.

It shall also have the following specific powers, when voted by a sitting Assembly: to take steps to harmonize and unify the benevolent and missionary work of the Church, and to discharge such other executive duties as the General Assembly may from time to time require and authorize. The Executive Commission shall report at each regular meeting of the Assembly all business transacted by it. Its decisions shall be operative wherever power has been conferred, but may be reviewed and reversed by the Assembly.

8. Executive Commissions shall meet on their own appointment and adjournment and at the call of the electing judicatory, but shall not meet during the regular meetings of the electing judicatory, unless specifically authorized so to do by the judicatory. The minutes shall be submitted annually to the electing judicatory for review, and shall be referred for the purpose to the Committee on Bills and Overtures or similar Committee. The expenses of the Executive Commissions shall be provided for by the electing judicatories.

9. Nothing in this chapter shall be so construed as to prevent either a Presbytery, a Synod or the General Assembly from electing, at their own discretion, special commissions for specific administrative or executive purposes, which shall be subject to the limitations and regulations as to powers contained in this chapter, so far as they apply, and also to the Constitution of the Church. Such special commissions shall report whenever the electing judicatories shall require.

## Supplementary Overtures.

1. *The Presbytery.*—Shall Section VII, Chapter X, of the Form of Government, closing sentence, which reads:

"The Presbytery may appoint an Executive Commission, of which the chairmanship, the number of members, powers, duties, and term of service shall be determined by the Presbytery; provided, that judicial cases shall be referred only to Judicial Commissions," be changed so as to read:

The Presbytery may appoint an Executive Commission, in accordance with the provisions of Chapter XXVI of the Form of Government; provided that judicial cases shall be referred only to Judicial Commissions.

The Synod may appoint an Executive Commission, in accordance with the provisions of Chapter XXVI of the Form of Government; provided that judicial cases shall be referred only to Judicial Commissions.

3. *The General Assembly.*—Shall Section IV, Chapter XII, of the Form of Government, last two sentences, which read:

"The General Assembly may appoint an Executive Commission, of which the Moderator shall be chairman. The number of members, powers and duties, and term of service of the Commission shall be determined by the General Assembly; provided, that judicial cases shall be referred only to Judicial Commissions," be changed so as to read:

The General Assembly may appoint an Executive Commission, in accordance with the provisions of Chapter XXVI of the Form of Government; provided, that judicial cases shall be referred only to Judicial Commissions.

Through the Committee shall be presented, to the proper authorities, all applications of ministers of the Presbyterian Church in the U. S. A. for chaplaincies in the United States Army and Navy. The Standing Committee on Polity, through its Chairman, Rev. George B. Stewart, D.D., presented its Report, which was adopted in part, and is as follows:

The Standing Committee on Polity respectfully reports upon papers submitted to it, viz.:

*Overtures Nos. 218* to *244*, from the Presbytery of Adams and other Presbyteries, requesting the Assembly to send down an Overture with a view to the repeal of Constitutional Rule No. 1, on Local Evangelists. It is recommended that no action be taken.

*Overture No. 245*, from the Synod of Wisconsin, asking if the Synod has power to grant to lay evangelists the right to perform the marriage ceremony. It is recommended that the answer be that the Synod has no such power, but that this Assembly does not consider local evangelists when appointed as provided for in Constitutional Rule No. 1, as violating any rule of the Church by solemnizing marriages in those States where the civil law expressly authorizes them so to do.

*Overtures Nos. 246* to *249*, from the Presbyteries of Columbus, Huron, Lima and Zanesville, asking the Assembly to overture the Presbyteries to make constitutional provision for judicially proceeding against ministers and ruling elders who shall by vote, voice, or other overt act ally themselves with the liquor interests. It is recommended that the answer be, that in so far as the conduct of ministers and elders referred to in these Overtures is properly subject to judicial process, the present law of the Church is sufficient.

*Overture No. 250*, from the Presbytery of Connecticut Valley, relative to the presiding officer of the Board of Deacons. It is recommended that no action be taken.

*Overture No. 251*, from Colorado Synod, relative to the erection of a new Synod, to be called the Synod of Wyoming. The Overture sets forth the details relative to the boundaries of the Synod and its Presbyteries, etc. It is recommended that the Overture be answered in the affirmative, and that, pursuant to the details set forth in it, the erection of the Synod of Wyoming is hereby ordered as follows:

*It is enacted* by the General Assembly that a Synod, to be called the Synod of Wyoming, is hereby erected, whose boundaries shall be coterminous with the boundaries of the State of Wyoming, and shall consist of Presbyteries, ministers, and churches as follows:

The Presbytery of Cheyenne shall consist of the bounds as set forth by the General Assembly of 1912, the ministers and churches being as follows:

That the new Synod be convened by the Rev. L. Harold Forde, of Cheyenne, Wyo., on the second Thursday in October, 1915, at 7.30 P.M., in the Laramie Union Presbyterian Church, Laramie, Wyo., and that, in the absence of the said convener, the senior minister in point of service in the territory affected who is present, shall preach a sermon and constitute the Synod.

*Overture No. 252*, from the Synod of Canadian, relating to the erection of a new Presbytery for colored people in the State of Texas. As the Overture is not in proper form, and as the number of ministers named does not comply with the Form of Government, it is recommended that no action be taken.

*Overture No. 253*, from the Synod of North Dakota. It is recommended that the requests for the Presbyterial changes contained in the Overture be granted, as follows:

That the Presbyteries of Minnewaukan and Mouse River be dissolved, and that a new Presbytery, to be known as the Presbytery of Minnewaukan, be and hereby is erected. The territory of the new Presbytery shall include the territory of the Presbyteries of Minnewaukan and Mouse River as now constituted, comprising the counties of Rolette, Towner, Pierce, Benson and Ramsey, together with those parts of Eddy and Wells lying north of the twelfth standard parallel, and townships 153 and 154 of range 60 in the county of Nelson, and townships 159, 160, 162, 163 and 164 of ranges 63 and 64, and township 159 of range 62 in the county of Cavalier. Also the counties of Bottineau, McHenry, those portions of Renville and Ward lying east of the Mouse River, except so much as is included in the city of Minot, and that part of McLean lying east of the eleventh guide meridian and north of the twelfth standard parallel. The roll of ministers and churches shall be the rolls of the churches and ministers in both Presbyteries at the time of the constitution of the union. The union shall be constituted and effected at Rugby, North Dakota, on the second Monday in October, 1915, at 7.30 o'clock P.M. The Rev. Albert Torbet shall preach the sermon and constitute the new Presbytery. In case of

his absence, the oldest minister present, in point of ministerial service, shall preach, and constitute the new Presbytery.

*Overtures Nos. 254* and *255*, from the Presbyteries of Cookeville and McMinnville, relative to Presbyterial changes. As the papers submitted to the Assembly are incomplete and without adequate information, we recommend that no action be taken.

*Overtures Nos. 257* and *258*, relative to the transfer of the Bohemian churches of Thurston and Zion, in the Synod of Nebraska, from the Presbytery of Omaha to the Presbytery of Central West, Synod of Iowa. It is recommended that the requests be granted and that the transfers be authorized.

*Overture No. 259*, from the Synod of Washington, praying for the enrollment of the historic Wayilatpu Church as one of the churches of the Presbyterian Church in the U. S. A. While the information before the Assembly is incomplete, it appears that there is no reason why the Presbytery of Walla Walla should not proceed to enroll this church.

*Overture No. 263*, from the Presbytery of Larned, asking whether a special meeting of a congregation must conform to the requirements for a *pro re nata* meeting of a Presbytery as to the specification of the items of business. It is recommended that the question be answered in the negative.

*Overture No. 265*, from the Presbytery of Newcastle, asking as to the powers of a Presbyterial committee charged with the oversight of a church without a pastor or Session. It is recommended that the answer be that such a committee of Presbytery may have and exercise all the powers and discharge all the functions which the Presbytery properly has delegated to it.

*Resolution referred.*—The Assembly referred to the Committee a Resolution from the Standing Committee on Home Missions, on the subject of the desirability of appointing a Committee to draft an amendment to "Chapter XVIII," entitled "Of Missions," in the Form of Government of the Presbyterian Church in the U. S. A., that it may meet present conditions and demands of Home Mission administration.

It is recommended that the answer be:

(1) That the Synods now have ample powers for the supervision and administration of estimates and grants of Home Mission funds of the Presbyteries, and for the work within the bounds of Synods, and for the appointment and supervision of field men.

(2) That the Moderator appoint a special committee of five, with instructions to consider the rewriting of Form of Government, Chapter XVIII, with a view to expressing in clearer language the provisions for the present administrative

needs of the Mission work of the Church, and, if found desirable, to prepare an Overture for the Presbyteries relative to the matter, and to report to the next Assembly. [This *Resolution* reconsidered on Thursday evening.]

Respectfully submitted,

GEORGE B. STEWART, *Chairman.*

The answers to *Overtures Nos. 262* and *267*, submitted by the Committee, were placed upon the Docket for consideration.

The Standing Committee on Foreign Missions, through its Chairman, Rev. Perry V. Jenness, D.D., presented its Report, which was accepted, and, after addresses by Rev. Stanley White, D.D., Secretary of the Board; Dr. H. L. Weber, of Africa; Rev. Charles E. Rath, of the Philippines; Rev. W. T. Mitchell, of India; Rev. Henry N. White, D.D., of Siam, and Rev. Robert F. Fitch, of China, was adopted. The Report is as follows:

With profound gratitude to God, we record the fact that the Board of Foreign Missions has closed one of the most remarkable years in its history. It is impossible, in the time allowed us, even to mention all the striking and significant facts contained in its Seventy-eighth Annual Report, which it has been our duty and privilege to examine. We urge every Commissioner to study its pages. It will be found more thrillingly interesting than a story. It is indeed a great armory full of militant missionary ammunition.

We, therefore, ask you to look upon a few of the more outstanding events of the year, and to consider something of their significance. We believe our Church has never been confronted by more important issues or had open before her more glorious opportunities.

One year ago, the Board faced a deficit of $292,000. The whole country was under a cloud of financial depression. Many of the friends of missions were apprehensive of the future. In the face of such conditions the Assembly of 1914 had faith enough and courage enough to say, "There shall be no retrenchment and no retreat." It took decisive action looking toward a reduction of the debt, and approved the largest budget ever presented to an Assembly.

Before the plans of the Board could be fairly launched, the nations of Europe had plunged into a gigantic war. We all know how sudden and disastrous its effects were on all the world. Credit, commerce and communication were demoralized. Prices of everything needed on the mission fields, food, clothing and medical supplies, were raised to excessive figures. Then came the urgent appeals from

Belgium, Poland, Serbia, Syria and Persia, necessitating extraordinary measures for the relief of millions living on the border line of starvation. Our Board was also called upon to assist in caring for many missionaries from Continental Europe, cut off from home support.

These unusual conditions, almost revolutionary in character and involving so much readjustment of plans and methods of work, were met with remarkable ability and success by our Board, its Secretaries, and by the missionaries on the field. The home Church, too, responded to the call created by these unusual conditions. "In no previous year has there been such a manifestation of unselfish service, generous giving and earnest prayer on the part of pastors and people."

The total receipts and credits for the year ending March 31, 1915, were $2,286,819, or $115,559 more than in the previous year. The increase over the preceding year, from churches alone, was $265,000, or 34.5 per cent. The Woman's Societies and Sunday-schools also made a splendid advance. Putting it another way, the Board is almost $200,000 better off than it was a year ago, in spite of a world situation unprecedented in the history of our work.

It must not be thought, however, that this magnificent result was achieved easily or without earnest and prayerful endeavor on the part of many. Truly, the way of Christian conquest is to-day as much through sacrifice as ever.

We can never fully appreciate the patient, willing self-forgetfulness, and the heroic sacrifices made by our devoted missionaries during this year of world-wide calamities. Let it be recorded here, let it be repeated in our churches, let it be told to our children, that not one of our ambassadors for Christ, on the foreign field, has deserted his or her post in the day of danger. Not one has asked to return to the home land because of the disturbed conditions abroad.

The work of our Board in its various fields, with the single exception of Mexico, shows constant progress. We can give but a glance at each field.

Chinese, Japanese and Koreans in United States.—Work is maintained in thirty-one places with increasing interest and blessing. The Report shows 1,118 communicants and that their contributions for self-support and benevolence aggregate $16,456, or an average of $15 per communicant.

Latin America.—*Mexico.*—Over a year ago the State Department at Washington requested the temporary withdrawal of our missionaries from Mexico because of chaotic conditions there. The native pastors and their helpers

have, however, continued the work where possible and in many places with remarkable success. Taking advantage of the presence, at home, of our missionaries from Mexico, representatives of the Boards at work in that country met in the city of Cincinnati last summer and prepared a plan, which, if carried out, will unite the Christian forces in Mexico, greatly increasing the efficiency of the missionary activities now directed by the various denominations.

South America.—The European War has greatly affected all economic and commercial activities in the South American continent. Practically all of the countries have been seriously crippled by the falling off of their national revenues. Many of the people were brought to the doors of starvation, and in some instances women and children died for want of food. With these conditions came lawlessness and in some places human life was unsafe. These things have not prevented the progress of our work, but rather have helped to the furtherance of the Gospel, giving our missionaries many new opportunities for Christ-like ministry.

*Panama.*—In February next a meeting of great importance will be held, in the city of Panama, in the interest of Christian Missions in Latin America. Five hundred selected delegates, representing the Evangelical Churches, will spend ten days in conference, regarding ways and means of advancing the interests of Christ's Kingdom among the twenty Latin republics. From this conference, groups will be sent to carry the information and inspiration to the mission fields of these republics. We hope and pray that this meeting will mark the beginning of a new era in the missionary enterprise throughout all South America.

The Philippines.—In accord with the action of the last General Assembly, the "Independent Presbyterian Church of the Philippine Islands" was formally organized in October of last year. The body will henceforth govern itself, although its missionary work will be aided, as before, by our Board of Foreign Missions. This is the splendid harvest of the work commenced fifteen years ago with nine members, where to-day there are 122 churches, with 12,000 members. It is expected that there will be a gradual transfer of authority and responsibility from the shoulders of our American missionaries to those of the native pastors and congregations. One result of this will undoubtedly be a great increase in self-support, and a release of funds for advance work in the territory assigned to our Board.

Africa.—The Pentecost at Elat continues. New outstations have been opened upon the urgent request of the native people. The first church of Elat received, during the

year, 1,062 persons on confession of their faith in Christ. Over 8,000 attended the services on a single Sabbath. What is true of Elat is practically true of other stations, save upon a smaller scale. It should be remembered that this work has gone on, in the face of serious obstacles due to the clash of German interests with those of the Allies in that part of the Dark Continent.

PERSIA.—A great cry of sympathy from the Christian world goes out in these days to the tens of thousands of innocent sufferers in this land. Our missionaries are the only ones now on the field, and thus far have steadfastly refused to leave their post of duty. In January, the Russian troops were suddenly withdrawn from the Western Province, and the peace and safety of thousands of lives were made to depend upon the presence there of our missionary forces. From twelve to fifteen thousand refugees have found shelter in the mission compounds in Urumia.

A year ago, it was announced that one of our missionary physicians, Dr. Harry Packard, would be transferred from Urumia to an Eastern Persian station. No sooner was it known in Urumia, than letters were sent to one of the Secretaries of our Board and addressed to "His Exalted Presence, His Excellency, the Chief of American Missions," and signed by the governor of the city of Urumia, by the governor of the Province, by leading Mullahs and by influential Sayids, urging that Dr. Packard be permitted to remain in their city. It was in view of this that Dr. Packard returned to his hospital work in Urumia after the outbreak of hostilities. Starting with his family, he was obliged to go by way of the North Sea, the Baltic and down through Russia to reach his field. It was this heroic young physician who, learning that one of the largest Christian villages of the plain had been attacked by Kurds, determined to see what his long and intimate relations with many of their chiefs would do. At the risk of his life, he visited the Sheikh and begged that the lives of the villagers be given to him. His personal influence prevailed, and that night he brought into the city of Urumia over 1,000 men, women and children, saved from massacre in its most horrible forms. What comment can your committee make that would add to such a story as this?

Our Board has responded to appeals from this field, and up to the present time about $50,000 has been forwarded to the relief committee for the refugees of Persia. The last reports through the press indicate that typhus fever is prevalent among these poor people, and that some of our missionaries, including Dr. Packard, are ill. The prayers

of a great multitude of God's people are going up that the lives of these missionaries and the helpless people committed to their care may be spared and the progress of the plague be checked.

Syria.—Communication with this land was seriously interrupted for months. The entrance of Turkey into the European conflict gave occasion for ministry to her suffering people in the name of Christ, and it has turned to a great evangelistic advantage.

India.—India, with her more than three hundred millions of people, continues to be a land of great opportunity. The missionary schools and colleges are filled to overflowing and thousands of baptized converts are in sore need of further instruction. The movement among the depressed masses toward Christianity has continued unabated and the attitude of the people at large toward the Christian preacher never has been more friendly.

Rev. J. C. R. Ewing, D.D., LL.D., President of Forman Christian College and Vice-Chancellor of the University of Punjab, has recently brought new honor, not only to the Mission Board and to our Presbyterian Church, but also to our country at large. He has had conferred upon him by the government the honorary decoration of "Companion to the Indian Empire," the first American to receive such an honor. We congratulate Dr. Ewing upon the unusual distinction he has attained and the recognition which the empire has given him.

Siam.—The Siam Mission is now designated the "South Siam Mission" and the Laos Mission is now designated the "North Siam Mission." This change was made, among other reasons, at the request of the government, which desired the recognition of the political unity of the country. More and more the work in these missions is becoming less difficult because of the amazing internal development and improvement of the country. Railways and highways are penetrating every part of the kingdom, fostering social cohesion and making possible the general dissemination of the Gospel. All of the reports from this field indicate a continuation of the vigor and success of the work. It is well for us to remember that our Church is the only Protestant body engaged in missionary operations in this field.

Japan.—Victor over China twenty years ago; over Russia ten years ago, and now successful in displacing German influence in the Far East, Japan has become the dominating influence in the Orient. Throbbing with life and energy, aggressive, ambitious and awake to the main chance, she stands ready to take quick advantage of every new com-

mercial, political and national opportunity. Japan's need is immediate and imperative. Only a new moral consciousness, created and nourished by a new spiritual life, will meet her need and enable her to fulfill her destiny.

Our duty toward Japan in these days of racial prejudice and hatred is clear and simple. To deal generously and sympathetically with her in all diplomatic relations, to create and maintain a spirit of international brotherhood exemplifying the love of Christ, and to minister to her spiritual needs—this is the duty of the Christian Church of America. Everywhere the people are thinking deeply about religion, and especially about the Christian religion. Will we be disobedient to the Divine leading?

CHOSEN.—This is to us a new name, but it is the old and correct designation of the land we have known as "Korea." We are asked now to adopt and to use this correct name in the future. Chosen is no longer the "Hermit Nation." Its isolation and seclusion have been broken and everything there is passing through a process of readjustment. Japanese influence and ideals are working a transformation. The Christian Church rejoices in the release of Baron Yun Chi-ho and his five fellow Christians, who were serving a six years' sentence for alleged conspiracy to assassinate the governor-general. We never believed them guilty, and we are thankful to God that the unhappy incident is now closed. The Church in Chosen still exhibits all the signs of healthy growth. In no other mission field are more of the fruits of apostolic Christianity to be found than in the native Church of the land of the "Morning Calm."

CHINA.—Your Committee is glad to report the status of the China Campaign Fund, which was authorized by the Assembly of 1912, to continue for a period of three years. It was the purpose of this campaign to meet the emergency in China created by the birth of the new republic, by the appointment of 160 additional missionaries and to provide new property and equipment necessary for their work. The total amount which it was calculated would be necessary to accomplish this purpose was $735,000. The Board reports that, up to the present time, $571,000 has actually been received, and there still is some $65,000 in outstanding pledges. In view of the fact that a considerable period during which this money was to be raised fell in the disturbed condition consequent upon the European War, and when numerous calls of other kinds were coming to the Church, we should not be discouraged that the task was not completely accomplished.

Our missionary interests in China are extensive, including

32 principal stations, 429 missionaries, 31 hospitals and 634 schools and colleges. In spite of political and military disturbances due to the European War and to diplomatic relations of a critical nature between China and Japan, our work has steadily gone on through the year. Plans for the organization of a Presbyterian General Assembly are developing, and it is expected that the organic union of all the Presbyterian and Reformed bodies in China will be accomplished by 1917.

The present situation in China is set forth in these striking sentences by Mr. Sherwood Eddy: "After 4,000 years of preparation and 100 years of missions, the doors are thrown wide open in China for reaching the officials, the educators, the students and the leaders of a nation that numbers one-quarter of the human race. Already there are signs of the beginning of a Confucian revival, which indicates that this opportunity will not be prolonged indefinitely. We must press our advantage immediately, in the length and breadth of the Chinese Republic."

Resumé.—Such, in brief, is the sight that unfolds before our eyes as we try to obey the command of our Lord to "Look upon the fields white for the harvest."

What is the significance of these facts? What shall we say is the lesson of the hour? Recall in your mind the last ten verses of the Gospel of Matthew. The Revised Version divides these verses into two paragraphs. They have been aptly termed the "two programs." The first is the program of the Priests and the Elders; the second that of the Master Himself. How vastly different the Divine plan from that which we would have suggested under the circumstances! "His grave is empty because the body has been taken away by His disciples," say the enemies of Jesus. Our answer would have been, "Let Christ suddenly appear and confound them, and thus establish the proof of His resurrection." The Lord Himself utterly ignored the program of His foes. He appeared only to His disciples and said to them, "Go, teach, make disciples, baptize, and, lo, I am with you always." In their obedience to the command they were to find the consciousness of His presence. They were to be Faith's "Apostles, not Apologists."

Charles Kingsley says this is the "Strategy of Providence." It is God's method of answer to doubt and unbelief. The supernatural demonstration granted to the witnessing Church has always been the great credential of the Gospel. In every important crisis of the history of the Church, God's command has been, "Go Forward," and the result of obedience has been an exhibition of His presence and power. When the

seemingly impossible has been attempted, supernatural manifestations of grace have flooded the world with infallible proofs of the conquering Christ. Pentecost is God's answer to the program of the enemies of the Cross.

How wonderfully this was illustrated in the closing decade of the eighteenth century! The continent of Europe was enshrouded in clouds of war. The infidelity of Voltaire, Tom Paine and Frederick the Great had brought its harvest of blood. On November 10, 1793, a beautiful but abandoned woman was crowned "The Goddess of Reason" on the high altar of Notre Dame. It was man's impious challenge to God. A silent heaven gave no answer to France. The challenge was apparently ignored, and in a few days the streets of Paris ran riot with the blood of the revolution. But God had an answer. His strategic advance had already been planned, and on November 11, 1793, the very day after the Goddess of Reason was crowned, William Carey landed in Calcutta, and the modern missionary movement began its powerful apologetic to an unbelieving world.

The Church of Jesus Christ faces another crisis to-day. Once more dark clouds of national and racial hatred have settled down over the world. All of our dreams of universal peace and brotherhood have been shattered. National agreements and treaties have been violated. Human systems and philosophies, from which men hoped for so much, have utterly broken down. Man is at war with his brother man because man is a sinner. There is no remedy for war till man ceases to be a sinner. There is no remedy for sin but in Jesus Christ. He alone is the Prince of Peace. There can be no peace till He is enthroned in the hearts of men. Here is our great missionary imperative, "After Jesus, there is either His religion or no religion." We hold in trust the panacea for the world's ills, the remedy for the world's unrest. If ever men needed to be confronted with the fruits of the supernatural, a living God back of the Church, who does hear and answer prayer, guide by His providence, and convert by His grace, that time is now.

It is the uniform testimony of the past that every great missionary advance has been accompanied by such supernatural manifestations of God's grace, that scoffers and doubters have been silenced because the witness of eyes and ears could not be denied.

Brethren, the evidence is not wanting that God's strategy is at work in the mission fields of the world. One does not need to go outside the Report of our own Board for the past year to be impressed with the presence of the supernatural. From every quarter comes the story of the awakening, of

the opening of long-closed doors and of movements among the people that encourage and invite direct evangelistic appeal. Our men on the outposts are calling: "This is the day of spiritual crisis; nothing in all history, nothing since the day of Pentecost, has been equal to the present opportunity." The need of the Church to-day is a new discovery of the purpose of God in this age and a new consciousness of the strategy of God's providence. "Go," is the divine command, and "Lo," is the promise of divine power.

By the gracious lessons of the past, by the stately marchings and the manifest leadings of God's providence in the present, and by His glorious promises of the Imperial Kingdom of Christ yet to be, He calls us to a new surrender of ourselves to Him and to His Son our Lord, and to a new obedience to His last command.

The following resolutions are submitted for adoption.

*Resolved*, 1. That the minutes of the Board, having been examined and found in order by the Committee, be approved.

*Resolved*, 2. That, whereas the General Assembly of 1912, in order to stableize the Board's receipts for current expenses, authorized the Board to apply amounts received from legacies in excess of $100,000 to its educational endowment fund; and whereas, the amounts received from legacies have increased during the past three years so as to warrant the use of a larger sum for current expenses, your Committee recommends that the Assembly approve the Board's action in increasing the amount from $100,000 to $125,000, the same to begin with the years 1914 and 1915.

*Resolved*, 3. That the Assembly acknowledges with deepest gratitude the noble work accomplished by the Women's Boards. Too much praise cannot be given the thousands of faithful, consecrated women, who, in their several organizations and individually, have been so untiring in their efforts and have so successfully and with such splendid results contributed to the funds of the Board.

*Resolved*, 4. That the Assembly recommends to all pastors and Sunday-school superintendents the observance of the special days at Easter and Christmas, in the Sunday-schools, for the presentation of foreign missions; that they make use of the programs and exercises prepared under the direction of the Board, and especially that every Sunday-school make some contribution to Foreign Missions.

*Resolved*, 5. That the Assembly approves the plan of the Board in arranging for Presbyterial itineraries by groups of furloughed missionaries, that the churches may thus come in closer touch with our work in mission fields.

*Resolved*, 6. That the Assembly presses home upon parents, pastors, Sunday-school superintendents and teachers the duty and privilege of repeatedly presenting and urging upon their young people the claims of Christ and the Church upon them for foreign mission service as a life work.

*Resolved*, 7. That the Assembly expresses to the Board and its Secretaries its gratitude for and high appreciation of their fidelity, zeal and wisdom, in the conduct of the Board's affairs, and also makes grateful recognition of the self-denial and faithfulness of our missionaries during the unusually trying conditions in which they have been compelled to do their work.

*Resolved*, 8. That the following persons, whose terms of office expire with this meeting, be reëlected members of the Board for the class of 1915–1918: Rev. Cleland B. McAfee, D.D., Rev. Charles R. Erdman, D.D., Rev. Wm. P. Merrill, D.D., Rev. John Fox, D.D., Rev. J. H. Jowett, D.D., Mr. W. P. Stevenson, Mr. Scott Foster, Mr. John L. Severance.

*Resolved*, 9. That, in view of the fact that the world, in these momentous days, is ever increasingly looking to America for leadership in all that makes for the uplift of humanity, and the binding of the nations together in bonds of mutual peace and mutual helpfulness, and is open to the teachings of true Christianity as never before, we believe the call of the Church to preach the Gospel of the Prince of Peace unto all peoples, in all lands, was never more clear or imperative than to-day. The Assembly, therefore, earnestly beseeches the members of our churches not merely to maintain the work of our missions in foreign lands on its present basis, but by fervent prayer, by special effort and unusual sacrifice in their gifts to the Board, to seize the God-given opportunity, presented as never before, to give the Gospel to all the nations and so hasten the coming of Christ's Kingdom on earth.

On behalf of the Committee,
PERRY V. JENNESS, *Chairman.*

The Permanent Judicial Commission, through its Chairman, Rev. W. Francis Irwin, D.D., asked for a reconsideration of the motion fixing the first order of the evening session. The request was granted and the Report of the Judicial Commission was made the first order.

The following telegram was received from the General Assembly of the Presbyterian Church in the United States:

NEWPORT NEWS, VA., May 27, 1915.

*Rev. Dr. W. H. Roberts, Stated Clerk Presbyterian Assembly, Rochester, N. Y.:*

Responding to your communication touching comity, this Assembly appoints a Committee of Conference, with Moderator Alexander as Chairman,

THOMAS H. LAW, *Stated Clerk.*

It was ordered that Commissioners from Presbyteries in the Synods of Atlantic, Catawba, Canadian, and East Tennessee, that have not paid the mileage apportionments, owing to inability, be paid their traveling expenses and entertainment in full.

The Standing Committee on Polity presented an additional Report, which was adopted, and is as follows:

*Overture No. 262*, from the Presbytery of Cincinnati, asking as to the right of a Presbytery to issue to a minister a certificate of dismission, the same to become operative at some future date. It is recommended that the answer be, that the date to be affixed to a certificate of dismission is within the discretion of the Presbytery granting the same.

The Assembly took recess and was closed with prayer.

---

THURSDAY, May 27, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Stated Clerk announced that the Moderator had requested him to secure an ex-Moderator to preside in his absence. Rev. Mark A. Matthews, D.D., being the last Moderator present, presided.

The Standing Committee on Church Erection, through its Chairman, Rev. Frederick L. Selden, D.D., presented its Report, which was accepted, and, after an address by Rev. David G. Wylie, D.D., Secretary of the Board, was adopted. Resolutions 13 and 18, requiring changes in the Rules, were adopted by a unanimous vote. Resolution 14 was amended by the addition of the phrase, "and Mexicans." The Report as adopted is as follows:

Your Committee on Church Erection presents the following Report:

The records of the Church tell an interesting story.

Seventy-one years ago, in response to the needs of a growing work in pioneer sections, this Board was constituted by the General Assembly for the purpose of giving financial assistance to "feeble congregations" in providing houses of worship. There was no witchery of romance, nor enthusiasm of sentiment to furnish a motive for such an agency, but just the inspiration of the vision of a crying need with far-reaching possibilities. Born to meet the demands of "exceptional cases," the Board has grown strong and efficient. After all these years, we find it at its original task. This is its business.

The frontier line that witnessed the first efforts of the Board in that early day has been greatly extended, until to-day the benefactions of the Church through this agency are bestowed in every quarter of the United States and in Porto Rico, Cuba and Alaska as well. Through the timely assistance given by this Board, the far-flung battle lines of Home Missionary effort have been conserved. During the period of its activities the Board has collected and disbursed the vast sum of nearly eight millions of dollars, and has given substantial financial aid to 10,602 churches and manses; for aid is given not only for the erection of churches, but also for the building of homes for pastors. The meagre salaries paid by the great majority of our churches precludes the possibility of the minister's living in a comfortable home. Through the coöperation of this Board, hundreds of manses have been built and thereby the efficiency of the local church greatly enhanced. The pastor's home becomes a rallying centre for the congregation, and from it goes forth waves of Christian influence to bless the whole community.

Among these churches so aided are not a few of the now very strongest congregations of our beloved Church. To-day these churches are furnishing munitions for the age-long warfare in which we are engaged. So the wisdom of aiding the weak and struggling church finds its justification.

If another agency claims for itself the distinction of being the right arm of the Church, we insist that the Board of Church Erection is the left arm and that the Church is a Benjaminite. As we come up to this Assembly, a mighty clamor is ringing in our ears and insistent demands are knocking at our door. Have you heard the cry that comes up from the city's teeming millions, where crime breeds and virtue pales? Have you caught the wistful, pleading note from the region where dwells the Islam of America?

Has it not been told you again and again that from many sections in the near and the far West hope has been so long deferred that the heart has grown sick unto death? Do you

not hear the demands of the great student body of America? Do we need to be reminded that in them is vested the weal or the woe of the Church? But buildings cost money; land cannot be bought for naught. Dreams are poor things to dwell in and churches in the air do not call pastors. The Board can administer only that which is placed in its hands. It cannot do the impossible. When a sluggish church awakens to the vision of its God-appointed task, it will make of this Board an agency of the first magnitude and will place in its hands not a paltry $75,000 per annum, but a sum commensurate with the demands placed upon it—not less than a quarter of a million of dollars annually. Unless the Board can advance at once all along the line, much that has been accomplished by other agencies of the Church will have to be given up: the work of the Home Missionary must be reinforced by permanent buildings, else labor and expenditure are well nigh in vain.

During the past year 269 appropriations were made by the Board, amounting to $438,106.

Your Committee desires to express its gratitude to a wise and loving God, who has in the years gone by raised up consecrated men who have devoted themselves to the work of this Board with no other compensation than the consciousness of service well rendered. "And their works do follow them."

We congratulate the Assembly and the Church upon the membership of the Board as it is now constituted. We find in this list the names not alone of men well known throughout the Church, but also the names of men to whom the business world acknowledges leadership. The Minutes of the Board reveal the fact that out of twenty members living in and contiguous to New York at least eighteen were present at each of the regular meetings of the Board, attesting to their loyalty and to the esteem in which they hold this work of the Church. These busy men are literally giving themselves to this work.

We congratulate the Assembly upon the personnel of the officers of the Board, whose fidelity and wise and patient supervision of a great trust have brought lasting blessings to so many churches battling with the stubborn problem of financial weakness.

And we congratulate the Assembly on having so capable a Corresponding Secretary. Because he had a vision of the possibilities of the Board and therein heard its call, the Rev. David G. Wylie, D.D., pastor of the Scotch Presbyterian Church of New York, a little over a year ago, gave up a most happy and successful pastorate of over twenty-three

years, and at personal sacrifice to himself took up the work of the Secretaryship of the Board. To this work he has brought the fruitage of a rich experience and with his wise prescience he is leading the Board into an ever-increasing efficiency.

We would not be true to ourselves if at this time we failed to acknowledge the invaluable services of the Field Secretary, the Rev. Jesse C. Bruce, D.D. Wise in his judgments, kindly in his dealings with the churches, self-sacrificing in his labors, he has rendered a service that cannot be computed. In the interest of the Church this past year his itinerary was equivalent to a trip around the world.

In the conference of the past few days the eyes of this Committee have been opened, and never again can we have anything but the warmest praise for the men and the work of this noble Board whose task is so great and whose means are so limited.

We wish to call the attention of the Assembly to the Annual Report of the Board, for your thoughtful perusal and consideration. Acquaint yourselves with the magnitude of the work being done and with the excessive demands that are daily coming up for consideration. Information along this line cannot fail to disarm criticism.

We heartily commend the action of the Assembly in authorizing the organization of a Joint Committee from the Board of Education and the Board of Church Erection, for the purpose of taking up and carrying forward the work of providing churches for the accommodation of the Presbyterian students at university centres. It paves the way for the solving of a serious problem.

We heartily approve the efforts of the Board to recover old grants in cases where the churches have grown sufficiently able in their turn to help to bear the burden of the weak.

Because there is a misapprehension in the minds of many concerning the matter of personal collateral bonds, your Committee wishes to call the attention of the members of the Assembly to the plain rule of the Board as touching this matter.

1. No collateral bonds are required in cases of grants.

2. No collateral bonds are required in cases of loans, without interest, which may be made to the extent of $3,000.

3. Personal collateral bonds are required only in cases of loans made from the Loan Fund.

Your Committee desires to present the following recommendations:

1. That the Minutes of the Board, which we have found to be accurate and kept in faultless order, be approved.

2. That the Assembly give its most hearty approval of the work and policy of the Board.

3. The term of service of the following members expires in 1915: *Ministers*—Rev. William Russell Bennett, Rev. John F. Carson, D.D., Rev. George Walton King, D.D., Rev. Robert B. A. McBride, D.D., Rev. E. Van Dyke Wight, D.D.; *Laymen*—Charles Glatz, D. Stewart Jessup, M.D., William H. Parsons, and that the following men be nominated for election to serve for a term of three years: *Ministers*—Rev. William Russell Bennett, Rev. John F. Carson, D.D., LL.D., Rev. George Walton King, D.D., Rev. Robert B. A. McBride, D.D., Rev. E. Van Dyke Wight, D.D.; *Laymen*—Charles Glatz, Albert S. Richey, William H. Parsons.

4. That the Assembly approve the action of the Board in transferring its reversionary interest in the property of the East Park Presbyterian Church of Philadelphia to the Trustees of the Presbytery of Philadelphia.

5. That in each instance an application be signed by at least a majority of the Committee of the Presbytery, after a full discussion of all the circumstances pertaining thereto, and that Presbyteries be directed to see to it that greater care be taken in giving the Board full and complete information in all applications for grants or loans.

6. That renewed emphasis be laid upon the suggestion of the last Assembly, as contained in Article 2 of Section VI of the Annual Report of Board of Church Erection, viz., "That churches applying for assistance from the Board be urged to confer with the Board before building-plans are adopted."

7. That the Board be requested to give due consideration to the matter of adding an Architectural Department to the work of the Board.

8. Where an application is made by an incorporated Presbytery for a loan from the Loan Fund for the purpose of assisting in the erection of a building for distinctively missionary purposes, the Board is authorized to waive the personal collateral bond.

9. That the Presbyteries be directed to report to the Board semi-annually all churches dissolved by action of the Presbytery.

10. That in view of the stupendous and far-reaching work of the Board of Church Erection, the magnitude of which work we as individuals had never realized, as we have since serving upon this Committee, and having had presented to us but a few of the many and serious problems that confront this Board, we recommend that this Assembly urge upon every Commissioner his responsibility, in his own home

church and Presbytery, of endeavoring to have the subscriptions materially increased, and especially to urge those Commissioners in whose churches no offerings have been made, to see to it that this omission does not continue, but that a sum equal to their ability shall be sent hereafter.

11. That churches be urged to apply for loans instead of grants, wherever possible, and that the term of repayment of the loan be left to the discretion of the Board, not to exceed a period of twenty years.

12. WHEREAS, On Government reclamation projects the water right is paid for in installments and the unpaid portion is a lien upon the land; and

WHEREAS, Our Board of Church Erection can grant only to churches having title in fee simple to the land on which their buildings stand; and

WHEREAS, The homesteader has a right only to convey title against his own acts in case of dry farm homestead entries; and

WHEREAS, These facts render it impossible to build churches and manses in many needy and deserving communities, inasmuch as the settlers on these projects are financially unable to provide themselves with such buildings; therefore,

*Resolved*, That we recommend that the United States Government be requested to donate or to sell to churches the water right on land used strictly for church purposes, in amounts not to exceed two acres; and be it further

*Resolved*, That we recommend that the United States Government be requested to issue patents on dry farms in cases where homesteaders make deeds for lands for church purposes or manses.

13. That the rule of the General Assembly, adopted in 1913, found on p. 174 of the General Assembly *Minutes* of 1913, sub-division (B) be amended by inserting, after the words $1,000, the following: "Except in cases of churches contiguous to Presbyterian educational institutions, in which case the Board shall have discretion to make grants not exceeding one-third of the actual cost of the building," so that the rule, when amended, will read as follows:

"Grants not exceeding $1,000" (except in cases of churches contiguous to Presbyterian educational institutions, in which case the Board shall have discretion to make grants not exceeding one-third of the actual cost of the building) "and loans, without interest, not exceeding $3,000, may be made to feeble churches from the income of the Board for the purpose indicated in Article 'C' hereof, and also for aid in the establishment of schools and chapels among the excep-

tional populations, but it is expected that churches able to pay interest on loans will do so, and will accept them under the provisions of the Loan Fund."

14. Inasmuch as the work in Mormon and Mexican communities is exceedingly difficult, under the most favorable circumstances, and inasmuch as the equipment in the way of church buildings and manses is entirely inadequate to the accomplishment of our purpose, and inasmuch as it is impossible for our mission stations to comply with the rules of the General Assembly governing grants and loans by the Church Erection Board,

*Resolved*, That the work in the Mormon and Mexican communities be placed upon the same basis as the work in Porto Rico and Cuba, wherein the Board of Home Missions and the Church Erection Board coöperate, in the equipment of the fields in which they have undertaken the work.

15. The Committee has heard with deep interest representatives of the San Francisco and Oakland Presbyteries. We believe that the most exceptional condition which exists therein demands the serious consideration of the Board of Church Erection, and we recommend that the Board's hearty sympathy be extended to these Presbyteries, and that a Joint Committee of Church Erection and Home Missions be appointed to coöperate with these Presbyteries in devising some way to meet the situation.

Concerning the Overtures referred to this Committee, we make the following recommendations:

*Overtures Nos. 63* and *64*, from the Presbytery of Cheyenne and from the Synod of Colorado, respectively, relative to question of loans from the Board of Church Erection and the policy of the Board. We recommend that no action be taken.

*Overture No. 65*, from the Presbytery of Southern Arizona, in the matter of loans or grants from the Board. We recommend that no action be taken.

*Overture No. 66*, relating to titles of properties held by churches getting aid from the Board of Church Erection, to create a new rule of Assembly. We recommend, no action.

Respectfully submitted,

FREDERICK L. SELDEN, *Chairman.*

The Stated Clerk was unanimously authorized to cast the ballot, and did cast the ballot, for the following members of the Permanent Judicial Commission, Class of 1915–1918, and they were declared duly elected: *Ministers*—John T. Bacon, D.D., W. S. Plumer Bryan, D.D., Wallace M. Hamilton, D.D.; *Ruling Elders*—Warner E. Settle and Charles D. Merrick.

The Stated Clerk was authorized to cast the ballot, and did cast the ballot, for the following members of the Executive Commission, and they were declared duly elected: *Ministers*—J. Ross Stevenson, D.D., Frederick N. McMillin, D.D., and John H. Burma, D.D.; *Ruling Elders*—Charles S. Cairns and John C. Cobb.

The following Resolution, concerning the Sanatorium for the Treatment of Tuberculosis, in New Mexico, was adopted:

*Resolved*, That the General Assembly heartily commends the work of the Southwestern Presbyterian Sanatorium for Tuberculosis, at Albuquerque, New Mexico, under the control of the Synod of New Mexico.

In view of the fact that the Board of Ministerial Relief and Sustentation has already established a building, which is now open for ministers in connection with this Sanatorium, with the approval of the General Assembly, it is fitting that the Assembly should give its further endorsement to this worthy work.

The Committee on Next Place of Meeting presented its Report, which was adopted and is as follows:

The Committee on the Next Place of Meeting respectfully reports to the General Assembly as follows:

Invitations have been received from the First Presbyterian Church of Atlantic City, N. J., and the other Presbyterian churches of the same city, the Presbytery of West Jersey, the Synod of New Jersey, and various organizations of Atlantic City, the Atlantic City Publicity Committee, etc., included. Invitations also were received from Winona Lake Assembly, and the First Presbyterian Church of Seattle, Wash. The several parties presenting invitations have been heard, and, after careful consideration, the Committee report, recommending that the invitations from Atlantic City be accepted, with the understanding that the Steel Pier be the place of meeting for the Assembly, without charge, that free entertainment be given for the officers of the Assembly, and that the rate of three dollars per day, on the American plan, proffered by the hotels named in the invitation, be the rate for the entertainment of Commissioners.

The following additional recommendations are offered for adoption:

2. That the pastor and Session of the First Presbyterian Church, Atlantic City, N. J., together with the pastors of the other Presbyterian churches of the city and the Stated Clerk of the General Assembly, be the local Committee of Arrangements, with power to add to their number.

3. That the Assembly expresses its appreciation of the invitation from the Winona Lake Assembly, Indiana; is deeply interested in the plans for its reorganization, and hopes that the way will be open to the Assembly, for an acceptance of an invitation, in due time, to meet at so delightful a place.

4. That while the Assembly cannot this year see its way clear to accept an invitation to Seattle, Wash., it appreciates greatly the invitation offered, and hopes that at an early date matters may be so adjusted, as to financial considerations, through the action of Presbyteries, as well as of the Assembly, as to enable a meeting to be held at this great centre of influence on the Pacific Coast.

5. That all arrangements for railroad transportation be placed, as customary, in the hands of the Stated Clerk.

Wm. H. Roberts,
Wm. B. Noble.

The Standing Committee on Education reported on Overtures referred to it. The Report was adopted and is as follows:

Your Committee has had referred to it for answer the following Overtures:

*Overture No. 266*, from the Presbytery of Oakland, asking aid for medical missionary students for the term of five years, under certain conditions, instead of for only four years. It is recommended that it be answered in the negative.

*Overture No. 114*, from the Synod of Ohio, asking that the Assembly direct the Board of Education to grant to ordained ministers in our body, who are without the prescribed course of preparation in our theological seminaries and who desire to take such course, the aid granted to candidates for the ministry pursuing their theological studies. Answer: While the need of such help upon the part of this class of men is recognized, your Committee is of the opinion that it would be unwise to make this change in the Board's rules, and therefore it is unanimously recommended that the Overture be answered in the negative.

*Biblical Instruction.*—In view of the action of the present Assembly relating to the promotion of Biblical instruction among children in public schools, whereby certain Boards of the Assembly appear to have like or similar work committed to them, it is recommended that the question of jurisdiction in this matter be referred to the Executive Commission for such action as may be appropriate.

A *Resolution* concerning the principle of national aid to education was referred to this Committee. It is recommended that it be referred to the Council of Reformed Churches in the U. S. holding the Presbyterian System.

The Committee on Correspondence, through its Chairman, Rev. William Bryant, D.D., presented its Report, which was accepted. The Committee introduced Hon. Hiram Egerton, mayor of the city of Rochester, who addressed the Assembly. The Moderator responded cordially to the mayor's greeting. The Committee introduced the following corresponding delegates, who addressed the Assembly. Dean Shailer Mathews, representing the Federal Council of the Churches of Christ in America; Rev. R. Dykes Shaw, D.D., General Secretary of the World's Alliance of the Reformed Churches holding the Presbyterian System; Rev. Stuart L. Roussel, representing the Evangelical Reformed Church of France; Rev. Prof. Alberto Clot, representing the Waldensian Church of Italy; Rev. William H. Hannum, D.D., delegate from the Presbyterian Church in India, and Rev. George Summey, D.D., of the Presbyterian Church in the United States. The Moderator responded to the addresses. The Report was adopted and is as follows:

The Standing Committee on Correspondence respectfully reports as follows:

We are thankful to God and grateful to our wise and Christian President, and grateful also for the patriotic self-restraint of our people, that our own nation is at peace, and in a measure at least in correspondence with all the world. So is the Presbyterian Church in the U. S. A.

Courtship by correspondence is not an ideal form of love-making, especially when correspondence must run the gauntlet of iron-clads, submarines, and rigid censorship. Our relations to our brethren in France, Germany, Bohemia, Hungary, Switzerland, Holland and other lands are as cordial as ever, but now somewhat intermittent. This is not our fault nor theirs, but due to the exigencies of international conflict. When we plan for an interchange of courtesies, we have to use with a new meaning the commonplace words: "If the way be clear." We are praying for peace, a lasting peace, the peace that God only can give. But in some ways we can advance that peace, as a Church of strong foundations, broad sympathies and lofty aspirations. Presbyterians can do this at least as well as any body of Christians, for they are always in the van of Church unity.

We have the honor, first of all, to introduce to the Assembly

the mayor of Rochester, the Hon. Hiram Egerton, who is a member of the Central Presbyterian Church.

Further, there are present at this Assembly the representatives of certain corresponding Churches and organizations, which we as Presbyterians delight to honor, and whose trials and triumphs we share. They are as follows:

From the World's Alliance of Reformed Churches holding the Presbyterian System, Rev. R. Dykes Shaw, D.D., General Secretary.

From the Council of Reformed Churches in America, Rev. J. Gray Bolton, D.D.

From the Federal Council of the Churches of Christ in America, Prof. Shailer Mathews, D.D., who has just been elected, in his absence, President of the Northern Baptist Convention for one year.

From the Evangelical Reformed Church of France, Rev. Dr. Stuart L. Roussel.

From the Waldensian Church of Italy, Rev. Prof. Alberto Clot.

From the General Assembly of the Presbyterian Church in the U. S., Rev. George Summey, D.D.

From the Presbyterian Church of India, Rev. William H. Hannum, D.D.

Your Committee has received no reports from the fraternal delegates appointed last year.

Your Committee would recommend that the following ministers be nominated to convey our greetings to our sister Churches of the Reformed faith.

Rev. William H. Wray Boyle, D.D., to the General Assembly of the Presbyterian Church in Canada.

Rev. Henry C. Minton, D.D., to the General Synod of the Reformed Church in America, meeting in 1916.

Respectfully submitted,

WILLIAM BRYANT, *Chairman.*

The following Resolution, presented by the Rev. Henry C. Minton, D.D., was adopted:

*Resolved,* That the General Assembly has heard with unfeigned interest and profoundest sympathy, Pastor Stuart L. Roussel, of the Evangelical Reformed Church of France, and warmly commends him to all our churches and people that he may visit during the time of his stay in America. The ties that connect our own Church with that of the historic Huguenots are sacred and tender, and in the present tragic crisis, through which all Europe is passing, that ancient Church is once more experiencing somewhat of the hardships and perils of other days. We extend our deep sympathy to

our distressed brethren in the midst of the fires of France to-day. We assure our own churches that any assistance that may be extended to them will be very timely and most worthily bestowed, and we beg Pastor Roussel, upon his return, to assure his brethren of our fraternal affection and of our earnest prayers in their behalf; that they may be given grace to be faithful in their suffering; that the afflictions that have overtaken them may soon be happily ended; and that the abounding mercies of our common Lord and Saviour may continue to preserve them in His favor, to the honor of His grace and to the furtherance of His Kingdom throughout the world.

The Assembly was led in prayer by Rev. Wallace Radcliffe, D.D.

The Assembly took recess, and was closed with prayer.

---

THURSDAY, May 27, 7.45 o'clock P.M.

The Assembly met, and was opened with prayer.

The Moderator gave notice that the Assembly was about to sit as a court, and exhorted the members to regard their high character as judges in a court of Jesus Christ.

The Stated Clerk reported to the General Assembly the certified records of the Permanent Judicial Commission in the cases hereinafter indicated, and delivered said records to the Chairman of the Commission to be read.

The certified findings and preliminary judgments were read, as follows:

*Judicial Case No. 3.*—Rev. John R. Ellis *vs.* Synod of Indiana.—In the matter of the appeal of Rev. John R. Ellis against the action of the Presbytery of Indianapolis, in suspending him from the exercise of the functions of the Gospel ministry, March 23, 1914, and against the action of the Synod of Indiana thereon, in affirming the finding and decision of the Presbytery of Indianapolis, the Permanent Judicial Commission would report as follows:

Charges were preferred by the Presbytery of Indianapolis against the appellant, the Rev. John R. Ellis, and, after trial, the following judgment was entered against him, to wit:

"Upon the foregoing finding, the judgment of the Commission is, that the accused, John R. Ellis, be suspended from office as a minister of the Presbyterian Church in the United

States of America. The recommendation of the Commission to the accused is: That he devote a year to outdoor life and recuperation."

The Rev. John R. Ellis appealed from this decision of the Presbytery of Indianapolis to the Synod of Indiana, and from the action of the Synod of Indiana, in affirming the judgment of the Presbytery, to the General Assembly.

The charge preferred against Mr. Ellis was "conduct unbecoming a minister of the Gospel, contrary to the Holy Scriptures and the rules and regulations of the Church founded thereupon."

Various specifications charging conduct unbecoming a minister of the Gospel were made and sustained.

The appellant alleged, among others, as grounds for error in the findings against him, that the findings and decisions were not supported by, and are contrary to, the evidence; that improper and prejudicial evidence was admitted and considered; and that testimony by deposition, not made before any regularly appointed representatives of the Commission, and without any authority from the Commission to take the same, and without opportunity for cross-examination, as provided for in the Book of Discipline, Section 66, edition of 1913, was wrongfully admitted and considered.

After the reading of the records in the case and the hearing of the parties concerned, both parties being represented by counsel, the Permanent Judicial Commission finds:

That the appellant was suspended on insufficient and improper evidence, and that there was not sufficient evidence to sustain the findings and judgment;

Therefore, the unanimous judgment of the Permanent Judicial Commission is, that the appeal of the Rev. John R. Ellis be, and the same hereby is, sustained, and the action of the Trial Commission of the Presbytery of Indianapolis in suspending from office Rev. John R. Ellis as a minister of the Presbyterian Church in the U. S. A., and the recommendation of the Commission to the accused, "that he devote a year to outdoor life and recuperation," is reversed.

S. C. Dickey, *Clerk.*

The preliminary judgment in Judicial Case No. 3 was duly affirmed by resolution as the final judgment of the General Assembly.

*Judicial Case No. 4.*—Alexander Eakin *et al. vs.* Synod of California.—In the matter of the complaint of Alexander Eakin and others against the action of the Synod of Cali-

fornia, taken on the 25th day of October, 1914, upon their complaint against the Presbytery of San Francisco, of its action in the matter of the Green Street Italian Mission in the city of San Francisco:

The complaint is that the Presbytery of San Francisco recommended this mission to the Board of Home Missions for a sum of money to aid in its support for the coming year; the grounds of the complaint being that the sum required was too large; that the minister who is in charge is unsound in the faith as held by the Presbyterian Church, and that money raised for Presbyterian Home Missions is given to an undenominational organization not at all under Presbyterian control.

After the reading of the records in the case and the hearing of the parties concerned, both sides being represented by counsel without pecuniary consideration or other emolument, the Permanent Judicial Commission finds that the complaint should be sustained.

The Presbytery entered upon an arrangement with another denomination for the maintenance of a mission among Italian people in San Francisco. The mission was in a building owned by the other denomination and the work was largely controlled by the other denomination. The converts, of whom there have been seventy in three years, formed an independent church under the control of neither denomination. The contribution asked by the Presbytery, after consultation with a representative of the Board of Home Missions, was $2,500 yearly, and was granted by the Board. In the spring of 1914, the Home Missions Committee of the Presbytery, through a sub-committee, propounded to the minister in charge of the mission certain questions on fundamental Christian doctrines as held by the Presbyterian Church. The answers to the questions indicated unsoundness in the faith.

Nevertheless, with full knowledge of all the facts, the Presbytery, with a vote of almost two-thirds of those present and voting, requested the Board of Home Missions to continue the appropriation.

In the opinion of the Commission, this request of the Presbytery should not have been made, and the Presbytery, after the knowledge of all the facts which came to it, should have discontinued its connection with the Green Street Mission, and for its failure to do so, the Synod of California should have sustained the complaint against it. The Presbytery of San Francisco is directed to rescind its request to the Board of Home Missions for further sums for the support of the Green Street Mission, and to discontinue its connection

with the mission on July 1, 1915, the end of the present Home Missions year.

S. C. Dickey, *Clerk.*

The preliminary judgment in Judicial Case No. 4 was duly affirmed by resolution as the final judgment of the General Assembly.

*Judicial Case No. 5.*—Rev. Francis W. Pool *vs.* Synod of Montana.—The Presbytery of Great Falls, Montana, dissolved the pastoral relation between Francis W. Pool and the church at Havre. Mr. Pool appealed the case to the Synod of Montana, which sustained the action of the Presbytery.

The case came before the Permanent Judicial Commission on an appeal of Francis W. Pool from the decision of the Synod of Montana, on the ground that the Commission appointed by the Presbytery exceeded its authority, also on an irregularity in its proceedings.

After hearing the parties in the case and their counsel, the Permanent Judicial Commission sustains the decision of the Synod and hereby dismisses the appeal.

S. C. Dickey, *Clerk.*

The preliminary judgment in Judicial Case No. 5 was duly affirmed by resolution as the final judgment of the General Assembly.

*The Case of Steubenville Presbytery.*—This is an inquiry by the Presbytery of Steubenville as to the propriety of their carrying out a suggestion of the General Assembly of 1914 (see G. A. *Minutes* 1914, p. 248), suggesting that they censure their Stated Clerk for the reasons which appear in the Minutes.

Upon the hearing, it appeared that the action of the Clerk of the Steubenville Presbytery was not intended to be contumacious, and an explanation satisfactory to the Permanent Judicial Commission was given. The censure not having yet been administered by the Presbytery, the Judicial Commission recommends that the suggestion of the General Assembly, in view of the explanation of the Clerk and of the Presbytery, be withdrawn.

W. Francis Irwin, *Moderator;*
S. C. Dickey, *Clerk.*

The Report in the case of the Steubenville Presbytery was approved.

Certain matters connected with the Case of *Barker vs. The Presbytery of Neosho* were referred back to the Judicial Commission to report to-morrow.

The Assembly rose as a court, and proceeded to the regular business of the evening.

The Permanent Judicial Commission reported the election of officers for the ensuing year, in accordance with the Rules, as follows: *Moderator,* Judge Jesse S. L'Amoreaux; *Vice-Moderator,* the Rev. James T. Black, D.D.; *Clerk,* Thomas E. D. Bradley, Esq.

W. Francis Irwin, *Moderator;*
S. C. Dickey, *Clerk.*

The Executive Commission presented a Report, which was adopted as follows:

*Overture No. 150,* from the Presbytery of Kalispell, asking that the Assembly convene biennially. It is recommended that the Overture be answered in the negative.

The following Recommendations are submitted as to the General Report printed and submitted to the Assembly:

1. That Section VII of the Report, on the Finances of the Assembly, be adopted.
2. That the Resolutions connected with Section VIII, dealing with the Board of Missions for Freedmen, be adopted.
3. That Section XII, being the Report on Legal Matters connected with Reunion, be amended as to Missouri Valley College, as recommended by the Special Committee on Legal Matters connected with Reunion.
4. That the Tentative Budget for the Boards be amended, by inserting $55,000 as the amount for the Board of Temperance, instead of $45,000.

Respectfully submitted,
Maitland Alexander, *Chairman.*

The Report of the Executive Commission as a whole was adopted, and is as follows:

The Executive Commission respectfully submits to the General Assembly its Seventh Annual Report. The subjects are presented in the order presented below:

## I. Meetings.

The Executive Commission met during the sessions of the General Assembly at Chicago, Ill., May 19–27, 1914; and the first meeting of the Commission, with a new Chairman and members, was held at Chicago, May 28, 1914. Subsequent meetings were held at Atlantic City, N. J., September 29 and 30, 1914, and at New York, N. Y., February 24 and 25, 1915. The Commission is in session at Rochester, N. Y., and awaits the pleasure of the General Assembly.

## II. Memorial Minute.

Charles Telford Thompson, Esq., a member of the Executive Commission, died at his home, in Minneapolis, Minn., November 3, 1914, and the following Minute was approved unanimously:

"Mr. Thompson was a ruling elder and clerk of Session of the Westminster Church of Minneapolis, and for many years had taken an exceptional interest in the larger administrative problems of the denomination. He had frequently been a member of General Assembly, and served on committees of the highest importance, such as the Committee on Revision. When the organization of the Presbyterian Brotherhood was undertaken, Mr. Thompson responded with very diligent and enthusiastic service. In 1912, at the General Assembly in Louisville, he was made a member of the Executive Commission. With customary thoroughness, and despite his large private interests, he attended the Commission's meetings, and took a heavy share of its work, when in the opinion of most men either his professional duties or his health would have been sufficient reason for declining the responsibility. Mr. Thompson, in legal practice, ranked

with the most influential and busiest members of his profession.

"The Executive Commission places upon record its great appreciation of the large and important service rendered by Mr. Charles Telford Thompson, as a member of the Commission. While we bow to the mysterious providence of God in the sudden death of our fellow-laborer, we yet rejoice in the certainty that he has entered into the joy of the Lord, and that his is the reward of that high quality of service which is faithful in that which is least as well as in that which is much."

## III. Members.

The class of members whose term of service closes with this General Assembly is composed of *Ministers*—Mark A. Matthews, D.D., William R. Taylor, D.D., and Wallace Radcliffe, D.D.; *Ruling Elders*—Logan C. Murray, Esq., and Charles S. Cairns, Esq.

The member last mentioned, Mr. Cairns, was elected to fill the vacancy caused by the decease of Charles T. Thompson, Esq. Mr. Cairns is a member of the Session of the Westminster Presbyterian Church, Minneapolis, Minn.

## IV. Vacancy and Supply.

The plan of organization of the Permanent Committee on Vacancy and Supply, established by joint action of the General Assembly and the Presbyteries in 1912, contains certain features which, in the opinion of the Commission, need to be kept in mind in connection with the work of this Committee.

1. Nominations for membership are to be made by the Standing Committee of the General Assembly on Christian Life and Work. No more than three members shall be from any one Synod.

2. The Corresponding Secretary is to be chosen outside the membership of the Committee, and is to be the only salaried officer. His appointment must have the confirmation of the Executive Commission.

3. The Assembly has declared that the work of the Committee on Vacancy and Supply is closely related to the organization and powers of the Presbyteries, and that therefore it is entirely reasonable to request the Presbyteries to provide annually for its expenses.

4. The General Assembly of 1914 continued the Executive Commission in the supervision of the expenses of the Permanent Committee on Vacancy and Supply (see *Minutes*, 1914, p. 200).

The principal matter in connection with which the Executive Commission is called upon to act at the present Assembly is that of the finances of this Committee. The Presbyteries, to a considerable number, are still declining to contribute their share of the expenses, and it is important that they should be earnestly urged to unite with the Presbyteries which contribute funds, in the effort to solve the Church-wide problem of Vacancy and Supply. While certain of the Presbyteries may not feel the need of the services of the Committee, nevertheless the work entrusted to it affects the Church in its entirety, and its outcome, if successful, would be to the advantage of the whole denomination.

The financial account for the year shows receipts, $6,076.17; payments, $5,534.40; leaving a balance of $541.77. The deficit last year was $2,045.86, and the amount carried over as a deficit will be $1,503.89.

The following Resolutions are submitted for adoption:

*Resolved*, 1. That the Assembly approves the action of the Executive Commission in the methods which it has followed in endeavoring to secure the expenses of the Permanent Committee on Vacancy and Supply, and continues the Executive Commission in its supervision of the matter.

*Resolved*, 2. That the General Assembly earnestly requests the Presbyteries which have not contributed towards the expenses of the Permanent Committee on Vacancy and Supply so to do, thus uniting with the majority of the Presbyteries in a common effort to solve the long-time problem of Vacancy and Supply.

*Resolved*, 3. That the Mileage Committee be and is hereby directed to add one-half cent per communicant to the apportionments to be voted by this Assembly for the Budget of the Assembly for the year ending March 31, 1916, the same to be for the expenses of the Committee on Vacancy and Supply.

## V. Board of Church Erection—Land Purchasing Department.

There came before the General Assembly of 1914, in Overture No. 441, from the Presbytery of Seattle, the request that the Assembly "create, for and in the Board of Church Erection, a department, to be known as the 'Land Purchasing Department,' for the purpose of purchasing sites for churches; and that the Board be vested with authority to appeal to the Church for contributions to said Department" (*Minutes*, p. 67).

The matter was referred to the Executive Commission

(*Minutes*, p. 79), and the following action was taken by the Commission and approved by the Assembly (*Minutes*, p. 190):

"*Resolved*, That the Board of the Church Erection Fund be, and is hereby, authorized to establish a Land Purchasing Department, and refers this matter jointly to the Board and to the Executive Commission, with power to proceed therein, report to be made to the next General Assembly."

The Executive Commission took up this matter through a Committee which gave to the whole subject careful consideration, in conference with a Committee appointed by the Board of the Church Erection Fund. The Report of the Committee is as follows:

"Your Committee, consisting of Messrs. Yereance, Massey and Edwards, appointed to confer with the Committee appointed by the Board of Church Erection Fund, consisting of Rev. John F. Carson, D.D., and Hon. J. S. L'Amoreaux, on the subject of creating a Land Purchasing Department of the said Board, respectfully submit the conclusions reached by the Committee of said Board, and add that your Committee are of the opinion that it is not now expedient to appeal to the Church for funds for this object. The conclusions reached are as follows:

"The Committee of the Board of the Church Erection Fund, appointed to confer with a Committee of the Executive Commission in the matter of the creation of 'a fund for the purchase of sites in strategic places' (p. 184, *Minutes* General Assembly, 1914), would respectfully submit the following:

"The Committee appreciates the need that has led to the expression of the demand for the creation of this fund, and is assured that, under proper restrictions, such a fund would be to the advantage of the Church. The Committee is persuaded, however, that no such work should be undertaken until a fund sufficiently large, say of two hundred and fifty thousand dollars, is secured. Such a fund, if provided, should be safeguarded by definite rules adopted by the General Assembly, relating to the selection of sites and all other details of the administration of the fund.

"It is the judgment of the Committee that the time is not opportune for an appeal to the Church for such a foundation. The general financial condition of the country, and the difficulty which our Boards have in securing funds with which to meet the demands of their present work, lead to this conclusion.

"The Committee would respectfully recommend that the consideration of the matter be deferred."

The Executive Commission recommends the approval of this Report by the General Assembly.

## VI. Woman's Board of Home Missions—Charter.

The General Assembly of 1914, in view of the fact that the incorporation of the Woman's Board of Home Missions had been for some time under consideration by the Executive Commission, referred the incorporation of said Board to the Commission, by adopting the following Resolution:

"*Resolved*, That the General Assembly refer the matter of incorporating the Woman's Board of Home Missions to the Executive Commission, to confer with the Board of Home Missions and the Woman's Board; and that, after the conference, if the way be clear, the Executive Commission be empowered to proceed with the incorporation."

After due consideration by a Committee of the Commission, and after conference with both the Board of Home Missions and the Woman's Board of Home Missions, the Executive Commission approved the following Charter and directed that it be secured:

"An Act to Incorporate the Woman's Board of Home Missions of the Presbyterian Church in the United States of America.

"The people of the State of New York represented in Senate and Assembly do enact as follows:

"Section 1. M. Katherine Bennett (here add other names) and their successors in office chosen from time to time by the General Assembly of the Presbyterian Church in the United States of America are hereby constituted a body politic and corporate by and under the name of the Woman's Board of Home Missions of the Presbyterian Church in the United States of America, the object of which shall be to carry on the work of missions through schools, hospitals and educational institutions generally in connection with and auxiliary to the work now being carried on by the Board of Home Missions of the Presbyterian Church in the United States of America, also to receive, take charge of and disburse all property and funds which at any time, and from time to time may be entrusted to said Board for its missionary or educational purposes.

"Section 2. The said corporation shall possess the general powers and be subject to the provisions of the Membership Corporation Law of the State of New York so far as the same are applicable thereto.

"Section 3. The management and disposition of the affairs and property of said corporation shall be vested in the persons named in the first section of this Act and their successors in office, who shall remain in office for such period

and be removed and succeeded by others chosen at such time and in such manner as the said General Assembly of the Presbyterian Church in the United States of America shall from time to time direct and appoint; and the conduct, management and administration of all the business and affairs of the said corporation shall, at all times, be expressly under, and subject to, the jurisdiction, supervision and direction of said General Assembly.

"Section 4. The said corporation shall be in law capable of taking, receiving and holding any real or personal estate which may hereafter be given, devised or bequeathed to it or which may accrue from the use of the same, subject, however, to all provisions of law relating to devises and bequests by last will and testament, but the said corporation shall not take and hold real and personal estate, the annual rental or income of which shall exceed the sum of $———.

"Section 5. The said Board shall have the power to administer its work among and in schools and hospitals from its headquarters in the State of New York.

"Section 6. The Finance Committee of the Board of Home Missions of the Presbyterian Church in the United States of America, which said Board was incorporated by Chapter 287 of the laws of 1872 of the State of New York shall have the power to approve or disapprove of all proposed investments of the said corporation and if any such investment is not approved by the said Finance Committee, it shall not be made.

"Section 7. In the event of the dissolution of the corporation, all moneys, securities and property remaining after the payment or satisfaction of all its outstanding debts and liabilities shall become the property of the Board of Home Missions of the Presbyterian Church in the United States of America, to be used by said Board for the purpose named in its charter, and for the purpose of making such payments and satisfaction, the right and title to all such moneys, securities and properties shall on the said dissolution immediately vest in the said Board of Home Missions.

"This Act shall take effect immediately."

The Executive Commission having received power to proceed in this matter, respectfully reports for information the charter to the General Assembly, and asks that the Commission be authorized to take such further steps as may be necessary in connection therewith.

## VII. The Finances of the General Assembly.

The Executive Commission herewith submits the Budget for the expenses of the General Assembly for 1915–16, as

prepared by the Stated Clerk and approved by the Finance Committee. Attention is called to the following explanations:

1. The salaries of the Stated Clerk, Permanent Clerk and Assistant Clerk have been fixed by the Assembly.

2. The amount recommended for the Executive Commission covers the expenses of the regular meetings of the Commission, also the expenses of its sub-committees. The total expenditure for the past year is $5,082.60.

3. The mileage expenses of Commissioners for the meeting of the General Assembly of 1915 are estimated at $41,000, but the action of some of the Railroad Passenger Associations may increase the traveling expenses to a considerable extent. The estimate submitted for the cost of entertainment, $27,000, is based upon the rate of $3.00 per day, which is now the allowance to Commissioners of Presbyteries which have paid their apportionments.

4. The Budget provides $3,500 for the expenses of the Special Committees, which it is believed will be sufficient.

5. The special appropriations approved are the same as those for previous years. The Assembly, having officially entered into coöperative relations with the Churches of the Presbyterian family, both in the United States and throughout the world, and with the Evangelical Churches in the United States, has provided annually its proportionate share of the expenses of the maintenance of the organizations connected with these relations, viz.: the General Council of the World Presbyterian Alliance, the Council of the Reformed Churches in America, and the Federal Council of the Churches of Christ in America.

6. The Finance Committee draws attention to the fact that the General Assembly has ruled that the Assembly has "no power to devote the funds collected for the expenses of the Assembly to other purposes." (*Minutes*, 1891, p. 107.) The Assembly, further, as early as 1806, pledged itself to keep the funds placed in its hands for its expenses entirely separate and distinct. (*Minutes*, 1806, p. 370.)

These rulings have applied all along to the Apportionments made by the Assembly for its own expenses, and are applicable to the Budget as now adopted from year to year.

7. The provision for legal expenses, $12,500, may be too small, in view of certain claims as yet unsettled, and dealt with in another part of this Report.

8. The Finance Committee has performed its duties as stated in the Financial Plan of the General Assembly, and the accounts have been duly audited and are submitted to the Assembly.

## VIII. Board of Missions for Freedmen.

The General Assembly of 1914 received a large number of Overtures from the Presbyteries with reference to a change in the name and in the policy of the Board of Missions for Freedmen. The Overtures are found in the *Minutes* of that Assembly, pp. 65 and 76.

The Assembly adopted a recommendation referring all these and other Overtures relating to the subject, to the Executive Commission, to investigate during the year and report to the next General Assembly. After due consideration by a Committee, of which Rev. S. J. Niccolls, D.D., was Chairman, the Commission adopted the following report for submission to the Assembly:

The Committee appointed by the Executive Commission to confer with the Freedmen's Board concerning certain proposed changes in the policy of that Board, which have

been overtured to the General Assembly, and by the Assembly referred to the Executive Commission, would present the following report:

Your Committee met with the representatives of the Freedmen's Board, in the city of Pittsburgh, February 23, 1915. The conference was frank and friendly on the part of the Board, and there was a manifest disposition to regard with favor any measure that would permit efficiency in the work entrusted to it by the General Assembly.

It will be remembered that the subjects contained in the Overtures were in the main, two: first, a proposed change in the name of the Freedmen's Board; second, a change in its policy embracing the following:

(*a*) An enlargement in its work so as to include the negroes in the northern States.

(*b*) The entire work of the Board to be divided into two general departments, namely, Church Extension and Education, each to be placed under the control of a competent man.

(*c*) That a conference of the workers in the field be held annually, to be arranged by the heads of the department and in connection with the Boards and Synods.

(*d*) That a colored man be placed on the Board as a member of said Board.

(*e*) That in each self-sustaining Synod a colored man be chosen to develop the work among his own people in that Synod.

The items just named were suggested by a representative gathering of colored ministers in the northern States, held in the city of Philadelphia, September 10, 1914.

All these matters have been carefully considered also by the Freedmen's Board, and their conclusions were presented to your Committee in the following paper:

"The Committee on Colored Work in the North and Change of the Board's Name, in presenting its judgment upon these and related subjects, wish to express to the Committee of the Executive Commission and to the Church at large its sincere desire to assist in reaching the best conclusions.

"The Freedmen's Board is heartily loyal to the direction of the General Assembly, and, in all the suggestions it makes and opinions it offers, is moved by the wish only to obtain the best results.

"While the Board is not anxious to enlarge its field of operation, for the task now committed to its care is an increasingly great one, whose importance, needs and opportunities develop and multiply with each year; yet, on the other hand, the Board will shrink from no increase of responsibility and will oppose no enlargement of its field, when

these are offered to the Board by the Church through its wisest and most devoted leaders."

It is in this spirit that the Committee and the Board offer the following informal opinion upon the subject under consideration:

"1. In view of the fact that the colored people of the North are mostly residing in cities, and that there, as well as in the rural communities, ample school facilities are everywhere provided, the educational problems of the North differ from those in the South, where such large regions are either poorly supplied or entirely unsupplied with schools of any value.

"The Board, therefore, does not feel that there is, or should be, any obligation to undertake school work among the colored people of the North, and that its resources should not in any way be limited in meeting the great needs for the mission school work, which has proved such a great factor in the evangelization of the Southern negro.

"2. We should suggest a careful tabulation of the funds contributed by the Synods in which the Northern negroes mostly reside, and the amount to be placed at the disposal of the Board through the Barber Fund, so that with this information, a too large expenditure in the North shall not be expected or called for from the Board. In any case, it will be apparent that the Church should recommend an increase in the funds to be contributed to the Board.

"3. The Board recognizes that it will be compelled to consult the self-supporting Synods, concerning any mission work which it should undertake within their bounds. It must avoid any intrusion upon their rights, especially those defined by their contracts with the Board of Home Missions, and guard against even the appearance of a violation of that contract when asked to enter upon such work.

Only through permission of a Presbytery, endorsed by the Synod, could the Board feel justified in accepting such a task within a Synod's territory.

"4. In view, first, of the possible legal questions involved, and, second, of the unanimous opinion of the colored people of the South, so far as obtained, we suggest that no change in the name of the Board be made. There is a great value in the historical fact, preserved in the emancipation of the greater number of this race in our land—a great and sentimental value. To large numbers of the most intelligent and generous members of our Church there is an appeal, which the passage of the years does not weaken, a special sense of responsibility which is kept alive by a recollection of the history of this people and their experience.

"Of nine-tenths of this race in our land it is still true that

their needs, and the reason for their appeal for assistance, are the results and consequence of the fact recorded and emphasized in the word *Freedmen*. While we appreciate all that is offered in favor of a change, we submit for your consideration whether it is wise or helpful to lay aside this advantage of a great historical fact and the sentiments and appeals arising from it."

The Board unanimously authorized its Committee to offer these suggestions to the Executive Commission, with the desire that the Commission may be led into all truth.

The following paper with reference to the change in the name of the Board and the enlargement of its work was also placed in the hands of your Committee.

"Relative to the changing of the name of the Freedmen's Board. The matter of a change of name was submitted to the colored commissioners present at the General Assembly which met at Atlanta, Ga., in 1913, with the result that it was the unanimous opinion of the colored people present that no change in name should be made. The same matter was presented to the colored commissioners who were present at the Assembly which met in Chicago, Ill., in May, 1914. There were probably fifty colored people present. After full consideration, it was voted that it was the desire of that conference that no change in the name should be made. In the discussion which took place previous to the vote it was stated by several of the colored people present that the Southern people could not say the word negro, and that the way it was pronounced in the South would be very offensive to them. If any change in the name was made it was the opinion of those present that the name of the Board should be, 'The Board of Missions for Colored People of the Presbyterian Church in the U. S. A.'"

In addition to the attitude of the colored people, there is the legal question involved concerning the funds in the hands of the Board if the name of the corporation should be changed.

Relative to the enlargement of the work so as to include mission work among the colored people in the North, the Freedmen's Board and the Home Board have already expressed their desire in this matter in the form of an Overture to the General Assembly which met in Chicago, May, 1914.

The latest United States Census shows that there are 9,238,306 negroes in the Southern States and 1,078,904 in the Northern States. The condition of the latter, so far as education and religious instruction are concerned, is in the main more advantageous than that of the mass of their brethren in the South, thus justifying the wisdom of the

Assembly in directing that special and permanent attention should be given by the Board to that field. In the North we have about thirty-nine churches under the care of our Presbyteries, with a membership of over 5,000, while in the South there are 412 churches and missions containing a membership of 26,311, with numerous day schools, colleges and seminaries.

In view of all these facts, the Executive Commission would recommend the adoption of the following Resolutions:

*Resolved*, 1. That it is not advisable, under present conditions, to change the name of the Board, nor should such change be made until it appears to be the desire of the majority of the colored people.

*Resolved*, 2. As the Board, by its charter, is national in its scope, but is now limited in its activities by the order of the General Assembly, we would recommend that these limitations be removed, to the end that the Board may engage in evangelistic work in the Northern States, among the colored people, when requested by the Presbyteries and various Synods, upon such terms as will secure the coöperation of the Presbyteries and Synods in the work of the Board.

*Resolved*, 3. It is recommended that the action of the Board in providing an annual conference of the workers in the field be heartily approved.

## IX. The Committee on Supplies.

The General Assembly of 1913 authorized the appointment of a Committee on Supplies, consisting of three members, one representative from the Executive Commission, one from the Boards and agencies of the Church and a business man from the membership of the Church. During the past fiscal year the Committee was composed of Mr. James Yereance, of the Executive Commission, Mr. Henry F. Scheetz, for the Boards and Agencies, and Mr. Thomas W. Synnott, for the Church at large. The Committee reports as follows for the present year:

"The Committee on Supplies has the pleasure to report that the plan formulated by it to secure standardizing of paper, contracts for printing and the purchase of supplies, has been loyally carried out by the Boards, the Stated Clerk and the Trustees of the General Assembly, with the result of a large saving in outlay, and without incurring the fixed charges of hiring a purchasing agent and providing for the expense of his office."

The Executive Commission further reports that the

honorarium voted by the Assembly of 1914 to Mr. Henry F. Scheetz has been paid.

The Commission recommends that the Committee on Supplies be continued, under the supervision of the Executive Commission, that the above report be approved, and that the thanks of the Assembly be tendered to the members of the Committee.

### X. Assignment of Space, Witherspoon Building.

The question of the assignment of space in the Witherspoon Building was referred to the Executive Commission by the following action of the General Assembly of 1914 (see *Minutes*, p. 145):

"The text of the Resolution concerning space in the Witherspoon Building, separated from the other Resolutions in the Report of the Committee on Education, was referred to the consideration of the Executive Commission, along with the material offered by the Committee on Publication and Sabbath School Work.

"The action adopted on the same subject, in the Report of the Committee on Ministerial Relief and Sustentation, was reconsidered and referred in the same manner." [See *Minutes, G. A.*, 1914, p. 145.]

After prolonged deliberation, the following Resolution is recommended to the Assembly for adoption:

*Resolved,* That the whole matter of additional office space in the Witherspoon Building, referred to the Executive Commission by the last General Assembly, be referred to the three Boards interested, each Board being instructed to appoint a commission of three of its members, the nine men thus appointed being constituted a committee of the General Assembly, and instructed to confer concerning the whole matter, and if and when they shall unanimously agree, then they shall submit a certified copy of their action to the Executive Commission for its approval. In case the said committee of nine shall be unable unanimously to agree, they shall advise the Executive Commission of their inability to agree, with a full statement of the reasons therefor, and then and thereupon the Executive Commission, after due consideration, shall take such action in the premises as shall seem to it appropriate.

### XI. Investments of the Boards.

The matter of the investments of the Boards was referred to the Executive Commission, through the Report of the Committee on Bills and Overtures, on *Overture No. 647*,

from the Presbytery of Kansas City. The Overture had to do with farm loans in the Middle West, and asked the Assembly "to establish one or more agencies in the Middle West for the investment of the funds of its Boards, especially in farm loans." (See *Minutes G. A.*, 1914, pp. 75 and 127.) The subject was referred to a Committee, of which Charles T. Thompson, Esq., was Chairman, and was adopted at the September meeting, 1914, of the Executive Commission. The report upon the subject is herewith submitted.

Your Committee, to which was referred the Overture from the Presbytery of Kansas City, asking the General Assembly to direct the Boards and other administrative agencies to create one or more Western loan agencies, and through these agencies to make investments of the permanent funds of the said Boards and the administrative agencies, in Western farm mortgages, reports as follows:

Your Committee has examined the charters of the said Boards and agencies, the laws of the various States under which they were created and by which they must be controlled, and the last financial report of each Board and agency; it has also conferred on the subject with the treasurers of the several Boards. As the result of this investigation, the Committee reports unanimously the following facts, and its conclusions therefrom:

1. The business interest of every Board and agency is managed by trustees of business ability, consecration, and fidelity to the interests of the Church they are serving; they are devoting much time and thought to the administration of their trust, in the endeavor to make the work of their respective Boards as effective as possible in all respects. Care should be exercised to interfere as little as possible with the purely administrative work of these Boards and agencies, for the form of the investment of the permanent fund is purely a question of administration.

2. While it is true that, at present, the larger part of the permanent fund of these Boards and agencies is invested in securities (largely consisting of railroad stocks and bonds) which are subject to fluctuations in value, yet it must be, at the same time, borne in mind that these securities are to a large extent those which have been taken in payment of bequests, and that, since their receipt by the Boards and agencies, there has been no time at which they could have been sold to advantage.

Owing to the present unsettled conditions of the finances of the world, it would be very unwise to advocate at this time any new plan of investment which contemplates the sale of such securities, until the present war has ended and

the finances of the world have become adjusted. In the meantime the principal of these securities now held by the Boards and agencies is reasonably safe, and therefrom they are realizing, and are likely to continue to realize, a fair rate of interest, on the value at which they were taken by the Boards.

3. There is nothing in the charter of any Board or other such agency, or in the statute law of any State under whose laws any Board or agency is organized, to prevent the investment of these permanent funds in the manner suggested by this Overture. The trustees of the New York Boards are, however, confronted by a decision of its supreme judicatory, the Court of Appeals, which declares that such funds are trust funds, just as those under the control of executors, administrators and guardians, etc., and cannot be so invested. Until this decision has been reversed or modified by the Court of Appeals, or its effect modified by legislative act, the trustees of the New York Boards will be justified in declining to make mortgage investments outside of the State of New York. Any attempt to secure a reversal of its decision by the Court of Appeals or to secure an amendment to the general laws of New York governing the investments of trust funds, would probably meet with great opposition; the simplest manner in which to secure for the New York Boards authority to invest in Western mortgages would be to secure from the Legislature amendments of their charters so as expressly to authorize such investments.

4. The Committee deems it both unwise and unnecessary for the Assembly or the Boards to create their own agencies either at one or at several points in the West, for the purpose of making such investments; such mortgages can be purchased through trust companies and similar agencies throughout the West, under circumstances which will involve no expense to the Boards, and will thoroughly safeguard their interest.

As a conclusion from the foregoing facts, the Commission presents for adoption the following:

That the General Assembly recommends to the trustees of the various Boards and other administrative agencies, as further gifts are secured for their permanent funds, and when the present investments can be sold to advantage, that a part of the funds so secured may be invested in Western farm mortgages, through approved existing agencies, and under such conditions as will, so far as it is humanly possible, safeguard the principal of the investments and realize as high a rate of interest as may be found consistent with safety; and, to this end, that the trustees of the Boards

organized under the laws of New York be advised to secure the proper legislative authority to make such investments of their permanent funds.

## XII. Legal Matters Connected with Reunion.

The Executive Commission has been empowered by the General Assembly to act in coöperation with the Committee on Legal Matters connected with the Reunion of 1906, mainly in three directions:

1. In determining as to the suits at law which may be instituted in the name of the Church for the protection of the Church's interests.

2. In the employment of counsel and the settlement of expenses of litigation.

3. In the appointment of commissions consisting of one or more ministers or lay members of the Church, to institute as well as defend suits connected with the union of 1906.

Upon all these matters the Legal Committee and the Executive Commission have acted in unison, and the Executive Commission has received reports at both its meetings during the year from the Committee on Legal Matters, and unites with it in approval of the report which follows:

The Committee on Legal Matters respectfully presents the following statement to the Executive Commission:

1. The Supreme Court of Missouri, on December 1, 1914, rendered a decision favorable to the Union of the Cumberland Presbyterian Church and the Presbyterian Church in the U. S. A., in the case of the Odell Avenue Presbyterian Church at Marshall, Mo., thus reversing itself.

2. Pursuant to authority given by this Committee and by the Executive Commission, and confirmed by the General Assembly, the sub-Committee of the Legal Committee empowered to employ Counsel, consisting of Mr. Chapman and Dr. Roberts, corresponded and conferred with Frank Hagerman, Esq., of Kansas City, in the matter of the Appeal pending in the United States Circuit Court of Appeals, Eighth Circuit. Mr. Hagerman agreed, for the sum of $2,000 as his fee in the Appeal, to represent the Church therein. Mr. Hagerman stated that he did not think it necessary for him to engage associate counsel, and therefore the conduct of the case has been left entirely in his hands. This Appeal was argued on January 12, 1915, and has been decided in favor of the Reunited Church.

3. The Assembly referred to the Committee on Legal Matters *Overture No. 168*, from the Synod of Missouri, asking the Assembly to direct the Committee to include, among

the causes for which it stands, the interests of Missouri Valley College. The Committee considered this subject carefully, and took the following action, which is confirmed by the Executive Commission:

"The Committee recognizes that this institution is not to be classed as 'local church property' in the sense that it is the property of a local congregation or controlled by a private corporation, for the college belongs to the Synods of Missouri and Kansas, its charter providing that the trustees shall be elected by these Synods. However, the Committee has already assumed the expenses of the suit in the Federal Courts, conducted by Frank Hagerman, Esq., which suit includes Missouri Valley College, and is now settled, unless there be an appeal to the United States Supreme Court, and arrangements satisfactory to the college have been made for the settlement of the remaining costs in the Missouri Valley case in the State courts. There is, therefore, no need for further action by the Committee or the Assembly, save to congratulate the Synods and the colleges on the favorable outcome of the litigation."

4. The matter of the finances of the Legal Committee is at present as follows: There is owing to Frank Hagerman, Esq., the sum of $10,000 for fees and, in addition, his expenses, in the cases argued in the United States District Court, Kansas City. There is, in addition, the $2,000 fee in the Appeal to the Circuit Court, with an allowance for expenses. Should the case be carried for final decision to the United States Supreme Court, there would be additional expense. Leaving the future to one side, and considering only the present, it will take about $12,500 to meet the expenses of this case to date.

The following recommendation is submitted for approval:

*Resolved*, That, in view of the fact there are many additional expenses connected with the final issue of the case now in the United States Courts, in which Frank Hagerman, Esq., is counsel, it be recommended to the Assembly to request from the Presbyteries one-half cent per communicant for further expenses in connection with the Union Litigation.

## XIII. Dubuque German College and Seminary.

The matter of the Endowment of the Dubuque College and Seminary was referred by the General Assembly to the Executive Commission, by the following action (see *Minutes*, G. A., 1914, p. 246):

"In view of the special needs of Dubuque Seminary, we reaffirm the action of the General Assembly of 1913 in the

matter of the endowment, and instruct the Executive Commission to take this into earnest consideration, and if, after conference with the Trustees of Dubuque Seminary, it seems wise to do so, appoint a committee of five to coöperate with the Trustees in an effort to secure $500,000 for endowment and the expansion of the work."

The Dubuque German College and Seminary was heard as to the increase of the endowment of the institution, through the President of the Directors, Rev. Dr. Wm. Hiram Foulkes, and the President of the Faculty, Rev. Dr. C. M. Steffens. The Commission approved of the movement for the increase of the endowment of the institution, in the sum of $500,000, and authorized the Moderator to appoint the Committee of five in relation to the matter, Dr. Steffens to be the Chairman of the Committee. Other members appointed are, Mr. Thomas D. Jones, Chicago, Ill.; Dr. John P. Munn, New York City; Mr. C. N. Payne, Titusville, Pa., and Mr. William Albert Harbison, Pittsburgh, Pa.

## XIV. Essential Principles of the Protestant Reformation.

The Executive Commission, at its meeting in Atlantic City, September 30, 1914, adopted the Declaration given herein, in accordance with the instructions of the General Assembly of the Presbyterian Church in the U. S. A., May, 1914. The paper was prepared by a Committee of the Commission consisting of the Rev. Wallace Radcliffe, D.D., and Mr. Logan C. Murray. The Executive Commission directed that it be signed by the Chairman and the Secretary of the Commission. It was transmitted to the Presbyteries for their consideration and appropriate action.

### *Declaration.*

In obedience to the instructions of the last General Assembly (see General Assembly *Minutes*, 1914, p. 217), we transmit to the Presbyteries the following action:

"On Overture No. 700, relating to the reaffirmation of the principles of the Reformation, the following is recommended:

"Whereas, Eternal vigilance is the price of liberty; and

"Whereas, There are abundant indications of the need of directing the attention of the American people anew to the essential principles of the Protestant Reformation, which underlie the civil and religious liberty of our modern life, ensuring progress of thought and increasing righteousness; therefore,

"*Resolved*, 1. That the General Assembly of the Presby-

terian Church in the United States of America calls upon its ministers to review with their people the history of the great Reformation period, to the end that the essential principles of Protestantism may be reaffirmed and reëmphasized in the face of conditions that demand such reaffirmation and reëmphasis.

"*Resolved*, 2. That the Executive Commission of the General Assembly transmit this action to every Presbytery, and adopt such measures as may be found necessary to carry out its provisions during the year 1915, which the Assembly has already set apart for the special commemoration of the life, labors, and martyrdom of John Huss, one of the great pioneers of the Reformation movement."

The Presbyterian Church is distinctly and unequivocally committed to the principles of the Reformation. They are engraved into the letter and spirit of its doctrine and life. Without their assertion and activity, its existence and its right for existence cease. They carry in them the vitality of Protestantism, the culture of spiritual life, the progress of civilization, the fact of civil and religious liberty, and the purity, Scriptural reality and influence of the Church of Christ. The fundamental principles of the Reformation are:

1. *The Absolute Supremacy of the Word of God.*—The Reformation unchained the Bible. It dethroned Councils and Vaticans. Whatever help or illumination may be in Christian consciousness or cultivated scholasticism or ordained priesthood, the supreme unquestionable authority in all matters of faith or morals is the Word of God. It is the dominant authority in the soul of the Christian, the one text-book of the Church, and the supreme study of the minister. This authority should be emphasized. The formula of Chillingworth continues to be the expression of our faith, "The Bible, the whole Bible, and nothing but the Bible is the religion of Protestants." The open Bible is the chart of our American civilization. Its ethics are our efficient protection for public virtue. It has been largely eliminated from our public schools, and our successive generations have lost its training for a citizenship of integrity and patriotism. It should be reinstated in its place in the instruction of the common school. Both Old and New Testaments should be restored to a first and large place in pulpit reading, instruction in family worship, and personal study.

2. *The Absolute Supremacy of the Grace of Christ.*—Justification is by faith alone. The atoning work of Christ cannot be added to or taken from. The Church must not be put in the place of Christ. There can be no intermediary. The sacrifice of the Mass has no Scriptural recognition. There

can be but one sacrifice for sin. The salvation of the soul is not by any sacramental agency or priestly authority, much less by character or any human ability or experience, but by the blood of Christ alone. There is no new gospel. The message of the Reformation is the message of evangelism. The address of the pulpit should be direct and unmistakable. Whenever the Church fails, it is when she beclouds or conceals or perverts her mission. The evangelistic note is the note of her salvation, the effective challenge to human sin and need, and the breath of benediction to the homes and liberties of the nation.

3. *The General Priesthood of Believers.*—The Reformation was a protest against despotism. It reaffirmed the liberty of the sons of God. It was a defense of the personal conscience. It was the assertion of personal liberty. It proclaimed the right of private judgment. It denounced coercion, and enthroned in human hearts the profound sense and recognition of individual responsibility. It restored to the soul its privilege of direct approach to God. It established the democracy of the Church. It ordained that separation of Church and State which has developed in its most evident reality in this Republic. That separation must be most valiantly and persistently maintained. We are in the presence of the insidious and determined efforts of a dethroned ecclesiasticism to regain its lost power in civil legislation and government. That way lie danger and dismay. The State must be Christian, but not ecclesiastical. The liberties secured by Reformation principles must by the same principles be preserved. Ecclesiasticism must be rebuked in any attempts for recognition and power through partisan politics. The Christian citizen should guard the money and offices of the State against any encroachments by sectarian ambition, and our public officers should be compelled to hold churches aloof from the suspicion of such influences. The life of the Republic lies in the separation of Church and State.

The Five Hundredth Anniversary of the life and work of John Huss gives welcome and needed occasion for the reaffirmation of the principles of the Reformation. We suggest that during the coming winter and spring this special emphasis be made throughout the Church. Let the biographies and histories of the Reformation have large place in the literature of the Christian home, in the columns of our Church papers, the study classes of our young people and men's missionary societies, in the themes of our pulpits, and on special occasions of Presbyteries and Synods; in order that the trust of the American Republic may be conserved, that our free institu-

tions may be transmitted in integrity and righteousness, and the Church of Christ may be held distinctly and exclusively to its supreme mission.

## XV. General Treasurer.

The subject of a General Treasurer has been under consideration again by the Executive Commission, and the subject is so complicated in its relations, and yet so important, that the Commission requests that it be continued in the consideration of the same.

## XVI. Certified Public Accountants—Boards.

The Commission had its attention drawn to the fact that the Financial Accounts and Statements of the different Boards vary in the forms of presentation and in other particulars, in such ways, as to make it difficult to state all the accounts in such a clear, comparative form, as the Executive Commission feels to be desirable and would be intelligible to the general public. The Commission believes that this is in large part owing to the different methods of accounting employed, and that a uniform system of accounting and the rendering of itemized statements in a uniform manner, in connection with each of them, would largely remove the difficulties which attend the examination and public use of these accounts. The Commission therefore recommends the adoption of the following Resolution:

"*Resolved,* That the General Assembly, through the Executive Commission, employ one firm of certified public accountants to audit all the receipts and disbursements and financial affairs of all the Boards and Agencies of the Assembly, and develop a uniform system of accounting and the rendering of itemized statements, and that the same shall hereafter take the place of such auditing as has heretofore been done for each individual Board and Agency, the expense to be borne by the Boards and Agencies respectively."

## XVII. Tentative Budget of the Boards, 1915–16.

The Executive Commission gave its usual careful attention to the matter of the Budget of the Missionary and Benevolent Boards. The subject was taken up by the Budget Committee, considered separately as to each Board, and a general conference was held between the Budget Committee and representatives of the Boards in New York City, February 10, 1915. The matter was also under consideration at the meeting of the Commission in New York, February 24–25,

1915. As a result of the correspondence and consultations had, the Commission adopted a tentative Budget for the fiscal year ending March 31, 1916, which is herewith submitted to the Assembly for consideration and approval. Further, in view of the fact that it was decided not to attempt the allocation of the Budget to the Presbyteries, respectively, the Commission directed that a letter containing the Budget should be sent to the Presbyteries with certain explanations. This letter, the Budget included, is herewith submitted in full.

*Tentative Budget, 1915–16.*

PHILADELPHIA, PA., March 10, 1915.

*To the Presbyteries:*

DEAR BRETHREN:—The Executive Commission, at its meeting in New York, N. Y., February 25, 1915, adopted a tentative Budget for the Missionary and Benevolent Boards, for the fiscal year ending March 31, 1916.

The Budget recommended for 1915–16 and the Budget for 1914–15 are presented in parallel columns.

| | 1914–15. | 1915–16. |
|---|---|---|
| Home Missions (including Woman's Board $500,000.00) | $1,540,000 00 | $1,781,000 00 |
| Foreign Missions (including Women's Mission Boards) | 1,750,000 00 | 1,750,000 00 |
| Education | 125,000 00 | 150,000 00 |
| Publication and Sabbath School Work | 190,000 00 | 200,000 00 |
| Church Erection | 110,000 00 | 120,000 00 |
| Ministerial Relief and Sustentation | 150,000 00 | 175,000 00 |
| Freedmen | 195,000 00 | 215,000 00 |
| Colleges | 170,000 00 | 250,000 00 |
| Temperance | 45,000 00 | 55,000 00 |
| | $4,275,000 00 | $4,696,000 00 |

In view of the foregoing action, the following are offered as suggestions:

(1) Make known to the churches of your Presbytery the total Budget, the amount asked for each Board, and request *each church to do its best, its full share*, toward raising the entire Budget.

(2) Urge and keep on urging the "Every-member Canvass," so as to enlist the entire membership of the Church to contribute weekly for the support of the whole missionary and benevolent work of the Church.

(3) Emphasize information. Educate. Cause the people to know what their gifts are accomplishing in the field and what yet remains to be accomplished.

(4) Approach the ideal "as much for benevolence as for current expenses." Set forth the possibility of each church's attaining thereunto.

(5) Counsel and advise all the churches that they "Go forward" and "Abound" in the grace of liberality, bringing all the tithes into the storehouse, that the windows of heaven may be opened and a blessing poured out that there shall not be room enough to receive it.

The Stated Clerk is requested to submit this communication at the next meeting of Presbytery, and to hand the extra copies enclosed at once to the Commission or the Committee in charge of the Budget.

Yours in the Master's service,

Signed by order of the Executive Commission,

MAITLAND ALEXANDER, *Moderator;*
WILLIAM H. ROBERTS, *Stated Clerk;*
WALLACE RADCLIFFE,
*Acting Chairman Budget Committee.*

## XVIII. The Joint Executive Committee.

This Committee was established by the General Assembly of 1911. Attention is drawn to certain of the acts concerning the Committee, adopted by that and other Assemblies as follows:

"1. *Nature.*—The Joint Executive Committee is the agent of the official Conference of the representatives of the Boards and of the Executive Commission, which meets at least once a year.

"2. *Membership.*—The Committee is composed of six members, the Chairman being the Moderator of the Assembly, and with him two members representing the Budget Committee of the Executive Commission, and three members representing the Boards: one from the Foreign Board, one from the Home Board, and one from the other Boards.

"3. *Purposes.*—The purposes to be kept in view are: first, the efficient prosecution of efforts to commend the adoption of an every-member-weekly-pledge system of securing benevolent offerings from the churches, and to extend such aid as may be desired and practicable to pastors and church officers who wish to have the system inaugurated; second, to promote the realization of the appropriations annually made by the General Assembly and apportioned to the Presbyteries, by such methods as have heretofore been effective and by such other methods as, in the judgment of the Executive Committee, may give promise of effectiveness; and, third, to promote, as far as may be possible, a spirit of the broadest missionary interest, and of such consecrated and courageous giving as shall enable the Church to meet its full missionary duty at home and abroad. (*Manual of the Assembly, pp.* 40 and 41.)

"4. *Reports.*—'The Assembly authorizes and directs said Joint Executive Committee to make a full and complete report of all its proceedings and work to the Joint Conference of the Boards and the Executive Commission, at a meeting to be held before each General Assembly, and that the Joint Conference submit a full report of its proceedings and work, including that of the Joint Executive Committee, to the Executive Commission, and that the Executive Commission include this in its Report to the General Assembly for its approval.' (*Manual of the Assembly,* p. 42.)

"5. *Terms of Service.*—'The representatives of the Boards assume their duties on the 1st of April each year, and the representatives of the Executive Commission on the second Friday of the Assembly's sessions.' (*Manual of the Assembly,* p. 42*b*.)"

The above is reprinted this year in order that the proposed change in the name of the Committee, also in the membership and to a certain extent in the duties, may be considered carefully.*

The Report of the Joint Executive Committee is presented herewith.

*Fourth Annual Report of the Joint Executive Committee, of the Executive Commission of the General Assembly and of the General Assembly's Boards.*

This Report, the fourth of the Joint Executive Committee, covers in fact the first full year of this Committee in carrying out the Every-member Plan under the General Assembly's instructions. It is an unprecedented situation that the Church of Christ is now facing. By the rude alarum of war which is almost world-wide, by the flinging open wide—and even off their hinges—of doors of opportunity hitherto closed or only partially opened, the Church has been summoned in a startling way to a deeper devotion, a broader outlook, a more heroic advance, a more sacrificial consecration of self and substance. A changing world is calling for the principles of the unchanging Gospel of the Son of God to be applied as they have never before been applied to human conditions. Is it not significant that, at a crisis such as the present, the Presbyterian Church in the U. S. A. finds herself exceptionally prepared to go forward, and actually overtake what she has long since undertaken?

1. The Every-member Plan.—Gradually within recent years our Church has been led to the adoption of the Every-member Plan. Possibly there was no other way by which the present position could have been reached than by experiment, which served to show that the result was not to be reached by the machinery of budgeting and apportionment, but rather by appeal to the spiritual motives of loyalty to Christ and intelligent interest in the work. With such concert of action on the part of the Church Agencies as has never before existed in our history, and with providential provision of an adequate equipment in the Supply Office, in Auburn, N. Y., our Church is now exceptionally prepared to carry out the Every-member Plan in a thoroughgoing way.

The response already obtained has been reassuring indeed. The fact that in this year of widespread disturbance abroad and financial depression in many quarters at home, the receipts from the churches alone have exceeded those of last year by $244,348, or 15½ per cent., is in itself sufficient proof

* See p. 277.

of the effective outworking of the Plan. Every Board, without any exception, shares in the gain of receipts from the churches. The increase of receipts for Home Mission work in the fourteen self-supporting Synods brings the amount of the increase up well above a quarter-million dollars, apart from the large advance in receipts for local church support. Had all of our churches carried out the Canvass—as has been done as yet by less than half—it is evident that all deficits would have been wiped out and the Budget for all the Boards fully provided.

*Progress of the Plan.*—Of the 9,891 churches on the roll last year, but 3,885 report as many as 100 members and 2,023 others as many as 50 members. In response to a questionnaire sent to these 5,908 churches through the Presbyterial Committees, reports have been received of 3,464 churches which have made the Every-member Canvass. While it is certain that the number of churches on the Every-member Plan is much larger than that reported, the number from which reports have been received is 171 per cent. advance of the number reported a year ago, 1,348.

All churches using the Plan are to be marked with an asterisk (*) before their names. Strictly speaking, this distinction belongs to such churches only as have made (or have arranged to make this year) a personal canvass of every member of the congregation for Local Church Support and for Benevolences. Reports have been so varied, and often so indefinite, that for this year all churches are listed that claim to have made an Every-member Canvass, either in 1914 or in 1915, though doubtless some of these did not make a thorough Canvass or make it for both Benevolences and Church Support.

Substantial gains are everywhere reported by those carrying out the entire Every-member Plan as explained in the Manuals and other publications of the Presbyterian United Movement. In many cases the effect of the Plan cannot appear in the statistics for at least a year.

A volume of valuable experience has become available, of which installments have been published in the course of the year in pamphlets entitled, "It Works Wonders Wherever Worked" and "The City Church on the Every-member Plan." Steadily the churches are returning to the Apostolic Plan of an offering in worship every week from everyone, according to ability, for every interest of the Church according to need. As experience accumulates, it becomes more and more manifest that the Scriptural Plan is applicable to any church under any circumstances whatsoever. It was perhaps to be expected that the churches most difficult to convince

of the applicability of the Every-member Plan to their conditions would be the very rich and the very poor, and especially the former. In conditions where the support of a church can be provided without great difficulty, even by methods which allow a large proportion of the members to shirk their responsibility, it may still be urged that "this Plan may be all right for some churches, but it is not practicable for churches such as ours." The best answer is that of cumulative facts of actual experience.

A few *typical instances* only need be given here:

The City Church.—Of our largest churches, half of those with over 2,000 members have already carried out the Every-member Plan with a personal Canvass. The latest of these is *Brooklyn, Lafayette Avenue* (2,300 members). After a thorough process of preparation, extending over weeks, 82 men, going two and two, made the canvass on a single Sunday afternoon, increasing the number of subscribers for local Church Support and Benevolences from 238 to 886; the Local Support Budget was oversubscribed, the amount for Benevolences increased by over $8,000. Supplementing the pledges for the systematic offerings, a generous thank-offering was taken for Foreign Missions on Easter Day.

The Suburban Church.—*Basking Ridge, N. J.* (375 members).—"Our Canvass yesterday was a splendid success. Out of the 375 members, 354 contributed and there are about 30 or possibly more to be heard from. Our Budget for Church Support was $4,500. We received in pledges $4,273.88; the $4,500 is more than guaranteed. We will, I am very sure, run several hundred dollars over our Budget when all pledges are in. For Benevolences we received in pledges $2,936.96, All our loose collections will be added to this, and these collections will probably amount to $500. If we count also the benevolences from our Missionary Society, Sunday-school and Christian Endeavor Society, which total $1,100, it will bring our total for Benevolences up very satisfactorily. Considering the state of things financially, we feel that the Canvass was a great success. The trustees are a happy set of men."

The Town Church.—*Fairfield, Iowa* (375 members).—"Made Canvass for the first time this year. We secured $1,000 in advance of any subscription ever taken in this church. Our Benevolence Budget was also oversubscribed, for which we say, 'Thank the Lord.'"

*Middletown, N. Y., Webb Horton Memorial* (617 members).—"Our church made a Canvass which resulted in an increase as follows:

| | | | | | | | | |
|---|---|---|---|---|---|---|---|---|
| Weekly subscription to Current Expenses | | | | | before the Canvass | | ..... | $14 92 |
| " | " | " | " | " | after | " | ..... | 52 26 |
| " | " | " Benevolences | | | before | " | ..... | 2 89 |
| " | " | " | " | | after | " | ..... | 8 83" |

*Bozeman, Montana* (468 members).—Canvass in March, 1915. Pledges for local Church Support, $6,315, averaging weekly 26c.; for Benevolences, $6,356, or an average weekly of 26c. Note that more is given for Benevolences than for own Support.

The Church in the Country.—*Blaine, Ohio* (136 members), and *Shadyside* (223 members).—An increase of 70% in subscriptions for Current Expenses, and over 100% for Benevolences resulted in both churches. Each church will now have a pastor of its own.

*Clarksville, Mo.* (42 members).—"Never have had more than 'quarter time' services. The Plan works finely. Had difficulty in raising $150 a year without it. Now we raise double that amount for Local Support. Money comes in steadily."

The Non-English-speaking Church.—*Newark, N. J., First Italian* (109 members).—Seventy-five pledges were secured, amounting to $424, where the

previous year the total contributions were but $213. Where, in the month of September, 1914, before the Canvass, the total raised was $14.29, in the month of November, after the Canvass, the amount received was $42.60. Of the 75 contributing systematically to local Church Support, 45 are giving likewise to Benevolences.

The Church on the Foreign Field.—Even far away in non-Christian lands, the Every-member Plan has been applied with results similar to those realized in the churches of the home-land—in some cases, indeed, amazingly surpassing these; for instance:

In *Hamadan, Persia,* St. Stephen's Church, to which the girls of the Faith Hubbard School belong, the adoption of the weekly system of giving by double-pocket envelope, with an annual canvass, has opened the way to self-support.

In *West Africa,* the Every-member Plan, introduced in 1909–10, increased the contributions at Elat threefold within a year, averaging $64 gold a Sunday. The average wage is but 12c. a day and living 2c. (to compare with American conditions it is necessary to multiply by at least 12). This church, springing out of raw heathenism only a dozen years ago, now with 2,297 communicants, besides 2,000 in the circle of applicants who are now in their second year of probation, and 13,000 in the outer circle in the first year of probation, has 15,000 people using the envelope for systematic giving, *i.e.,* six times as many givers as members.

The Plan in the Sunday-School.—*Waterloo, Iowa, First Church* (533 members), in making the Canvass for the second year and increasing the number of subscribers from 330 to 372, put the Sunday-school upon a similar basis, increasing the number using envelopes from 75 to 119.

2. The Committee's Representatives.—Immediately after the last meeting of the General Assembly, Rev. A. F. McGarrah retired from the service of the Committee and his place was filled July 1, 1914, by William S. Marquis, D.D., formerly Superintendent of Benevolences for the Synod of Illinois. Dr. Marquis has been responsible for the field work of the Central District, including the States of Ohio, Indiana, Illinois, Missouri, Iowa, Minnesota, Wisconsin and Michigan.

In the Western District, Moses Breeze, D.D., has had charge of the field work in North and South Dakota, Nebraska, Kansas, Montana, Wyoming, Colorado, Idaho, Washington and Oregon.

In the East, Mr. David McConaughy has been responsible for the field work in the Synods of New England, New York, New Jersey, Pennsylvania, Baltimore and West Virginia, while also sharing in the work of the Correspondence Office in New York, and supervising the Supply Office at Auburn, N. Y.

John B. Hill, D.D., has confined his attention to the Correspondence Office in New York, keeping the records of the Joint Executive Committee, assisting in preparation of publications, and attending to general correspondence.

3. Coöperating Forces.—Throughout the Church there has been a hearty response to the call for concert of action. In practically all of the Synods and Presbyteries, provision has been made for carrying out the Every-member Plan.

The leadership has been committed either to a United Missions Committee (corresponding to the Joint Executive Committee as constituted for the Church at large) or to the Executive Commission, which adds this to its other functions. In some Synods and in certain Presbyteries, the Home Missions Committee has assigned a Synodical agent to the promotion of the Plan.

4. Leaders' Conferences.—Immediately preceding the General Assembly, a Conference of Presbyterial and Synodical United Committees and other leaders in the Presbyterian United Movement was held in Chicago, with a great popular gathering at night.

In connection with a Laymen's Movement Conference at Lake Geneva, Wisconsin, Presbyterial leaders of the Central West assembled under the leadership of Dr. William S. Marquis, last July.

At Atlantic City, in September, there was a similar gathering for the Eastern District, attended by more than fifty men from all of the Synods of the Eastern District, including thirty Presbyterial Chairmen of United Committees, besides the representatives of the Boards and of the Joint Executive Committee. The proceedings of this Conference were so valuable as to call for their publication in a pamphlet of 24 pages, which may be obtained from the Joint Executive Committee by those specially concerned.

At the Synods of 1914, the Missionary and Benevolent work of the Presbyterian Church in the U. S. A. was for the first time presented in a unified way by teams of three speakers each. With but a few exceptions, the Synods welcomed this proposal and carried out the arrangement with good effect. In most of them, the Every-member Plan received special attention and a decided impetus was given to its promotion. Many of the Synods by unanimous vote requested the repetition of the arrangement in its main features.

The Field Agents of the Boards and Synods have coöperated to a limited extent only; there is need for more effective team work of this sort.

5. The Assembly Herald.—Joint action on the part of the Boards has notably improved the contents of our official magazine, articles by writers of note having been secured from time to time.

The January number this year, as last, was utilized especially to emphasize the Presbyterian United Movement, with extra editions issued to meet the demand thus created. The result has been that the circulation has increased 10 per cent. within the past year.

In each carton of envelopes sent out from the Supply Office

an announcement of the *Assembly Herald* is printed, and in each carton is enclosed a coin card for a subscription to the magazine. Each order when filled from the Supply Office is accompanied by a letter urging the claims of the magazine. On each Every-member subscription form issued by the Supply Office, also, provision is made for entering a subscription to the *Assembly Herald*, thus making it possible for everyone engaging in the Every-member Canvass personally to present the claims of our official Church magazine. In this way the circulation should speedily be largely increased, if the periodical be made sufficiently attractive as well as instructive.

6. The Supply Office.—The Committee's Printing Plant, at Auburn, N. Y., has continued to operate throughout the year with increasing usefulness. During several months of the year, it has been necessary to work day and night.

The Presbyterian United Movement publications, revised in the light of growing experience and developed to meet the demands of the churches, now afford an adequate outfit for carrying out the Canvass in churches of all kinds and conditions. Among the newer issues are: an extra large double-pocket envelope ($2\frac{3}{4}'' \times 5''$); also a Sunday-school envelope and a Special Offering envelope for the use of visitors and other non-subscribers. To the pamphlets and leaflets previously issued have been added "A Bird's-eye View of the Work of the Presbyterian Boards," "A Present Day Parable for Presbyterians," "It Works Wonders, Wherever Worked," "The City Church on the Every-member Plan"; also a series of financial forms and "A Manual for Financial Officers."

An illustrated catalogue is available, setting forth all the material furnished from the Supply Office. The output has largely increased as compared with the preceding year.

Mrs. William H. Hubbard has continued her generous interest in the development of the valuable plant for which our Church is so deeply indebted to her husband, the late Dr. Hubbard, who served in an honorary capacity as the first Secretary of this Committee. A new press has been added by the gift of Mrs. Hubbard, and other improvements have been purchased, fairly completing the equipment.

The following recommendations are submitted for approval:

1. That the Every-member Canvass be made an annual event in all of our churches, not later than the second Sunday in March.

2. That thorough preparation be made for the Canvass by continuous cultivation of intelligent interest throughout the year, through the Church United Committee (or Missionary Committee), and intensively during several weeks immediately preceding the Canvass by a series of sermons, by printed information and by careful instruction of those who are appointed to represent the Church in the house-to-house visitation of all the people.

3. That while seeking to enlist everyone connected with the congregation to give systematically in weekly worship for Benevolences as well as for Church Support, opportunities be also given from time to time throughout the year for thank-offerings, which will afford occasion for those who may wish to give more largely to particular causes and for such as are not as yet giving systematically.

4. That pastors present the claims of the several causes periodically from the pulpit, so as to secure intelligent interest in every part of the Church's work and thus cultivate a growing generosity in its support.

5. That the form of subscription, while providing for both Church Support and Benevolences, include also the *Assembly Herald*, and that the canvassers be instructed to present our official Church magazine so as to put it regularly in every household.

## XIX. Official Conference of the Executive Commission and the Boards.

This Official Conference was established by the General Assembly of 1911 (see *Minutes*, p. 178), and has been directed to meet at least once a year. Two Conferences were held during the fiscal year ending March 31, 1915—the first at Atlantic City, September 29, 1914, and the second in New York City, February 24–25, 1915. Each of the Boards was represented by one or more persons, and the Executive Commission was represented by all of its members present at its meetings.

The matters approved at the Conferences, and reported upon to the Executive Commission, are as follows:

1. The Every-member Canvass.—It was recommended that an asterisk be prefixed to the name of each church adopting the Every-member Plan, including the annual personal canvass and the weekly-offering envelope. This was referred to the Committee on Christian Life and Work, to which the General Assembly has entrusted the work of reporting upon changes, etc., in the Statistical Reports.

2. Efficient Standard of Giving.—The following action was unanimously voted as to this important subject:

Whereas, The desire has been frequently expressed for the establishing of recognized standards of giving for the local church and for individuals; and

Whereas, Definite proposals of this nature have been frequently considered by the Joint Executive Committee, the Joint Conference and other official bodies of the Church; and

Whereas, Divergent standards of ability are clearly recognized, and the difficulty of establishing fixed standards for so varied a constituency has constantly appeared; therefore, churches are urged:

(1) To carry out the Every-member Canvass to the fullest extent, not stopping short of having everyone give for the support of the local church and also for the whole missionary work of the Church at large, and give on the weekly basis as an act of worship.

(2) To seek, in accordance with the General Assembly's deliverance, to have the members "set apart a definite

portion of their income for the Lord's work, at least a tenth"; and

(3) To urge that each member individually, and consequently the Church collectively, give at least as much for the missionary and benevolent work of the Church at large as for local church support, thus greatly increasing both the extent and the efficiency of the work of all the Boards.

3. UNDESIGNATED OFFERINGS.—The General Assembly of 1914 (*Min.*, p. 203), referred the matter of the distribution of Undesignated Gifts that are sent to the Treasurers of the Boards, to the Official Conference of the Executive Commission with the representatives of the Boards, and the General Assembly authorized the said Conference to determine the percentage of undesignated offerings to be given to each Board. After full consideration of the subject the following action was adopted, and is reported for information:

*Resolved*, That the Treasurers of the Boards receiving undesignated funds be instructed to divide them as below, and that this action shall be understood to apply only to such undivided funds as may reach them undesignated, and that the percentage be not published in any literature issued by the Boards.

| | |
|---|---|
| Foreign Missions | 32.5% |
| Home Missions | 30.5% |
| Education | 5.5% |
| Sunday School Work | 5.5% |
| Church Erection | 5.5% |
| Relief and Sustentation | 5.5% |
| Freedmen | 5.5% |
| Colleges | 5.5% |
| Temperance | 4.0% |
| | 100.0% |

4. EXHIBITS OF THE BOARDS.—At the General Assembly, for a number of years, the Boards have been making exhibits connected with their work, and it was felt that it would be well to adopt a rule as to these exhibits, and the following Resolution was adopted:

*Resolved*, That the several Boards and other agencies of the Church desiring an exhibit of their work at the meetings of the General Assembly, be requested to conform their display to a general and unified plan; and that the usual custom be followed, leaving the details of management to the Local Committee of Arrangements.

5. THE ASSEMBLY HERALD.—The following action was taken in connection with this excellent publication, which represents all the Boards:

WHEREAS, The Joint Committee and *The Assembly Herald*

Committee have recently coöperated in plans for the further improvement of *The Assembly Herald;* therefore,

*Resolved,* That these two Committees be urged to continue and extend their effort to make *The Assembly Herald* increasingly attractive and effective as an organ of publicity for the work of the Church; and

*Resolved,* That pastors, church officers, leaders of various Church organizations, and the membership of the Church generally, be urged to subscribe for *The Assembly Herald,* read its presentation of the organized benevolent work of the Church, and seek by all proper means to extend the circulation of the *Herald.*

6. Combined Statistical Report.—The continuance of this Report, known commonly as Part II of the Reports of the Boards, was taken up at the September, 1914, Official Conference, and was referred to the Treasurers of the Boards and to the Stated Clerk of the General Assembly, for consideration and report, with the understanding that any conclusion reached would be transmitted to the Committee on Christian Life and Work, within whose jurisdiction the last General Assembly had placed all matters connected with Statistical Blanks and Reports.

At the Official Conference in February, 1915, it was resolved that this Combined Statistical Report be hereafter discontinued. At the same Conference the Executive Commission stated that it had given careful consideration to the proposal for the new form of the Statistical Report of the Presbyteries and had approved the following:

"The Committee to whom was referred the question of enlarging the printed *Minutes* of the General Assembly, as suggested by the Treasurers of the Boards, beg leave to report, that it seems not practicable to change the size of the book, however desirable some of the additional data, properly verified, would be. Two of the principal reasons are the material additional cost of the change, involving increased expense to the Church, and that this additional information is otherwise obtainable."

The Commission also directed that this Report be sent to the Committee on Christian Life and Work. (For the action of the latter Committee see its Report.)

7. Budget of the Joint Executive Committee.—In view of the financial needs of this Committee, from the close of the present fiscal year, March 31, until after the meeting of the General Assembly, its budget was provided for by the following resolution:

*Resolved,* That the Joint Executive Committee be authorized to make, on the basis of the present year, a

Budget for April, May and June of the fiscal year 1915–16, and draw upon the Boards *pro rata.*

8. The Joint Executive Committee, Change in Name, etc.—The matter of the change in name of the Joint Executive Committee and also in functions, was adopted at the Conference in New York City, February 25, 1915, and the following action was taken:

*Resolved,* That the Boards and the Executive Commission unite in the following recommendations to the General Assembly, as to the Joint Budget Committee:

(1) That the Joint Executive Committee be known hereafter as the Assembly's Committee on the Every-member Plan, and said Committee shall be the successor of said Joint Executive Committee, and shall consist of one representative from each of the nine Boards, together with the Moderator of the General Assembly, as Chairman.

(2) That the Assembly's Committee on the Every-member Plan shall be recognized as the authorized agency to promote the said Plan among the churches, and to further the Presbyterian United Movement.

(3) That the Boards be authorized to perfect such organization and direct such agents through the proposed new Committee, as they shall jointly approve and as shall advance the interests committed to the Boards, and, if possible, at a reduced expense.

(4) That the Manual of the General Assembly be amended by the Stated Clerk, so far as to conform with the foregoing action.

The following additional Resolutions were adopted as to the Joint Budget Committee by the Executive Commission:

(5) The Moderator of the Assembly, who is during his term Chairman of the Executive Commission, shall be, by virtue of his office, Chairman of the Assembly's Committee on the Every-member Plan during his term as Moderator. He shall sign all communications as such which are prepared or sent out for the Committee. In case of his absence he may appoint a member of the Executive Commission to represent him on said Committee.

(6) The expenses of the Assembly's Committee on the Every-member Plan shall not be a liability upon the General Assembly or the Executive Commission, nor shall their Budget be paid out of the general funds of the Church, but out of the funds of the respective Boards composing said Committee, proportionately, the total amount not to exceed $12,000, for the year beginning July 1, 1915, the proportion to be determined by the Committee after consultation with the Boards.

(7) It shall be the duty of the Committee to prepare the docket for the Official Conference and to render an accurate report of its actions, and submit its Minutes to the Executive Commission at every semi-annual meeting of said Executive Commission.

9. THE FUTURE OF THE JOINT CONFERENCE.—The following action was taken as to the Official Conference:

"There shall be an Official Conference of representatives of the Boards and the Executive Commission, which shall meet at least once a year and at such other times as the Executive Commission may order. Said Official Conference shall be composed of representatives from each of the Boards to be selected by the respective Boards, who shall constitute one party. The Executive Commission shall select, through its Budget Committee or other Committees, representatives who shall constitute the other party. In deliberation, the voting shall be by the representatives present; but when called for, the Boards shall vote as units and the Commission as a unit, or the Boards and the Commission shall vote and agree or disagree as the two parties."

10. SYNODICAL VISITATION.—The following Resolution as to the Visitation of the Synods was adopted:

*Resolved*, That the matter of the presentation of the Presbyterian United Movement, at the meeting of Synod, be referred to the Joint Budget Committee, for such action as it may deem wise.

Respectfully submitted for the Executive Commission,

MAITLAND ALEXANDER, *Chairman.*

The Standing Committee on Freedmen presented a Report on Overtures referred to it, which was adopted and is as follows:

The Standing Committee on Freedmen reports upon papers referred to it as follows:

*Overture No. 118*, from the Synod of Canadian, relating to the work of the Board of Missions for Freedmen.

*Overture No. 119*, from Cheyenne Presbytery, relating to Mission Work among colored people, asking "that the work of the Presbyterian Church, U. S. A., among the negroes in Home Mission territory be not placed under the control of the Freedmen's Board."

Also a paper from the Rev. A. E. Rankin was considered.

It is recommended that these Overtures be answered in the negative.

The Standing Committee on Polity presented its Report on *Overture No. 267*, asking the question, "Is it orderly to

receive by letter, members from the Friends Church without baptizing them?"

After due consideration, the Assembly answered the Overture in the negative.

The Executive Commission presented the following additional Report, which was adopted, and is as follows:

The Executive Commission respectfully reports requesting that the General Assembly vote to it the general powers indicated in Chapter XXVI, Section 7, of the Form of Government, and as follows: to correspond with the Executive Commissions of Presbytery and Synod; to confer with and advise the permanent benevolent and missionary agencies of the Church; to prepare and submit annually to the General Assembly the Budget for such benevolent and missionary agencies; and to consider, between annual meetings of the General Assembly, cases of serious embarrassment or emergency concerning the benevolent and missionary work of the Church, when requested by a Board, and to provide direct methods of relief. Also the power to take steps to coördinate and unify the benevolent and missionary work of the Church, as indicated in Chapter XXVI of the Form of Government, Section 8.

The Commission further requests the Assembly to authorize it to meet at the annual meetings of the General Assembly.

Respectfully submitted,

MAITLAND ALEXANDER, *Chairman.*

It was requested that any papers in the house relative to the case of Barker *vs.* The Presbytery of Neosho be turned over to the Stated Clerk for transmission to the Judicial Commission.

The Standing Committee on Theological Seminaries, through its Chairman, Rev. Frederick N. McMillin, D.D., presented its Report, which was accepted, and made the Order for 10 o'clock A.M. to-morrow.

Rev. Charles R. Erdman, D.D., as Chairman of the Standing Committee on Home Missions, nominated Mr. Isaac H. Orr, of St. Louis, to take the place made vacant on the Board of Home Missions by Mr. John C. Cobb, who had resigned to take a place on the Executive Commission. Mr. Orr was duly elected.

The Chairman of the Standing Committee on Polity, Rev. Dr. George B. Stewart, moved to reconsider the action

of the Assembly on the recommendation of the Report of the Standing Committee on Polity, relative to the power of Synods in missionary administration. (See p. 179.) The motion was carried.

The Chairman of the Standing Committee on Home Missions, Rev. Dr. C. R. Erdman, then moved to reconsider Resolution 12, 2, *a* and *b*, in the Report of the Standing Committee on Home Missions. (See p. 175.) The motion was carried.

The following paper was then moved as a substitute for both the above-named articles, and was unanimously adopted. The deliverance is as follows:

The General Assembly, in relation to the authority of Synods over Presbyteries in their Home Mission work, hereby declares:

1. (*a*) That the Synods now have ample powers for the election of Synodical Missionaries or field men, and to review estimates of Presbyteries seeking aid from the Board of Home Missions, and to make recommendations to the Board of Home Missions concerning such Presbyterial estimates.

(*b*) That when requested by Synods so to do, the Board of Home Missions shall make bulk appropriations to Synods to be distributed by the Synodical Committee on Home Missions amongst the Presbyteries.

(*c*) That Presbyteries shall have the full and unrestricted right of using the bulk appropriation made to them directly by the Board or mediately through the Synod's Home Mission Committee, according to the judgment of the Presbytery alone, a faithful accounting of which is to be made by the Presbytery directly to the Board as required by the General Assembly of 1914.

(*d*) That the Board shall make all appropriations for field men to Synods, except when requested by the Presbytery, which agrees to pay for its own field men out of the bulk appropriation made to it by the Board.

2. The Assembly hereby directs that a special committee be appointed to rewrite Chapter XVIII of the Form of Government, entitled "Of Missions," to consist of three ministers and two elders.*

The Standing Committee on Polity also presented a Supplementary Report, which was adopted, as follows:

The Standing Committee on Polity recommends that the transfer of the Indian Church at Wolf Point, Montana, from the Presbytery of Dakota, to the Presbytery of Great Falls, be approved.

*See page 303.

The acts of the Synod of Wisconsin, as recorded in *Overture No. 286*, as to the transfer of Calumet County to Milwaukee Presbytery, and the Church of Florence to the Presbytery of Lake Superior, it was stated needed no action by this Assembly, inasmuch as the Assembly of 1914 authorized said acts.

*Overtures Nos. 115* and *284* were not acted upon because of other action had by the Assembly.

The Assembly adjourned, and was closed with prayer.

FRIDAY, May 28, 9 o'clock A.M.

Assembly met, and was opened with devotional services.

The Minutes of yesterday's sessions were read and approved.

The Committee on Legal Matters connected with Reunion, through its Chairman, Rev. William H. Roberts, D.D., presented its Report, which was amended and adopted, and is as follows:

The Special Committee on Legal Matters connected with the Reunion of 1906 presents its Report to the General Assembly, as follows:

By action of the last Assembly, this Committee was continued, with the same general powers that it has had in the past years of its existence.

During the last year, there have been no changes in the Committee's membership, organization, or policy. Its affairs have been managed in large part by an Executive Committee. The following matters are reported upon:

1. The Committee, as stated in its last Report, was able to see its way clear to discontinue Judge John M. Gaut, as salaried General Counsel, on December 1, 1913, with the understanding that his services were available to the Committee, if needed, upon such terms as might be agreed upon. In this relation, Judge Gaut has rendered, by authority of the Committee, no service during the year. He has given, however, valuable service voluntarily to various parties.

2. In the Committee's last Report, reference was made to the then pending case of the Odell Avenue Church, Marshall, Mo., which had been argued in the Missouri Supreme Court, in January, 1913. The Committee now reports that on December 1, 1914, the Court handed down its opinion in this case, sustaining the validity of the Reunion and Union of 1906, said decision being in reversal of the opinion handed

down by the same Court in the Warrensburg (Boyles *vs.* Roberts) case, on June 8, 1909.

3. Pursuant to authority given by the Executive Commission, and confirmed by the General Assembly, the sub-Committee of the Legal Committee empowered to employ counsel, consisting of S. Spencer Chapman, Esq., and Dr. W. H. Roberts, corresponded and conferred with Frank Hagerman, Esq., of Kansas City, Mo., in the matter of the appeal pending in the United States Circuit Court of Appeals, Eighth Circuit. Mr. Hagerman agreed, for the sum of $2,000, as his fee in the Appeal, to represent the Church therein. Mr. Hagerman stated that he did not think it necessary for him to engage associate counsel, and therefore the conduct of the case has been left entirely in his hands. This Appeal was argued on January 12, 1915, and a decision was rendered recently in favor of the Reunited Church.

4. The Assembly referred to the Legal Committee *Overture No. 168*, from the Synod of Missouri, asking the Assembly to direct the Committee to include, among the causes for which it stands, the interests of Missouri Valley College. The Committee considered this subject carefully, and recommend the action recorded in Resolution No. 6.

5. The Committee has also considered the matter of the dissolution of the Educational Society of the Cumberland Presbyterian Church. The President of the Society, Dr. W. H. Halbert, appeared before the Committee, and, after careful consideration, the resolution, which is numbered 7, was recommended for adoption.

6. The matter of the finances of the Legal Committee is at present as follows: There is owing to Frank Hagerman, Esq., the sum of $10,000, for fee in the case argued in the United States District Court, Kansas City. There is, in addition, the $2,000 fee in the Appeal case, with an allowance in both cases of $208.31 for expenses. Should the case be carried for final decision to the United States Supreme Court, there would be additional expense. Leaving the future to one side, and considering only the present, it will take $12,208.31 to meet the expenses to date.

7. The attention of your Committee has been drawn to the fact that the Omnibus War Claims Bill, passed recently by the United States Congress, voted moneys to certain Cumberland Presbyterian churches in Tennessee, in settlement of claims for damages during the Civil War. The list is as follows: Charleston, $530; Clarksville, $1,200; Clifton, $980; Pulaski, $700; Waverly, $1,040. The Cumberland University at Lebanon was voted $8,000. Your Committee

is of the opinion that these all are "local" matters, which can be best adjusted by "local" authorities.

The following recommendations are submitted:

*Resolved*, 1. That the Committee on Legal Matters and the Executive Commission of the General Assembly are hereby authorized, in their discretion, to make provision, in behalf of the General Assembly, to assist in meeting the expenses of law suits where general questions are involved, but this Resolution shall not be construed as authorizing provision for the expenses of litigation which involves only the ownership of local church property.

*Resolved*, 2. That the Committee on Legal Matters and the Executive Commission be authorized, when deemed advisable, to appoint a commission, consisting of one or more ministers or lay members of the Church, with authority, after consultation with, and approval by, the Committee on Legal Matters, to institute as well as to defend suits for the above purposes, to wit, to protect the contract of Union, to prevent the misinterpretation of our doctrinal standards, to preserve our ecclesiastical authority and to defend our property rights, provided the Committee on Legal Matters shall have power to determine the amount of expenses to be incurred.

*Resolved*, 3. That the Committee be continued, with power as to all general litigation now in progress, in connection with the Reunion of 1906, but that no new suits be approved by the Committee, except after the consent of the Executive Commission of the General Assembly shall have been obtained.

*Resolved*, 4. That no appropriations for expenses in connection with any law suits shall be regarded as final, and as involving obligations on the Church at large, except as first approved by the Committee on Legal Matters and the Executive Commission.

*Resolved*, 5. That the Chairman, Dr. Wm. H. Roberts, and S. Spencer Chapman, Esq., be empowered to retain counsel in case any appeals be made in pending litigation, and said sub-Committee is the exclusive representative of the Committee in the matter of retaining counsel, all previous authorizations by previous Assemblies for such purposes being hereby revoked.

*Resolved*, 6. That it is recognized that Missouri Valley College is not to be classed as "local church property" in the sense that it is the property of a local congregation or controlled by a private corporation, for the college belongs to the Synods of Missouri and Kansas, its charter providing that the trustees shall be elected by these Synods. However, the Com-

mittee having already assumed the expenses of the general suit in the Federal Courts, conducted by Frank Hagerman, Esq., which is now settled unless there be an appeal to the United States Supreme Court; and arrangements satisfactory to the College having been made for the settlement of the remaining costs in the Missouri Valley case in the State courts, there is no need for further action by the Committee or the Assembly, at this time, save to congratulate the Synods and the College on the favorable outcome of the litigation.

*Resolved*, 7. That the Legal Committee be authorized and empowered, in conjunction with the officers of the Educational Society of the Cumberland Presbyterian Church, to take such steps as may be necessary to dissolve said Educational Society, if and when the way be clear and counsel so advises.

*Resolved*, 8. That, in view of the fact that there may be additional expenses connected with the final issue of the case now in the United States Courts, in which Frank Hagerman, Esq., is counsel, it be recommended to the Assembly to request from the Presbyteries, through the Stated Clerk, should the need arise, one-half cent per communicant for further expenses in connection with the Union litigation.

In behalf of the Committee,

WM. H. ROBERTS, *Chairman.*

The Rev. John V. Stephens, D.D., on recommendation of the Stated Clerk, was added to the Committee on the Digest, to act in relation to matters connected with the records of the Cumberland Presbyterian Church.

The following Resolution concerning Ruling Elder Edwin S. Wells, of Lake Forest, Ill., was adopted:

WHEREAS, It has been brought to the attention of the Assembly that Mr. Edwin S. Wells, of Lake Forest, Ill., has been an active ruling elder in the Presbytery of Chicago for over sixty years; that his services in the Church have been conspicuous in that he has several times been a member of the General Assembly; that he was a member of the Commission that visited the General Assemblies of Great Britain and Ireland in 1872; that he was for some years a member of the Committee on Union and Reunion with the Cumberland Presbyterian Church, and has been a strong influence for righteousness in the lives of many young men in the Lake Forest College, and now, in the eighty-seventh year of his age, is in declining health, the Assembly sends him affectionate greeting, and prays that the joys of God's presence and the anticipation of the crown of righteousness that fadeth not

away, may comfort and cheer him in the remaining steps of his pilgrimage.

The following Report of the Stated Clerk was presented and adopted:

The Stated Clerk respectfully reports to the General Assembly:

1. In the matter of the binding and distributing of the *Reports* of the Boards, that the same has been attended to, in accordance with the directions of the Assembly of 1914, and that the accounts for the same have been duly audited. These accounts will be found printed in the Appendix to the *Minutes*.

It is recommended that the following resolutions be adopted:

*Resolved*, (*a*) That the Assembly authorize the binding and distribution of 7,500 copies of the *Reports* of the Boards and Permanent Committees, for the ecclesiastical year 1914–15, the expenses of the same to be borne by the Boards.

*Resolved*, (*b*) That the Boards be requested to deliver the printed sheets of the Reports to the Stated Clerk on or before June 25, 1915.

2. The Assembly is respectfully requested to approve of the continuance of the publication of the Presbyterian Handbook under the editorship of the Stated Clerk.

The Order of the Day, the Report of the Standing Committee on Theological Seminaries, was taken up and, after addresses by Rev. William McKibbin, D.D., and Rev. Arnold W. Fismer, D.D., the Report was adopted and is as follows:

The Standing Committee on Theological Seminaries presented its Report, which was adopted, and is as follows:

Your Committee on Theological Seminaries reports that eight hundred and seventeen students have been enrolled in the twelve Seminaries which report to the General Assembly. This is an increase of fifty-one over the report of a year ago, and almost double the increase reported then. For this we are grateful to Him who sends forth laborers into His harvest.

We are glad to note the progress which is being made in many places and in many ways: the increase of endowment at Bloomfield Seminary and the addition of the new building, Knox Hall; the large increase in endowment funds at McCormick Seminary; the splendid work of the Summer Schools of Theology at Princeton and at Auburn, and also the School for Christian workers at Auburn; the addition of evening

courses of study in the Scriptures at Lane Seminary, which are open to the public and which are much appreciated; lectures to the students on practical themes, including business methods, are being given by competent men; and the raising of the standards of scholarship. Your Committee is impressed by the evidently increasing loyalty, in the Seminaries reporting to the Assembly, to the authority and integrity of the Word of God as it is written, and to the faith founded on the foundation of the prophets and apostles, Jesus Christ himself being the chief Cornerstone, and by the passion for Evangelism.

We would lay upon the hearts of pastors and of elders the necessity and the high privilege of helping to recruit the ranks of the gospel ministry.

Your Committee recommends the adoption of the following resolutions:

*Resolved*, 1. That the General Assembly hereby approves the election and transfer of all professors in our Seminaries as recorded in their reports.

*Resolved*, 2. That no action be taken on *Overture No. 113*, relating to the giving of addresses to the students in the Seminaries, on the conducting of private and church business affairs.

*Resolved*, 3. That more emphasis be placed on the training of the young men in public speaking, efficient methods of church organization, including the Every-member Canvass, and the training in the performance of all the varied duties of their office, that they may in every way acceptably minister.

*Resolved*, 4. WHEREAS, The work of our brethren in the Theological Seminaries of Europe has been so deplorably hindered by the great war, and the Seminaries in neutral European countries are seriously hampered by lack of funds sufficient to carry on their work with its increased responsibilities; therefore, *Resolved*, That the Assembly hereby urges the churches and individuals not to forget the needs of the theological Seminaries of Europe, among the pressing demands of other objects, and particularly commends for generous support the work of the Evangelical Theological Seminary at Geneva, Switzerland, which has been heretofore approved by the General Assembly and whose needs equal its great opportunities at this time.

*Resolved*, 5. WHEREAS, The urgent present need of supporting generously the preparation in our theological Seminaries, of candidates of foreign birth has been emphasized before this Assembly and the importance of such support is deeply realized; therefore, *Resolved*, That the General Assembly commends to the churches the efforts made, in our theological Seminaries, to meet the exceptional existing and prospective

need for the instruction and equipment of the ministry to the foreign born, and approves particularly generous contributions to such endowment funds, as that for $200,000 sought by Bloomfield Seminary, and also that sought by Dubuque Seminary, in order that these institutions may be immediately enabled to give adequate training to the largest possible number of students in this field to which they are devoted in a peculiar degree.

For the Committee,
F. N. McMillin, *Chairman.*

The Rev. William McKibbin, D.D., presented to the Assembly the Memorial from the Executive Committee of the Trustees of Lane Seminary, protesting against the action taken by the Assembly upon the Theological Seminary Compact of 1870, Lane Seminary being a party to said Compact. This Memorial is Overture No. 289, p. 63.

The Moderator gave notice that the Assembly was about to sit as a court, and exhorted the members to regard their high character as judges in a court of Jesus Christ.

The Permanent Judicial Commission offered the following Resolution, which was adopted:

In order to facilitate the work of the Judicial Commission, be it

*Resolved,* That immediately after the organization of the Assembly and the election of the Moderator, all papers of a judicial character in the hands of the Stated Clerk, which in his opinion are in order, be placed by him in the hands of the Permanent Judicial Commission, and that all judicial papers thereafter arriving be transmitted to the Judicial Committee, and that the Judicial Commission shall report that cases in its hands are in order, before proceeding to trial.

W. Francis Irwin, *Moderator;*
S. C. Dickey, *Clerk.*

The Commission also submitted the following Report:

In the matter of the reference by the Assembly to the Commission, requesting an interpretation of the action of the General Assembly of 1914, in Judicial Case No. 3 (*Minutes* of General Assembly, p. 251) and for such other action as may be deemed necessary, the Commission begs leave to recommend the following:

1. A review, by the General Assembly, of a judicial case heard by the Commission consists in a hearing and consideration by the Assembly of the record, including the

evidence, returned by the inferior judicatory, and hearing of the parties after the Assembly has been duly constituted as a court. (*Book of Discipline,* Chapter 9, Par. 99.)

2. Whenever the Assembly shall desire to adopt the finding of the Commission without reviewing the case, the form of the order shall be as follows:

The Assembly, having heard the report of the Commission, it is hereby ordered that the preliminary judgment of the Permanent Judicial Commission in this case be recorded as the final judgment of the General Assembly.

3. That it be the decision of the Assembly of 1915, that action on Judicial Case No. 3 proceed in accordance with the decision of the Assembly of 1914.*

W. Francis Irwin, *Moderator;*
Thomas E. D. Bradley, *Clerk pro tem.*

The Assembly rose as a court, and resumed current business.

The following Resolution, offered by Rev. H. C. Mendenhall, D.D., was adopted:

Whereas, It is reported that in many parts of our Church there is wide toleration in the licensing of theological students, and in accepting into our ministry, through ordination, those who misinterpret the fundamentals of our faith; and

Whereas, The Presbyterian Church has always stood for those doctrines which come to us from the Holy Scriptures, and are so gloriously emphasized in the Reformation of the sixteenth century; therefore,

*Be it Resolved,* That our Presbyteries are instructed and enjoined not to receive students who are not clear in their belief in these important doctrines, which are at the foundation of our faith—the incarnation of our Lord, the deity of Christ, His resurrection from the dead, the atonement, and the authority and integrity of the Bible.

Hon. William S. Bennet offered his resignation as a member of the Permanent Judicial Commission, which was accepted. The nomination of his successor was referred to the Judicial Committee.

The Assembly took recess, and was closed with prayer.

---

* Note.—The third recommendation of the Permanent Judicial Committee read, "The Assembly of 1914 did not review Judicial Case No. 3." The Assembly voted the substitute which appears in the Report.—W. H. R.

FRIDAY, May 28, 2.30 o'clock P.M.

The Assembly met, and was opened with prayer.

The Standing Committee on Mileage, through its Chairman, presented its Report, which was adopted and is as follows:

The Mileage Committee of the General Assembly respectfully submits the following Report:

The Committee has carefully audited all the mileage accounts of the Commissioners, and checks therefor have been drawn by the Treasurer and countersigned by the Stated Clerk, in accordance with the plan adopted by the Assembly.

The number of Commissioners enrolled is 858; the whole number of Presbyteries represented, 292; the number of advisory members is 12; the number of Presbyteries not represented, 3.

Foreign Mission Presbyteries are exempt from payment, and seven of the Presbyteries composed of colored ministers and churches did not pay their full apportionment. By action of this Assembly, the mileage and entertainment expenses of the Commissioners from these Presbyteries were paid in full.

The Presbytery of Newark has not paid the mileage apportionment and the entertainment apportionment has not been paid by the Presbyteries of Clarion, Kittanning and Newark.

The receipts and disbursements for mileage and entertainment are as follows:

RECEIPTS.

| | |
|---|---|
| From apportionments: Mileage Fund | $42,207 43 |
| Entertainment Fund | 27,617 06 |
| | $69,824 49 |
| Transferred from surplus funds to make up deficit | 6,567 99 |
| | $76,392 48 |

DISBURSEMENTS.

| | | |
|---|---|---|
| For Mileage | $48,775 42 | |
| " Entertainment | 26,000 00 | |
| | | $74,775 42 |

The amounts received for other purposes are as follows:

| | |
|---|---|
| Contingent Fund | $42,220 02 |
| Vacancy and Supply Fund | 6,645 42 |
| Legal Expense Fund | 10,292 72 |
| | $128,982 65 |

These funds are in the hands of the Treasurer of the Assembly, The Land Title & Trust Company of Philadelphia.

Your Committee respectfully makes the following recommendations:

1. That the Assembly again urges upon all Presbyteries the absolute necessity of contributing in full to the Mileage, Entertainment and Contingent Funds, and the importance of forwarding the remittances to the Stated Clerk of the Assembly well in advance of the next meeting of the General Assembly.

2. That the apportionments for next year, in accordance with the recommendation of the Finance Committee, be $8\frac{1}{2}$ cents for each communicant, apportioned as follows: To the Mileage Fund, 3 cents; to Entertainment Fund, 2 cents; to Contingent Fund, 3 cents; to Vacancy and Supply Fund, $\frac{1}{2}$ cent; also that a further apportionment be made of $\frac{1}{2}$ cent to Legal Expense Fund, if it be found necessary.

3. That the Stated Clerk and the Treasurer jointly be empowered to transfer to the Legal Expense Fund, from the General Funds of the Assembly, the sum of $2,000.

4. That the Stated Clerk and the Treasurer of the Assembly be empowered, jointly, at their discretion, to pay Commissioners such further sums as may be considered justly due by reason of underestimation of railroad charges and other expenses incurred in returning home, and also for fare paid in excess of the published reduced rates of transportation in cases where it is found that it was impossible for the Commissioners to secure the reduced rates.

5. That the Stated Clerk and the Treasurer be authorized to have the accounts for mileage and entertainment of this Assembly duly audited, after the adjournment of the Assembly.

6. That the thanks of the General Assembly be extended to such railroads and other transportation companies as made reduced rates to the Commissioners.

7. That the allowance for the entertainment of Commissioners to the General Assembly be fixed at $3 per day.

Your Committee further reports, that *Overture No. 149*, from St. Louis Presbytery, to the effect that Commissioners should receive for traveling and entertainment a sum only in proportion to the time they have actually given to the Assembly, was referred to the Finance Committee and the Committee on Mileage, jointly, and that at a joint meeting a motion prevailed that it be recommended to the Assembly that no action be taken.

Submitted in behalf of the Committee,

T. Edward Ross, *Chairman.*

The special thanks of the Assembly were given to the Mileage Committee, and in particular to the Chairman.

The Mileage Committee was authorized to pay the mileage of the Commissioners from the Presbytery of Spokane.

The Finance Committee presented its Report, which was approved, and is as follows:

The Standing Committee on Finance respectfully reports:

1. That the Committee has carefully examined the following financial statements, duly certified as correct by certified public accountants.

*a*. Report of Wm. H. Roberts, in account with the Boards, certified by E. J. Gallagher, public accountant.

*b*. Report of Wm. H. Roberts, Stated Clerk.

*c*. Report of Land Title and Trust Company, both *b* and *c* being certified by Vollum, Fernley, Vollum & Rorer, public accountants.

It is recommended that all be accepted and approved.

2. On *Overtures Nos. 121* to *148*, from twenty-seven Presbyteries and one Synod, requesting a reduction in the apportionments made for the Mileage, Entertainment and Contingent Funds, the answer is recommended that as the railroads no longer grant reduced rates as they once did, and as a reduced apportionment will be made during the coming year, your Committee recommends that no action be taken upon these Overtures.

The Committee also recommends, acting jointly with the Committee on Mileage, a negative answer to *Overture No. 149*, from the Presbytery of Saint Louis, relating to the allowance for Commissioners from the Mileage and Entertainment Funds.

3. On *Overture No. 62*, from the Presbytery of Pueblo, asking that the Assembly advise the several Boards of the Church to pay the expenses incurred by their respective Presbyterial Committees in the discharge of their routine duties in the interest of these Boards, it is recommended that the Overture be answered in the negative.

4. The Committee strongly recommends that the Executive Commission shall revise and reduce, as far as possible, the expenses of said Commission; and also the expenses of all Special Committees, and all items in the Contingent Fund.

5. In accordance with the recommendations of the General Assembly, continuing the connection with the following-named organizations, your Committee recommends the following appropriations:

(1) The Federal Council of the Churches of Christ in America, $1,468.
(2) The World's Presbyterian Alliance, $2,060.
(3) The Council of Reformed Churches, $200.

In behalf of the Committee,
E. W. C. HUMPHREY, *Chairman.*

The following Resolution was adopted:
The General Assembly commends to our several churches the Waldensian Church of Italy, and recommends that this historic Church be remembered in the prayers and the contributions of our people.

A Resolution, offered on a topical arrangement for the *Digest*, was referred to the Committee on Digest.

Mr. Nathan Platt Bushnell was elected, on nomination of the Judicial Committee, a member of the Judicial Commission, in place of Hon. W. S. Bennet, declined.

The Stated Clerk was unanimously authorized to cast, and did cast, the ballot of the General Assembly for the following persons as members of the Board of the Church Erection Fund, and they were declared duly elected. *Ministers*—William Russell Bennett, John F. Carson, D.D., LL.D., George Walton King, D.D., Robert B. McBride, D.D., and E. Van Dyke Wight, D.D.; *Ruling Elders*—Charles Glatz, Albert S. Richey and William H. Parsons.

The Records of the following Synods were approved, without exceptions: Alabama, Arizona, Arkansas, Atlantic, California, Canadian, Catawba, Colorado, East Tennessee, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Mississippi, Montana, Nebraska, New England, New Jersey, New Mexico, New York, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, South Dakota, Tennessee, Texas, Washington, West German, West Virginia, Wisconsin.

The Committee on the Minutes of the Synod of Baltimore recommended their approval, with the exception that they call attention to an action of Synod, recorded on p. 49 of said Minutes, with reference to the Minutes of New Castle Presbytery, stating that: "WHEREAS, On p. 380, it appears that a Presbyterial Committee was appointed 'to exercise all the functions of a Session in said congregation,' where all elders had resigned, Synod disapproves the action and gives leave to the Presbytery of New Castle to amend its record

so as to strike out the authorization of said committee 'to exercise all the functions of a Session,' but leaving them as a committee exercising Presbyterial oversight over said congregation."

Your Committee believes said action was unwarranted, inasmuch as a Presbytery which has the right to appoint a committee, with power and authority to organize a church, to receive members, ordain elders and constitute a Session, also has the power to do the lesser thing of authorizing a committee to exercise all the functions of a Session.

The Committee on the Record of the Minutes of the Synod of Missouri reported as follows:

The Committee commends the fullness and neat appearance of the volume printed. The record is approved with the following exception: On p. 46 it appears that the Synod appointed the Revs. G. P. Baity, W. M. Cleaveland, J. T. Bacon and A. L. Odell as Trustees of the Anti-Saloon League of Missouri, and adopts a report which purports to be from the Trustees appointed the year before. This is forbidden by the General Assembly (see *Minutes*, 1912, p. 276). The exception is taken to the fact of the record, and not to its matter.

Your Committee on Records of the Synod of Utah recommended their approval, except as follows:

The Committee find the record not in order, in the following particulars:

1. The Synod has failed to heed the order of the Assembly of 1914, concerning conformity to the Form of Government, Chapter XI, Section 6 (see Assembly *Minutes*, 1914, p. 265), in recording the Report on Foreign Missions.

2. The report contains matter never brought to the attention of the Synod, viz., "Corporation of Westminster College," pp. 7 and 8, and "Called meeting of the Corporation," p. 12. There are beside "notes" (pp. 6 and 8), which, though matters of interest, are not matters of record.

3. Concerning Committees there is much confusion of terms. What might be more properly called the Committee on Publication and Sunday School Work, is called "Religious Education." What might be more properly called the Committee on "Young People's Work and University of Utah," is called C. E. and U. U.; and said C. E. and U. U. Committee, in reporting to Synod speaks only of university students, a subject more properly under the supervision of the Committee on Education. Furthermore, the Committee on "Equalization of Traveling Expenses," is not mentioned

among the Committees appointed by the Moderator (p. 5), and yet is recorded as failing to make a report (p. 22).

4. The Report indicates the violation of the Standing Rules of Synod in disregarding the special order for Thursday, 10 A.M., and Thursday, 3 P.M. (p. 29). Again, the Rules are violated in the adoption of "Home Missions," "Plan of Organization for the Synod of Utah," by amending the Rules without the required notice of one day, previously given. And, again, what appears as "Minutes of the Executive Commission" (p. 5) are not Minutes in the evident sense of the Standing Rules (p. 28), but a Report on the Assembly's Executive Commission.

5. In the Report on "Temperance" (pp. 10 and 11), an endeavor to control the franchise of the people because of failure to support certain legislation, is in contravention of the rights of individuals.

The following Resolutions were adopted:

*Resolved*, That the Stated Clerk be directed, as usual, to publish the *Minutes* of the General Assembly.

*Resolved*, That the General Assembly is responsible only for the expenses of its Commissioners and officers in connection with its annual meetings.

*Resolved*, That the Stated Clerk be authorized to furnish the *Minutes* to such Presbyteries only as have paid in their full quotas to the Contingent Fund.

*Resolved*, That the Stated Clerk forward a copy of the *Minutes* and *Reports* of the Boards to the ruling elders who are Commissioners to this Assembly; provided, that the ruling elders forward to the Clerk their post-office addresses, and that the Presbyteries which they represent have paid their full quotas to the Mileage and Contingent Funds; also that he be authorized to furnish the *Minutes* to the lay members of the Boards.

*Resolved*, That the Moderator be authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees.

*Resolved*, That the Stated Clerk and Treasurer be authorized to pay the usual bills and salaries, subject to the provisions of the Financial Plan of 1912, as amended in 1913.

*Resolved*, That, as customary, all matters connected with railroad rates and arrangements for the next place of meeting of the Assembly be committed solely to the Stated Clerk.

*Resolved*, That the Stated Clerk and Treasurer be authorized to pay the actual traveling and entertainment expenses of the members of Special Committees, appointed or continued by this General Assembly, and of the Executive

and Judicial Commissions, said expenses to be kept within as low a limit as possible; all subject to the Financial Plan of 1913 and other regulations of the Assembly.

*Resolved*, That the Stated Clerk be authorized to contract for the usual printing of the *Minutes* and the *Manual* of the Assembly, List of Commissioners, List of Overtures, Committee Reports, and all blanks and papers connected with the current annual work of the General Assembly, payment for the same to be made under the regulations of the Financial Plan of 1913.

The Necrological List was read by the Stated Clerk, and the Assembly was led in prayer by Rev. W. R. Taylor, D.D.

The Standing Committee on Leave of Absence presented its Report, which was adopted, and is as follows:

The Committee on Resolutions of Thanks, through its Chairman, Rev. William Bryant, D.D., presented the following Report, which was unanimously adopted:

1. The General Assembly would acknowledge with thankful hearts the evident presence of the Holy Spirit in all of our deliberations, felt most evidently in the pre-Assembly conferences, and continued all through the debates, calming our minds in moments of strong feeling, and bringing a harmony of Christian forbearance into all that was said and done, in this 127th General Assembly.

2. We rejoice in the optimistic tone of all of the Reports, in the generally good financial showing of the various Boards of our Church in spite of the momentary stringency, and the very evident spirit of a forward movement in all departments at home and abroad.

3. We would record our appreciation of:

The invariable wisdom, firmness and suavity of our Moderator, Dr. J. Ross Stevenson;

The equal readiness and cheeriness of our Vice-Moderator, Dr. J. Willis Baer;

And of the habitual promptness in decision and unobtrusive helpfulness of our Stated Clerk, Dr. William H. Roberts;

Of our Permanent Clerk, Dr. William B. Noble, for whose restoration to health we earnestly pray;

Of the Assistant Clerk, Dr. J. M. Hubbert, whose trumpet tones have often disturbed our unconscious irritation; and of our Temporary Clerks; the Rev. John E. Cummings, D.D., the Rev. Arthur Hicks, the Rev. William B. Carr, and Kenneth H. Lanning, Esq., whose cheerfulness and attention to business have greatly aided our deliberations.

4. The generous and systematic hospitality of the city of Rochester we shall not try to forget. We are almost afraid to enumerate its many features of gracious kindness, lest inadvertently we should miss some that were most worthy. But as we rejoiced at the presence and kindly greeting of Mayor Hiram H. Edgerton on a special occasion, so we were sensible continually that we were welcome in this beautiful city. We tender most grateful thanks to Rev. C. Waldo Cherry, the pastor of this church which has entertained the Assembly, and to the Session, Trustees and members for unfailing courtesies. We are most appreciative of the organist for the daily recitals in addition to his usual duties, and to the chorister of the church. We also tender hearty thanks to Dr. William R. Taylor, of the Brick Church, and his officers, for their hearty coöperation, and especially as we remember the delightful reception of the first Thursday evening.

5. We wish to express our sincere gratitude to the Tennessee Quartette, whose singing both in the pre-Assembly Conferences and at the Popular Meetings, was such a spiritual uplift and inspiration. We also thank the officials of the First Methodist Episcopal Church, the First Baptist Church, and the First United Presbyterian Church for the use of Committee Rooms and other favors.

6. We also express our hearty appreciation of the work of the local committees, hardly venturing to name them, but beginning with the Hospitality Committee, Mr. Robert

Tait, Chairman, which so tactfully and patiently planned for our entertainment, and smoothed over the very few difficulties that naturally arose. Gladly we mention the names of Rev. W. R. Taylor, D.D., and Mr. Winfred J. Smith, Chairman and Vice-Chairman of the Reception Committee, the latter of whom planned the beautiful decorations in the churches and in Convention Hall; and Mr. John B. Frey, Chairman of the Sight-seeing Committee. We would thank the Boy Scouts, and earnestly hope that never in war, but always in manly helpfulness of others, they may continue to make life easier for those who need them. We thank the Finance Committee, especially mentioning Messrs. William A. Hubbard and Albert C. May. But what shall we say more as to the good people of Rochester, for time would fail us to record their many courtesies, and our obligations to them in innumerable ways?

7. We are profoundly thankful that at this crisis in American history we have at the White House, a Christian statesman, of equal firmness and self-restraint; and we pledge to President Woodrow Wilson and his Cabinet our sympathy, our confidence, our continued loyalty and our earnest prayers, that they may be guided from above in whatever unforeseen events may occur.

8. It may not be invidious here for the Assembly to record its gratitude to that vast majority of its members who have contented themselves with voting according to their consciences. Many of them doubtless had speeches in their systems as good as those which were delivered; but in consideration of the time of the Assembly, and in defense of other brethren, have kept these speeches for home consumption. We are equally grateful of course to those members whose speeches added life and light to the deliberations.

9. We thank the Press Committee for its excellent plans for publicity, and the Press of the city for its exceptionally good reports of the Assembly's proceedings. We would mention also our appreciation of the wide publicity given to all of our sessions through the publications of our Church, mentioning especially *The Presbyterian*, *The Herald and Presbyter*, *The Continent*, *The Presbyterian Banner* and *The Presbyterian Advance*. We ought to record also the fact that at least four of the leading dailies outside of the city of Rochester, viz., *The Philadelphia Ledger*, *The New York Herald*, *The Chicago Tribune*, and *The Evening News* of Newark, N. J., have each had the staff head of its Religious Department present throughout the Assembly.

10. We desire to thank the Postmaster of the city of Rochester for admirable mailing facilities at the Central

Church; the Security Trust Company for the ample banking accommodations afforded to the General Assembly; and the many citizens who profferred their automobiles, many of them personally conducted, and gave us a view of the beautiful residences, parks and public buildings of the Flower City.

11. Chiefly are we grateful to our Father in Heaven, who by the Holy Spirit has kept us so close to the cross of our loving Saviour, that we have not forgotten even in the warmth of debate, in which there were wide differences of opinion, that we are one Christian Brotherhood, seeking continually for the mind of Christ, bearing with one another in love, and seeking no glory for ourselves, but the glory of our risen Lord, whose we are and whom we serve.

Respectfully submitted,

WILLIAM BRYANT, *Chairman.*

Closing addresses were delivered by Rev. C. Waldo Cherry, Rev. William R. Taylor, D.D.; Mr. F. M. Ellery, of the Hospitality Committee; the Vice-Moderator, and the Moderator.

The business of the Assembly having been completed, and a vote taken for dissolution, the Moderator dissolved the Assembly, saying, "By virtue of the authority delegated to me by the Church, let this General Assembly be dissolved, and I do hereby dissolve it, and require another General Assembly, chosen in like manner, to meet in Atlantic City, N. J., on the third Thursday of May, 1916.

The sessions were closed with prayer, singing and the Apostolic Benediction.

WILLIAM BROWN NOBLE, *Permanent Clerk.*

WILLIAM HENRY ROBERTS, *Stated Clerk.*

---

The Moderator, after the close of the Assembly, appointed the following as the members of the Committee on Chapter XVIII of the Form of Government: *Ministers*—Prof. Charles R. Erdman, D.D., Charles Little, D.D., LL.D., William R. Taylor, D.D.; *Ruling Elders*—H. S. P. Nichols and Selden P. Spencer, Ph.D., LL.D.

### I. REPORT OF THE STANDING COMMITTEE ON THE NARRATIVE OF CHRISTIAN LIFE AND WORK.

A careful study of the Report of the Committee on Christian Life and Work gives evidence of another year's work bountifully blessed of God. The Report in the Blue Book, on pp. 167–189, merits your careful consideration. In them you will find many facts that will cheer the heart and nerve the hand, and enable you to continue to do with your might what your hands find to do. There are other facts, also, which should cause our Church to pause and consider seriously their import and significance. To both of these we would call your attention.

Membership.—The seed of evangelism which we have sown has borne bountiful fruit, and we can rejoice in the largest ingathering of any year in all the history of our beloved Church, namely, 112,927 by examination. This is an excess of almost 20,000 over the previous high-water mark of last year. We can well rejoice in the advanced position our Church has taken as the "leading Church in evangelism both at home and abroad." Our present membership is 1,505,000, which represents a net increase of 46,943. That there is need of further evangelism is evident from the fact that there are still 3,423 churches that report the addition of not a single member to the roll. Granted that many of these churches are vacant and some exist only in name, yet there must be some 2,000 of the 3,423 that can explain their fruitlessness best by unfaithfulness. There was a decrease of but eleven churches over last year, of those that report no addition.

May we continue to thrust in the sickle, that we may reap an increasing harvest. The angel of death is striking madly through the destructiveness of war. May the angel of life reach out lovingly and faithfully to save and redeem.

It is encouraging to note the evidence of interest taken in the junior members of our congregations, and that wherever slight attempts are made to attract and interest the children, good response is noted; but at present not over 30 per cent. of our Sunday-school scholars under fourteen years of age are regular attendants at divine worship. May the Lord help us to hasten the day when the child shall come to its own in our regular appointed services of worship.

We are glad to report improvement in the "Suspended Roll Column," which bears a vital relation to the life and growth of the Church. This year, while 50,484 were placed on the Suspended Roll, it marks a decrease of 443 over that of last year. Our pastors should give prayerful oversight to all whose names are on their rolls and faithfully strive to keep them from lapsing, and if they have moved away to secure, if possible, their admission into other churches.

Sabbath-school and Other Organizations.—We look with favor upon the Presbyterian Sunday-school campaign, the object of which is to increase the membership of all departments of the Sunday-school and to foster the

organized Bible-class movement. Growth and development are generally reported throughout all the Synods in the Sunday-school, which is most encouraging, since this is the feeding ground of the Church, the key to her future stability and mission. We regret, however, that after special effort by the Board of Publication and Sabbath School Work there are still 1,700 churches without any Sunday-school, against 1,742 last year. One Synod reports 293 churches with Sunday-schools and 208 without them; another Synod, 242 with Sunday-schools and 177 without. (Cf. Blue Book, p. 182.) Since the Bible is shut out of most of our public schools and proper instruction lacking in the home, it is vital that this opportunity for religious instruction be not neglected.

The work among the young people is not as encouraging as we would wish. The majority of the Synods report that it is "losing ground." "Many societies have been disbanded," or "lack interest and enthusiasm." This cannot continue without results which will militate against the growth and mission of the Church. Many organized mission and Bible-study classes tend to improve this situation.

The work among the men, as to the Brotherhood, appears to have declined in interest and effectiveness. But two Synods report strong, aggressive men's societies. Others report them "dead," or "lacking aim and purpose" other than social functions. We wish to call attention to the fact, however, that many men have transferred their interests to organized Bible classes and Gospel teams, doing efficient work, especially in Kansas.

But the women's societies are, in the words of the reports, "numerous," "busy," "active," "flourishing," "efficient." We may well say, "Woman, the morning star of our childhood, the day star of our youth, the evening star of our old age." May the Lord bless our stars and ever keep them shining over us.

Benevolences.—In connection with the subject of Systematic Beneficence, it is cheering to note that there has been a gratifying and substantial increase, the total being $27,336,895, representing a total increase of $214,530. The Every-member Canvass Campaign has materially helped in this result. In these days, when wealth is being consumed by the hundreds of thousands of dollars every hour, of which the Lord's treasury will contribute a large proportion, may our people be stimulated to give lavishly, that we may bear not only our own, but also help to carry the burden of our weakened brethren across the sea.

Spiritual Life and Family Religion.—While we recognize that it is hard to tabulate the spiritual life of a Church, yet, measured by the prayer meeting and church attendance and family religion, we are forced to admit that these things which tend to develop the spiritual life are not what we would want them. Regarding this situation, which one Synod reports "very good, satisfactory, hopeful," we regret to say that the general statement is "failing," "arrested development," "lamentable laxness in giving instruction to youth." The reports further say of the family altar, "a thing of the past," "found in few homes," "almost forgotten," "fires gone out."

Brethren, while religious life may find expression in different channels and means, yet, when strong men stand on this platform and tell us that the determining factor in their lives grew out of the family altar and a strictly kept Sabbath, we cannot read the above without heartaches and anxiety for the future—at least, we ought not to.

Over against this we find that it is almost universally stated in the reports from the Synods "that parents are faithful in presenting their children for baptism." But how to reconcile their covenant, "to pray with and for their children and to bring them up in the nurture and admonition of the Lord" and yet allow "family religion" so called to decline, is difficult to understand. It may explain why some, though they claim the covenant of Abraham, receive not its blessings, because "they write not the truths of God upon the tablets of the heart and hang them about the necks of their children." Brethren, this is far too vital to the salvation of our children and of our neighbors' children to be neglected. May we build our family altars beside our tents and reap the blessings of a covenant-keeping God.

Of the nine members to be appointed, one-third shall be changed each year. The duties of the Committee shall be to consider and report upon the Narrative of Christian Life and Work from the Presbyteries, annually prepared for the Assembly, and also to report, from their own knowledge, upon any related matters connected with the general spiritual condition of the Church. The Committee shall not report upon any matters within the jurisdiction of other Committees or of the Boards and Agencies of the Church. The Stated Clerk of the Assembly shall be the Secretary." (*Minutes*, 1906, p. 222.)

II. Meetings.—The Committee held during the year four meetings, each at Philadelphia, Pa., the dates being November 11, 1914, January 26, March 2 and April 16, 1915. For the careful consideration of all subjects entrusted to the Committee, the members residing in and near Philadelphia and New York have been an Executive Committee.

III. Members.—The membership of the Committee is composed of three classes serving each three years. The class whose term expires this year is composed of Griffin W. Bull, D.D., James A. Worden, D.D., and Mr. Thomas J. Arnold. Mr. Andrew Stevenson, a member of the class of 1914–1917, is in poor health, and it is suggested that another person be appointed in his place.

The subject of the absence of members from the meetings of this and other Committees has been under consideration for some time, and the Committee respectfully submits for the consideration of the Assembly the following Resolution, with the recommendation that it be adopted:

*Resolved*, That when members of Committees do not attend for two successive meetings and their absence is unexcused, then their places become automatically vacant, and the Moderator of the Assembly is authorized to appoint their successors.

IV. Synodical Narratives.—Attention is drawn again to the fact that the Synods hold a highly responsible place in the administration of Church affairs, as is shown by the provision found in Chapter XI, Section 4, of the Form of Government, where it is said that the Synod has power, "finally, to propose to the General Assembly, for its adoption, such measures as may be of common advantage to the whole Church."

With a view to utilizing in part this constitutional power, the General Assembly, now for three years in succession, has made the Stated Clerks of Synods, advisory members of the Committee on Christian Life and Work; has requested

each of the Synods to appoint a Standing Committee on Narrative, and to place the Report of this Committee on the docket at a morning session, to be accompanied with exercises of praise and prayer. It is felt that each of the Synods should in some manner provide for this Report, and regret is expressed that some of them have not as yet complied with the recommendation of the Assembly. Further, we note that the following Synods have made no report upon the Narrative of Christian Life and Work in their Synodical Minutes: Alabama, Atlantic, California, Canadian, Catawba, East Tennessee, New York and Utah. The reports, either in printed or manuscript form, received by the Assembly are presented below in the form of abstracts, and, in so far as practicable, under the main heads given in the Annual Congregational Narrative of Christian Life and Work. These are as follows:

1. Membership and Services,
2. Sabbath-schools,
3. Societies,
4. Spiritual Conditions,
5. Family Religion,
6. Benevolence,
7. Miscellaneous.

1. Alabama.—No Report.

2. Arizona.—The Presbyteries of the Synod have been principally occupied with work for the Indians and Mexicans, in which they have had encouraging success.

Industrial depression has been a serious drawback to church endeavor and progress, nevertheless, faithfulness and self-sacrifice have accomplished enough to gladden the hearts of the laborers and give hope for the future.

3. Arkansas.—(1) *Membership and Services:* Total membership, 5,628, a gain of 318. A large number of churches have preaching services only on one Sabbath in each month, and but 22 churches in the Synod have preaching every Sabbath. There are many vacant pulpits, several of which are at very important points.

(4) *Spiritual Conditions:* There were evangelistic services held in 60 churches, resulting in 587 professions and 601 additions, and there have been gratifying spiritual conditions generally.

(5) *Family Religion:* Parents are usually faithful in presenting their children for baptism.

(6) *Benevolence:* Though the offerings of the church are small, there has been a steady increase for the past four years. Out of the 117 churches of the Synod, 91 made contributions to the Boards.

(7) *Miscellaneous:* During the year 12 houses of worship have either been built or are now in course of erection. An interest is being shown in the building of manses, and a number have been erected during the year.

4. Atlantic.—No Report.

5. Baltimore.—(1) *Membership and Services:* The total membership is 31,788, which represents a net gain of 454 communicants. Added on examination, 1,582, which was an increase of 132 over the preceding year. About 12 per cent. of the churches are vacant, but in all the other congregations regular services are generally maintained.

(2) *Sabbath-schools:* In membership, in training leaders, in class organization, there has been an advance in Sunday-school work. There is a decrease in the number of schools using the Catechism.

(3) *Societies:* The men are not much in evidence in organized societies. Women's societies are numerous and efficient. There is an excellent condition prevalent in the churches with regard to Young People's Work, except that there is yet an unsolved problem as to work among boys and young men.

(4) *Spiritual Conditions:* While there have been no special or unusual conditions favorable to the growth of the Church, the general religious atmosphere and interest have been encouraging.

(5) *Family Religion:* Family worship is maintained in comparatively few homes.

(7) *Miscellaneous:* The financial obligations of the congregations are met with fair liberality and promptness; but, owing to the increasing cost of living, ministers are facing conditions such that they "must either receive more salary

or take thinner soup." There is a general neglect on the part of Sessions to report the removals of church members.

6. California.—No Report, but a Committee appointed.

7. Canadian.—No Report.

8. Catawba.—No Report.

9. Colorado.—(1) *Membership and Services:* Total membership, 22,770, a gain of 1,214, an average of 6½ for each church. Received upon examination, 1,501. Two preaching services each Sabbath, except in some of the rural churches, where services are held once each Sabbath or only occasionally. The percentage of children attending the preaching services is comparatively small. The number of non-church members at the services is encouragingly large. The weekly prayer meeting is poorly attended.
(2) *Sabbath-schools:* With but few exceptions, the churches have schools, and there are many mission schools. Catechism not generally taught. The total membership, 22,349, a gain of 484 over last year.
(3) *Societies:* Few men's societies are reported, and information about their membership and work is very meagre. There is scarcely a church in the Synod that is without its women's organizations, which are doing a creditable work. Presbyterial reports give almost no information on Young People's Societies or Work.
(4) *Spiritual Conditions:* Not very cheering.
(5) *Family Religion:* A thing of the past, and the family altar has fallen into decay.
(6) *Benevolence:* A large majority of the churches have contributed to all the Boards of the Church.
(7) *Miscellaneous:* Church temporalities are variously managed by elders, deacons, and trustees, and the obligations of the churches are usually discharged promptly.

10. East Tennessee.—No Report.

11. Idaho.—The work of the Synod has never been better organized nor the churches better manned. The money stringency may render the financial problems a little more difficult, but this will be offset by the improvement in financial methods, and may be a providential means of turning the people's hearts to spiritual things.

12. Illinois.—(1) *Membership and Services:* There has been an increase in church membership, and 5,557 have been added on examination. Regular church attendance is declining. Men go almost anywhere on Sunday rather than to church; they will often contribute to support preaching to which they will not listen. But there is a partial offset to this evil condition, in the reported attendance of a goodly number of the unconverted. Weekly prayer meetings are held in a majority of churches, but with a discouragingly small attendance—from 6 to 15 per cent. of the membership.
(2) *Sabbath-schools:* The Catechism is but rarely taught. The Westminster Lesson Helps are generally used. Adult Bible classes in most schools; teacher-training classes in but few.
(3) *Societies:* The various organizations in the churches have had what may be comfortably called a "normal year," with the Women's Missionary Societies and Ladies' Guilds far in the lead of all others.
(4) *Spiritual Conditions:* "The spiritual conditions of the Synod are those of religious decadence. With here and there a notable exception to the general tendency, spirituality is failing."
(5) *Family Religion:* "The habit of prayer seems to be in but few lives, and the family altar in but very few homes."
(6) *Benevolence:* "A steady average increment in benevolent offerings."
(7) *Miscellaneous:* Financial obligations are, in almost all cases, promptly met, and the Budget system and the duplex envelope are increasingly used.

13. Indiana.—(1) *Membership and Services:* Total membership 52,845, a net gain of 1,466. Additions on examination, 4,025. About half the churches have two services on the Sabbath, one-eighth have one, and the other three-eighths have either bi-monthly or monthly services. The attendance of children

and youth is very good, 40 per cent., and this despite the fact that no special efforts are made to secure such attendance. Non-church members comprise 20 per cent. of audiences. Weekly prayer meetings are held in about half of the churches, with an average attendance of 25.

(2) *Sabbath-schools:* Total enrollment, 44,509, showing a gain of 558. The Shorter Catechism is taught in only a few of the schools. Westminster Lesson Helps are almost universally used. About 125 adult Bible classes are reported. Only 1,240 scholars were reported as being received into the membership of the churches during the year on examination.

(3) *Societies:* For men, 32 societies are reported, with a membership of 1,012. For the women, 53 societies exist, and their membership is 2,123. The young people have 77 societies and 416 members.

(4) *Spiritual Conditions:* Sixteen churches hold classes for young people preparatory to communion. Special services were held in 36 churches. Reports indicate a normal spiritual condition.

(5) *Family Religion:* Parents for the most part are faithful in presenting their children for baptism. Family worship does not seem to revive.

(6) *Benevolence:* The Budget system is the general method of securing funds, and works well.

(7) *Miscellaneous:* Sabbath Observance Day, Children's Day, and Rally Day are observed by a large number of our churches, while Education, Home Mission, and Foreign Missions Day are not generally observed. Only a few Sessions appear to notify other Sessions of the removal of church members.

14. Iowa.—The Narrative from this Synod deals only with facts relating to the gains and losses in the membership of the different Presbyteries. The total membership in 1914 was 49,985, a net gain of 1,156. Additions by examination, 3,212, a gain of 17 over the preceding year.

15. Kansas.—No Report.

16. Kentucky.—(1) *Membership and Services:* Total membership reported to the Assembly in 1914, was 13,042, a net gain of 276 during the year. Additions on examination, 785. In each Presbytery many churches are reported that have no prayer meetings. The average prayer meeting attendance is from 11 to 25 persons.

(2) *Sabbath-schools:* Judging by the narratives from the Presbyteries, it seems that there is a large number of churches that have no schools, and still a larger number with schools that do not run all the year. All the schools use the Westminster Lesson Helps. The total membership of the schools of the Synod is 11,356, which is about 1,700 less than the total membership of the churches.

(3) *Societies:* There are active women's organizations in all the Presbyteries, and the women far outstrip the men in the Presbyteries where there are men's organizations. Narratives do not give encouraging reports on Young People's Work. Three Presbyteries do not report any Young People's Work at all.

(4) *Spiritual Conditions:* Only one Presbytery reports classes for young persons preparatory to communion. Reports show that spiritual conditions range from "medium" to "good."

(5) *Family Religion:* Some reports speak of the family altar as almost forgotten.

(6) *Benevolence:* Nothing very bright or cheering is reported concerning the Synod's gifts for benevolent objects.

(7) *Miscellaneous:* When the whole situation is viewed, it can be said that much progress has been made, and that there is a brighter and better day in Kentucky for the advancement of the Kingdom of God through the Presbyterian Church.

17. Michigan.—(1) *Membership and Services:* Total membership, 41,006, a net increase of 869, or 2⅛ per cent., during the year.

(2) *Sabbath-schools:* There has been a gain of more than 6 per cent. in membership. "The Sunday-school growth is the most encouraging feature of our work, and one that speaks hope for the future of the Church."

(3) *Societies:* One church in five has a Brotherhood, but not more than one in four of these organizations is anything but a social club. The name of

women's organizations is legion, and their work is well organized and prosperous. There is practically nothing being done for young men and boys.

(4) *Spiritual Conditions:* The general spiritual condition of the churches is reported as fair. About one-fifth of the churches have classes preparatory to communion.

(5) *Family Religion:* Parents are fairly faithful in presenting their children for baptism.

(6) *Benevolence:* There is an increase in offerings; the people are giving more, and more wisely.

(7) *Miscellaneous:* In most of the churches, financial obligations are promptly met. The Trustees usually manage the temporalities. The pew-rent system has almost entirely passed away, and money is raised by voluntary offerings, with the use of duplex envelopes. Special days are generally observed. Sessions do not generally send notices of the removal of members.

18. Minnesota.—(1) *Membership and Services:* Notwithstanding heavy additions by examination, the net increase in the total membership has been small, owing to the losses sustained by removals and changing conditions. Sacramental services are especially well attended and are times of refreshing. There is a good attendance of non-church members at the services.

(2) *Sabbath-schools:* The Sabbath-school work is making good headway. There is a new interest in the Catechism.

(3) *Societies:* Organizations among men are few. The Young People's Societies are holding their own. Good work is being done by the women's societies.

(4) *Spiritual Conditions:* One noteworthy feature is in the signal revivals held in some of the churches of the Synod. A few churches have special classes for young persons, preparatory to communion.

(6) *Benevolence:* There is a new interest in the benevolences of the Church.

(7) *Miscellaneous:* The financial obligations of the churches are met with promptness. Ministers' salaries have been slightly increased, but not in proportion to the increased cost of living. Sessions are utterly failing to report removals of church members.

19. Mississippi.—(1) *Membership and Services:* The total membership is 2,083. Evangelistic services have been held in nearly all the congregations with splendid results. The mid-week prayer meeting is kept up very well in some of the town and village congregations, but poorly observed in the rural churches.

(2) *Sabbath-schools:* Steady growth in numbers and efficiency is evidenced, and the membership is now equal to, or greater than, the church membership. The Catechism is very much neglected.

(3) *Societies:* Most of the congregations have prosperous Woman's Missionary Societies, but there are only a few Christian Endeavor Societies.

(6) *Benevolence:* Some increase in benevolences. The Every-member Canvass was quite a success where it was fully understood.

20. Missouri.—(1) *Membership and Services:* Total membership 43,706, representing a gain of almost 4 per cent. during the past year. Added by examination, 2,927, a gain of 288 over last year. This is the largest percentage of gain made in many years, and is almost 1 per cent. greater than the gain made by our Church, as a whole, in the United States.

(2) *Sabbath-schools:* There are more teacher and mission training classes than ever before. Many adult Bible classes have been organized, and the membership of these classes has greatly increased during the year. A larger percentage of pupils have gone from the Sabbath-schools into the communion of the Church than in any previous year.

(3) *Societies:* There are about 40 men's organizations in the Synod, consisting of Bible study clubs, brotherhoods, etc., and the number is slowly increasing.

(4) *Spiritual Conditions:* It is safe to say that there has never been a time when the spiritual conditions in the Synod were better or the outlook for Presbyterianism in Missouri was brighter than they are to-day.

(6) *Benevolence:* In gifts for benevolences the year has witnessed a good advance.

21. Montana.—(1) *Membership and Services:* There has been a net increase of 918 in the total membership in four years, and a majority of the accessions have been by examination. As a rule, the churches have quarterly communion services. Reports show a good attendance of children and of non-church members at the preaching services. The attendance at the weekly prayer meeting is small, and many churches do not have this service.

(2) *Sabbath-schools:* In the main, the Sabbath-school situation is encouraging, for there are evidences of progress in the use of Westminster Lesson Helps, teachers' meetings, adult Bible classes, teacher and mission training classes.

(3) *Societies:* There are few active men's organizations, but women's societies are numerous, busy, devoted and efficient.

(4) *Spiritual Conditions:* There has been a general and steady religious interest in the several Presbyteries.

(5) *Family Religion:* Some of the presbyterial reports contain cheering accounts of communities in which Christian families hold evening prayers in their homes.

(6) *Benevolence:* Systematic beneficence and finance are receiving more attention than heretofore, and there is a gradual advance in which the churches are giving to the Boards and other Church enterprises.

(7) *Miscellaneous:* Men who have been out of the State for a few years return to marvel no less at Montana's moral and spiritual progress than at its material development, and there is a hopeful outlook around the entire horizon.

22. Nebraska.—(1) *Membership and Services:* The additions on examination were 1,485, and there was a net gain of 293 over the preceding year. The total membership reported for 1914 is less than it was five years ago—a fact which stands out with uncomfortable prominence. In very few churches does the number at the preaching services equal the membership. There is a sad neglect of the communion service by many church members. The number of children and youth at the preaching services varies much in different congregations, being only 10 per cent. in some churches and as high as 90 per cent. in others. The presence of many non-church members at the services is an encouragement, and an evidence that the Gospel appeals to the deeper needs and the higher aspirations of men. The prayer meeting presents a problem: many churches find difficulty in maintaining it, and yet they do not want to give it up. Probably 10 per cent. of the membership is the average attendance.

(2) *Sabbath-schools:* The Sabbath-schools are the most effective means of conveying Bible instruction and of leading the young to a decision for Christ. Nearly all schools in the Synod use Westminster Helps.

(3) *Societies:* Men's organizations are maintained in many of the larger churches, but only in a few of the smaller ones. The Brotherhood movement has not fulfilled the promise of ten years ago. Women's organizations are in nearly every church, and they have been working systematically and successfully. Certain changes in methods for increasing and stimulating the activities of young people have proved beneficial.

(4) *Spiritual Conditions:* The Synod seems to be suffering from arrested development, and there are symptoms which indicate a low state of vitality.

(5) *Family Religion:* There is not much to report in this matter, because comparatively little is said in the churches concerning it, and still less is said and done in the homes of professing Christians.

(6) *Benevolence:* Along certain lines, the Synod has achieved noble distinction, as a result of intelligent, systematic, and continuous endeavor in carrying forward the operation of the Church Boards.

23. New England.—(1) *Membership and Services:* Total membership, 11,686, representing a gain of 215 communicants during the past year. Added on examination, 668.

(2) *Sabbath-schools:* The total enrollment for the Sabbath-schools of the Synod is 9,424, a gain of 122 over the preceding year. Presbyterial reports show healthy conditions in regard to mission schools, Bible Study classes, teacher training classes, and teachers' meetings. The Shorter Catechism is not satisfying the demands of our churches for religious instruction and systematic indoctrination, and it is taught in less than one-half of the churches of the Synod.

(5) *Family Religion:* All accessions to the churches have been from church families where the children were dedicated to the Lord by baptism in infancy.
(6) *Benevolence:* The spirit of benevolence is growing in our churches, and a more business-like system is being employed in securing the gifts of the people.

24. New Jersey.—(1) *Membership and Services:* Total membership, in the eight home presbyteries, 86,280. Received on examination, 3,923. As a general thing, two preaching services are held each Sabbath. Presbyterial reports show the presence of children and non-church members at the preaching services, but to what extent is not indicated. The weekly prayer meeting is held in most of the churches, but the attendance is very small—in some cases only 6 per cent. of the membership, and never more than 14 per cent.
(2) *Sabbath-schools:* The Shorter Catechism has almost fallen into disuse. Westminster Lesson Helps are almost universally used. The majority of schools have no teachers' meetings. There is much activity in the line of adult Bible classes. Teachers' training classes are on the increase.
(3) *Societies:* Men's organizations exist in about half the churches, but reports are silent as to their definite aims and the work being done. There are women's organizations, covering almost every line of church work, and they maintain a high efficiency. Young People's Societies flourish in all the churches, with one or two exceptions, and they cover all departments of service and maintain all varieties of activity.
(4) *Spiritual Conditions:* Few churches have classes preparatory to communion. There is lamentable laxness in the matter of giving instruction and training to the young in accordance with the requirements of the Directory for Worship, Chap. X, Sec. 1. Many churches have held special evangelistic services and have registered gratifying results.
(5) *Family Religion:* Reports show that parents are universally faithful in presenting their children for baptism, but there is lacking a sense of responsibility for the worship of God at the family altar.
(6) *Benevolence:* Most of the congregations remember all Boards of the Church.
(7) *Miscellaneous:* In all the churches financial obligations are faithfully met; the methods are varied—voluntary offerings, the Budget system, duplex envelope, and otherwise. Many churches are trying the Every-member Canvass, and with marked success. The special days appointed by the Assembly are generally observed.

25. New Mexico.—(1) *Membership and Services:* Additions on examination, 327. Many of the weaker churches have no prayer meetings; in attendance upon this service the Mexican and Indian churches make a better showing than the English-speaking congregations.
(2) *Sabbath-schools:* There is a growing disuse of the Catechism. There are very few Teacher Training Classes and Home Departments, and there is not one with a Mission Training Class. The total membership of the schools is 3,635, a gain of 216.
(4) *Spiritual Conditions:* Spiritual conditions are generally reported as fair, but the Synod needs both deepening and broadening in its spiritual life.

26. New York.—No Report.

27. North Dakota.—The Synodical Narrative does not go into details, but contains simply general statements of facts, viz., that there has been "progress along all lines"; that there has been an increase in church membership, in church attendance, in Sunday-school and Christian Endeavor Work, in the number of men's organizations, in benevolent offerings, and an improvement in spiritual conditions. The only note of discouragement sounded is with reference to the decline in the weekly prayer meeting.

28. Ohio.—(1) *Membership and Services:* Net total increase in number of communicants, 2,664, or about 2 per cent. Decrease in additions on examination, as compared with 1913, 2,326. All churches have regular ministry of the Word, with frequent communion services, which are well attended. The small number of children and youth at the stated services bodes ill for the Church's future. The attendance of non-church members is very small. The weekly prayer meeting is on the decline, and the attendance is about one-seventh of the communicant enrollment.

(2) *Sabbath-schools:* Almost every church has a school. There has been the unusual increase of 6,530 in the enrollment.

(3) *Societies:* Reports on men's societies are not very inspiring, and the Brotherhood seems to be distinctly out of favor. Women's societies are numerous, very active, and in flourishing condition, their work in behalf of Foreign Missions being particularly notable.

(4) *Spiritual Conditions:* Presbyterial reports do not speak of spiritual conditions with enthusiasm, yet they contain nothing despondent or discouraging.

(5) *Benevolence:* While increased contributions have been made for some Boards, there has been a decrease of $22,147 in the total of offerings for benevolence.

29. Oklahoma.—Presbyterial reports give very meagre data for framing any statement as to conditions in the Synod as a whole. Several Presbyteries have reported conversions and accessions, but no figures are given to show the total membership or additions by examination. It seems that Sabbath-schools and Young Peoples' Societies are doing fairly well. While there is increased spiritual interest in many sections, it does not appear that these encouraging conditions are general. No facts are given as to Family Religion or Benevolence. The large number of vacant churches in the Synod is a very discouraging feature in the general situation.

30. Oregon.—(1) *Membership and Services:* Some churches have more than doubled their membership, nearly all have made substantial gains, and more than 600 have been received on examination.

(2) *Sabbath-schools:* They are doing good work, showing a healthy activity.

(3) *Societies:* Young People's organizations show signs of renewed life and activity, and many clubs and guilds for boys and girls are reported.

(4) *Spiritual Conditions:* Without special evangelistic services or any unusual interest, there has been a good spiritual atmosphere. More than thirty churches maintain communicant classes.

(5) *Family Religion:* An increasing attention given to the children and youth of the Church.

(6) *Benevolence:* Progress has been made in general benevolences; a number of Home Mission churches have become self-supporting, and, notwithstanding the hard times, many new churches have been built.

(7) *Miscellaneous:* Presbyterial Narratives have an optimistic tone, speaking of the past year, upon the whole, as a fruitful one.

31. Pennsylvania.—(1) *Membership and Services:* Reported total embership, 297,426, showing a net gain of 13,840 in the past year. Additions on examination, 22,454, which is an increase of 5,465 over the preceding year. Preaching services are usually held twice each Sabbath, except in the rural churches, in many of which but one service is held. As a general thing, communion services are held quarterly. The church attendance is about 50 per cent. of the membership. By pastoral exhortation, pictures, and children's sermons, efforts are made to secure the attendance of children and youth at the preaching services, and with varying success. All Presbyterial Narratives bewail the decline of the prayer meeting.

(2) *Sabbath-schools:* Every church has a Sabbath-school, and some churches widen their work by supporting schools in outlying districts. In some schools the Catechism is taught. Practically all the schools use the Westminster Lesson Helps. The Teacher Training and Home Departments are increasing in numbers, but Mission Training Classes do not flourish.

(3) *Societies:* There are societies, of many names, for men, women, boys and girls. These are all maintained with a purpose to supplement and support some specific church functions.

(4) *Spiritual Conditions:* Presbyterial Narratives speak of spiritual conditions as being "good," "very satisfactory," and "very hopeful."

(5) *Family Religion:* All reports from the Presbyteries indicate a decay and disappearance of the family altar, but parents are faithful in presenting their children for baptism.

(6) *Benevolence:* It can only be said that while there have been most marked advances in the support of some Boards, there has been a postive decline in the offerings made for others.

(7) *Miscellaneous:* The churches of the Synod meet their financial obligations cheerfully and promptly.

32. South Dakota.—The Synodical Narrative does not give direct answers to the specific questions contained in the blank for making report, but speaks in general terms of the healthy and encouraging condition and work of the Synod. Special mention is made of the Every-member Canvass, of the earnest endeavors of the Presbyteries to better conditions by coöperation in the Vacancy and Supply plan, and of the successful efforts made in the interest of Personal Evangelism.

33. Tennessee.—(1) *Membership and Services:* Total membership, 15,365, a net gain of 604 for the year. Very few of the churches of the Synod have been without regular preaching. A goodly number of churches still have prayer meetings.

(2) *Sabbath-schools:* Total membership, 16,924, a net gain of 1,559 for the year. The total enrollment of the Sabbath-schools exceeds the total number of church members, which is evidence of a healthy growing condition. There are few churches without Sunday-schools. A number of schools have Teacher Training Classes.

(3) *Societies:* Lamentably few men's organizations are reported. There is an increasing interest in Young People's Work.

(4) *Spiritual Conditions:* The general spiritual condition of the Synod seems to be good. Many excellent evangelistic services have been held with good results, both as to conversions and additions.

(5) *Family Religion:* In presbyterial reports there is a remarkable silence as to the religious interests of the home. There are few infant baptisms.

(6) *Benevolence:* There has been a falling off in the amount of total contributions made to the Boards, though the churches are quite faithful to contribute to the various enterprises of the Church.

34. Texas.—Committee reported insufficient data for a proper Narrative.

35. Utah.—No Report.

36. Washington.—(1) *Membership and Services:* The churches of the Synod report a membership of 27,980, a gain of 1,264. Additions by examination, 2,072.

(2) *Sabbath-schools:* Total number of scholars reported, 30,149, an increase of 1,180.

(4) *Spiritual Conditions:* "There is plenty of evidence that God is in our midst, blessing us. And in view of the bright and encouraging things that have appeared in our work, we raise our Ebenezer—'Hitherto hath the Lord helped us.'"

(5) *Family Religion:* Reports show that 903 children were presented for Christian baptism.

(6) *Benevolence:* There has been some decrease in the sum total of benevolences. It is pleasing to note that 42 per cent. of the churches of the Synod have given to every Board of the Church.

37. Synod of the West, German.—*Membership and Services:* Total membership, 4,559, a gain of 75 during the past year. Though most of the churches are in the rural districts, they have two preaching services on the Lord's Day. In nearly all the churches, the evening service is for the young people, and is well attended. Communion services vary from two to four times a year, most churches having four. Young people and children are well represented at all preaching services, though no special effort is made for this, it being the rule in German churches that children accompany their parents to church on the Sabbath. Prayer meetings are held in the rural churches during the winter months, but during the entire year in city churches. The attendance is not large.

(2) *Sabbath-schools:* All churches in the Synod except two have Sabbath-schools. The Catechism is taught in nearly all the schools. Some schools have teachers' meetings, with good results.

(3) *Societies:* But one church in the Synod has a society for men. About half the churches have Ladies' Aid Societies. Though there are no Young People's Societies in most of the churches, meetings are held especially for young people, and the attendance and interest are good.

(4) *Spiritual Conditions:* Although there is uniformly a good attendance at public worship, conversions are few.
(5) *Family Religion:* In most of the churches there is family worship in the home, and parents are faithful in presenting their children for baptism.
(6) *Benevolence:* There has been a large increase in contributions in all the churches. Excepting a few weak churches that are without pastors, all have sent contributions to all the Boards.
(7) *Miscellaneous:* Churches promptly meet their financial obligations.

38. West Virginia.—(1) *Membership and Services:* Total membership, 10,658, a gain of 444. Practically all churches in the Synod have regular preaching services.
(2) *Sabbath-schools:* The total membership is considerably less than the total church membership.
(3) *Societies:* Very little work is done by men's societies, but a great deal is being accomplished by women's organizations, and those of the young people are doing fairly well.
(4) *Spiritual Conditions:* "Nowhere is such spiritual zeal manifest as there should be."
(5) *Family Religion:* "The fires have gone out on many a family altar."
(6) *Benevolence:* Church benevolences are in good condition.
(7) *Miscellaneous:* Few churches have debts, ministers are promptly paid, and there is a good system of raising funds in practically all the churches of the Synod.

39. Wisconsin.—(1) *Membership and Services:* Total membership, 19,652, a net gain of 197. Received by examination, 1,369. Churches usually have two preaching services on Sabbath, but only that of the morning is well attended. The weekly prayer meeting is not prospering, and some churches do not have it.
(2) *Sabbath-schools:* There has been an increase of membership, and it is chiefly from this source that the churches get their members. An advance in catechetical instruction.
(3) *Societies:* Women's and Young People's Societies doing well, but men's societies are not numerous, nor are many of them doing a distinctively religious work.
(4) *Spiritual Conditions:* In some of the Presbyteries, evangelistic efforts and revivals are reported, and spiritual conditions generally are fair. Many churches have young people's classes preparatory to communion.
(5) *Family Religion:* The religious life of the home is at rather a low ebb, and a restoration of the family altar is sadly needed.
(6) *Benevolence:* While there has been an increase in money raised for all purposes, there has been a falling off in contributions to some of the Boards. Greater efficiency in church finances is being attained.

V. The White Slave Traffic.—The General Assembly of 1914 (see *Minutes*, 1914, p. 180) ordered the commitment of this entire subject to the Special Committee on Christian Life and Work. The Committee took up the matter and, after full consideration, adopted the following Resolution:
"*Resolved*, That it is the opinion of this Committee that no further action is necessary upon the subject of the White Slave Traffic, in view of the Resolutions adopted by the General Assembly of 1914."
The Committee further resolved that the General Assembly call the attention of the Presbyteries and Synods again to the Resolutions found on pp. 178 to 180 of the *Minutes* of the General Assembly of 1914.

VI. Comity.—Pertaining to the subject of Comity and to the denominational coöperation in Home Mission Work, we report that the last General Assembly received overtures from 58 Presbyteries on this subject, and referred the same, upon the recommendation of the Committee on Bills and Overtures, to this Committee to report to this General Assembly (see *Minutes*, 1914, p. 99). These Overtures were numbered 280 and 281, see pp. 63 and 64; Overtures 284 to 335, see p. 65; Overtures 664 to 666, see p. 76; and Overtures 691 and 692, see p. 78. This shows that there is a condition confronting us worthy of the General Assembly's most serious consideration. One of these Overtures, No. 281, touches Comity relations with the Congregational Church, in con-

nection with Home Mission operations in the Presbyteries, and requests that the Assembly annul any Comity arrangements which may exist between our Board of Home Missions and the similar Board of the Congregational Church, and directs that the judgment of the Presbyteries shall be final as to advisability of starting or continuing work within their bounds where Congregational churches or work may claim priority. The other 57 Overtures speak in a general way "of the evils of petty divisions and rivalry of the churches of the various denominations in small and rural communities." And also more definitely "of preparing a plan which shall bring about the establishment of one church in each small town or community, and the withdrawal of all but one where more than one church now exist in towns and communities of 1,200 inhabitants or less."

An examination by us of the situation confronting the Church, not only in small communities that may be called rural, but also in many portions of large cities, shows that there are many instances where the multiplication of churches has caused overlapping in the work, friction between the churches, unseemly competition, lack of economy in administration, and, in many cases, positive loss. Many appeals similar to these Overtures have come to the attention of preceding General Assemblies, and other church bodies besides our own have expressed similar desires for relief.

In considering this subject, we note, first, that our General Assembly is in affiliated relation with other Church bodies of like faith and order in the Alliance of Reformed Churches throughout the World holding the Presbyterian System. It would be expected, therefore, that the first steps in regard to relief would be taken in that direction. And then, secondly, our Church is a member of the Federal Council of the Churches of Christ in America, including 29 other Church bodies besides ourselves. And we note that both of these great bodies have already spoken many times with regard to the establishment of definite comity relations along the lines suggested by the Overtures aforesaid. We may expect, therefore, that in the lower judicatories, such as Presbyteries, Conferences, and Classes, there are already conditions existing that would welcome relief. The question is, how shall such relief be effected?

Some considerations seem to us to be thoroughly well established. First, that in making any arrangement, speaking in a general way, the judgment of the Presbyteries, should, if not final, at least have precedence, as to the advisability of starting or continuing interdenominational work of the kind under consideration. Second, it would seem fair that it would be difficult, if not impossible, to continue long an effective supervision of any enterprise, by the joint control of Church Boards in different denominations. Third, we think that it would be wise ordinarily to discourage the formation of union enterprises between denominations, and that it would be better for the denominations concerned to decide, by conference, where to give precedence to one enterprise, under a single denominational control, to be equalized by a similar opportunity in another near-by locality, under other single denominational control. And while much more may be said if there were time, we conclude finally that this subject should be earnestly considered with determination to effect relief in the spirit of fraternity, unselfishness, and true Christian coöperation. Therefore, we recommend that this General Assembly call the attention by special communication, signed by the Moderator and the Stated Clerk, addressed first to the Board of Home Missions, with a view to correspondence with the similar Boards of other Church bodies, and also with every Synod and Presbytery in our Church, with a view to having them open communication by their Committees on Home Missions, or other similar agencies, with the judicatories of equal rank, occupying similar territory, in order that definite proposals pertaining to the making of comity relations as aforesaid may be proposed; and especially it is recommended to those of our judicatories which have already taken advance steps in this direction, that they pursue the matter further, and be prepared to furnish definite instances of improvement in this regard as an example and stimulus to the whole Church.

The Committee respectfully requests that all communications and proposals be submitted to this Committee by the interested parties, report to be made to the next Assembly.

VII. Statistical Blanks.—The last General Assembly continued the Committee in the consideration of the Overtures from the Presbyteries and from the Boards with reference to the Statistical Blanks. This subject in

some of its relations was also considered by the Executive Commission in conference with the Boards during the year.

Among other things, the question was submitted as to the placing of a star or other distinguishing mark after the name of every congregation taking part in the Every-member Canvass.

As a result of the deliberations by the Commission, the Boards, and the Committee, the General Assembly is respectfully requested to continue the Committee on Christian Life and Work in the consideration of the entire subject of the statistical blanks, both in separate form and in their concentrated form, in the Statistical Reports of the Presbyteries to the Assembly.

*Resolved*, 1. That the Committee, having considered all the Overtures from the Presbyteries and the proposals received from the Executive Commission, on the subject of the Statistical Blanks for Churches and Presbyteries, in view of the changes suggested, involving large additional expense, and the publication of figures pertaining distinctively to the contributions to the Boards, recommends that the Assembly continue the Committee on Christian Life and Work in charge of this entire subject, and that this Committee confer with an advisory committee to be composed of one member from each of the benevolent and missionary Boards, report to be made to the next Assembly.

VIII. Statistics—Ministers and Churches.—The summaries given below show the general conditions having to do with Church growth. There is a slight improvement in 1914 as compared with 1913.

The number of pastors in 1913 was 4,239; the number in 1914, 4,284. The stated supplies in 1913 were 1,594, and in 1914, 1,561, a decrease of 33. The ministers without charge in 1913 were 1,572, and in 1914, 1,598, an increase of 26. The vacant churches in 1913 were 1,931, and in 1914, 1,825.

It is in the matter of self-support that there has been a decided advance. In 1913, 4,225 churches were reported as self-supporting and in 1914 the number increased to 4,519. These statistics of the Session of congregations remain about the same; 6,023 having 50 members and upwards, out of 9,936, as against 5,908 out of 9,891 churches in 1913. There are, therefore, in 1914, 3,913 churches with 50 members each, and less, as against 3,983 such churches in 1913. These churches, it is emphasized, need particular attention. Many of them are the nuclea for large growth in membership as the result of evangelistic work, and many of them likewise will furnish, if properly cultivated, within a generation, by the removal of members from country to cities, a concession of vigorous life to the denomination as a whole.

The returns of congregational expenses is unusually suggestive; for 6,196 congregations contributed, during 1914, towards congregational support, the pastors' salary included, amounts from $1,200 downward, and the remaining 3,740 churches contributed for like purposes $1,200 and upwards. The number of churches contributing over $2,000 for congregational support was 2,498, which, added to the 1,242 churches contributing for these purposes between $1,200 and $2,000, shows clearly that there is need for such stimulation of the financial resources of the Church at large as will provide more in the future than it has done in the past for the support of the ministers of the Gospel throughout the country. The average salary of ministers is $1,200 per annum.

IX. TITHING.—The General Assembly at its meeting in Chicago, Ill., May 23, 1914, referred Overture No. 542, from Oklahoma Synod, on the subject of Tithing, to this Committee, for consideration and report. The Overture reads:

"WHEREAS, There is a wide-spread propaganda concerning the matter of Tithing; and

"WHEREAS, The system is being urged upon our young people; and

"WHEREAS, The teaching of Scripture on the subject is disputed by some, our Assembly not having issued a deliverance on the subject;

"Therefore, Be it *Resolved*, That the Synod of Oklahoma overtures the General Assembly to hand down a deliverance on the validity of the tithe, that our young people may be properly instructed concerning Christian giving, and that the teaching of the Church may be uniform."

The following reply is submitted by the Committee for the approval of the General Assembly:

WHEREAS, The Synod of Oklahoma has overtured the General Assembly to hand down a deliverance on the validity of the tithe, that our young people may be properly instructed concerning Christian giving, and that the teaching of the Church may be uniform; therefore,

1. The General Assembly places upon record its approval of the conduct of those members of the Church who give at least a tenth of their incomes to the cause of Christian Missions and Benevolence and Church Support.

Further, the standard of New Testament Christian giving is announced in the First Epistle to the Corinthians, chapter xvi, verse 2, in the words, "as God has prospered him." Many persons can give more than a tenth of their income to the Lord, and some do. There is no Biblical limit upon the extent of Christian giving.

2. The teaching of the Presbyterian Church as to giving, is contained in the Directory for Worship, Chapter VI, entitled, "Of the Worship of God by Offerings."

Section 1 of this chapter states that every member of the congregation should "be trained to give of his substance systematically, and as the Lord has prospered him." In Section 4 of the same chapter it is stated that one of the duties of a minister is "to cultivate the grace of liberal giving in his congregation, that every member thereof may offer according to his ability, whether it be much or little." The General Assembly commends the duties thus stated both to ministers and congregations, and urges upon all persons the largest liberality possible in gifts to Christian Missions, to Benevolence, and to Church Support, remembering the words of the Lord Jesus, "It is more blessed to give than to receive."

X. Systematic Beneficence.—*Every-member Canvass.*—In connection with the subject of Systematic Beneficence, it is important to note that there has been a gratifying and substantial increase in the grace of giving within the bounds of this Church. The principles which should control Christian beneficence are more generally understood and adopted than formerly. The highest motives for Christian stewardship have been abundantly urged, and a number of practical methods to stimulate and guide the benevolence of the Church have from time to time been carefully matured and presented.

At present, the mind and heart of the Church have been directed towards the method known as the Every-member Canvass. This has been urged strongly by the Executive Commission and the Boards, and the General Assembly of 1914 commended it in the following terms:

"That the General Assembly, rejoicing in the loyal response of the Church, evidenced in the encouraging progress already made, urges the adoption of the Every-member Plan by every church, enlisting every member to give on every Lord's Day, intelligently, prayerfully, and according to ability, for the support of the Church and of its entire Missionary and Benevolent Work."

This Every-member Canvass was ordered by the Assembly to be repeated regularly in the month of March each year, after thorough preparation by the Joint Executive Committee. And in the judgment of this Committee it should be commended not only to adults, but also to the young people of the congregations.

*The Coöperation of the Church Session.*—The church Session can exercise its power of supervision with marked advantage to the cause of Systematic Beneficence. The sentiments and example of the ruling elders will have great weight, and will support effectively the recommendations of the Assembly and the appeals of the pastor. In particular should the Session see to it that every Board and Agency of the Church is commended to the congregation for offerings. The Session is under obligation thus to do. It can also at times aid the Boards and regular Agencies, by withholding consent to the presentation of causes that may divert funds from the regular work of the denomination, and should have not only a Treasurer, but in addition a Committee on Beneficence. The obligations of the grace of giving should be waged by pastor and elders in an effective way upon new members.

*Giving the Duty of All.*—The resources God has given men and women have vitally connected with them a trust. While these resources have been lessened in many cases during the present year by providential circumstances, which are world-wide in their influence, the very circumstances themselves inevitably mean a larger consecration. The one great cure for war and its evils is the Gospel. The Christian influence of America must be exercised increasingly abroad as well as at home. Every instrumentality approved and employed by the Church should be more heartily sustained than ever. No one need speak of inability. An average of one cent a day for each communicant in the congregations would nearly double the funds of the Agencies of the Church. During the fiscal year ending March 31, 1914, one cent per day per member would have produced $5,321,700. Let the gifts then be laid upon God's altar Sunday after Sunday during the coming year and let them be brought always because of spontaneous gratitude and adoring love to Him who gave Himself for our sins and to make us joint heirs with Him to the everlasting Kingdom. Let not only gratitude to Christ, but eager desire for the salvation of the world stimulate obedience to the command, "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and

prove me now herewith, saith the Lord of hosts, if I will not open you the windows of Heaven, and pour you out a blessing, that there shall not be room enough to receive it."

XI. Sabbath-schools.—For several years this Committee has carefully collated and presented to the General Assembly a return of the number of churches which do not report Sabbath-schools. Last year this return gave by Synods the number of churches apparently without Sabbath-schools as 1,746. The General Assembly has instructed, more than once, the Presbyteries within whose bounds these churches are located to take measures to coöperate with the Sessions of such churches in establishing Sabbath-schools in all of them.

The vital importance of this subject from many view points, and the persistence of the conditions shown by the returns, constrained this Committee to recommend to the last General Assembly to take the following action:

"The General Assembly instructs the Board of Publication and Sabbath School Work, so soon as practicable, to ascertain the facts concerning the reported lack of Sabbath-schools in 1,746 of our churches, and, so far as possible, to remedy this defect and, wherever churches are found without Sabbath-schools, to coöperate with the Presbyteries having care of these churches, in establishing Sabbath-schools in all the congregations."

The Committee communicated with the Board of Publication and Sabbath School Work, and the Board replied in the following sympathetic letter:

"In response to the action of your honored Committee, referring the resolution of the General Assembly on 'Churches without Sabbath-schools,' to the Board of Publication and Sabbath School Work, we beg to say that we have carefully considered the important matter. We have studied the figures on p. 302 of same year's Minutes, showing that 1,746 churches appear in the statistical tables of the *Minutes* as not reporting Sabbath-schools in connection with them. It is not easy for us to determine how many of these churches simply fail to report their Sabbath-schools, as distinquished from those actually not having schools. Nor is it easy to determine how many of them not having schools are only temporarily in this condition, incident to being without pastors or stated supplies or other transient conditions.

"Quite a number of the 1,746 school-less churches are found in the South and Southwest, perhaps more than their proportional share; yet the Synod of Illinois shows 70, Indiana 86, Iowa 55, Kansas 58, Michigan 67, Minnesota 40, Ohio 88, Pennsylvania 75, Wisconsin 55, Washington 33, Atlantic 46, Nebraska 36, Tennessee 38.

"It is clear no *a priori* reasons account for these conditions. Nothing but detailed examination of the exact facts in each Presbytery can make known the causes of the non-existence of Sabbath-schools. The Board, it may be said, has noted and studied this problem for several years, and has tried to solve it. They desire to assure their brethren of the esteemed Committee on Christian Life and Work that they will enter upon its solution with still greater earnestness, diligence and perseverance. It has already instructed, and will repeat its instructions to, its Sabbath-school missionaries to make it their first duty on every field to search out Presbyterian churches having no Sabbath-schools and to do their utmost to coöperate with these churches in organizing and maintaining such schools. Similar instruction will be given to the Board's Educational Superintendents, and to institutes and conventions held under their supervision.

"In these and in all other practicable methods the Board hopes, with God's blessing, to remedy in an appropriate way the defect of many of our churches."

The statistics for the present year show an improvement, in that forty-six less churches are reported as being without Sabbath-schools. The number, however, is still 1,700, and the Synods in which the largest proportionate number of churches without schools appear are Alabama, Arkansas, Canadian, Mississippi, Missouri, Montana and Texas.

The Committee expresses the hope that emphasis will be placed, by all the Presbyteries, upon this subject; for attention to the religious instruction of the young is vital to the future of the Church. An appropriate resolution has been inserted in the list of resolutions at the close of this Report. The figures for the ecclesiastical year, ending March 31, 1914, are as follows:

XII. ABSENTEE CHURCH MEMBERS.—The Church in general is still confronted, in the matter of absentee members, by a condition, not a theory. Every year there appears in the *Minutes*, in the column headed "Suspended Roll," far too great a number of persons, amounting in 1913 to 50,927, and in 1914 to 50,484. This subject, vital to the life and growth of the Church, was referred by the last General Assembly jointly to the Committee on Christian Life and Work and the Assembly's Permanent Committee on Evangelism. As a result of the conferences, had through sub-committees appointed by each of these bodies, a paper on the subject of "Lapsed Presbyterians, or The Suspended Roll" was prepared by the Rev. William P. Fulton, D.D., and published and distributed. This paper addressed a brief questionnaire to a considerable number of ministers, asking the following questions:

(1) How do you account for so many lapses from church membership? Why are so many placed on the "Suspended Roll?" What are the causes?

(2) Can this "lapsing" be prevented? Can this loss be stopped? If so, by what methods?

As a result of the replies, some 17 reasons were given as to why so many persons are placed on the "Suspended Roll," and 16 methods were suggested for stopping the leakage. A large number of copies of this paper have already been distributed, and additional copies can be had upon application to the Committee on Evangelism.

The following recommendations are submitted to the General Assembly for approval:

(1) Presbyteries should inquire of Sessions as to their reasons for placing members on the Suspended Roll, and whether, in every instance, the requirements of the Book of Discipline, relating to suspended members, have been complied with. It should not be regarded a light or trivial matter to strike a name from the church roll.

(2) Sessions should make diligent effort to recover and restore "lapsed" members by discovering, if possible, the whereabouts of all those, at present on the Suspended Roll, and, by tactful, tender, warm-hearted, loving effort, reënlist them into the service and fellowship of the Church, (1) by personal visitation, (2) by letter writing, (3) by special and united prayer.

(3) Pastors and elders should give prayerful consideration to the matter of systematic oversight and visitation of the entire membership of their respective congregations, so as to prevent the "lapsing" of members, and thus reduce to a minimum the number to be placed on the Suspended Roll.

(4) Members who remove to new neighborhoods at a considerable distance from their church, and who find it difficult to attend the services, should be encouraged by the Session to unite with a church near at hand. The observance of this rule will frequently prevent "lapsing."

XIII. Marriage and Divorce.—At the last General Assembly this vital subject was considered, and the Report of the Committee upon it approved in part. What is needed, it is clear, from the discussion at the Assembly, is not so much theory or additional legislation, but action to create public opinion favoring the position taken by most of the Protestant Churches in favor of the maintenance of the sanctity of marriage by a reduction in the number of causes for divorce. The part of the Report of the Committee which was adopted authorized the Committee on Christian Life and Work "to organize a campaign of education in our churches and communities as to the sacredness of marriage and the evils of divorce; to correspond with the Presbyteries and Synods, and State inter-Church federations where such exist, with a view to their taking definite steps to secure improved legislation." The Committee has been able to do little this year in the direction indicated, but hopes during the present ecclesiastical year to stimulate interest and action on the whole subject.

The second part of the Committee's Report submitted certain requirements regarded as desirable for incorporation in an improved State Code or Law, on Marriage and Divorce. After careful consideration of this subject of recommending legislation to the legislatures of the States of the Union, the Committee have come to the conclusion that such recommendations are not in accord with our law and usage as to the Church in its relation to the State. What our ministers and members may do as citizens of the several States and of the United States, is, in this matter, within their own power, but the Church, in its judicatories, should act in relation to it in full compliance with both the spirit and the letter of the Confession of Faith, Chapter XXXI, Section 4:

"Synods and councils are to handle or conclude nothing but that which is ecclesiastical; and are not to intermeddle with civil affairs which concern the commonwealth, unless by way of humble petition in cases extraordinary; or by way of advice for satisfaction of conscience, if they be thereunto required by the civil magistrate."

The Committee recommends the reaffirmation of the Resolution adopted in 1914, as to a campaign of education, and also asks that it be discharged from the consideration of the subject of State legislation as to divorce.

XIV. Regular Reading of the Bible.—Last May, in Chicago, on the recommendation of this Committee, the General Assembly called upon the whole Church represented by it, all Synods, Presbyteries, pastors, Sessions, Sabbath-school teachers, officers and Christian pupils, to engage in a united

and prayerful effort to bring to the regular reading of God's Word, first, all communicant members, and then all other persons within the influence of the Church. To render more definite this call and to point out the methods by which it shall be effectively carried out, the Committee recommended two distinct plans:

First, the more universal organization of adult Bible classes, both for women and men, in all the church schools.

Second, still more general adoption and more vigorous conducting of Home Departments in connection with all our Sabbath-schools.

This subject was presented by the Committee to the Board of Publication and Sabbath School Work, which took action thereupon, through its Committee on Religious Education, at the meeting of the Board in February, 1915. The action taken by the Board is as follows:

"The Board of Publication and Sabbath School Work is in entire accord with the Assembly in its estimation of the importance of the regular reading of God's Word, and its desire that such reading should be more general. It recognizes, also, that the organization and development of adult Bible classes and Home Departments are effective means for the promotion of Bible reading and study.

"At the present time, the Board is carrying on what is known as The Presbyterian Sunday-school Campaign. One special object of this campaign is to increase the membership of all the departments of our Sunday-schools, and another is to organize Bible classes wherever it is at all possible.

"The Board also has a Committee which is considering the publication of a book on Family Prayer, which will encourage the reading of the Bible in the home.

"In addition to this, in view of the Call of the Assembly and the action of its Committee on Life and Work, the Board will endeavor, through its publications, its field representatives and the Chairmen of its Presbyterial Committees, to bring this important subject to the attention of the Church, and hopes to be able in this way effectively to present to our communicant members and others within the reach of our influence, the Call of the General Assembly to more general and regular reading of the Word of God.

"It will be seen from this that the Board is already making a special effort to promote the regular reading and study of the Word of God."

XV. The New Bible Schools.—A study of the statistics contained in the *Minutes* of the General Assembly has led to the belief on the part of many that something should be done to increase the efficiency of our Sabbath-schools. It is thought that too small a percentage of the young people in the Sabbath-schools finally unite with the Church.

*Conditions.*—It is the opinion of your Committee that we are expecting and demanding too much of our Sabbath-schools as at present organized and conducted. Are our young men and women, who have spent the usual time in Sabbath-school until they are sixteen or eighteen years of age, proficient in Bible history or able to explain the plain and basic truths of the Christian faith? We regret to say that frequent examinations and tests show them to be deficient in knowledge of the Bible. What is the cause of this lack of knowledge?

The Sabbath-school meets once a week, fifty-two times in a year. Deducting the time devoted to singing, prayer and other exercises, we find that about twenty or thirty minutes are given each Sunday to study of the Bible lesson. As a rule, the scholars do not study the lesson before coming to the class. All the knowledge they acquire of the Bible must be gained in the short time given to study in the class. In an entire year the pupils, if they attend every Sunday, receive from eighteen to twenty-four hours' instruction, equivalent to three or four days in the public school. This work is so brief, and the short periods of study and instruction are so widely separated, that it is difficult for them to become deeply interested or to gain any adequate comprehension of the great truths contained in the Bible.

Is it a matter of wonder that our young people are slipping away from the Church? Is it surprising that only 40 per cent., two out of every five, of our Sunday-school scholars are converted and unite with the Church? When these conditions are viewed in the light of our every-day experience in temporal matters, is it not rather surprising that even so large a percentage are saved?

*Remedy.*—Your Committee are not advocating any attempt radically to change the method of conducting our Sabbath-schools. They have only

words of appreciation and praise for our faithful and conscientious Sabbath-school teachers who have accomplished results that have cheered and heartened the pastors of our churches. They only seek to strengthen and perfect the system. The only practical plan would seem to be the addition of a feature that would have the character and thoroughness of a public school.

*Summer Bible School.*—We would recommend, therefore, as a reënforcement to our Sabbath-school system, the organizing and conducting, wherever practicable, of a Summer Bible School. This school should be held for five weeks every year beginning about July 1. The school should be opened at 9 o'clock in the morning and continue, with one short intermission, until noon, five days in the week.

Teachers in this school should be trained Christian teachers from our public schools, and each teacher should receive a compensation for her services, about $5 per week.

A regular course of study, or curriculum, should be laid out and followed, and the school should be conducted upon the most approved methods of modern pedagogical practice. The work should be graded according to the age of the pupils, and each grade, after the first, should comprise, two classes. The first grade would contain the youngest pupils, from three to five years of age, and the last or seventh grade would contain pupils sixteen and seventeen years of age.

*Outline of the Work.*—The ground to be covered in this five weeks' course may be summarized under the following general heads, which may be altered or increased from time to time as the system develops:

1. Elementary statement of the names and classes of the Books of the Bible.
2. The study, as thoroughly as practicable, of the history of the Bible, not only as contained in the Old Testament, but especially the life of Christ and the lives and writings of the Apostles.
3. A popular system of Bible geography, especially the geography of Palestine.
4. Advanced grades. Mastery of a carefully selected text-book on Bible History, *e.g.*, Blakie.
5. A thorough treatment of the doctrines of the Bible, *e.g.*, for the youngest pupils that which is contained in the "Catechism for Young Children"; for more advanced scholars the teaching of the great symbols of Church doctrine contained in the Shorter Catechism or the Intermediate Catechism.
6. The above elements of the curriculum to include very clear and definite instruction in the elements of Christian experience and life.

Text-books suitable for practically all of this comprehensive course of Bible instruction have already been prepared and published.

*Advantages of the System.*—Among the advantages of this system may be mentioned the following:

The time devoted to the work in this five weeks' school will be nearly three times as much as the time devoted to active work in the Sabbath-school in a whole year.

The sessions follow closely, one after another, and the benefits are cumulative; the pupils really learn something and they learn it so thoroughly that it is permanently retained. Everyone recognizes the superior power of continuity of impression. While theoretically the time given to Bible study is multiplied by four, practically the results are increased beyond calculation, on account of the greater efficiency of methods.

The system of instruction is in accord with the most approved methods of modern pedagogy.

The teachers are educated and trained in the science of teaching, they know how to excite interest, how to secure attention and study, how to convey the knowledge which they themselves possess.

It helps solve the mother's vacation problem of finding something to keep the children out of mischief and avoid the perils of idleness. While the children are at Bible school her mind is easy.

*Has Succeeded in Practical Operation.*—This plan has already been tested out by several of our most successful Sabbath-schools, and is producing bands of from one to three hundred young people who are thoroughly trained and grounded in the knowledge of the Bible and in the principles and fundamental truths of the Christian religion.

This Summer Bible School must not be confused or in any way connected with the Vacation Bible School for settlement and immigrant children. That is an established institution doing splendid work in its special field. This

new school is intended to enlarge and as far as possible perfect the spiritual and religious education of the scholars in regular attendance in the established Sabbath-schools of the Presbyterian Church.

*All Difficulties can be Overcome.*—Your Committee fully realize that difficulties will be encountered in starting a movement of this kind, but they can be overcome, as the difficulties that have beset every good movement of the Church have been overcome. The expense will look formidable to some. The entire expense of conducting one Summer Bible School, in 1914, was $285. The entire amount was raised by private subscription from twenty-nine people. No doubt, a thorough canvass would have largely increased the fund if necessary. There are always people to give to every good cause. With the General Assembly behind the movement and the Board of Sabbath School Work coöperating with proper literature for distribution, we believe there would be no doubt of entire success.

XVI. Church Attendance of Children.—The Committee is convinced that the time has come to make a more persistent and comprehensive effort to incorporate the children and young people of our Sunday-schools more effectively into the services of public worship. Their absence has given rise to serious apprehension among Protestant Churches of Great Britain. A careful inquiry, conducted among a selected group of four churches from every Presbytery connected with our own Church, shows that throughout the land, on the average, not more than 30 per cent. of the pupils of our Sunday-school under fourteen years of age are regular attendants upon divine worship.

Coupled with this fact, is the other significant fact, brought out by the investigation, that of those uniting with the Church from the Sunday-school, three-quarters come from the one-third who attend church services, and but one-fourth from the two-thirds who have not formed this habit. That the evangelizing power of the Sunday-school bears very close relationship to this habit of church attendance, is thus made evident. Plainly, those pastors, superintendents and teachers who do not succeed in habituating their pupils to attend the worship of God and the preaching of the Gospel in the church, will probably lose the highest fruits of their toil.

Even where children are too young to comprehend fully the church services and the sermon, the impression of God's worship is abiding and is likely to be a blessing in later years. At the same time, we emphasize the fundamental principle that the children must be recognized as a part of the worship, must be taught to be worshiping children by having a share in the worship, vital and appropriate to their needs; and that it is only as this principle is recognized by those responsible for the planning and conducting of public worship that the best results will be obtained.

While recognizing and again emphasizing the paramount importance of evangelism, direct and indirect, within the Sunday-school itself, especially through the personal effort and pastoral oversight of the teachers, we recommend:

1. That through our Presbyterial Committees the above facts and the serious issues they involve be laid before our pastors and Sunday-school authorities.

2. That the children be definitely recognized in the planning and conduct of our church services, as a part of the worshiping body, the varying circumstances themselves determining whether that recognition can be secured best through specially selected hymns, occasional or weekly brief talks to the children, passages in the regular sermon adapted to children's needs, or in other ways.

XVII. Evangelistic Work.—The situation in the church as to Evangelism still continues to be highly encouraging. The details of the advance made is given in the Report of the Permanent Committee on Evangelism. This Committee on Christian Life and Work, however, emphasizes, as in previous years, the undue number of churches reporting no additions on Confession of Faith. The improvement shown in the statistics for 1913, over those of 1912, has not been maintained in as marked a degree. In 1912, the number of churches reporting no additions was 3,640; in 1913, 3,434—a gain of 206; and in 1914 is 3,423—a gain of only 11 churches.

Whatever explanation may be given of this situation, it is one needing tactful and considerate action by the Presbyteries. Certain facts need, of course, to

be taken into account, one of which is that 109 churches report no membership whatever, in the Statistical Reports for 1914, and 609 churches report a membership of 10 each, and less. Further, 1,825 churches, for the same year, were reported as vacant, but the difficulty is that many of the vacant churches are self-supporting congregations, and, all facts considered, at least 2,500 churches that should have had additions upon Confession of Faith report none. It is difficult for a Committee to understand the character of a church, which, however small, cannot so be filled with the desire for the salvation of souls as to secure at least the addition of one person to its roll, on Confession of Faith in the Lord Jesus as the One only and all-sufficient divine Saviour.

The following Table indicates the reports of the churches in 1914 as to additions on Confession of Faith. The numbers at the heads of columns are to be understood as representing the numbers coming between them in successive order. For instance, the column headed 10 stands for all churches adding between 6 and 10 members on confession.

XVIII. LITERATURE.—The question has been before the Committee, by Overture from the Presbytery of Cincinnati, referred to the Committee by the last Assembly (*Minutes*, 1914, pp. 69 and 99), with reference to the publication, in pamphlet form, of the Annual Report of the Special Committee on Christian Life and Work, or of such parts thereof as may be deemed of special value, for general distribution to church members. The Committee has given careful attention to this Overture, and recommends that the Assembly authorize the Committee to make their report in such form as to be suitable for popular use, and to select from the report such parts as may be deemed of special value. The Committee recommends the publication of this literature by the Board of Publication and Sabbath School Work, and that it be supplied free, or at a nominal cost, to pastors and churches desiring the same, in the discretion of the Board. A Resolution is appended dealing with this subject.

XIX. RESOLUTIONS.—The following Resolutions are submitted to the Assembly for adoption:

*Resolved*, 1. That the attention of all the Presbyteries and Synods be again called to the imperative need of better arrangements for the reporting of the Narrative, and to that end the Assembly would suggest to each of them that there be a Standing Committee of at least three rotating members, together with the Moderator and Stated Clerk, *ex officio*, making five, to prepare the Narrative, and that a period of at least one hour be allotted to the Report, at the close of a morning session of the judicatory, to be accompanied with exercises of praise and prayer.

*Resolved*, 2. That the Stated Clerks of Synods be and are hereby appointed as advisory members of the General Assembly's Special Committee on the Narrative of Christian Life and Work, and that the Synods be requested to direct the said Clerks to coöperate with the Committee in the preparation of the Narrative for the Assembly.

*Resolved*, 3. That the Narrative of the Special Committee, when approved by the Assembly, be printed in full in the Appendix to the *Minutes*.

*Resolved*, 4. That the churches are advised, wherever the way is clear, to unite with the churches of other denominations in the communities in which they are located, for the purpose of carrying on coöperative Christian work, and Presbyteries and Synods are directed to supervise this work within their bounds.

*Resolved*, 5. That the Board of Publication be requested to publish for sale such portions of the Annual Narrative, in leaflet form, as may be decided on by the Committee on Christian Life and Work, it being understood that the form and price of such leaflets will be determined by the Board.

*Resolved*, 6. That church Sessions are most earnestly requested to give very particular attention to the absentee members of their congregations, to comply with the requirements of the Book of Discipline in relation to such matters, and to endeavor by correspondence to recommend such members to unite with the churches in the communities in which they are located.

*Resolved*, 7. That church Sessions are earnestly advised to give careful attention to young Christians, who, as the Directory for Worship indicates, having been "born within the pale of the visible Church, and dedicated to God in baptism, are under the inspection and government of the Church; and are to be taught to read and repeat the Catechism, the Apostles' Creed, and the Lord's Prayer. They are to be taught to pray, to abhor sin, to fear God, and to obey the Lord Jesus Christ. And when they come to years of discretion, if they be free from scandal, appear sober and steady, and to have sufficient knowledge to discern the Lord's body, they ought to be informed it is their duty and their privilege to come to the Lord's Supper." (Directory for Worship, Chapter 10, Section 1.) In this connection Sessions are requested to give particular attention to the attendance of the baptized children of the Church at church services.

*Resolved*, 8. That the Presbyteries be and hereby are instructed to give particular attention to the Sabbath-schools connected with the churches under their jurisdiction, and especially to make provision for the establishment of one or more Sabbath-schools in connection with every congregation, and that the Presbyteries are hereby also directed to report the facts as to the Sabbath-schools to the churches.

*Resolved*, 9. That the Presbyteries are earnestly directed to inquire of Sessions of all congregations subject to their authority, as to the prevalence of the evangelistic spirit in their midst; and to encourage all Sessions to stimulate a true evangelism among all the members, in order that in every church there may be obedience to the command of Christ to preach the Gospel to every creature. Thus laboring in the spirit of our Divine Saviour will it be possible in every congregation to add unto the number of them that are saved.

Respectfully submitted,
MAITLAND ALEXANDER, *Moderator;*
WM. H. ROBERTS, *Secretary.*

WM. HENRY ROBERTS, *Stated Clerk.*

# CORRESPONDENCE.

## I. REPORT OF THE EXECUTIVE COMMISSION OF THE ALLIANCE OF THE REFORMED CHURCHES THROUGHOUT THE WORLD HOLDING THE PRESBYTERIAN SYSTEM, FOR THE YEAR ENDING MARCH 31, 1915.

*To the General Assembly of the Presbyterian Church in the U. S. A.:*

DEAR BRETHREN:—The Western (American) Section of the Executive Commission of the Alliance of the Reformed Churches throughout the World holding the Presbyterian System respectfully presents its Annual Report for the year 1914–15, under the following heads:

I. MEETINGS.—The Western Section, during the year 1914–15, held one meeting, the place being the First Presbyterian Church, Walnut Hills, Cincinnati, Ohio, and the time February 9 and 10, 1915. The Chairman, Rev. William McKibbin, D.D., presided, and the Section was admirably entertained at a luncheon given by the Faculty and Trustees of Lane Theological Seminary and their wives.

II. OFFICERS.—The officers for the present year are: *Chairman*, Rev. J. P. Searle, D.D.; *Vice-Chairmen*, J. K. MacDonald, Esq., and Rev. M. G. Kyle, D.D.; *Recording Secretary*, Rev. J. C. Scouller, D.D.; *Chairman, Executive Committee*, General R. E. Prime. The *American Secretary*, Rev. Wm. H. Roberts, D.D., and Mr. Philip E. Howard, *American Treasurer*, are permanent officers of the Alliance and of the Section.

III. FOREIGN MISSIONS.—The Report of the Committee on Foreign Missions dealt with the effect of the present war upon the Foreign Mission work of the Churches, based upon authoritative and most recent information from the Secretaries of the Boards of Foreign Missions of the Churches represented in the Alliance, and from one who is regarded as perhaps the best informed and most judicious observer in the whole field of missionary activity. The facts presented by these men enabled the Committee to report certain general observations upon two aspects of the work, that on the foreign field itself, and that of marshaling the resources of the Church at home.

So far as the home work in Foreign Missions is concerned, it is difficult, owing to the habit in so many churches of withholding their gifts until the last two months of the fiscal year, to make a definite statement upon the effect the war will have upon the gathering of moneys. Despite the fact that many incomes have been diminished, that the necessities of life are more costly, and that new and compelling appeals have been made to the Christian giver for the relief of widespread and desperate need, a vastly broader and often deeper sense of stewardship, and a larger, perhaps sometimes absolutely new experience of the joy of altruistic service, has entered into Christian lives. Thus it is, that while all our Boards are on watchful guard against a possible deficit due to war conditions, not one regards it as a peril in the near future. The present situation, however, is one which calls for every effort to deepen the interest of home Christians, to increase faith, and to maintain the exercise of importunate prayer in behalf of Foreign Missions. A new interest in the faith, the prayer, the giving of our churches should be developed. It is certainly unfair to our missionaries and to their own work as well, to leave them to make from their meagre personal incomes, unaided by us, provision for the relief of the distressing conditions in which "Continental Missions" have been already plunged. This is what British and American missionaries are doing in India for German missionaries to-day. Is this not evidence that the solidarity of Christian brotherhood, the Christ life in believing hearts, the leaven of the Kingdom, is, beneath the turbulent surface of things, continuing the work of Christ in the World?

On the foreign field itself the situation is as follows: In Africa, the work by the United Presbyterian Church in Egypt and the Soudan is being prosecuted as usual, except for a slight falling off in attendance of pupils at schools and patients in hospitals. The mission of the Presbyterian Church in the U. S. A. in the German Kamerun is in the war area, and no word has been received from it in three months. The activities of the mission of the Presbyterian Church in the U. S. in the Belgian Congo are undisturbed.

In Persia and Syria conditions are not normal, and grow more serious every day.

In India the outburst of loyal feeling toward the empire has aided in preventing the development of new and special difficulties, while the insistent question why Christian nations should be thus at war is germinating difficulties for the Christian apologist to overcome. In China, outside of the mission of the Presbyterian Church in the U. S. A. at Shantung, no very definite effects of war influence have developed. In Japan some diversion of interest, due to that country's participation in the war, is the only adverse fact reported. Little is known of the happenings in Arabia, Korea, the Philippines and Siam.

South and Central America and Mexico are not mentioned by any as affected by the European conflict. In the latter country, owing to internal strife, a situation more than serious for the missionaries exists.

A general survey of the question yields impression of one fact which fills the Christian heart with shame. If non-Christians can say, "Behold how these Christians hate each other," what can we say to them or to our Lord? But two encouraging facts are to be noted. One is the steadfastness of the missionary—not one has fled his post. The other is the confident faith of those whom our Churches have chosen to direct the missionary endeavor.

The following action is submitted for information:

WHEREAS, A survey of the field of operations of our Missions as affected by the war situation discloses serious disturbance of missionary activity in important fields and the creation of new objections to the claims of Christianity; therefore, be it

*Resolved*, That the Western Section conveys to the judicatories of the bodies it represents its profound conviction that the present exigency is a most grave one, that it calls for new and larger sacrifice, for special and importunate prayer, and for undaunted faith in our Divine Leader who goes forth, never to defeat, but ever conquering and to conquer.

IV. WORK IN EUROPE.—(*a*) *Summer Services.*—The English summer services at The Hague, Holland, were conducted by the Dutch Reformed Church, with Rev. W. Dayton Brown, of the North Reformed Church, Passaic, N. J., in charge. They were a great blessing to the American tourists at the outbreak of the war. The services at Zurich were conducted as heretofore by Rev. James I. Good, D.D., and proved a great blessing and comfort to the tourists. The American Church at Frankfort a. M. has been of great value to the English-speaking people of that city. The congregations have more than doubled and much praise is due to the pastor, Rev. Charles D. Brokenshire.

(*b*) *The Churches of the Continent.*—The war has greatly disturbed the church life of the Churches on the Continent, related to us in the Alliance. The two Reformed Churches of Belgium, the Walloon and the Evangelical, have been virtually eliminated, and the remnants need our prayers and sympathy now, and after the war they should have our substantial help.

Much of the organization in all the churches, and also their missionary operations, both home and foreign, have been hindered. In many places progress has been checked, and in some places the work given up. The Waldenses in Italy have not opened their schools in many places because they expected less income than formerly. In the Waldensian valleys there will be suffering for lack of food. If this be true in neutral countries, how much greater in the lands directly engaged in the struggle!

What is true of home missions is much more true in regard to foreign missions, whose whole machinery has been disturbed. The money usually given to missions has either been withheld or given to other benevolent causes. It is grievously sad that, just at the time when the world, particularly China, is so open to the Gospel, this work should be retarded and some of it given up. Our earnest prayer should be that God would guide the Churches and mission societies of the Old World in this day of their anxiety and strain.

Everything is not dark, however. While Christ is the Prince of Peace, yet war is graciously overruled for His glory. Some of the blessings of the war are:

1. *The remarkable return tide of religious feeling in the Churches.* At the Bismarck Monument in Berlin, on August 2, a congregation of from 20,000 to 30,000 gathered for prayer. In that same city war services are held every evening at 9 o'clock, and are largely attended. In some places in Germany, where on the customary days for prayer two services were held, now there are five. In France the movement has been even more marked. That country has found unity, and has learned in darkness to call on God. At the beginning of the war the Notre Dame Cathedral in Paris was jammed with people, and, outside, the square in front was black with kneeling men and women. Paris was and is on its knees praying. France as a nation is coming back to the soberness and steadiness of the Huguenots.

The continent of Europe needs a great revival, and out of this terrible baptism of blood may come renewed spiritual energy in God's goodness.

2. *The prohibition of liquor* by the Russian government, and the movement toward temperance in France, Germany, and England. Never has prohibition had such high endorsements as these. All this ought to stimulate America to activity far greater than ever, and hasten the coming day when the liquor question will not be merely a question of States or even of nations, but an international question, to be universally answered in favor of prohibition.

3. *The failure of the "holy war"* proclaimed by the Mohammedans against Christians. This failure has startlingly revealed the weakness of Mohammedanism, which formerly as a unit sprang to arms at such a call. This weakness is the open door for Christianity.

4. *The increasing weakness of the Roman Church.* The war is accentuating this decline. The devastation of Belgium and the doubt about the future stability of Austria are a great menace to the power of the Papacy.

5. *The happy relations of the foreign mission boards* of the different countries. Among them peace has reigned, and British missionary societies have been caring for German missionaries. In practice these Christians are one at heart, and united in their sympathy and faith.

(c) *The Huss Anniversary.*—Word has been received from Rev. Mr. Dusek, superintendent of the Bohemian Churches, that the five hundredth anniversary of the death of John Huss, that was to have been held at Prague next July 6, has been postponed. The date for the United States remains unchanged, July 6, 1915.

V. Church History.—The Committee on Presbyterian and Reformed Church History has given careful attention to its work. A list of the recent publications of permanent worth, bearing upon Presbyterian and Reformed Church History, was submitted. Steps were taken toward investigations of the collections of the existing works on Presbyterianism in any of its phases, the systematic research after manuscript records of primary importance which are in the custody of institutions and church officers, and not likely to be turned over to the Presbyterian Historical Society, the pointing out from time to time fields of investigation which should engage the attention of competent scholars, and the continuing of the movement for placing works on our denominational Church History in local public libraries in the United States and Canada.

It is to be noted with appreciation that a volume entitled, "John Huss, His Life and Teaching, after Five Hundred Years," by the Rev. David Schley Schaff, D.D., has been issued by Charles Scribner Sons, New York City. The volume is a valuable contribution to the History of the pre-Reformation period of the Church in Europe.

VI. Evangelistic Work.—The past year has been for evangelism a year of great encouragement. A number of Churches report the largest gains thus far reported. The emphasis has been placed upon individual work and pastoral evangelism. Conferences for the promotion of soul-winning, intercessory prayer, and the appointment of strong committees in Presbyteries, Classes, and Synods, have been instrumental in setting before the Churches the highest ideals, and in leading them on to a greater conquest of souls.

It would seem that a better day is dawning, and we are now confronted with opportunities in evangelism which surpass any the Church has as yet seen. The great questions of the day are questions of righteousness. Men are now turning to God, and to the life of the Spirit. It is no longer an age of doubt, but an age of desire for the living God. Our churches need to give themselves to prayer, and then to the ministry of the Word with an earnestness and abandonment which will not suffer by comparison with the heroic devotion to country that is now being exhibited on the continent of Europe.

The work of international Evangelism is being carried forward despite the war. Arrangements are being made for the visit of the Chapman Missions to Great Britain and also to South America, and in the United States interdenominational Evangelism has become a great power.

VII. HOME MISSIONS.—The magnitude and importance and the urgency of the work of winning our great continent for Christ grows with each passing year. The Indian and the Negro, the Mexican and the Mormon, the Mountaineer and the Miner, the inhabitant of the Congested City, and of the Rural Community, the Immigrant from Europe and from the Orient, are everywhere within our borders, and at once our opportunity and our responsibility, our hope and our danger. A situation confronts the Churches of North America which calls for the finest available statesmanship in administration, a Macedonian liberality on the part of the people in the support of the work, a faith, a zeal, and a fervency in prayer on the part of our ministers and executive agents, far in advance of our present attainments in those graces. The Home Mission Reports last year of the Churches represented in the Alliance indicate an awakening on their part to the situation and a desire to address themselves to their titanic task. The following table indicates the Home Mission conditions during the past year:

| Denomination. | Receipts. |
|---|---|
| Presbyterian Church, U. S. A | $1,392,760 |
| Presbyterian Church, U. S | 478,720 |
| Reformed Church in America | 177,739 |
| Reformed Church in U. S | 275,761 |
| United Presbyterian Church | 175,422 |
| Presbyterian Church in Canada | 481,094 |
| Associate Reformed Presbyterian Synod | 14,000 |
| Synod of Reformed Presbyterian Church | 31,974 |
| Welsh Presbyterian Church | 6,500 |
| General Synod of Reformed Presbyterian Church | 2,631 |

Special notice is drawn to the good work of the *Home Missions Council* in conducting field surveys for information, in suggesting practical ways for preventing the overlooking of needy fields, and overlapping of the work in other fields, in promoting comity and coöperation, and in arousing larger hope and greater activity for the extension of the Kingdom of God to every part of this great American continent. Its cardinal principles, summarily comprehended in the words, "Cordial Coöperation," should be accepted by all the Churches, and pressed upon the Boards with ceaseless insistence. Then we shall see results that will justify the claim of many that the predestined mission of America is to lead the nations in the conquest of the world for our Christ.

VIII. AMERICAN AND EUROPEAN RESIDENTS IN FOREIGN SEAPORTS.—The Foreign Mission Conference of North America, which is handling this whole matter on its practical side, reports encouraging progress. The Union Churches in Yokohama and Kobe, Japan, have filled a large place in the life of those communities. In the former church a handsome and commodious house of worship has been erected. Pastors have been secured for the churches of Peking and Tientsin, China. Over $1,200 has been expended in this work. Dr. Herbert A. Manchester entered upon his work in Rio de Janeiro in June, 1914, and under his efficient leadership it is hoped a strong and aggressive force may be organized, for the help of our Protestant work in Brazil. The church at Mexico City has had a hard year, but Rev. Mr. Conger has remained

heroically at his post, ministering to his people in the trying experiences through which they have passed. Attention is called to the "Tourist Directory of Christian Work in Asia" and a "Guide to Mission Work and English Services in Latin America," recently prepared in the interests of this work.

IX. The Hungarian Churches.—According to the census of 1910, there were then in the United States 495,609 Hungarians, of whom 227,742 spoke the Magyar language. Over 75 per cent. of this population dwells in the cities, working largely in the mines and factories. Their skill and earning power is great, and they are seldom objects of charity. The religious distribution of the Magyar population is about as follows:

*a. The Roman Catholic Church* claims 80,000 members, and is not aided by the Hungarian government.

*b. The Greek Catholic Church* has about 25 congregations.

*c. The Reformed Church in the United States* has 14 congregations, with a membership of about 1,900, and expends about $8,000 a year in the work.

*d. The Presbyterian Church in the U. S. A.* has 33 congregations and missions, with a membership of 2,602, and expends $17,000.

*e. The Baptist Church* has 26 congregations, with a membership of 740.

*f. The Reformed Church in America* has 4 congregations.

*g. The Presbyterian Church in the U. S.* has 7 missions located in Wise County, Va.

*h. Hungarian Lutherans in America* have 5 missions.

*i. The National Reformed Church of Hungary.* The Hungarian government employs in this country 22 ministers and has 25 congregations, with a membership of over 15,000.

There are about 25 religious and secular papers published in Hungarian in the United States, but there is a great need for Christian literature.

Some 20 cities and towns in this country have a sufficient number of Hungarians to warrant provision made for Protestant services, and thereby educate them in American ideas of Church and Church work.

The following resolution is recommended for adoption:

*Resolved*, That the Western Section of the Alliance recommends that a Conference be held by the Boards of Home Missions of the Constituent Churches, on the Hungarian situation, and that the Committee on Home Missions of the Section appoint three of its members to represent the Section at the Conference, report to be made to the next meeting of the Section.

X. Religious Education in Canadian Universities.—An interesting paper, prepared by Principal John Scrimger, of Montreal, on Religious Education in Canadian Universities, was submitted to the Western Section, at Cincinnati. Briefly stated, the situation is as follows:

In Canada there are twenty Universities, which may be divided into three groups: ten denominational (Catholic or Protestant), six Provincial, and four Independent. In the first group there is more or less religious instruction, and it is made a regular part of the curriculum. The devotional side of religion is cared for as well as the intellectual, the students being usually organized for the development of the religious life, and public services being held under the auspices of the University, wherever these would prove helpful. In the older of the six Provincial Universities, the subject of religious education has given rise at times to a great deal of embittered discussion. But now the situation is fairly satisfactory. In Toronto, the largest of these Universities, and indeed the largest in the British Empire, there is a vigorous Y. M. C. A., religious options are allowed for certain subjects taught by the affiliated colleges, and a Sunday service is conducted by ministers of different Churches, with a frequent attendance of a thousand students. In the other universities of this class, a like interest prevails. The same interest is manifested in the Independent Universities with the exception perhaps of McGill (Montreal), where the authorities have refused to allow any religious instruction to be given as a regular part of the course, and where there are no religious services of any kind under University auspices. But even here recent events have shown that there is a marked change for the better and a promise of a different attitude in the future.

XI. Delinquent Church Members.—A carefully prepared paper upon the subject of Delinquent Church Members was presented at the Cincinnati

meeting by the Rev. Dr. Wm. P. Fulton. That the opinions of others upon the causes and remedies for this problem might be ascertained, the following questions were addressed to a number of ministers:

(1) How do you account for so many lapses from church membership? Why are so many placed on the "suspended roll?" What are the causes?

(2) Can this "lapsing" be prevented? Can this loss be stopped? If so, by what methods?

The replies to these questions resulted in the submitting of the following suggestions to the Supreme Judicatories of the constituent Churches:

(1) Presbyteries should inquire of sessions their reasons for placing members on the suspended roll and whether, in every instance, the requirements of the Book of Discipline, relating to suspended members, have been complied with. It should not be regarded a *light* or *trivial* matter to strike a name from the church roll.

(2) Sessions should make diligent effort to recover and restore "lapsed" members by discovering, if possible, the whereabouts of *all* those, at present, on the suspended roll, and by tactful, tender, warm-hearted, loving effort, reënlist them into the service and fellowship of the Church, (1) by personal visitation, (2) by letter writing, (3) by special and united prayer.

(3) Pastors and elders should give prayerful consideration to the matter of systematic oversight and visitation of the entire membership of their respective congregations so as to *prevent* the "lapsing" of members, and thus reduce to a *minimum* the number to be placed on the suspended roll.

(4) Members who remove to new neighborhoods at a considerable distance from their church, and who find it difficult to attend the services, should be encouraged by the session to unite with a church near at hand. The observance of this rule will frequently prevent "lapsing."

XII. Sabbath-school and Young People's Work.—A review of the reports of seven of the twelve Churches which have membership in the Section reveals a condition of earnest and aggressive activity, and encouraging progress. A brief summary of the several reports will reveal the situation.

*a. Presbyterian Church in Canada.*—A Dominion-wide Campaign in the interests of more and better Sabbath-schools and Young People's Societies has been inaugurated. Extension work on the home mission fields by the distribution of literature, the organization of teacher training classes, and the preparation of the Departmental Graded Lessons have added greatly to the effectiveness of the work. The children and young people have been enlisted to raise $250,000 of the total missionary budget of the Church. The plan of combining Children's Day and Young People's Day into one Rally Day on the last Sunday of September has met with encouraging results.

*b. Presbyterian Church in the U. S. A.*—There has been marked progress along all lines of the work. The statistics for the 10,214 Sabbath-schools are: Officers and teachers, 138,709; scholars, 1,190,700; total membership, 1,329,409; added during the past year, 109,657; total contributions, $1,234,093. As a result of the labors of the 161 field workers, a total of 1,056 Sabbath-schools has been organized.

*c. Presbyterian Church in the U. S.*—Both the Sabbath-school and the Young People's work are in a healthy condition. The number of schools has increased in the last five years from 2,391 to 2,683, and the total enrollment from 226,648 to 284,693. A steady advance has been made in Sunday-school missionary work, and at present there are fifteen men at work organizing new schools in destitute territory.

*d. United Presbyterian Church.*—The total number of schools is 1,041 with 15,271 officers and teachers, a total membership of 173,250, and total contributions of $213,315. The Young People's Societies are 779 in number with a total membership of 29,262.

*e. Reformed Church in the U. S.*—The total Sunday-school membership is 287,668 representing a gain of 7,146 over the previous year.

*f. The Associate Reformed Presbyterian Synod.*—The last statistical tables show 1,218 officers and teachers, and pupils to the number of 11,291. The teacher-training work is being especially pushed. The membership of the young people's organization is about 1,300.

*g. Welsh Presbyterian Church.*—The membership in the Sabbath-schools is approximately 14,000.

XIII. Quarterly Register.—*The Quarterly Register*, the organ of the Alliance, continues, as in former years, to supply the constituent Churches of the Alliance with valued information relative to their varied interests. It is hoped that there will soon be an enlargement of the scope and sphere of this Publication. Persons desiring to subscribe should write to Rev. R. Dykes Shaw, D.D., General Secretary, 122 George Street, Edinburgh, Scotland.

XIV. Finances.—The receipts from the apportionments of the Churches during the year ending February 9, 1915, amounted to $3,425.00. To this was added $177.14, receipts from the sales of the Aberdeen Council Proceedings, and interest to the amount of $82.07, making a total of $3,684.21. The disbursements were as follows: Alliance Expenses, general office, $2,163.82; annual meeting, Western Section, Easton, Pa., $968.33; printing and miscellaneous, $428.40; total, $3,560.55.

It is respectfully requested that the apportionment from your Church be forwarded not later than October 1, 1915, to the American Treasurer, Mr. Philip E. Howard, 1031 Walnut Street, Philadelphia, Pa. The financial provisions of the Alliance include the salary and expenses of the General Secretary, Rev. R. Dykes Shaw, D.D., of Edinburgh, Scotland, and the current expenses of the Western Section. The American Secretary continues to serve without salary.

XV. Apportionments for Expenses and Representatives in the Eleventh Council.—The Eleventh Council of the Alliance will consist of 350 members, 150 from the Eastern and 200 from the Western Section. XVI. The Eleventh Council.—The invitation of the Presbyterian Churches of Pittsburgh, Pa., submitted by the Western Section, for the meeting of the Eleventh General Council in that city, was submitted to and unanimously accepted by the Tenth Council. The time was fixed for the month of September, 1917, the opening day to be as near the fifteenth of that month as may be convenient. The Committee to have charge of the local arrangements was duly appointed, with the Rev. John McNaugher, D.D., as Chairman. The Supreme Judicatories are respectfully requested to appoint their delegates to the Eleventh Council at an early date, and to report the names to the Rev. Wm. H. Roberts, D.D., American Secretary, 515 Witherspoon Building, Philadelphia, Pa.

XVII. Fraternal Delegates.—The Western Section has appointed the following delegates from the Alliance to the supreme judicatories:

Presbyterian Church in Canada—Rev. John Somerville, D.D.
Presbyterian Church in the U. S. A.—Rev. W. H. Black, D.D.
Presbyterian Church in U. S.—Rev. S. L. Morris, D.D.
United Presbyterian Church—Rev. J. C. Scouller, D.D.

Presbyterian Church of Mexico—Rev. William Wallace.

XVIII. NEXT MEETING.—The Western Section will meet in February, 1916, at Auburn, N. Y., having accepted the kind invitation of Auburn Theological Seminary and the Presbyterian Churches in that city.

XIX. APPEAL IN BEHALF OF PEACE.—The following Appeal to the Nations at War, in Behalf of Peace, was adopted by the Western Section:

"The Western (American) Section of the Executive Commission of the Alliance of Reformed Churches throughout the World holding the Presbyterian System, and representing millions of Christians in North and South America, deplores the dreadful loss of the lives of multitudes of our fellow-beings caused by the war now raging in Europe, the serious injuries of myriads who have been maimed for life, and the ruin of great numbers of homes that have been overwhelmed by death and sorrow. In view of this catastrophe, we appeal most earnestly to all the Churches connected with this Alliance to implore Almighty God to influence the warring nations so that a righteous peace may be speedily secured.

"We appeal to our fellow-Christians to join with us in prayer, and to study the things that make for peace. And may the very God of peace crown with His blessing all efforts put forth in that direction."

In this connection attention is drawn to the "Solemn Call to Prayer for a World-wide Revival of Religion," issued by the Commission on Evangelism of the Federal Council of the Churches of Christ in America. The feeling is widespread among all Christians that "only a great revival of true religion can produce the inward change demanded, the effecting a mental revolution in the attitude of great nations towards war."

XX. THE FUTURE.—We close this report by quoting the words of our Lord, found in Matthew xxiv. 6 and xxiv. 14: "And ye shall hear of wars and rumors of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." The duty of Christians appears to be to witness for Christ in all Nations, with the assurance within their hearts of the sure coming of the day when every tongue shall confess that Jesus Christ is Lord to the Glory of the Father.

In behalf of the Executive Commission of the Alliance,

J. PRESTON SEARLE, *Chairman;*
WM. H. ROBERTS, *Secretary.*

In Church affiliation and membership, Mr. Edgerton is a member of the Methodist Episcopal Church South, and the four others are members of the Presbyterian Church in the United States of America. They are all excellent citizens and Christian gentlemen, and will prove loyal and efficient members of the Board, and we respectfully ask that they be confirmed as such by the action of your reverend body.

Three vacancies still exist in the Board, which will be filled and reported later.

Respectfully submitted,

VI. General.

The two Summer Schools, the School of Theology and the School for Christian Workers, will cover the five weeks from July 5 to August 7. The indications are for a satisfactory attendance.

The "Ministers in Residence" during the past year were Rev. Floyd W. Tomkins, D.D., Philadelphia; Rev. Cornelius Woelfkin, D.D., New York City; Rev. Willis H. Butler, Boston; Rev. Samuel J. Niccolls, D.D., LL.D., St. Louis; Rev. Charles F. Thwing, D.D., LL.D., Cleveland; Rev. F. Herbert Stead, M.A., London, England; Rev. William F. Oldham, D.D., New York City.

The "Ministers in Residence" for next year are Rev. W. T. Herridge, D.D., Ottawa, Canada; Rev. Walter W. Moore, D.D., Richmond, Va.; Rev. Francis J. McConnell, D.D., Denver; Rev. Henry Churchill King, D.D., Oberlin; Rev. George Alexander, D.D., New York City; Rev. George H. Ferris, D.D., Philadelphia; Rev. George A. Gordon, D.D., Boston.

By means of our Summer Social Fellowships we are enabled to send fourteen of our students to New York, St. Louis, Chicago, Cleveland, and Buffalo for the study of the city problem during the summer months. This is proving to be one of the most approved methods for theological students to become acquainted with the great city problem. They devote eight months of undivided attention to their Seminary duties and four months of their undivided attention to Social Settlement Work.

Through the generosity of Mrs. John S. Kennedy, of New York City, we have been able to add a Chair of Religious Education, and hope in the near future to announce the Professor for this new chair.

All of which is respectfully submitted,

GEO. B. STEWART, *President.*

## VI. Additional Trustees.

Rev. Samuel M. Templeton, D.D., of Rockwall, Tex., Stated Clerk of the Synod of Texas, was elected a member of the Board of Trustees, also Mr. W. H. Landis of Memphis, Tenn.

The year has been a prosperous one and the outlook is encouraging. It was, however, a sore trial to us that Dr. Edward Mack, professor of Hebrew and Old Testament Literature, was constrained to accept the call extended to him to occupy the Chair of Biblical Literature in Union Seminary, Richmond, Va.

## VII. Minute upon the Resignation of Dr. Edward Mack.

"In accepting Dr. Edward Mack's resignatiou, to take effect August 31, 1915, of the Chair of Hebrew and Old Testament Literature, that he may accept a call to the Chair of Biblical Literature in Union Seminary, Richmond, Va., the Board of Trustees of the Lane Seminary only do so because Dr. Mack has expressed it as his clear and fully matured conviction that the call is from God.

"His eleven years of service in the Lane Seminary have been characterized by efficient and untiring activity, while in the churches of the vicinage and in the literary and philanthropic life of the community in general he has abounded in helpful offices.

"His scholarship, piety, kindliness and gifted utterance, coupled with a supreme loyalty to the Oracles of God, have won for him a large circle of friends and admirers, within and without our own communion, who will with us sorely regret his departure.

"He will carry with him the best wishes and prayers of all these to the new field of service to which he has dedicated himself.

"His contributions to Lane Seminary's life and progress during a critical period of her history have been of great and enduring value.

"We congratulate the institution to which he goes upon his accession to its teaching force."

WILLIAM McKIBBIN, *President;*
LEWIS EARLE LEE, *Secretary.*

VI. Curricula.

During the past year, four new courses have been added to the department of Practical Theology, namely, Christian Sociology, Christian Ethics, Religious Education, and Christian Missions. This makes the curriculum of this Seminary very complete in the subjects taught. In all directions, the Faculty is seeking to make stronger and more perfect all its courses. Each year there are two post-graduate courses taught by members of the Faculty and offered to resident members of all denominations.

VII. Needs.

Our funds are deficient for our needs, largely due to the growth of the institution in students and general influence. The Board and the Faculty have inaugurated efforts from which they are hoping for adequate results. We would like for the General Assembly to commend our schools of Theology to the prayers, sympathies and liberality of Christ's people.

VIII. General.

The foregoing covers so thoroughly all the concerns of this Seminary, that we will not incumber this Report with any general observations.

In place of Mr. Robert O. McClintock, of Spokane, Wash., Mr. R. L. Edmiston, of Spokane, was elected. Rev. Harmon H. McQuilkin, D.D., of San José,

Cal., resigned to go East, and Rev. Walter Hays, of Palo Alto, Cal., was elected in his place, whose term expires in 1917.

At the meeting of the Synod of California, held at Sacramento, in October, 1914, the new plan of the Seminary was finally acted upon, and the old corporation was ordered to transfer the property to the new. This has been accomplished and the Seminary is now fully working under the new plan. Henceforth the corporate title is "San Francisco Theological Seminary," instead of "The San Francisco Theological Seminary," as heretofore. The governing body is now known as "The Board of Trustees," instead of "The Board of Directors." The annual meeting is held in April, instead of October, and the Annual Report is made to the General Assembly, instead of the Synod of California.

## II. The Faculty.

### MEMBERS OF THE FACULTY.

The Rev. WARREN HALL LANDON, D.D., President of the Seminary, Montgomery Professor of Apologetics and Missions.
The Rev. EDWARD ARTHUR WICHER, D.D., Professor of New Testament Interpretation.
The Rev. THOMAS VERNER MOORE, D.D., Stuart Professor of Systematic Theology.
The Rev. WILLIAM HENRY OXTOBY, D.D., Gray Professor of Hebrew Exegesis and Old Testament Literature.
The Rev. REMSEN DUBOIS BIRD, A.B., B.D., California Professor-Elect of Church History.
——— ——— ———, Ladd Professor of Practical Theology.
CHARLES GORDON BUCK, Severin Instructor in Vocal Culture.
The Rev. CHARLES LEE DUNCAN, A.B., Instructor in Athletics and Work among Boys.
The Rev. ERNEST FREEMAN HALL, D.D., Instructor in Missions.
The Rev. LYNN TOWNSEND WHITE, A.B., Instructor in Church History.

The Rev. WILLIAM HENRY OXTOBY, D.D., Clerk of the Faculty.

On November 1, 1914, the Rev. Charles Gordon Paterson, D.D., resigned as California Professor of Church History, and on January 13, 1915, the Rev. Remsen DuBois Bird, of Princeton, N. J., was unanimously elected to fill this vacancy.

It was thought best that the President of the Seminary should continue the work of his former department, Practical Theology, until that Chair should be filled, because of his familiarity with it. This has been done in connection with a part of the work of the department of Apologetics and Missions, though it has confined him somewhat closely to the Seminary and defeated for the time being the purpose in view in transferring him to the Department of Apologetics and Missions.

NAMES OF SPECIAL LECTURERS, WITH THE SUBJECTS DISCUSSED.

The Rev. James M. Webb, U. S. Chaplain: "Army Experiences."
The Rev. Charles L. Duncan, Pastor of First Church, San Anselmo: "Work among Boys."
The Rev. Joseph W. Cochran, D.D., Secretary of the Board of Education: "The Work of the Board."
The Rev. A. A. Fulton, D.D., Missionary to Canton, China: "Theological Education in China."
The Rev. David G. Wylie, D.D., Secretary of the Board of Church Erection: "Church Extension."
The Rev. Adrian C. Shepherd, Chaplain of San Quentin Prison: "A Day in San Quentin."
The Rev. Francis J. Van Horn, D.D., Pastor of First Congregational Church, Oakland: "Magnifying Our Office."
Dr. R. Cadwallader: "The Minister's Care of His Health."
Mr. H. S. Foote, Manager of the First Bank, San Anselmo: "The Minister's Finances."
The Rev. W. J. Johnson, D.D., Field Secretary of the Board of Ministerial Relief: "Abraham Lincoln, the Christian."

The students also attended in a body the address given by Dr. Robert E. Speer, of our Foreign Board, in Calvary Church, San Francisco, Friday evening, April 16. The subject was "The War and World Missions." It was a valuable addition to the regular seminary course on Missions.

This is a year crowded with important conferences of a religious and theological character, meeting in San Francisco in connection with the Panama-Pacific Exposition. These have brought together in our community many of the foremost leaders of Christian thought and service of the entire country.

## III. Students.

1. Number enrolled in the Seminary for the current scholastic year, 33. *a*. Number of Undergraduate Students—(1) Senior, 9; (2) Middle, 5; (3) Junior, 17. *b*. Number of Graduate Students, 0. *c*. Number of Fellows, 1. *d*. Number of Special Students, 1.

Tamasaku Watanabe.

None have yet qualified for the B.D. degree. There has not been time for any of them to meet the additional requirements. This degree, therefore, will not be conferred until sometime in the future. Several graduates of the Seminary are beginning studies which they will pursue under the direction of the Faculty with this degree in view.

The Alumni Fellowship, 1914–15, was awarded to Ernest Newell Chapman, of Berkeley, a Bachelor of Arts, graduate from the University of California.

The prizes of the Board of Temperance were awarded as follows:

First: Christopher Harold Gaskell.

Second: Edward Lewis Brandner.

### VI. Curricula.

Several years ago, the course in Church History was condensed from two hours per week for three years to two hours per week for two years, in order to secure time for the introduction of Christian Sociology, the latter being substituted for Church History in the Senior year. This, however, has not proved entirely satisfactory to the professor in charge, as he found the necessary work in Church History could not be well completed in the time allotted. The Board of Trustees, at its last meeting, upon the recommendation of the Faculty, restored to the department of Church History its full time of two hours per week for three years, and made Christian Sociology an elective. It is not to be inferred from this that less interest attaches to the latter subject than formerly. It will still be thoroughly and efficiently taught, and it is known that the students' interest in it is such that practically all will elect it.

The new plan making athletics a part of the required curriculum has worked well. Its object is the physical development of the student and preparation for oversight and leadership in work among boys. The health of the students has never been better than during the past year, and they have never been in better condition for hard study. This is undoubtedly due in part to regular and well-directed exercise in the gymnasium and on the athletic fields.

### VII. Needs.

The most urgent need is an endowment of $50,000 for the Chair of New Testament Interpretation and Exegesis.

At least twelve (12) additional Scholarships of $2,500 each are needed to care for the present growing company of students.

The library, whose present endowment is only $1,000, should have at least $10,000.

The General Endowment Fund should also be increased by $50,000.

A total addition of $150,000 to the present endowments would equip the Seminary for efficient work for some time to come.

### VIII. General.

The academic year opened with the inauguration of Rev. William Henry Oxtoby, D.D., as Gray Professor of Hebrew Exegesis and Old Testament Literature. The charge to the professor was delivered by the Rev. Robert

Freeman, D.D., of Pasadena. Dr. Oxtoby's inaugural address was on "The New Covenant."

In November, 1914, Professor Charles Gordon Paterson, D.D., who had been associated with the Seminary for eleven years, three years as instructor in Church History, and eight years as full professor, resigned his chair to become associate minister of St. Stephen's Presbyterian Church, Winnipeg, Canada. His career in the Seminary was marked by signal success as a teacher. The Rev. Lynn T. White, pastor of the church in San Rafael, was at once secured to conduct the work of the department to the close of the year. The Rev. Ernest F. Hall, D.D., District-Secretary of the Board of Foreign Missions for the Pacific Coast, conducted the study of Missions, of which Dr. Paterson had had charge for several years, until the end of the year.

The chair of Church History has been filled by the election of Rev. Remsen DuBois Bird, B.D., instructor in Church History in Princeton Theological Seminary. This has given great satisfaction to the friends of the Seminary and awakened large anticipations among the students. He will enter upon his work in September, 1915.

Soon after the opening of the academic year, an important conference was held on the subject of "The Person of Christ." It was participated in by the Faculty and a number of the leading pastors from neighboring cities. It was a stimulus and help to the students as well as to the visiting pastors.

The students have carried on their usual activities throughout the general region in which the Seminary is located under the direction of a committee of Faculty. These have been of a widely diversified character. They conducted more or less work in thirty-five different institutions. These included churches, missions, hospitals, sanitariums, orphanage, San Quentin prison, various homes, and work among the foreign population of San Francisco. They preached on the streets in San Francisco. They did much canvassing in the Dry Federation campaign. In these various services many persons, especially men, have been helped into the Christian life.

The enrollment shows the largest attendance of regular students in the history of the Seminary. The increase in the number from the Pacific coast is very encouraging.

The academic year closed with the usual Commencement exercises on April 29. The Commencement address was given by Rev. John Balcom Shaw, D.D., of Los Angeles, on "The Literary Life of a Minister." The diploma of the Seminary was given to a class of nine men.

We have a group of students who have been unusually happy and contented with their life and work in our Seminary. So far as we know now, our undergraduates will all return to us next year. This is rather an unusual record in the life of any Seminary.

## IX. Scholarships.

The Scholarships are as follows:

### lectures.

Valuable addition to the curriculum is made by the lecture courses. Among the lecturers this year special mention must be made of the distinguished German scholar, Dr. Johannes Jaeger, of Emden, Germany, who gave an interesting talk to the students and spent the summer in visiting the German churches.

Dr. George C. Fracker, Educational Superintendent for the Board of Sabbath-school Work in the Synod of Iowa, devoted a week in lectures and instruction to the theological students on Sabbath-school work.

Others who have lectured in our institution during the past year were the following: Prof. Forest C. Ensign, of the State University of Iowa; Prof. John M. Coulter, Ph.D., of the University of Chicago; Dr. Richard Burton, of the Minnesota State University; Dr. John Tallmadge Bergen, of the First Presbyterian Church of Minneapolis; Rev. Joseph Krenek, Silver Lake, Minn.

VI. Curricula.

Attention is called to the enrichment of instruction. The curriculum gives a standard theological course, founded upon the requirements for ordination in the Presbyterian Church. Many elective courses have been introduced, so that the graduate of the Seminary may equip himself in the most thorough manner.

The degree of Bachelor of Divinity is conferred upon those who have attained the scholarly requirements. The conditions upon which this degree is granted are as follows:

1. Graduation from a standard college.
2. Advanced theological work.
3. A meritorious thesis.
4. High scholarship in all studies.
5. Residence during final year.
6. Approval of Faculty of electives.

VII. Needs.

The first and pressing need is endowment. The General Assembly has heretofore approved this position to the extent of recommending an additional endowment of $500,000. The Executive Commission of the General Assembly was instructed to take the matter of the endowment "into earnest consideration, and if, after conferences with the Trustees of Dubuque Seminary, it seems wise to do so, appoint a committee of five to coöperate with the Trustees in an effort to secure $500,000 for endowment and the expansion of the work." As a result of the conference held under this resolution, the following committee was appointed: Rev. C. M. Steffens, D.D., Dr. John P. Munn, William Albert Harbison, C. N. Payne, W. P. Manley, and F. H. Armstrong. It is absolutely necessary, to meet the demands of our foreign-speaking people, to raise the proposed endowment. It is, therefore, earnestly hoped that the General Assembly will give its approval to the work of this Committee and urge the churches to coöperate in a work so essential to home evangelization.

### V. Library.

Whole number of books, (about) 4,544. No complete report can be given, as the Library is being rearranged by the new Librarian and many books are being discarded.

### VI. General.

On the second day of last June we dedicated, with appropriate exercises, our new "Knox Hall." Although the cost of the structure was largely oversubscribed before the work was begun, yet the current financial crisis caused an appreciable default. We are privileged, however, to report that a generous friend, who insists upon being nameless, has assumed the payment of "the Knox Hall Maintenance Fund" of $30,000, and thus takes the first step towards the endowment needed for the equipment of the Seminary in its polyglot work, undertaken at the suggestion of the General Assembly.

We accept this restricted line of work, hence have no competition with other institutions.

But to do polyglot work we must have competent polyglot instructors. These we have in our present Faculty, the majority of them being alumni of our Seminary; but to properly equip them for their normal work we need, and need at once, an addition of $200,000 to our present endowment, of which amount $30,000, as already announced, has been subscribed.

VI. Needs.

We still appeal for a building which shall include the facilities of a gymnasium and rooms for Y. M. C. A. and Christian Endeavor and Missionary activities. Another Professorship of $30,000 is a great desideratum.

VII. General.

One of the graduates this year is Vice Roy Kwatsha, a native Zulu. He is the first group man in the class, and is eager for the day when he will sail for his native land. One of his comrades who graduated three years ago has a church of 1,273 communicant members, and 200 in his catechetical class, awaiting admission. His letters sound like the messages that come from Elat, far to the north. No Foreign Mission funds sustain this church in South Africa. They are self-supporting.

Through the kindness of Mr. Thomas W. Synnott, one of our Trustees, and Mr. Rodman Wanamaker, 65 of our students, about one-half of them from the Seminary, spent a day in Philadelphia hearing Mr. Sunday. They returned very much quickened. At an echo meeting, they brought their inspiration to the general body of students, and when, soon after, Rev. George E. Gillespie, of Coatesville, and Rev. Josiah Crawford, D.D., of Wilmington, Del., as the representatives of the joint Evangelistic and Education Committee, visited us, it was as if a Pentecostal blessing had been our portion.

Rev. John Morrison Galbreath, D.D., our honored Professor of English Bible, after twelve years of ripe and rich service, finding the strain on his strength too great, was compelled to lay down the work he loved. After careful and diligent search, the Board invited Rev. Samuel Colgate Hodge to this chair, which his father, Rev. J. Aspinwall Hodge, D.D., had so illustriously filled. We were satisfied that he held, with the same strong faith as his father, the whole Bible as the Word of God and the infallible rule of faith and practice. The confirmation of the Assembly is respectfully requested to this election.

Respectfully submitted,

W. COURTLAND ROBINSON, *Secretary.*

III. Students.

The enrollment for the present year is 8, as follows: (1) Seniors, 2; (2) Middlers, 5; (3) Juniors, 1.

One new student was enrolled with the degree of B.S.

The following were graduated: Sudor Q. Mitchell and John A. Ramsey.

IV. Finances.

Since the Theological Department of Biddle University has no holdings separate from the other departments of the Institution, and since most of the

theological instructors teach also in the Collegiate Department, it is neither convenient nor practicable to make a financial report on the Theological School.

V. Library.

Whole number of books in library: (*a*) bound volumes, 8,721; (*b*) pamphlets, 580.

Number added during the year: (*a*) bound volumes, 221; (*b*) pamphlets, 480.

VI. General.

The enrollment of students in the Theological Department this year is perhaps the smallest for many years, but we have reason to expect a steady increase during the next few years at least, for there are now forty-six candidates for the ministry in the various departments of the University. Six of these are enrolled in the Preparatory Department, thirty-two in the Collegiate and eight in the Theological. Seven of those in the College are in the Senior Class. These will enter the Theological Department next session.

A dormitory for the candidates for the ministry is greatly needed. For $30,000 a building could be erected, such as would not only accommodate the candidates for the ministry, but would afford accommodations for other students who are without comfortable quarters.

Respectfully submitted,

H. L. McCROREY, *President.*

### ABSTRACT OF THE ONE HUNDRED AND THIRTEENTH ANNUAL REPORT.

The Board of Home Missions presents to the General Assembly its One Hundred and Thirteenth Annual Report.

### GENERAL STATEMENTS.

No year of the present generation has been marked by events so profoundly affecting the work committed to this historic agency of the Church as has been the year here reported. Within the Board's organization, and without, in the vast territory its activities touch, and beyond, in the councils and destiny of nations to which phases of this work are intimately related, these events are of the greatest significance.

Dr. Thompson.—The retirement of the Board's veteran Secretary from administrative responsibility is of itself an event to mark an epoch in the Board's history. The loss in this direction has been in a degree compensated by Dr. Thompson's continued labors by voice and pen on behalf of the Board. He has rendered notable service in this way, since his resignation, on June 10th, from the chief administrative office, which he had held continuously since March, 1898.

Honored Names.—The ranks of those in the heat and stress of the work on the field have been unusually preserved. The report of last year included a list of fourteen, with the statement, "It has been a year of unusual mortality on the field." The short list of this year may be introduced with stating that not since 1910 has the list been shorter. Those named, after faithful service here, have during the year been translated to larger service beyond, and the Church on earth is for all time richer for their ministry.*

The Work.—The Presbyterian Church in the U. S. A. shares with the other evangelical bodies of the United States the home mission task of bringing the gospel through the churches to men, women and children in America for individual and community salvation.

Of the twelve Presbyterian bodies in the United States, the U. S. A. Church is by far the largest, having a communicant membership about double that of the other eleven combined. It covers the territory of the entire national domain, having churches in each of the States of the Union and each of the dependencies except Hawaii. In the Hawaiian Islands, Presbyterians have recognized the peculiar responsibility of the Congregationalists and have not prosecuted missionary work in that field.

Not only do Presbyterian home missions cover the entire national territory, but they enter into the great spiritual and social problems of the national life. They have been foremost among evangelical agencies in several fields, undertaking new work with new methods, or adjusting old methods to new conditions.

In the lumber camps, Presbyterian opportunity is unique, it being recognized by the other denominations that Presbyterians carry responsibility for all evangelical forces. The Home Missions Council finds that "the only denomination which is giving attention to this work, in a special and continuous way, is the Presbyterian, U. S. A."

In Alaska the Presbyterian agencies maintain a larger force of workers and expend a larger amount of money than any other Church. The same is true of evangelical work among the remaining Indian tribes scattered throughout the country.

In other fields, such as that of the country church, the work among immigrants, and in social service, Presbyterian home mission agencies have made distinct contributions to the whole task of American evangelization. Detailed report of the year's work in each of these fields appears in the pages following.

The main emphasis always falls upon the steady work of evangelization among American communities of all grades and stages of progress, the responsibility being shared with all the other evangelical forces, and Presbyterian agencies being forward to recognize the need of coöperation on every hand. Later sections of this report indicate the nature of this coöperation with other bodies and reveal something of the promise and enthusiasm which the year has developed, in view of this finer spirit of unity among the Christian forces and by reason of the statesmanship displayed in their coöperative effort.

The Task.—The Home Mission Task is passing, or has already passed, through two stages: first, that of building civilization, and, second, that of rebuilding and reconstruction. Still a third stage, or at least a distinct spiritual phenomenon, further defines the task. In the process of reconstruction certain communities, and indeed whole regions, do not move with the mass, but are left stagnated on the margins of civilization. Sometimes these communities simply stand still, and in other cases they retrograde and degenerate. To bring to bear upon these the regenerating influences of the gospel is plainly the business of home missions.

Thus the task is threefold as it is topically considered. A rough territorial classification corresponds with these three divisions. The first stage appears

*See list, p. 171.

in the West, including particularly Alaska. The second is characteristic of the Middle West and most of the East and South. The third class of phenomena appears in the mountains of the South, in Indian communities East and West, and among other neglected groups and races as indicated below. This report recognizes this threefold division of the task.

Missions in the United States have assumed interrelations with situations and problems outside of our immediate territory. These do not invade the field of foreign missions. Several aspects of this interrelation are necessarily considered from the home mission point of view. This treatment, though brief, constitutes a fourth principal division of this report.

A fifth division presents matters of administration and promotion of the cause, the relations of Presbyterian agencies to each other and of them to other evangelical agencies concerned with the common task of elevating and regenerating our American society.

FINANCES.—The receipts from legacies in 1914 fell far below the average of nearly $360,000 for the three years preceding.

The action of the Chicago Assembly in reorganizing the Board's administration made the past year one of readjustment, both in the office and on the field. Full another year will be required before Presbyteries will be able to adjust themselves to these radical changes.

The hard times felt throughout the entire country, but specially in the East, greatly aggravated by the war abroad, resulted in the Board's being unable to raise enough money to cancel the indebtedness of a year ago. Only $46,672.85 was received on account of the debt of last year. The indebtedness on account of the year just closed amounted to $162,508.05. The total deficit as reported by the Treasurer on March 31, 1915, was $217,799.35. This could not go on. The Board resolved unanimously, although with great reluctance, to face the future squarely.

The proposed reduction in appropriations will enable the Board to carry on the new year's work without debt, if the Treasurer's estimate of probable income is realized. With returning business prosperity, together with the realization on the part of the Church that the evangelization of our own land is too serious and important a duty to be put in continuous peril, the Board is confident that steady and safe progress can now be made.

Respectfully submitted by order of the Board.

JOSEPH ERNEST McAFEE,
BAXTER P. FULLERTON,

ABSTRACT OF THE SEVENTY-EIGHTH ANNUAL REPORT.

The year began with large encouragement, but soon passed into deep anxieties. Seldom has a beginning been more auspicious. It is true that the country had not yet emerged from a period of commercial disturbances and financial depression, and that there was a deficit on the Board of $292,000. Two considerations, however, gave encouragement.

THE DEFICIT.—The first lay in the fact that the deficit had been caused, not by failure, but by success. The contributions of the home churches had increased 100 per cent. during the preceding decade, an advance which indicated that the Presbyterian Church was beginning to respond in a gratifying way to the call of God and to recognize the great place which the foreign missionary enterprise should have in the activities of the Church. The work on the foreign field, however, had made a net gain during that decade of 117 per cent. Splendid as had been the advance in contributions of the Church at home, the advance on the foreign field had been still more splendid. The difference represented the deficit. Instead, therefore, of lamenting that there was a deficit, we had every reason to thank God for the notable manifestations of His power in non-Christian lands.

The second reason for encouragement was the missionary enthusiasm of the last General Assembly. Neither in the Standing Committee nor in the Assembly itself was there the slightest intimation of depression or alarm. On the contrary, the Assembly rose to a remarkably high level of missionary zeal and consecration. In spite of the heavy deficit and the continued business depression of the country, the Board was instructed to go forward, on the assumption that the Church would stand by it. In order to give effect to this instruction and to bring the whole power of the Church into line with the effort, the General Assembly appointed a special Committee of representative men, under the chairmanship of the Moderator, the Rev. Maitland Alexander, D.D., LL.D., to coöperate with the Boards in securing such an advance in contributions as would cancel the deficit and maintain on an adequate scale

the work of the new year, this Committee to include in the scope of its work the deficit on the Board of Home Missions also.

Then, like a bolt out of the blue, came the European War, throwing everything everywhere into confusion. The business of this country, as well as of Europe, was demoralized. International trade, always a large factor in our commercial prosperity, was brought to a sudden stop. International credits, also essential to our national prosperity, were paralyzed. The situation was soon intensified by urgent appeals for the relief of the peoples in Europe who had been reduced to destitution on account of the war.

Exchange, too, at once became a serious factor. Modern missions, like modern business and modern politics, is conducted with scraps of paper. We cannot send American money to Asia and Africa, and it could not be used. We must send drafts on New York, London and Berlin. When the war broke out, Asiatic and African bankers and merchants either refused to cash drafts at all, or demanded a rate of exchange as high as they deemed the risk to be.

The Boards of Foreign Missions in the United States must send to non-Christian lands about a million dollars a month for the maintenance of their great and varied work. Gold alone would meet the need, and how was it to be gotten to Asiatic and African fields? The officers of the Boards held hurried conferences with bankers, but banks could do nothing but issue drafts, and the missionaries already had drafts which they could not cash. Corporations having an international business were approached, but they were in the same predicament as the Boards. The Standard Oil Company was the only one which could help. The Boards deposited funds with its treasurer, and he cabled its local agents in Asia to pay equivalent sums to missionaries out of local collections from sales of oil. This brought relief to missionaries in several fields. Those in Turkey were finally supplied by American warships, which carried gold to the eastern Mediterranean ports, the Boards giving their money to the Navy Department in Washington and the Secretary of the Navy cabling disbursement orders to the naval commanders. But these methods reached only a few of the many mission fields of the world. In most of them, missionaries had to cash drafts at whatever rate the local money-changers chose to charge.

In these circumstances, the normal expectation might have been, not only that nothing could be done toward cancelling the deficit of $292,000 with which the year began, but that there would be an even heavier deficit upon the work of the new year. Instead of this, the Board is able to report that $140,151.31 has been contributed toward the original deficit and an additional $20,500 made available by transferring to the China Campaign account two China property items charged last year to the regular appropriations, and that all the great and widely extended work of the year has been fully covered, the receipts and credits applicable to the budget having been $1,853,529.33, and the expenditures $1,823,043.97, leaving a surplus of $30,485.36 to be applied to the deficit. The total deficit of the Board which must be reported to this General Assembly is therefore $101,013.49.

Survey of the Fields.—Our missionary work on the foreign field has been marked during the year by steady advance. We may epitomize here the following outstanding facts and movements as supplied by the Executive Secretaries for their respective departments.

*Chinese, Japanese and Koreans in the United States.*—The work of the Board among the Chinese, Japanese and Koreans in the United States has been continued at various places in California, in Portland, Oregon, and in New York City, the two latter places being under the care, respectively, of the Presbyteries of Portland and New York. Work has been maintained at ten places for the Chinese, six for the Koreans, and thirteen for the Japanese, in addition to the splendid work under the care of the Occidental Women's Board in San Francisco and the very successful work in New York City under the care of the Rev. Huie Kin and his devoted wife.

The work among the Koreans is carried on by one ordained minister and a number of American volunteer workers. At the August, 1914, evangelistic meetings, the Rev. George S. McCune, of Korea, was present and warmed the hearts of these expatriated people by his earnest addresses and friendly interest.

*Mexico.*—The disturbed conditions in Mexico, noted in the last Annual

Report, continued during the entire year. It was deemed advisable by the Board, in view of the request of the State Department at Washington and the various letters received from the field, to withdraw the missionaries for a time, and by May 1, 1914, the entire mission body had left the country. Of course it was not possible to carry on the regular work with the missionaries away, but native pastors and other workers have been most efficient. In many places, services have been held almost without interruption, and in some cases the Church has even gained in membership and in self-support and has shown remarkable fidelity.

A remarkable event of the year in connection with mission work in Mexico was the Conference of representatives of all the Boards at work in that country, which met in Cincinnati, June 30–July 1. This Conference drew up a plan which, in its general outline, has been approved by nearly all the Boards concerned, and which, if carried out, will mean the uniting of forces in Mexico and increasing greatly the efficiency of the various mission activities now carried on by different denominations.

*South America.*—Probably nowhere outside of Europe have the economic effects of the European War been so seriously felt as in South America, where financial conditions were already disturned. In Brazil, the success of the Coffee Syndicate in raising the price of coffee some years ago and the long-continued peace brought on an era of great prosperity and speculation, a regular "western boom." This came to high-water mark in 1913, and fell in the latter part of that year and throughout the first half of 1914. The government, by great efforts, had succeeded in negotiating a large loan which would have prevented the immediate catastrophe, had not the European War broken out on the day that the bonds and first instalment of the money were to be exchanged. This, of course, put an end to the loan. Half the world's coffee market was practically closed to commerce, and transportation of coffee to the remaining markets became precarious. A moratorium was declared and bank deposits were locked up. Difficulties varying only in degree were felt in Chile, Colombia and Venezuela.

The work of the Missions, however, has gone on uninterrupted, with more far-reaching itineration in some fields than ever before.

*Chile and Guatemala.*—The far-reaching effect of the European War is seen in the letters received from our Chile and Guatemala Missions. Owing to the fact of the intimate trade relations between these countries and Germany, panic immediately followed the declaration of war. With the panic came threatened lawlessness, so that it was not safe to go into some parts of Santiago unattended at night. These facts, however, have not hindered the work, but have rather turned out to the furtherance of the Gospel.

*The Panama Conference.*—An event of great interest and importance will be the Conference on Missions in Latin America, to be held in the city of Panama, February 10 to 20, 1916. Five hundred selected leaders of Evangelical Churches, missionary agencies and public life will confer regarding ways and means of advancing the interests of Christ's Kingdom among the 20 Latin republics.

During these ten days of searching deliberation and earnest prayer by recognized religious leaders of three continents, policies of a positive, practical, constructive nature will be formulated for the future guidance of Christian effort in Latin America. This Conference will be to the Western Hemisphere what the Edinburgh Conference was to Asia and Africa.

*India.*—As we review the year's work, what impresses us most is the greatness of the opportunity. In the cities, the youth of India crowd into our schools and colleges in numbers exceeding all previous records. In the districts among the depressed classes, the movement toward Christianity has lost none of its strength. Hundreds are seeking for baptism, and thousands of baptized people are in sore need of further instruction. The northern section of the field is now dotted all over with villages in which there are Christians, but these represent only a small fraction of the villages found within these regions, all of which wait to be evangelized.

*Persia.*—The sympathy of the Christian world is going out to the tens of thousands of innocent sufferers in northwestern Persia. We are the only American Church doing any considerable mission work in that region, and our missionaries are the only ones now on the field, as all the European societies

have been compelled to withdraw their representatives. When foreigners of other nationalities were leaving Urumia, because of Turkish attacks last October, our missionaries voted unanimously to stay at their posts of duty. From two outside sources, the Board has learned that the Russian Consul pleaded with our missionaries to remain, saying that half a dozen missionaries meant more for the peace and safety of the city than his garrison of 800 Cossacks. Thousands of lives have been saved by the steadfast courage of these loyal followers of Christ, every one of whom has found the full "moral equivalent for war."

In private letters we have learned that Dr. Shedd and Dr. Packard, as well as other missionaries, are worn to exhaustion by the heavy strain of these terrible months. The fact that the Turks and Kurds gave orders before the beginning of hostilities not to molest the missionaries shows how these emissaries of Christ are beloved by all classes.

*Syria.*—At the time of writing this report the Syria Mission is practically cut off from the homeland. Until Turkey joined in the war there was apprehension, but comparatively little suffering. With the mobilizing of troops came the commandeering of cattle, food and clothing, and the suffering consequent upon the absence of the breadwinner from his family. The banks closed their doors. When there was food to buy, there was no money to buy it. The people fled from the coast to the interior; business was at a standstill; rumors of attack flew broadcast. A Jihad, or Holy War, was proclaimed, but fortunately there was little response. In the emergency a call was sent from Constantinople, through Ambassador Morgenthau, for relief from America. Its appeal was for help for the suffering people of Asiatic Turkey, Syria and Palestine. A committee consisting of representatives of the Jews and those interested in Christian Missions was formed to solicit subscriptions. The money thus supplied was distributed by the Red Cross Society, in coöperation with the missionaries.

*Japan.*—The mind of America, in spite of the terrible distractions of these days, is drawn forcefully to Japan. The Island Empire of the East is continuing its rapid development, and her clever, acquisitive people are being rapidly modernized. Science is a handy tool for the quick brains and fingers of the Japanese.

American disciples of the Prince of Peace have a clear duty in this day of international belligerency. They should help to Christianize the relationships between Japan and the United States. To foment trouble, or to let others do so unrebuked, is absolutely un-Christian. We ask that other nations be generous in their judgment of us: then let us apply the Golden Rule.

*Philippines.*—The Church in the Philippines has been organized as a Synod, since 1907, and this Synod has been connected with the General Assembly of the home Church. The Board reported to the last General Assembly the arrangements that had been made for forming the "Independent Presbyterian Church of the Philippine Islands," and the Assembly gave its warm approval. We now report that the organization was effected in connection with the meeting of the Synod of the Philippines, in Cebu, October 6, 1914. Twenty-five ministers and ten elders were enrolled. The Constitution of the mother Church was temporarily adopted, and a committee was appointed to suggest any needed changes in the wording of the Form of Government and other standards. The body henceforth governs itself, although the missionary work will be aided as before by the Board of Foreign Missions. The new Presbyterian denomination continues to form a constituent part of the "Evangelical Church of the Philippines," which was formed several years ago by coöperation of Presbyterian, Methodist, United Brethren and other missionaries.

*Siam.*—The names of our two Missions in Siam have been changed during the year. The Mission hitherto known as the Siam Mission is now to be known as the South Siam Mission, and the Laos Mission becomes the North Siam Mission. The immediate occasion for this change was the request of the Siamese Government, which naturally desires to have its political unity recognized.

Our mission work in Siam is gaining in solidarity. The railway from Bangkok has been extended southwestward so that one may now travel comfortably by rail all the way to Singapore, passing through our stations at Petchaburi and Rajaburi and near Tap Teang. The railroad has been extended northward until it has reached a point about 600 miles north of Bangkok and is within a

short distance of Lakawn. It is expected to reach Chieng-mai in about a year. This closer communication is bringing the northern and southern parts of the country into closer relations and is equalizing language and education as well as administration. Siam is a great and needy mission field, and as the Presbyterian Church is the only Protestant body at work there, the measure of our responsibility is great.

*Chosen (Korea).*—We might as well familiarize ourselves with the new name of this country. It is not easy to give up a term that has become endeared to us by ties of sacred association. But as a matter of fact, Chosen is not a new name at all. It is the name which the natives themselves have used for centuries and it is therefore the proper designation of the country. The people call their own country Chosen, which means "Morning Calm," and now the Japanese, who have annexed it, have decided that it should bear its right name before the world.

The Japanese are modernizing the country. New laws have been promulgated and are strictly enforced. Railway and telegraph lines have been extended. Public works have been undertaken on a large scale. These and other enterprises have given employment to multitudes of native laborers, and the opening up of Chosen to the world has introduced many and far-reaching economic changes.

Notwithstanding the financial stringency, the churches, as a rule, have done splendidly. Unless one understands the sacrifices involved, he cannot appreciate what this means.

*China.*—The political and military disturbances precipitated by the European War have affected China in various ways. The great naval base of Germany in the Far East was at Tsing-tau in the Province of Shantung, where we have had for many years a highly successful mission station. The siege of the city by the Japanese and such British troops as were available in northern China, of course put an abrupt stop to our work. The missionaries were obliged to leave. Fortunately, the mission buildings were but slightly damaged, although their use, first by German troops and afterward by Japanese, involved considerable losses of furniture and necessitated some repairs. As soon as the Japanese authorities were willing to have foreigners return, the Rev. and Mrs. Thomas H. Montgomery and Miss Helen E. Christman reoccupied the station and set themselves to getting together the scattered Chinese Christians and resuming the mission work.

Our Presbyterian Mission work in China is an extensive one, including seven missions, 32 stations, 429 missionaries, 31 hospitals, 634 schools and colleges, the largest mission Press in the world, and institutions for the blind, the insane, and the deaf and dumb. Out-stations are located at the strategic centres of Chinese life and are among the most influential of the mission enterprises in China. The detailed report is crowded with interesting facts and incidents. The work has been carried steadily on throughout the year, and the number of communicants and enrolled catechumens has risen from 32,557 to 37,123. A history of the Shantung Mission, since its foundation in 1861, has been published in a pamphlet.

*Africa.*—The wonderful growth of the churches at Elat and Efulen continues. Several more out-stations have been opened and the promise of development is great. At Zinge, an out-station of Efulen, the new church building, erected by the people themselves, seats 650 persons. The First Church of Elat received during the year 1,075 members, of whom 1,062 were on confession of faith. The attendance one Sunday was 8,100. The catechumens number 15,000 and the number of regular contributors by envelopes is also 15,000. Five thousand of the Christians are a direct result of the work of the 55 evangelists employed by the station. What is true of Elat is substantially true of the other stations which, while smaller, have shown about the same percentage of growth and the same evangelistic fervor and zeal in sending the Gospel to the regions beyond.

The Mission strongly appeals for reinforcements to meet the increased responsibility for the new work to the east and south laid upon us by the common agreement between all evangelical missions in Kamerun.

### Treasurer's Report.

The fiscal year of the Board of Foreign Missions, ending March 31, 1915, closed with a surplus of $30,485.36. The total of the year's receipts and credits amounted to $2,286,819.75, and if we eliminate from the total receipts of the year 1911–12 the sum of $731,657.00, the excess drawn that year from the Kennedy bequest over the amount drawn in 1914–15 from the same source, exceeded that of any other year in the Board's history. To the churches is due the largest credit for this result. They have given this year $903,048—$164,008 more than last year. The average increase from churches for the work of the Board has been 22.2 per cent., and if we add the $91,948 contributed for the deficit, it has been 34.5 per cent. The Women's Boards have given $585,605, which, with the single exception of 1911–12, their Jubilee year, is the largest year in their history, and an increase of $32,000 over a year ago. The Women's Boards were far-sighted enough to adopt, in March, 1914, as their policy for the year 1914–15, that of gathering in for the regular budget of the year all the specials of the year preceding, and their good judgment has been attested by the fact that although their total contributions have been but $32,000 more than a year ago, yet their contributions to the regular budget have been $83,365 in excess of those of last year and have been one of the two largest factors in bringing about the results obtained. The Sunday-schools have given $83,164, their largest year, and $3,979 above their average for the past three years, or 5 per cent. increase. The Board opened the year with a deficit of $292,150; $140,151 has been contributed toward this deficit; $20,500 has been made applicable by transferring to the China Campaign Fund two items properly chargeable there, but actually charged the year before to regular receipts, and $30,485, the surplus of the year, has been automatically applied, so that the year closed with a deficit of only $101,013. For the year 1913–14, the Board reported China Campaign appropriations of $259,794. For the year 1914–15, they have amounted to $244,631—a total of $504,425. In addition, there is in the fund, awaiting appropriations, $67,000, so that, to date, $571,425 have actually been paid in and there are some $65,000 in outstanding pledges. The total will thus be about $100,000 short of the $735,000 which the Campaign was inaugurated to secure. There remains of the $2,679,813 of the Kennedy bequest only the Permanent Reserve Banking Fund of $207,142 established from this bequest, and $458,537 of the Evangelistic Expansion Fund, which originally amounted to $760,000, and which, at the present rate, will be exhausted by the year 1920. The Endowment Funds have been increased during the year by $183,460 and now amount to $2,166,150.

The Assistant Treasurer would call attention to the accompanying Balance Sheet and the Statement of Surplus and Deficit Account.

### Abstract of Ninety-sixth Annual Report.

Financial.—The Board of Education is glad to announce that in the year 1914–15 it has received from churches, Sunday-schools and Societies $90,749.11, an increase of $5,314.22, or about 6 per cent. over last year; $16,707.06 from individuals, a decrease of $2,081.32 from last year; $15,503.89 from legacies; $35,678.23 from interest, etc.; $2,579.32 from refunds; $581.15 in cash from the Tappan Presbyterian Association, Ann Arbor, Mich., for an endowment fund, and $2,660.12 from other sources, a grand total of $164,458.88. Last year the Board was compelled to borrow $42,000 to meet obligations, and during the present year an additional $10,000, making the present indebtedness $52,000, to be reduced by an $18,000 legacy. This money has all been expended upon work in the field, owing to pressing demands due to the Assembly's direction that the newer educational tasks be prosecuted with utmost vigor. The Board believes the Church will vindicate its financial methods by a new interest in and understanding of the work, and place the Board, during the coming year, beyond the need of again reporting a deficit.

Ministerial Candidates.—The total number of candidates for the ministry in our Church in 1914–1915 was 1,304, an increase over the year previous of 116. Of these, 822 men were recommended for aid to this Board, and 776 were accepted; 312 being in seminaries, 392 in colleges, and 72 in preparatory schools.

Grants.—Lump sums of $1,500 each were granted to Bloomfield and Dubuque for the maintenance of foreign-speaking candidates.

PRIZE SCHOLARSHIP.—The Mutchmore Prize Scholarship was awarded to Mr. Leo L. Tait, of Western Seminary, netting $600.

STUDENTS FOR MEDICAL MISSIONS AND LAY WORK.—Twenty-two medical missions students have been aided. Thirty-two students in our Presbyterian Training Schools for Lay Workers have been assisted to the amount of about $100 each.

NEW LOAN PLAN.—It is to be noted that the Board has instituted, at the direction of the Assembly, the *New Loan Plan*, by which the notes of 464 men are on file, to be collected in case of their abandoning the ministry.

VOCATION DAY.—It is hoped that at least once a year, in every church, the young people may be faced with the claims of God upon their lives and learn those principles that enter into the right choice of a life calling. Vocation Day has now taken its place in the calendar of our Church year, and hundreds of churches have used the Board's Vocation Day Exercise, entitled "Fishers of Men." Abundant testimonies to the effect that the plan of Vocation Day is admirable and stimulating have been received. In one church, which had not furnished a candidate for the ministry in the eighty-eight years of its history, four young men came forward to inquire concerning necessary preparation for this calling. The Board has a carefully selected list of about 600 young men desiring to enter the ministry. Letters and appropriate literature are addressed to them.

The Board's representatives are constantly visiting churches, Sunday-schools, colleges, universities, brotherhoods, missionary conferences, and Christian Endeavor gatherings, in the general program of enlistment, with gratifying results. There is a larger interest among our institutions of learning in Christian occupational callings than ever before. A rising tide of enthusiasm for direct service in the Christian Church is noticeable.

COLLEGE VISITATION.—Forty-eight colleges enjoyed the special meetings arranged for, and prosecuted jointly by, the Board of Education and the Assembly's Committee on Evangelism. A total of 402 meetings is reported, as against 272 the year previous. Four hundred and seventy-two conversions were reported, and a large list of students' names was sent to the office for correspondence with signers regarding the proper direction of their lives. In all of these colleges there is a most earnest desire for the return of the Board's representatives another year. About fifty of the strongest ministers in the Church took part in these meetings. Many hours of vocational counseling were given by these devoted workers in every college. In one college faculty prayer-meetings were held daily for some time in preparation for the week of services. At another college a meeting lasted five hours, and still there was not enough time for the students to express all that was on their hearts, while 170 men gave personal testimony and scores professed conversion. A leading speaker said that never throughout his twenty years of experience in Asia and America had he ever witnessed such a wonderful work of grace.

CANDIDATE ENLISTMENT.—The Secretary for Candidate Enlistment spent much of his time in visiting the colleges in the search for choice young men and women who will devote themselves to the upbuilding of the Church. It is increasingly possible to interest men and women of the largest calibre in Christian life service. Clubs are being formed for personal work in colleges, to win students to Jesus Christ and direct them toward definite Christian service.

UNIVERSITY WORK.—The work among the 25,000 Presbyterian students at State Universities has taxed the resources of the Board. Fifteen university pastors at as many university centres are being supported wholly or partly by the Board. Hundreds of students have been led to unite with the Church and declare themselves for the ministry or the missionary life. Nearly 5,000 have been gathered into Bible Classes and organized for Christian Social Service. The work of the able and devoted men at these strategic centres of learning is bearing tremendous fruitage in eternal values. The secular influences of the university are being met with strong evangelical appeals and the most earnest spiritual counsel. The Secretary for University Work has traveled

many thousands of miles and spoken at hundreds of gatherings, in an effort to strengthen this work both financially and spiritually. We are now on the eve of great blessings for that large body of youth who have been attracted to these great State foundations. Nearly 3,000 of our own young people graduate from these State colleges and universities yearly. Will the Church adequately provide for this work so that these thousands may enter into the life of our nation and of the Church to become strong Christian influences in the building of the Kingdom of God?

Church Erection.—The Board of Education and the Board of Church Erection have been coöperating in the financing of building operations where Presbyterian churches are needed at State university centres. Ames, Iowa; Davis, Cal.; Corvallis, Ore.; Seattle, Wash.; Laramie, Wyo., and Norman, Okla., must be asisted, and $100,000 raised at once to put these important churches on a sure footing. A financial secretary will soon be appointed and the work prosecuted with vigor.

A Great Campaign for Christian Education.—Fourteen evangelical denominations have united, through their Church Boards of Education, in planning for a forward movement in the interests of Christian Education for 1916–1917, the object being to create an atmosphere in which the Church may better discharge her obligations for the making of educated Christians in our land and to secure for the Church a larger supply of trained leadership and service. It is believed that this movement will be of immense value to the Church.

Religious Instruction in Public Schools.—The Chicago Assembly instructed the Board of Education to take steps looking toward the solution of the problem of religious instruction for the children of our public schools. An extended report is being made to the Assembly, in recognition of the importance of giving to the school children of our country an opportunity to secure instruction in the Word of God and in the principles of Christianity. The time has come for the Churches of America to demand the recognition of God's Word in public education, and especially that the right to read it in our public schools be safeguarded. The Christian sense of America ought not to allow the State to discriminate against the Bible as a sectarian book. Every honorable effort to remove prohibitory legislation from the statute books should be made.

In addition thereto, the Church should favor academic recognition by public-school authorities for academic work done in Bible study, whether in the Sunday-school or elsewhere, and churches and Sunday-schools should provide for such instruction as will prepare them to bear their part in the movement looking toward the proper relating of the Church to the public school in religious education.

Literature.—Over 300,000 pieces of printed matter have been issued and distributed by the Board during the year. A number of new booklets and leaflets have been published and are at the call of the Church.

Universal Day of Prayer.—The Board recommends that the Assembly change the Day of Prayer to the Thursday before the fourth Sunday in February, in order that it may come in conjunction with the universal Day of Prayer designated by the World's Student Christian Federation.

Education Week.—Beginning with Sunday, February 20, educational week should be observed in all our churches and institutions as a special season of prayer and arousal of spiritual interest in behalf of all educational institutions in this and other lands.

The Board has spent $172,705 in the prosecution of the work this year, and believes that it is the most fruitful year in the ninety-six years of its service to the Presbyterian Church.

The Work Fundamental.—The work of the Board of Education deals with the primary sources of the Church's power and progress. Her very life is dependent upon her ability to secure enough consecrated and trained leaders. The work this Board is doing is the task which was upon the heart of the Master

when He gave the command, "Pray ye the Lord of the harvest that he will send forth laborers into His harvest."

In ninety-six years, thirteen thousand ministers and missionaries have been aided by the Board of Education at a cost of seven millions of dollars.

Eight out of eleven of our ministers have been aided by this Board.

Respectfully submitted,

JOSEPH W. COCHRAN, *Secretary.*

CHARLES WADSWORTH, Jr., *President.*

ABSTRACT OF THE SEVENTY-SEVENTH ANNUAL REPORT.

## *I. GENERAL.*

The year which ended March 31 was, in many respects, the best in the history of the Board of Publication and Sabbath School Work. More literature was published, more field representatives were at work, more contributions were received, and results were more gratifying than in any previous year.

CONTRIBUTIONS.—Contributions from churches, Sabbath-schools and individuals amounted to $200,979.24, an increase of $8,271.32 over the contributions of the year immediately preceding. Contributions have passed the two-hundred-thousand-dollar mark.

BUSINESS PROFITS.—The Business Department has passed the million-dollar goal toward which it has been striving, the sales of the year aggregating $1,047,264.96. The net profits, while showing an improvement over those of last year, have not yet reached a satisfactory figure, but with the increase of prices of the Board's periodicals and a reduction of operating expenses, it is expected that during the coming year there will be a speedy return to normal conditions.

INCREASED EFFICIENCY OF FIELD WORKERS.—For nine years the Board has been holding annual conferences with its field representatives. These conferences are of the nature of schools of method, where higher ideals and improved methods of work are presented, while plans are discussed in the light of the experience of the field workers.

## *II. THE SABBATH-SCHOOL AND MISSIONARY DEPARTMENT.*

COMPARISON OF CONTRIBUTIONS.—A comparison of contributions shows that there has been a gradual increase in offerings from various sources during the past ten years, which indicates the growing confidence of the Church in the practical forms of evangelism in which our Board is engaging with such signal success.

ADMINISTRATION.—It is gratifying to note that the administration expenses in conducting this work are comparatively small. The amount expended for the office salaries, printing, stationery and other administrative expenses of the Sabbath-school and Missionary Department last year was $10,178.86, or 4 per cent. of the total amount appropriated. This expense was entirely covered by the income from the Witherspoon Building and other invested funds, which amounted last year to $36,140.66. This paid the cost of administration, besides leaving $25,961.80 to be appropriated toward the work of the Board.

MISSIONARIES.—Number of Sabbath-school missionaries employed, for longer or shorter periods during the year, 132. The number in the field April 1, 1915, 120. Of these, 17 are District and Synodical Workers. Inasmuch as each Presbytery has the immediate supervision of the Board's work within its bounds, the duties of the District or Synodical Superintendent are largely of a supplementary character, assisting the Presbyterial missionaries, promoting various phases of pioneer and advanced Sabbath-school work through all the Presbyteries; conferring and planning with Presbyterial committees, arranging and conducting Sabbath-school institutes, schools of method, evangelistic services, and representing our denominational interests in various gatherings of Sabbath-school workers held within their respective fields.

COLPORTEURS.—In connection with our immigrant work, 33 colporteurs have been engaged in distributing evangelical literature by sale and gift, in various Synods where we have been privileged to assist home mission committees in their foreign work.

SABBATH-SCHOOL EXTENSION.—The opening of large areas to settlement and extensive public improvements for the reclaiming of arid districts are responsible to a large degree for a constant shifting of population from the older parts of our country to the newer sections of the West and Southwest. Within the past year, according to Government reports, entries were made by new settlers upon nearly 20,000,000 acres of public lands. The carrying of the Gospel in the form of the printed page to these rural, unchurched regions, followed by the establishment and development of Sabbath-schools among them, is the chief work of the Sabbath-school missionary. The results of these labors are partially expressed in 940 new schools organized last year, besides 306 schools revived—a total of 1,246 and an increase of 190 over the number reported during the previous year. In these schools 43,438 persons were gathered, of whom 4,253 were officers and teachers, with 39,185 pupils.

SABBATH-SCHOOLS AIDED.—The Sabbath-schools thus brought into existence are not left to struggle for themselves, but from their very inception they receive aid from the Board in the form of donations of lesson helps and Sabbath-school papers, hymnals, libraries, Bibles and Testaments, and other necessary equipment. The sum of $16,498.20 was expended last year for such donations.

EDUCATIONAL SABBATH-SCHOOL DEVELOPMENT.—Every visit to a mission school is improved by the missionary to introduce better methods and to give a vision of the larger ministry of the school to the needs of the local neighborhood. Workers' conferences are held during the week in the homes of superintendents and teachers, where the various advanced methods are fully explained and arrangements made for inaugurating them. Teacher-training lessons are frequently studied in these conferences, resulting in the establishment of a large number of successful teacher-training classes even in remote rural neighborhoods.

SCHOOLS OF METHOD.—Another feature of our Sabbath-school improvement, or educational work, on the field is the conducting of schools of method and summer training-schools for Sabbath-school workers in various localities. During July a summer training school was successfully conducted at Alma College, Michigan, under the direction of our Synodical Superintendent, with an enrollment of 225. A similar school was held in Detroit during the winter, with an enrollment of 274.

Schools of method were held also in the Synods of Illinois, Indiana, Minnesota and Wisconsin, in all of which the missionaries of the Board took a prominent part.

EVANGELISTIC SABBATH-SCHOOL DEVELOPMENT.—Among the 2,605 Sabbath-schools reported under the care of our missionaries, with a membership of 102,877, evangelistic services were held in 608 localities, from which 2,309 conversions resulted.

FAMILIES HELPED.—Last year 102,910 families were visited during the course of the missionaries' labors, and 45 boxes and barrels of clothing were given, the estimated value being $2,184.34.

Distribution of Religious Literature.—A feature of this house-to-house work is the distribution of literature. During the year 4,767 Bibles and Testaments were sold and given away, besides 15,679 religious books. Tracts in the English language to the number of 10,775,128 pages were distributed. The colporteurs, whose work is chiefly that of distributing literature, report having sold and given away 4,598 Bibles and Testaments, 15,594 religious books and 49,455 pages of evangelical tracts in many different languages.

Churches Developed.—Each year sees a number of the mission Sabbath-schools which were organized in previous years, developing, under the wise and tactful care of the Sabbath-school missionary, into permanent church organizations. Last year 89 churches were thus developed, of which 73 were Presbyterian and 16 of other denominations. During the past twenty-eight years, 1,715 Presbyterian churches have come into existence through the pioneer missionary work of this Board, besides 656 churches of other denominations.

Church Property.—In many cases these churches and schools have erected chapel buildings, in connection with which our missionaries have rendered helpful assistance. The number of church buildings erected last year as the direct out-growth of this work is 55, with a value of $137,525.

Review of Twenty-eight Years.—During the comparatively short period (less than a generation) in which this work has been carried on by our Church, more than one million and a half of persons have been brought under religious instruction through the labors of the Sabbath-school missionaries.

Synodical and Presbyterial Committees.—It is gratifying to note that Presbyteries and Synods throughout the Church are following the suggestion of the General Assembly, calling upon them "to exercise great care in the selection of the members of such committees, endeavoring to find men familiar with the subject of Sabbath-school missions and interested in promoting the work of religious education." The General Assembly's judgment, expressed so conclusively in the action of 1912, that each agency should have its own Presbyterial committees representing the mission Boards, seems to have been vindicated by the results of this year's labors under that plan. The combination plan was faithfully tested and found wanting. The necessity for a separate Presbyterial Sabbath-school Committee, or Religious Education Committee ably constituted, with unquestioned and appropriate leadership, has become increasingly apparent in view of the greater emphasis which year by year is being placed upon this pressing problem of the Christian nurture of our youth. It has always been our policy to conduct our work through the regularly constituted Presbyterial authorities, and we purpose to continue so to do. Where the Presbyteries have given us strong committees to coöperate with us in promoting the cause of religious education, there the greatest progress has been made.

Churches Supporting Missionaries.—It is encouraging to note the increasing popularity of the plan of undertaking the support of specific fields by churches, Sabbath-schools and individuals. During the year a number of churches and Sabbath-schools have asked to have their gifts applied in this manner.

Grants.—Donations of books, hymnals, tracts, Sabbath-school lesson helps, papers, Bibles and Testaments were made to the amount of $17,642.23.

The Board's standing offer to furnish the first quarter's supplies free to new Sabbath-schools established by churches, has been claimed by 61 such schools during the year, in addition to the help given to schools organized by our school missionaries.

Contributions amounting to $1,989.42 were given for special objects on the field, such as erecting chapels and purchasing special equipment for mission Sabbath-schools.

Children's Day and Rally Day.—Our Sabbath-schools responded to the Board's Children's Day appeal with their customary liberality. More than

5,500 orders were received for Children's Day programs and other material prepared for that occasion.

FOREIGN IMMIGRANT WORK.—Our colporteur work among foreigners is regarded as one of the most important features of the Board's missionary operations.

During the year, 33 colporteurs have been at work in 9 Synods, among foreigners of many different nationalities. They have visited 44,373 families, distributed 15,594 religious books and 49,455 pages of tracts, besides 4,598 Bibles, Testaments and portions of Scripture. Their total sales amounted to $1,753.21.

FOREIGN PERIODICALS.—The weekly issues of our religious papers in foreign languages aggregate about one million copies a year. Our two weekly papers in the Bohemian language are read by Bohemians, Moravians and Slovaks. *The Christian Journal* has a circulation of 2,800 copies weekly. On account of the European War, the circulation shows a slight decrease this year. The child's Sabbath-school paper, *Story Hour*, has a circulation of 3,000 copies.

*For Ruthenians.*—The progress of missionary work among Ruthenians is not as rapid as that of some of the other classes of immigrants. Our weekly paper in their own language is gradually developing an interest in evangelical religion among them. The circulation of this paper is 1,500 copies weekly.

*For Hungarians (Magyars).*—The *Reformed Sentinel* is the medium of communication between the churches of the Presbyterian (U. S. A.) and those of the German Reformed faith. The Board of Publication of the Reformed (German) Church is coöperating with us in the publishing of this paper and in the new monthly Sabbath-school periodical in the Hungarian language, which has just been begun. The *Sentinel* has a weekly circulation of 1,200 copies.

*For Italians.*—Although six other religious papers in the Italian language have come into existence since the publication of *The Herald* was begun by our Board, the circulation of our paper leads that of any other denomination. *The Herald* is used by nearly all the Presbyterian Italian churches and missions. Its circulation is 2,500 copies.

*For Poles.*—The Board has continued its appropriation during the past year toward the support of the bi-weekly paper in the Polish language, *Words of Life*, issued by the United Presbyterian Board of Publication.

*Bible Picture Cards.*—There is an increasing demand for the Bible picture cards containing the Sabbath-school lesson story for each week, printed in six different languages. We are now publishing 16,500 sets each quarter—more than 850,000 cards per year.

*Catechism Memory Rewards.*—An increasing number of Sabbath-school pupils are taking advantage of the Board's offer of a Bible for memorizing the new Intermediate Catechism, 679 copies having been awarded during the year. A goodly number of schools also have continued the use of the Shorter Catechism, 312 copies of the special Bible given for that work having been presented—a total of 991.

## *III. DEPARTMENT OF RELIGIOUS EDUCATION.*

The General Assembly of 1913 instructed the Board to rearrange its educational work and carry it on under the title of Department of Religious Education.

This department has charge of the Board's educational Sabbath-school and Young People's Work. It coöperates with the Editorial and Missionary Departments in the preparation of plans that will promote the educational work of these departments.

The General Assembly of 1914 instructed the Board to prosecute, with all diligence, its department of Religious Education; and, at the earliest practicable moment, to secure a Superintendent for the direction of this work.

These instructions the Board has endeavored to obey. The work of the department has been prosecuted with vigor, and earnest efforts have been made to secure a Superintendent. Advice and suggestion have been sought from many who seemed to be in a position to give the Board help, and many possible superintendents have been considered as to their availability. It was found that the question of what action the Assembly of 1915 would take in reference to this position was continually arising. In view of this, it was decided

that it would be necessary to postpone the election of a Superintendent of Religious Education until after the meeting of the Assembly.

Sabbath-school Educational Work.—The duties of the Board's Educational Superintendent of Sabbath-school Work include service in connection with general bodies, educational advice and coöperation, field work and work in the office. In all these lines there has been an increase of activity. The new plans of the Board for the operation of the Department of Religious Education open the way for further progress in the year to come.

Teacher Training.—The Board adapts its methods of promoting teacher training to the varying needs of the different sections of its nation-wide field.

For the Advanced Standard Course, the text-books are necessarily more scholarly and thorough in their treatment of the subjects studied in the three years. In all its teacher-training the Board emphasizes first things as first, *e.g.*, the importance of first-hand knowledge of God's Word itself, exalting the substance of teaching above methods, however valuable.

It likewise seeks and cherishes a Christian atmosphere for Teacher-training Classes, realizing that the development of Christ-like character in the members is the chief element in their preparation for teaching.

Young People's Work.—Young People's Work is one phase of the work of the Department of Religious Education of the Board. To Young People's Work has been committed the general oversight of all Young People's Societies of our Church which are organized primarily for religious expression. The organizations include Young People's Societies of Christian Endeavor, Westminster League, Intermediate Christian Endeavor, Junior Christian Endeavor, Boys' Clubs, Girls' Clubs, and the various other organizations which are doing work similar to that carried on by the organizations named above:

1. To promote Young People's Societies until all local churches shall have the young people organized for practical training and service.
2. To promote the efficiency of the existing societies in organization, education, training and service.
3. To promote definite religious education in all societies.

Young People's Day.—The first Sunday in February was set aside as Young People's Day, to be observed in the churches by a special meeting, taking the place of the regular evening service. Programs and literature were furnished free by the Board.

Rally Day.—To make a vigorous start in the society work of the fall, a Young People's Society Rally Day was promoted. The date was late in September. Programs and literature were sent out from headquarters.

## *IV. EDITORIAL DEPARTMENT.*

During the year, thirty distinct periodicals were prepared by the Board's Editorial Department. Of these, four were published weekly, three monthly, and twenty quarterly, while three were issued but once. Rev. Park Hays Miller began his work as Assistant Editor in May, 1914. He has given much of his time to planning and writing for *Forward* and *King's Treasuries*, and has written the Lesson Leaf and the First Year Intermediate Graded Lessons, Presbyterian Edition.

The Story of the Departmental Lessons.—The largest new work undertaken during the year was the Departmental Graded Lesson Series.

Realizing that many small schools find it impossible to handle the Closely Graded Series and that many larger schools were eager for some simplification of the seventeen-year course, a departmental plan was proposed. In a general way the plan for the new lessons was outlined at a conference of the executive officers of the Board. Experts in Beginners, Primary and Junior work were then called in. After detailed study of the Closely Graded lesson outline, suggestions were made for modifications in these which would make possible the preparation of departmental lessons for each department in the elementary division of the Sunday-school.

The plan called for the use of one lesson for all classes in the Beginners Department, one lesson for all classes in the Primary Department, and one lesson for all classes in the Junior Department, making three lessons for the three departments instead of the eight lessons as called for in the Closely Graded plan. Practically the same course is to be covered by the Departmental plan as by the Closely Graded plan and in the same length of time.

THE CLOSELY GRADED SERIES, PRESBYTERIAN EDITION.—Our own lessons, prepared by Presbyterian writers, are now available for each of the four years of the Intermediate Department and for the second and third years of the Senior Department. The First Year Senior Lessons, Syndicate Edition, are used as a part of our series; the Fourth Year outline has not yet been released by the International Lesson Committee.

For the sake of economy and efficiency, the number of the Board's publications on the Uniform Lessons has been decreased by one, *The Teacher's Edition* of the *Primary Quarterly* having been discontinued. The material formerly presented in this quarterly is now given as a part of *The Westminster Teacher*.

## *V. BUSINESS DEPARTMENT.*

SALES.—The total sales for the past year aggregate $1,047,264.96.

THE HYMNAL (REVISED).—The Revised Hymnal continues to meet with a favorable reception. The Board stands second to none in the quality of the production from its Hymnal Department.

CINCINNATI DEPOSITORY.—Special mention may be made of the improvements and reorganization effected at Cincinnati. When this building was taken over from the Western Tract Society, it was found to need considerable overhauling. This has been done, with the result that it is now one of the most attractive book stores in Cincinnati.

PRESBYTERIAN BUILDINGS.—Besides the Witherspoon Building, in Philadelphia, which is the headquarters of the Board of Publication, the Board also owns the Presbyterian Building in Nashville, which was recently acquired as a result of the final decision affecting the merging of our Church with the Cumberland Presbyterian Church. This building and the business of the Publishing House were found to be heavily encumbered, and in order to liquidate the affairs of the old concern it was necessary to create a new mortgage of $60,000. This liquidation has been practically completed, and we are now turning our attention to the cancellation of the mortgage at the earliest possible date. A new series of annuity bonds is being offered which will return an attractive income to the purchaser, and so well satisfied are those who are acquainted with this form of investment that we have already disposed of bonds amounting to $26,500 before any public announcement of them has been made. The property is valued at $100,000.

In Cincinnati the Board now owns an equity in the building which was turned over to it, in 1913.

### Abstract of the Forty-fifth Annual Report.

The Board of the Church Erection Fund takes pleasure in presenting to the General Assembly its Forty-fifth Annual Report.

Emphasis should be placed on the fact that the Board is national, and not sectional. The wide extent of its operations is shown by the fact that the Board has rendered assistance to churches in every part of the United States, in Porto Rico, Cuba and Alaska. The Board endeavors to distribute the beneficence of the Church wherever the flag floats.

The Board was chartered seventy-one years ago, for the purpose of assisting "feeble congregations," a somewhat elastic term; but, speaking in general terms, a "feeble congregation" is one that cannot build a house of worship without assistance from the outside. However, the Board receives and considers every application with the greatest care, and endeavors to appropriate the Funds of the Church where the need is greatest.

The applications that appeal most strongly to the Board are from communities where there is no other evangelical church or from sections of the country with a large population where evidently adequate provision is not made for the spiritual needs of the people.

The Board is gratified to know that the movement to secure a manse for every minister is a popular one. A manse in a parish is one of the best possible investments for a church, since it not only gives stability to Church work, but the manse becomes the centre of good and holy influences for the whole community.

From the Manse Fund the Board has been able to assist many congregations in erecting manses for their ministers. From this Fund loans of $600 each, without interest, are made to congregations, to assist in the erection of manses, the principal to be returned, as a rule, in three annual payments. The Board regrets to inform the Church that the Raynolds Fund, from which larger loans are made, has for some time been exhausted, and expresses the hope that the generous people of the Church will provide ample funds with which the Board may assist congregations to secure comfortable homes for their ministers.

An excellent Church Erection exhibit was made at the last General Assembly and proved valuable in making known the work of the Board. Taking the Church at large, it was shown that in 1912–13, 5,190 churches contributed to the Board, and 4,811 failed to do so. In 1913–14, 5,328 churches made contributions to the Board, and 4,559 did not. From which it appears that there has been a gain in the past two years in the number of contributing churches.

The Assembly encourages churches to ask for loans instead of grants. Grants not being returnable until a church is dissolved or severs its connection with the denomination, large sums are locked up and kept from circulation. The question of long-term loans, without interest, instead of grants, should receive the thoughtful attention of the Assembly.

The last Assembly also suggested that churches applying for assistance from the Board be urged to confer with the Board before building plans were adopted. If this were done, we believe the Board would often be able to make valuable suggestions and save churches from serious financial difficulties.

The important work of providing churches for the accommodation of the Presbyterian students at university centres was referred to the Boards of Education and Church Erection. The Boards promptly appointed committees of conference, and the outcome was the organization of a Joint Committee for the purpose of taking up and carrying forward the work. We are persuaded that when this matter is brought to the serious attention of the people of the Church, there will be a strong sentiment in favor of making adequate provision for Presbyterian students at our State universities.

The movement for the recovery of former grants has developed sufficiently to show its success will not be as large as was hoped for. In many cases, churches have reported approval of the plan to recover old grants, but have said that they either had recently rebuilt or remodeled their houses of worship, or were about to do so, and therefore could not return the grant.

In rebuilding or remodeling churches it often happens that congregations return to the Board for help. The policy of the Board with respect to such applications is to have the old grant incorporated as part of the new loan, to be returned in ten years, with interest at 4 per cent.; or, as sometimes happens, after a loan with interest is paid, a grant in the form of a loan without interest is returned in several annual payments. This is fair, and is accepted as such by churches asking loans for new buildings.

During the past year we have had the hearty coöperation of many Presbyteries in the matter of the sale of buildings of dissolved churches, and a considerable sum has been recovered. Some Presbyteries, prompted by the Board, have undertaken this work themselves, and this is advantageous to Presbyteries as well as to the Board.

The reorganization of the country church has been assuming large importance in recent years and is a prominent element of the broader subject of the reorganization of the community life. The reorganized country community needs a new type of church building. The original country church building was the box, or one-celled structure, with no chapel or Sabbath-school room and no basement for social purposes. The building now needed must provide for an adequate expression of the more complex modern country life: worship, education, and social needs.

* In comparing the number of appropriations with the number of churches still upon the roll which have been aided, it should be noted, as appears in the columns of payments, that about 5 per cent. do not call for their appropriations, that about the same number have received more than one appropriation, and that others from one cause or another are either dissolved or consolidated, the actual average increase in the number of churches upon the roll of the Assembly being about 65 per cent. of the number reported as organized. It is therefore probable that the number of churches now enrolled which have been assisted by the Board is not more than two-thirds of the total number of appropriations paid.

### Method of Securing Funds.

The Board of Church Erection during the past year has made no direct appeal to churches, but has relied for its income on the regular contributions of the churches, many of which have adopted the Budget Plan. We sincerely hope that the Every-member Canvass and the wide use of the duplex envelopes will increase the resources of the Board, and we desire once more to impress upon the whole Church the fact that if the work of building churches and manses is to be successfully carried forward and the Church is to keep step with the increasing population of the country, larger sums of money must come into our Treasury. The work already is great and it is constantly growing and the members of the Board are anxious to do large things for the Kingdom. Churches requiring contribution envelopes should apply to Mr. Adam Campbell, Treasurer, 156 Fifth Avenue, New York.

Appended to this report will be found the Report of the Treasurer, which shows the range of the Board's activities during the past year.

### Abstract of Third Annual Report.

Annuitants on the Roll.—The Relief Department has had upon its roll, for the year, the names of 1,489 persons. Of these, 793 were widows, 608 were ministers, 54 were orphan families, and 34 were commissioned lay missionaries,

both men and women. This is an increase of 86 over the previous year. Of the ministers, 240 are on the Roll of Honor. Their average age is 78 years and their average service 49 years.

The Sustentation Department has on its roll 995 members, 220 members were added during the year, and 18 lapsed members were reinstated. There are now 43 beneficiaries in the Sustentation Fund, two of whom have attained the age of 70, 13 are disability pensions, and 28 are widows' pensions; 17 of the 43 beneficiaries in the Sustentation Fund are also receiving aid from the Relief Department.

AMOUNTS PAID BENEFICIARIES.—The Relief Department paid to its beneficiaries last year $298,585.73, which is a decrease from previous years of $25,351.44. The reason for this decrease is not that fewer have been on the roll, but that the Board has changed from a semi-annual to a quarterly payment in advance. The average appropriations were—to the Honor Roll men, $385; to all ministers, $305; to widows, $185.

SUMMARY OF ASSETS AND RESOURCES.—The total assets and resources of both Departments of the Board, at the close of the fiscal year, were as follows:

*Relief Department:*

| | | |
|---|---|---|
| In the custody of the Board | $2,280,758 00 | |
| In custody of the Trustees of the General Assembly | 406,015 00 | |
| Cash in hand, all funds | 121,115 02 | |
| Outstanding subscriptions | 232,151 82 | |
| Total assets Relief Department | | $3,040,039 84 |

*Sustentation Department:*

| | | |
|---|---|---|
| Invested funds | $495,654 95 | |
| Cash on hand | 22,072 47 | |
| Outstanding subscriptions | 352,445 13 | |
| Total assets Sustentation Department | | $870,172 55 |
| Grand total, both Departments | | $3,910,212 39 |

ENDOWMENT CAMPAIGNS.—The Board has followed the instructions of the General Assembly in its efforts to secure permanent funds, and has continued the Presbyterial Campaigns with marked success, as will be shown by the figures above. The Board recognizes and appreciates the cordiality and liberality with which their appeals have been received, and the uniform testimony to their spiritual value in the churches visited.

PUBLICITY.—The publicity policy of former years has been continued, and has met with the approval of the churches, proving its value by the results secured.

MINISTERS' MEMORIAL COTTAGE.—The Ministers' Memorial Cottage at Albuquerque, N. M., has been completed and paid for, and is open to receive guests. Already three of the rooms are occupied. Through the courtesy of a number of lady friends, a large proportion of the money needed for furnishing the rooms has been provided. Names are to be given to the rooms according to the wishes of the donors of special funds.

LADIES' SOCIETIES.—Effort to enlist the Ladies' Societies in the Relief Department of the Board has been eminently successful. Gifts have increased from $370 in 1913–1914, to $3,750 in the past year. The efforts to secure the help of the Sunday-schools in the observance of Mothers' Day and an offering for the Relief Department have been pushed with vigor; the results will not appear, however, until the next Annual Report.

BOX WORK.—A number of Ladies' Societies have become interested in providing boxes for the beneficiaries of the Board, and we find increasing interest in this department. The recipients of such aid have expressed most hearty gratitude for it.

Sustentation Department.—The Sustentation Department is meeting with increased acceptance on the part of ministers, as they come to understand its valuable provisions. This is shown by the large number who have joined the Fund during the year. The administrative force of this Board is pressing this Department upon the attention of theological students, as well as upon the Presbyteries.

Growth of Sustentation Department.—Again we are able to report the steady growth of this Department, and to state that at present seven-tenths of the maximum annuities are payable from the Fund, which is an increase of one-tenth over last year.

Administrative Expenses.—The total cost of administrative, campaign and field expenses, including the securing of subscriptions to the Permanent Fund, is 8 per cent.

Cost to the Church.—A carefully worked-out statement as to the actual cost to the Church of the two Departments when they shall be in full operation is clearly set forth in the Report.

WILLIAM HIRAM FOULKES, *General Secretary.*

### Abstract of Fiftieth Annual Report.

We are thankful to be able to say that once more, and for the fifteenth time in annual succession, we have closed our fiscal year with enough funds on hand to meet all our outstanding obligations, and still have a small amount left over with which to begin the meeting of the new obligations that come with the coming year.

We are gratified to find that at the end of the fiftieth year of our work our receipts have been larger than during any other one year of the half century in which God has permitted this branch of the benevolent work of the Church to engage in the hastening of the coming of the Kingdom of Christ in the world.

During the last year the annual congregational collections from churches amounted to $83,626.82, this being $4,358.34 more than the year before.

The Women's Societies advanced from $71,040.42 to $72,176.09, this being a gain of $1,135.67.

The Sunday-schools fell behind $3.16, giving us $13,736.60, instead of $13,739.76.

Receipts from Young People's Societies decreased from $11,049.53 to $9,878.71, the difference being $1,170.82.

The receipts from miscellaneous sources, including mainly individual gifts and interest on invested funds, declined from $37,333.59 to $21,201.29, making a difference of $16,132.30.

Legacies one year ago amounted to $16,031.05, while in the year just closed our cash receipts from this source amounted to $68,172.45.

The number of churches that helped us in any one way, either by collection or through Sunday-schools, or Young People's Societies, or through Women's Societies, was 6,116, a decrease of 202; leaving 4,014 churches not heard from in any way, according to the *Minutes* of the last General Assembly, apparently as indifferent to the claims of our cause as if there were no such cause in existence.

The number of contributing Sunday-schools, either directly or through the Woman's Board, was 1,296, an increase of 15.

The number of Young People's Societies contributing, either directly to the Board or through the Woman's Board, was 1,206, a decrease of 58.

The total receipts from all sources for the year was $288,480.69, this being an increase of $41,292.49, as compared with last year.

The amount of money given to the work by the colored people on the field, as reported to us by the ministers, was $73,697.13. This includes expenses for church building, repairs, contingent expenses, and ministerial support.

The amount given by patrons and friends of our schools, as reported from the field, was $72,799.81. None of this money went through our treasury, or is in any way included in our statements of receipts and expenditures for the year.

The colored people under our care gave to the work of the Freedmen's Board $936.83. They gave to the other Boards of the Church $2,339.14.

Adding the amount raised on the field for church and school purposes to the amount given by these churches to the benevolent agencies of the Church, we have a sum total passing through the hands of our ministers, elders and teachers, directly or indirectly, for their own good in their own communities, and for the good of others in other parts of our land and other lands, amounting to $149,772.91.

When our work began, fifty years ago, every minister and teacher was white. As the years went by, capable ministers and teachers were trained in our schools, and changes were gradually made from time to time, until now an overwhelming number of our workers belong to the colored race. In our schools, which now number 140, there are only six white men in our employ. Of the 621 workers, only 78 are white, and these are limited to the five large seminaries and one co-educational boarding school.

In Biddle University, at Charlotte, N. C., with sixteen professors, carrying regular preparatory and college courses, and also a three years' theological course, there is now not a single white man among them.

One of the most painful experiences of the Board this year has been the necessity of declining with regret many distressing appeals for more aid, which we would have been glad to grant, but could not, because of the limited amount of funds at our command.

The schools, especially the twenty-seven boarding schools, depending in a large measure on the tuition received from scholars, have been more than usually embarrassed for funds with which to meet their running expenses. The burden upon the principals of these schools has been unusually heavy, and the increased cry for more scholarship money for students whose parents found themselves unable to provide for them this year as much as they did last year, has come up to us from every part of the field, so appealingly that to say "no" has seemed at times almost cruel.

Rev. J. J. Wilson, of North Carolina, and Rev. J. M. Ewing, of Tennessee, our two evangelists, one laboring in the two Eastern colored Synods, and the other in the two Western ones, have been of great help, especially to the smaller churches, in quickening their spiritual life and adding to the number of such as shall be saved. Their labor has not been in vain, and our purpose is to continue them in their good work.

Mrs. Susan L. Storer, the faithful and successful General Secretary of our Woman's Department for the last twelve years, gave the Board the unwelcome information several months before the close of the fiscal year, that on account of advancing years and the urgent wish of her immediate family she would retire from active participation in the work of the Board at the end of the year. Accordingly, on April 1, Mrs. Storer gave up the work as General Secretary of our Woman's Department, and Mrs. W. T. Larimer was appointed by the Board as her successor.

For many years past, the Woman's Board of Home Missions has maintained a Freedmen's Department, through which almost the entire amount that our Board receives from Women's Societies has been passing through their treasury. The task of looking after this money, meant only for our work and coming from many different directions, has grown from year to year, until, we were informed, this particular work took the whole time of one clerk, and the suggestion was made that it would be but right that our Board should bear the expense of the service of this extra clerk. The suggestion was accepted as a reasonable one; and, beginning April 1 of this year, the Board will be responsible for the salary of one extra clerk in the offices of the Woman's Board of Home Missions in New York, whose duty it will be to take care of our work.

It is impossible for us to go through any one year without considerable expense in the way of securing, repairing, and insuring real estate. We found it necessary to erect a new building this year at Brunswick, Ga., in connection with the Selden Institute, the same to be used for recitation room and also the girls' dormitory. This, together with kitchen arrangements (apart from the main building) and water connections, cost us $10,519, the most of which was furnished by members of the Selden family, after whom the institution was named.

At Albion Academy, Franklinton, N. C., a new wing was added to Albion Hall, and a new industrial building erected, at a cost of $2,400.

At Boggs Academy, Keysville, Ga., $1,250 was expended in finishing, furnishing, painting and heating rooms in the girls' dormitory, one of which, the reception room, was especially furnished by a friend, as a memorial room to his beloved wife. At Cheraw, S. C., $750 went for betterments in connection with Coulter Memorial School, including the purchase of an adjoining lot. At Harbison College, Irmo, S. C., $2,119.76 went for well, pumping outfit, plumbing machine, pump house, etc. At Barber Memorial Seminary, Anniston, Ala., kitchen and dining room expense, radiators, better heating, etc., cost us $1,443. At Allendale, S. C., principal's house, $751. At Monticello, Ark., better water supply, $519. At Swift Memorial, Rogersville, Tenn., furnishing and heating, $425. At Camp Nelson, Kentucky, school equipment, $426. At Haines Institute, repairs and laundry tubs, $725; and minor expenses of a similar nature at McConnellsville, S. C., Walterboro, S. C., Charleston, S. C., Mebane, N. C., Winston-Salem, N. C., Raleigh, N. C., Asheville, N. C.,

Statesville, N. C., Union Point, Ga., Danville, Va., Knoxville, Tenn., Bristol, Tenn., Arkadelphia, Ark., Cotton Plant, Ark., Birmingham, Tenn., and Crockett, Tex.

Church buildings were aided at Johns Island, S. C., Ridgeway, Va., Waxhaw, N. C., Charlotte, N. C., Limerick, Ga., Holmes Memorial, Va., Lithonia, Ga., Knoxville, Tenn., Jonesboro, Tenn., Norristown, Tenn., Elizabethtown, N. C., Dalton, Ga., Shelby, N. C., Chandler, Okla., Blacksburg, N. C., Alcolu, S. C., Eagletown, Okla.

Whatever advance the colored race has made in the last fifty years must be attributed to a number of different forces working toward the same end. The Presbyterian Church may not have done its full share, according to its ability, but it may justly claim to have a generous part in whatever advance has been made. Our Church, through the agency of the Freedman's Board alone, has in the last fifty years expended $6,839,000 in the education and evangelization of the colored people of the South, and doubtless millions more have been given by generous individual members of our Church for the same laudable end.

These people themselves have spent on themselves for their own moral and spiritual welfare also many millions of dollars. The different Christian Churches in these past years have spent fifty million dollars in seeking to give the Negro the riches that are in Christ Jesus. It is estimated that the States have spent one hundred and sixty million dollars in making them intelligent and law-abiding citizens. The beneficial results of all these expenditures will, as the years roll on, yield to these people and to the whole country, blessings a thousand-fold more valuable than any amount of hoarded silver and gold.

On behalf of the Board,

E. P. COWAN, *Corresponding Secretary and Treasurer.*

Abstract of Thirty-second Annual Report.

During the year, 5,176 churches contributed $126,666.07 to the Board's work, this being an increase of more than $10,000 over the amount contributed during the preceding year. There was also an increase in the number of contributing Sunday-schools, and their gifts were more than $1,000 greater than the year before.

During the three years from April 1, 1912, to March 31, 1915, in addition to its appropriations for current expenses and substantial grants from other funds, the Board voted conditional grants from the income of the J. S. Kennedy Fund alone amounting to $135,750. Of this total, $78,608 has been paid, and under the stimulus of these grants the colleges receiving them have added to their assets in endowments and buildings the splendid total of $1,568,930. Of the amount thus granted by the Board, the sum of $57,142 remains unpaid, the conditions not yet having been met, and the colleges working to secure these conditional gifts are raising a total of $800,000 for endowment.

Extension of Work.—In accordance with the instructions of the Assembly in 1911, the Board has increased its force since that time, having now an Associate Secretary and part of the time of another. This has made possible closer attention to the educational situation than could be given by a single Secretary, who must necesssarily spend much of his time in the office, and a brief survey of some results proves the wisdom of the Assembly in providing for such closer coöperation with Synods and colleges. The Board is coöperating with the representatives of other evangelical Churches, to eliminate waste and friction and yet provide adequately for the needs of the people. It has continued its efforts to awaken new interest in the cause of Christian education, as distinguished from interest in some particular institution. More Presbyteries than ever before have been visited by the Board's representatives, who have been cordially received. There has been a large demand for the illustrated lectures on the college work, and new sets of slides and new lectures have been prepared to meet this demand. The Board's publications have been called for in larger quantities, and the literature prepared by the Board on Christian education has been asked for and adopted by other denominations in this and foreign countries.

Bible Departments.—The following colleges are making efforts to secure endowment for chairs of English Bible and pastoral oversight, the need being pressing: Alma, Albany, Coe, Cumberland, Emporia, Hanover, Hastings, Henry, Kendall, Idaho, Jamestown, Lafayette, Occidental, Parsons, Tusculum, Western and Wilson. Other institutions have the same need and must inaugurate similar efforts as soon as the way is clear. This department of effort has been placed under the care of Associate Secretary French, as a most important part of what the Board calls its "Extension" work.

Martin Fund.—The Board is now able to render further assistance in the maintenance of chairs of English Bible, by the partial settlement of the estate of the late John C. Martin, through whose generosity and zeal for Bible teaching the Board has come into the possession of a fund amounting to $90,879.14 at the present time, with something yet to come. This is a trust fund, the principal of which, by the terms of the bequest, must be forever held by the Board, and the income used solely for the maintenance of departments of Bible Training in Presbyterian colleges. It is hoped that the General Assembly will see fit to encourage generous Presbyterians who believe in the Bible as the only infallible rule of faith and practice to add to this fund by substantial benefactions.

Classification of Colleges.—During the past year there was completed the classification of our educational institutions, under the "Standard" adopted by the Conference of College Presidents with the College Board and approved by the General Assembly. A gratifying feature of this work is that during the three years many of these colleges have elevated their standards and have become much better equipped for service. The movement toward classification proved to be a stimulus to the colleges, and there has been a steady and rapid improvement.

Comparative Statement of Receipts.—The sources and amounts of the receipts of the Board, in comparison with the receipts of the preceding year, are shown in the following table:

Abstract of Thirty-fourth Annual Report.

The past year has been the most encouraging in the history of the temperance reform. No equal period of time has witnessed such important advances in this cause.

The abolition of the liquor traffic throughout the Russian Empire and in Iceland, the passage of prohibitory laws in ten Commonwealths of the United States, a majority vote of eight in the National House of Representatives in favor of submitting a prohibition amendment to the Federal Constitution,

the action of warring European nations in restricting and prohibiting the sale of strong drink, are among the developments of the year.

In all of the temperance activities, within and without our borders, the Board of Temperance has been active and influential.

Our Workers.—All the representatives who were with the Board a year ago are retained, and Rev. John Steele and Rev. E. J. Reinke have been added to the field force.

Recent Campaigns.—September 22, 1914, Virginia adopted State-wide prohibition, by a majority of more than 30,000. Sixteen of her twenty cities and seventy-one of her one hundred counties voted to exclude liquor.

November 3, 1914, Arizona, Colorado, Oregon and Washington voted dry. Later, Alabama, Arkansas, Idaho and Iowa voted in favor of State-wide prohibition. A similar measure passed the legislature of Utah, but was vetoed by the government.

In these campaigns representatives of the Board of Temperance delivered more than 2,000 addresses.

Temperance in our Colleges.—About forty Presbyterian colleges and theological seminaries availed themselves of the $25 in gold, offered each as a prize for the best orations on some phase of the temperance question.

Lantern Slides.—The Board has continued the policy of supplying stereopticon lantern slides to Presbyterian organizations without charge, the borrower paying the cost of transportation both ways.

Temperance Posters.—Some millions of temperance posters, large and small, covering many subjects, were furnished at a nominal cost, both for regular and campaign work. It is suggested that State Boards of Health prepare and furnish material of this kind to accredited officials of municipalities throughout the respective Commonwealths.

The Amethyst.—*The Amethyst*, the official publication of the Board of Temperance, has a circulation of more than 160,000, which is steadily increasing.

The Receipts of the Year.—The total receipts of the year have been $69,903.35, which includes a balance from last year of $8,894.39, a bequest of $17,316.62 and an annuity of $600. Of the entire amount, $22,331.38 came to the Board during the month of March, and much of it in the last few days of that month.

Presbyterians and Temperance.—Francis Makemie, the father of American Presbyterianism, and Benjamin Rush, M.D., who was a signer of the Declaration of Independence, were among the distinguished Presbyterians who early advocated the temperance reform.

The first Total Abstinence Society recorded in modern history was founded by Rev. Joel Jewell, in 1827, a Presbyterian minister of Hector, N. Y.

Hon. Walter Lowry, once a United States Senator and first Secretary of our Board of Foreign Missions, Hon. William E. Dodge, Rev. Albert Barnes, Rev. John Chambers, Rev. Eliphalet Knott, Theodore L. Cuyler, Nathaniel Jewett, Dr. John Hall, Rev. Thomas P. Hunt and Rev. J. B. Dunn are som eof the other Presbyterians whose names are honorably associated with this reform.

Standard of Excellence in the Sunday-school.—Temperance is now one of the required subjects in the standard of excellence adopted by our Board of Publication for all Sunday-schools admitted to the front rank.

The Temperance Commission.—The Federal Council of Churches of Christ in America, embracing thirty denominations with seventeen million communicants, has a temperance department known as the Commission on Temperance. Seventeen of the constituent bodies have temperance agencies of their own and coöperate in the preparation and distribution of literature.

A Day of Prayer for Temperance.—Temperance has been included as one of the subjects for consideration during the Week of Prayer, and is hereafter to have a regular place on the program.

THE NATIONAL ABSTAINERS' UNION.—The National Abstainers' Union is a non-political, non-sectarian, nation-wide campaign to secure signers to the total abstinence pledge without reference to nationality, age, sex or other condition. Many thousands have already signed the pledge.

With the consent of the Board of Temperance, the General Secretary of the Board is also Secretary of the Abstainers' Union, which has its headquarters in the offices of the Board.

THE FLYING SQUADRON.—A company of prominent temperance workers, known as The Flying Squadron of America, have toured every State of the Union during the past year, lecturing in behalf of national prohibitition.

INTOXICANTS AND THE PRESS.—The Board of Temperance and other organizations, having canvassed the newspaper press of the country, find that approximately 600 daily papers and 60 leading magazines exclude all liquor advertisements from their pages, and that about 360 of the daily papers editorially advocate national prohibition.

NATIONAL PROHIBITION.—On December 22, 1914, a vote was taken in the National House of Representatives to submit a prohibition amendment to the Federal Constitution. There were 197 votes for it, 189 against it. The remaining members were either absent or failed to vote. The delegates from eighteen States voted solidly for it, and a majority of the delegates from twelve other States voted for it. Delegates from eight States voted solidly against it, and a majority of the delegates from nine other States voted against it. Counting by States, it was 30 to 17 in favor of submitting the amendment. In one State the vote was a tie.

THE ONLY REMEDY.—National prohibition is the only really effective solution for the problem. So long as license States, under the shield of inter-State commerce, can ship liquor into prohibition States, and leave the latter to pay the cost of resulting crime, the license States meanwhile bearing no part of the burden they impose, this question cannot be settled.

INTERNATIONAL PROHIBITION.—As neither the individual, nor the family, nor the community, nor the State can have complete protection against the influence of strong drink, and must, therefore, seek the coöperation of larger groups and units, so a nation must form an alliance with other nations to entirely escape the curse. International prohibition is, therefore, not only a possibility, but a necessity. The International Prohibition Confederation is pioneering to this end.

THE INTERNATIONAL CONGRESS AGAINST ALCOHOLISM.—The Fifteenth International Congress against Alcoholism was to have convened in the United States in July, 1915, and our National Congress had appropriated $40,000 to pay the expense of the gathering. On account of the European War, the meeting has been postponed, and Congress has authorized the appropriation to be held over.

COMPENSATION.—The question of compensation for liquor dealers, where the traffic is voted out, was discussed some years ago in our country, and the agitation has been renewed. While something might be said in its favor, from the standpoint of expediency, no claim can be made by such dealers on the ground of either ethics or law. In 1847, and again in 1887, the United States Supreme Court rendered its decision declaring that no one has an inherent right to sell strong drink at retail in the United States, and that such right is merely a delegated privilege which the people may withdraw at their pleasure.

LIQUOR LICENSE NOT A PROPER SOURCE OF REVENUE.—The liquor traffic is of such character that it is an improper source of revenue, and all partnership and complicity, or legal sanction, or recognition of such traffic by government, local or State or national, should cease at once and forever.

ALCOHOL AND WAR.—One of the unexpected by-products of the European War has been the remarkable development of prohibition sentiment and law in the belligerent countries. Prominent officials, including the rulers of some

of the nations, have pledged themselves to total abstinence, at least during the war, and urged their people in the interests of economy and efficiency to do likewise.

$2,500,000,000 Spent Annually for Drink.—Secretary W. J. Bryan states that from official sources he ascertains that $2,500,000,000 are annually spent for drink in the United States. This would build six Panama Canals each year; is three times the amount spent for education; and is more than double the entire expense of the Federal Government. This sum is equal to a tax of $125 per family, counting five to the family, in the United States.

Safety First.—The testimony of science and experience alike is that there can be no guarantee of safety or efficiency where alcoholic beverages are used, but both will be promoted by total abstinence.

The Permanent Committee on Evangelism respectfully reports to the One hundred and twenty-seventh General Assembly as follows:

With this Report your Committee enters upon its fifteenth year of service for the Church and its third year as a Permanent Committee of the Assembly. This Report was prepared, and is now presented, with a deep sense of gratitude to Almighty God for the reawakened evangelistic spirit of the Church, for the

increase in her evangelistic labors, for the thousands who have been brought into her fellowship on the confession of their faith in Jesus Christ, and for the opportunity which the Committee has had of sharing with the churches in their labors and rejoicing with them in their harvest.

It has been evident to your Committee that in recent years the churches, and particularly our own churches, have been moved by a rising tide of spiritual earnestness and power. This has been manifested in various ways:

There has been evident an increasing readiness on the part of our churches, both great and small, to coöperate with other denominations in Union Evangelistic Campaigns under the direction of chosen evangelistic leaders. For some years the Church has been exalting pastoral evangelism and endeavoring not so much to supplement as to suffuse the stated ordinances of the Church with the true evangelistic spirit. We rejoice in the knowledge that God has given us no small measure of success in this direction, but His ways are deeper than our thoughts and His methods broader than our wisdom. Both in written and in spoken utterances we have been told that "professional evangelism" had become "obsolete" and that the great crowds, such as gathered to hear Whitefield and Moody in other days, would never be seen again. Many of us felt that the vitalization of the time-honored services of the Church was to be the real secret of the evangelistic success of the future. In this we believe we were exactly right, only, as it so often appears, God has taught us again that He is not limited to any one method by new conditions that arise among men, and so we see again the evangelistic tabernacle, the harmonious union of local churches, and the city-wide evangelistic campaign, by the blessing of God, doing a tremendous work for Him. We behold God using His own method and raising up His own men, and we hail with joy and gratitude every means which He employs by which the Gospel is preached, by which men and women are saved, and by which His Church is strengthened and stimulated for her glorious work.

We believe that there are conditions in the world just now which will constitute our day an outstanding epoch in the annals of the future. We believe that these conditions are those which present a great opportunity for aggressive evangelism at home and abroad, and that both the peril of neglect and the promise of victory combine at the present moment to bid us make the evangelistic note the commanding note of the activities and utterances of the Church.

When we take a nearer view of the work of our own Church, we find that there is everywhere evident—

A new spirit of confession and of intercession. This has been a marked feature of the Committee's conferences with pastors and elders throughout the Church.

A new interest in and consideration of the evangelistic work of the Church at the stated meetings of Presbyteries and Synods and at the General Assembly.

An increasing volume of evangelistic preaching in connection with the stated services of the Church, and a decided increase of sustained evangelistic effort on the part of pastors and people.

A growing tendency on the part of the churches to supplement their regular work with special evangelistic services among their own people, and to give greater attention than formerly to the work of preparation for such services.

And, finally, a steady increase in the number of reported accessions to the membership of the Church, on confession of faith, as indicated in the following figures, viz.: in 1911, 72,880; in 1912, 79,432; in 1913, 88,808; in 1914, 93,467.

Early in the last Church year there were indications that the churches had determined to place particular emphasis on their evangelistic work for the winter. The volume of correspondence with the Committee's office concerning evangelistic plans, evangelistic literature and evangelistic leadership became far greater than that of past years. Very soon after the fall meetings of the Presbyteries, definite evangelistic plans for the year were developed by the churches, and a careful estimate, based upon reports from Presbyteries, indicates that before the end of March more than five thousand churches had engaged in some form of intensive evangelistic effort.

I. Committee Meetings, Office and Correspondence.—

1. During the year the Committee held four general meetings, which were supplemented by meetings of the Executive Committee. Thus the work of the year was not only planned in advance, but its progress held under constant

review. The chairman gladly bears testimony to the unity of spirit and purpose which unites the members of the Committee, and believes that he speaks for them all when he declares that the blessing which has come to them, through their fellowship in this service, has made the service a privilege.

2. The office of the Committee has been maintained in the Witherspoon Building, Philadelphia, and, as already intimated, has been extensively used by the churches as a centre of information concerning their evangelistic work.

3. The correspondence of the Committee has been both general and specific in its nature:

(*a*) That part of the Committee's correspondence which grows out of inquiries from individual pastors and churches not only brings the Committee into intimate touch with the writers, but it reveals more clearly than anything else the actual spiritual conditions which prevail in the church-at-large. This correspondence covers a great variety of evangelistic problems and places a considerable responsibility on the Committee. There is a great deal of loneliness among our ministers, who are ofttimes troubled and perplexed about the lack of spirituality in their fields and the apparent barrenness of their work. There are also many faithful elders who are trying to hold together numerous small churches which are without pastoral leadership. Your Committee appreciates the trust which leads these and other brethren of the Church to make known their spiritual needs and desires and rejoices in the opportunity, which its correspondence affords, for cheering and strengthening them in their work.

A reason for the gradual increase in the volume of this general correspondence may be found in the following words taken from a letter received during the year: "I am glad that we have in the Church an agency whose sole business it is to deal with such matters as these—referring to evangelistic problems in his church. It gives a man new heart for his work to know that he can look to some one for such assistance as your letters have brought me."

(*b*) The specific correspondence is that which originates in the office of the Committee and grows directly out of the development of its plan of campaign for strengthening the whole evangelistic organization and work of the Church. There are, for example, two hundred and fifty-five Presbyteries which have coöperated with the Committee by creating standing committees on Evangelism or some other committee specially charged with responsibility for evangelistic work. These committees have in their membership approximately fifteen hundred men, who are not only the representatives of their Presbyteries, but many of them also the correspondents of your Committee. Without their intelligent and hearty coöperation, it would have been impossible for the Committee to have developed its correspondence, distributed its literature, and carried on its Conference and Institute Work throughout the Church.

II. Institutes and Conferences.—In accordance with the instructions of the Assembly, the Committee has "continued its Evangelistic Institutes and Conferences." The Institutes have been held in convenient centres under the direction of the secretary. They have not been miscellaneous gatherings, but genuine schools of instruction for the training of men whom the Presbyteries have chosen to be their leaders in the work of evangelism.

The teachers have been practical men who themselves have done the things which they have been asked to speak about. The inspirational value of these gatherings has been great because the inspiration has come from the practical and spiritual nature of the instruction given by seasoned and successful ministers and clear-headed elders.

The most important Institute conducted by the Committee since the preparation of its last report was that held in Chicago at the time of the meeting of the Assembly. The Presbyteries had been asked to appoint one or more of their Commissioners as delegates, and so general was their response that two hundred and forty-eight men were registered as being in attendance.

For all of the Institutes the Assembly's Committee has assumed the entertainment expenses of the delegates, while the Presbyteries or the men themselves have taken care of the traveling expense.

These Institutes have had an immediate and direct effect upon the evangelistic work of the churches. Men have gone from them to all parts of the Church with a new vision and with certain clearly defined plans. They have secured the coöperation of men who are like-minded with themselves. They have called the members of Presbyteries together in conference, and have

presented to them such effective appeals to greater faithfulness in prayer and the presentation of the evangelistic message that whole Presbyteries have in turn caught the vision, and the members with one accord have answered the call.

One of the marked features of the reports of Presbyteries, as published in the news columns of the Church papers during the year, was the conspicuous place given to the work of evangelism. This was due to the fact that in their fall meetings alone one hundred and thirty committees in charge of the dockets of Presbyteries or Synods had made provision for Conferences on Evangelism, had allotted a generous share of time for this purpose and had called into service as speakers the strongest men whom they could find.

While comparatively few of these conferences were attended by representatives of the Committee, the programs of many of them were arranged through correspondence with the Committee, and in some cases, particularly in the Western fields, the Committee aided the local Committees in meeting the traveling expenses of the speakers. Thus, there was a definite unity of plan and purpose in them all. The secretary was able to visit the Synods on the Pacific coast during the fall, and also to hold conferences with a number of the Far Western Presbyteries. Later in the winter he was able to give a portion of his time to conferences with Eastern Presbyteries.

In this connection it is proper to state that shortly after the meeting of the Assembly at Louisville, the Committee outlined a plan for the Secretary's work by which it was hoped that in four years he would be able to visit the greater part of the Church. We are glad to report that we are fully up to the schedule in this work, and that when the secretary's itinerary for the coming autumn is completed he will have visited and held conferences with the evangelistic leaders of the Church within the bounds of practically every Synod, except two or three in the middle South and the Southwest.

III. College Visitation.—Your Committee was instructed by the last General Assembly to continue the promotion and direction of evangelistic work in Presbyterian colleges and to carry on this work in connection with the Vocational Campaigns of the Board of Education. These two agencies, in order to give definiteness to the work among the colleges, formed two years ago—and continued through the past year—a Joint Committee composed of three representatives and the secretary of each agency. This Joint Committee adopted a budget for the year of $4,000; afterwards increasing it so that the total expenditure for the year was, in round numbers, $4,400. This expense was shared equally by the two agencies.

It is the judgment of the Committee that the college work has been most effectively carried on through the year. The Rev. William H. Crothers, who has served for two years as Secretary of the Joint Committee, has been both clear-headed and faithful in his arrangement of the numerous details connected with the visitation of the colleges, while he himself has been a welcome visitor to many of them. Concerning this work, it is noted by Mr. Crothers in his report:

"That the average length of the special meetings in the colleges was five days this year, as against three days last year, and that the meetings were held in forty-eight institutions."

"That the preparation on the part of the faculty and student leaders was generally more thorough than in other years and that college events were so arranged as to give the meetings a clearer right-of-way."

"That in colleges where intensified work brought spiritual blessings, there is a marked appetite for a repetition of such blessings."

"That a standard has been set in these colleges which makes them dissatisfied with anything short of a thorough-going revival among the students."

"That there is a new readiness on the part of many colleges, the moment one campaign ends to begin planning for that of the succeeding year."

"That while no single institution stands out so clearly in the report as did one or two last year, yet the average of achievement has been higher than last year, judged both by the number of students brought to Jesus Christ and by the general effect of the meetings upon the students."

An important new feature of this year's work was the correspondence with the parents of the students, by means of which more than six thousand of them were invited to write to the college speakers and to pray for a blessing

on their work. Hundreds of them responded to this request, and in this way the speakers were brought into intimate touch with the heart desires of parents at home, for their children in college.

This has been the first year in which the meetings have been fully reported from the three points of view: of the college administration, the student leaders, and the visiting ministers; and in this way much useful information has been gathered which will be of the greatest value in future planning.

The reports of the visitors contain many stories of profound human interest. It is natural that this should be so because the greater part of the time of the visitors is given to personal interviews of the most heart-searching character. The reports from representatives of the faculty and the student body unite in declaring that one great result of the meetings was the bringing of a new moral and spiritual atmosphere into the life and work of many institutions.

"In one place, a man who had been elected to a place of religious leadership had made some bad moral breaks, and was looked upon by his fellows as a hypocrite. Things were at a dead standstill. The visitor, who fortunately was able to make an accurate diagnosis of the situation, went at once to this young man; put the whole responsibility upon him, and led him to make a full and free confession of his faults. At once the whole situation changed, and some of the most influential men in the college were led to confess Christ."

"As a result of the meeting in another institution, the college men expressed their purpose to stand together for the abolition of certain sins which had gradually crept into the institution. Under the new religious impulse which they received they immediately began a campaign against cigarettes, liquor, profanity and indecency and unfairness of every sort. They formed Bible classes in fraternity houses and boarding clubs, and had a meeting which they called 'an expression meeting,' in which they opened up their hearts, one to another. One of the student leaders, a popular athlete, said: 'I am thinking to-night of what my mother said to me when I left home for college: "Son, if I could only know that you were taking Jesus with you it would be so much easier to let you go to college." 'And now,' he said, 'I feel that her prayers have been answered.'"

"In still another institution, which had been deeply stirred on a previous visit, the meetings seemed to reach the zenith of spiritual power. One meeting lasted five hours, and yet all the men who wished to speak did not have the opportunity to say what was on their hearts. The service was continued the following day, and one hundred and seventy men gave a personal testimony which involved in the majority of cases profound feeling and deep conviction on their part."

In yet another institution every student in the college, but one, and the only professor in the faculty who was not a member of the church gave themselves to Christ.

Arrangements have been made whereby Christian student leaders, will be met, during the summer, by representatives of your Committee and the Board of Education and instructed concerning the preparatory work essential to the success of the Campaign for 1915–1916.

The College Presidents' Conference has generously provided a place on its program, at this Assembly, for the discussion of this work, and it is expected also that early in the fall the men chosen to visit the colleges next winter will be brought together at some central place for two or three days of conference, prayer and preparation for the work which they expect to do.

Your Committee is profoundly interested in this department of its work, and its members feel it to be a great privilege to be able to give both time and money to its fuller development. They appreciate also the delightful fellowship with the representatives of the Board of Education, which has grown out of our mutual responsibility for this fascinating field of Christian effort.

IV. World-wide Work.—The sub-Committee on Coöperation with other Presbyterian and Reformed Churches reports through the chairman of the sub-Committee, the Rev. William H. Roberts, D.D., as follows:

The great world war now raging has interrupted, for the present, the special evangelistic work conducted in Great Britain under the direction of the Rev. J. Wilbur Chapman, D.D., and his associates. It is hoped to resume these meetings at the conclusion of the war.

It is proper, however, to state that the evangelistic spirit has suffered no

diminution through the war and that evangelistic work is no less appreciated than before. The effect of the war in the British Islands, in particular, has been a widespread reawakening of the religious life of the people, evidenced by the increasing activity of the churches and the flocking of the people to divine worship in great numbers, both on Sabbaths and on week-days. As one writer states: "The appeals of the ministers of religion have been on a higher level, worthy of our ideals, and have been welcomed by the people in an earnest and devout manner. Men are taking spiritual matters much more seriously than they did, and the openings for evangelistic efforts are very numerous among all classes, especially among the soldiers. Not for generations has there been such an opportunity for the Gospel to make its impression on the whole nation."

The same tendency is evidenced by letters received from France, Belgium, Germany and Austria. The war has brought home, in a notable manner, to the peoples the value of spiritual realities so that the church edifices are crowded with worshipers. It is believed that immediately upon the close of the war—and may God hasten its close—there will be "the greatest opportunity for evangelistic work which has been offered for several generations."

Dr. Chapman, while suspending for the time being his work in foreign lands, has been engaged in work in the United States. He has received cordial invitations from communities in the Southern States, and highly successful evangelistic meetings have been held at Atlanta, Ga., and at Charlotte, N. C. It is noteworthy in this connection that the General Assembly of the Presbyterian Church in the United States, at its meeting at Kansas City, Mo., in 1914, answered in the affirmative Overtures from the Presbytery of Atlanta and the Executive Committee of Home Missions, asking that the next Assembly be known as an "Evangelistic Assembly." The Minutes of that Assembly further state that in connection with the adoption of the Overtures "the Assembly was led in prayer by the Moderator, praying that the next Assembly may be in the fullest degree an 'Evangelistic Assembly.'" An emphasis has thus been given to evangelism which is worthy of all praise.

Again, the Evangelistic Commission of the Federal Council of the Churches of Christ in America, of which the chairman is the Rev. William H. Roberts, D.D., and the secretary the Rev. William E. Biederwolf, D.D., presented a report to the meeting of the Executive Committee of the Federal Council at Richmond, Va., December 9–11, 1914, showing decided progress in the work of organizing the evangelistic forces and resources of our country. Twenty denominations in the Federal Council have now a general National Evangelistic Committee. That report also included a resolution recommending a Solemn Call to Prayer for a World-wide Revival. This call has been issued, and has been sent out to all the Churches in the Federal Council.

V. Finance.—Your Committee reports, as in former years, that its expenses for the year have been fully met. In view of the general financial uncertainty in all directions, the Committee felt that it would be unwise to undertake any of the new features contemplated at the beginning of the year, particularly if these should involve any marked increase in the expenditure over the preceding year. The only exception to this policy was the enlargement of the appropriation for the work among the colleges and the subsequent increase referred to in the report of the College Work.

It has been true this year, as in former years, that the contributions from members of the Committee and other individuals who have been in close touch with its work have been sufficient to meet the entire office and secretarial expense. Thus the Committee has been able to put directly into the field work, among the churches, for its Institute and Conference Work, and into the Work for the Colleges, and its general work, the funds contributed by the churches.

The churches have responded in a splendid way to the Committee's appeal and have given substantial evidence of their approval of its work by the added number of them which have placed the Committee on their benevolent lists and by the increased amount of their total contributions. For the past three years the amount contributed by the churches has shown each year, in round numbers, an increase of $2,000 over the preceding year. This year, for the first time in the history of the Committee, the contribution from the churches almost equals that received from individuals, and thus the Committee is brought appreciably nearer to the realization of its hope that in the near

future it will receive from the churches an annual contribution of not less than $10,000.

In this connection the Committee desires to express its appreciation and gratitude to those pastors and Sessions and churches whose cordial coöperation and support have so largely contributed to the success of its work and enabled us to look forward with confident expectation to yet greater things for the coming year.

PHILADELPHIA, APRIL 26, 1915.

*Certified Public Accountants.*

VI. RESOLUTIONS.—The following recommendations are submitted for adoption:

*Resolved,* 1. That, as the term of office of the following members of the Committee expires with this Assembly, *i.e.*, Rev. Murdoch McLeod, D.D., Rev. Henry Collin Minton, D.D., Rev. S. S. Palmer, D.D., Mr. Charles L. Huston, Mr. Thomas W. Synnott, and Mr. Calvin N. Payne, the Moderator be authorized to appoint six members, three ministers and three elders, for the ensuing term of three years.

Thus the work is being done in a new form, but is known to-day to be an important and necessary movement in the Church more than at any previous time.

The following recommendations are submitted for adoption:

*Resolved*, 1. That the Assembly's Brotherhood Committee be maintained as an independent agency of the Church and that the members of the Class of 1915 be nominated for the Class of 1918, as follows: Rev. William C. Covert, D.D., Chicago, Ill.; Rev. Robert R. Bigger, D.D., Cleveland, Ohio; Mr. Draper D. Dayton, Minneapolis, Minn.; Mr. William A. Arnold, Paterson, N. J.; Mr. James J. Parks, St. Louis, Mo.

*Resolved*, 2. That a general secretary be employed so soon as arrangements can be made for his salary and that, since so large and important a work cannot be carried on efficiently without a general secretary, that this Assembly give careful consideration to the providing of proper equipment for the work of the Committee.

*Resolved*, 3. (*a*) That the Committee be instructed to continue its coöperation with Synodical organizations in the promotion of Brotherhood work in the Synods; and that Synods not having Brotherhood organization be urged to appoint Standing Committees on Brotherhood Work; and that district conferences of Synodical chairmen and other Synodical officers be held for promoting and unifying the work in the Synods. (*b*) To continue its correspondence with presbyterial organizations and local churches in coöperating with the synodical and presbyterial organizations in seeking to have a Brotherhood in every church. (*c*) That sectional conferences of an educational character for members of local Brotherhoods and local churches be held for inspiration and especially for study of methods. (*d*) That a campaign of publicity be undertaken through the Church papers until such time as a Brotherhood magazine can be published. (*e*) That a letter be addressed to every pastor on the necessity for a Brotherhood organization in his church in order to promote efficiency in the local church, giving counsel as to methods of organization and men's activities in the local church.

*Resolved*, 4. That the Committee be directed to coöperate (1) with the Committee on Evangelism in promoting evangelistic work by men; (2) with the Adult Bible Class Movement in promoting Bible study by men; (3) with other Brotherhood movements in promoting a forward movement of the Christian men throughout the whole land.

*Resolved*, 5. That the Assembly rejoices in the growth and general interest throughout the Church of the Brotherhood work; that it commends the synodical and presbyterial organizations for their fidelity, and urges upon all Synods and Presbyteries not having Brotherhood organizations to take the necessary steps for promoting the activities of the men in the Church.

*Resolved*, 6. That the Assembly calls the attention of all pastors and elders to the urgent need for the loyalty and devotion of Christian men to the Church; that the Church offers the rarest and most precious privileges of fellowship among those who together are "in Christ"; that the fundamental difference between men which by Divine limitation separates one from another is that one is "in Christ" and the other is not, or that one is inside the Kingdom of God and the other outside, and that hence herein is the all-sufficient incentive for the fellowship of Christian men and for evangelization among non-Christian men; that the Church offers to Christian men the very best opportunity for service for one another and for the community, the State, and the world.

All expenses of the Committee have been paid and there is a small balance in the Treasury.

In behalf of the Committee,

WILLIAM F. WEIR, *Chairman.*

### THIRD ANNUAL REPORT.

The Permanent Committee on Vacancy and Supply presents to the General Assembly its third report, gratified with the success that has attended its efforts during the past year. By common consent, this Committee is dealing with the most difficult problem of administration characterizing the work of the modern church. That distinct progress has been made in pointing the way to at least an approximate solution for this historic problem must be evident to all.

THE VACANCY AND SUPPLY PLAN.—The Permanent Committee, early in its history, became thoroughly convinced that the distressing conditions facing our Church because of the large number of her pastorless fields would not be adequately or permanently relieved without the introduction of a definite and clear-cut system for dealing with the vacant church and the minister either unemployed or desirous of a change of fields. The Permanent Committee, therefore, prepared and printed the pamphlet which has been widely circulated throughout the Church and which bears the title. "A Definite Plan for handling Vacancy and Supply under the Presbyterian Form of Government." The title of this pamphlet suggests the real character of the Vacancy and Supply Plan. It is not a proposal to alter the Form of Government, but is a practical measure intended to meet the conditions of our times and to realize in actual experience what the Committee regards as one of the manifest purposes of our Form of Government.

With the approval of the last General Assembly, the Vacancy and Supply Plan has been given consideration by most of the Presbyteries, and it is a significant fact that within one year from its first publication more than one hundred and sixty Presbyteries took favorable action, each adopting this as its own Plan for dealing with the vacancy situation, and electing the necessary committee to put the Plan into operation.

Experience thus far clearly shows that where a Presbytery adopts the Vacancy and Supply Plan and places its administration in the hands of a wise and faithful committee, certain desirable results are soon in evidence: One of these is the diminishing of the number of vacant fields in the Presbytery; another is the shortening of the period during which a church would ordinarily in former days remain pastorless; a third is the fact that under the proper operation of the Vacancy and Supply Plan every church in the Presbytery is to be provided with regular services during its period of vacancy.

When the Permanent Committee first entered definitely upon its work, about December 1, 1912, there was undertaken a careful survey of conditions throughout the entire Church. The tabulation of the information secured indicated that at that time to provide for the churches able to support men there was an average need of three additional pastors to a Presbytery. A year later a similar inquiry revealed the fact that for the same class of fields the

average need was two and one-fourth, or a drop of about 25 per cent. In January, 1913, only 8 per cent. of the Presbyteries reported no vacant churches able to support men. In January, 1915, nearly 30 per cent. of the Presbyteries reported "no vacancies," while only 28 per cent. of the Presbyteries reported more than two vacant pastorates each. In other words, a Presbytery with a long list of vacancies is now becoming the exception, while even two years ago it was quite the rule.

MINISTERS AND CHURCHES.—*The Unemployed Minister.*—The Overture adopted by the Presbyteries in 1912 makes reference to "unemployed ministers," and the same term is repeatedly used in the principles set forth by the Assembly of the same year for the guidance of its Permanent Committee. The reference is evidently to ministers who are temporarily out of work and yet qualified to pursue regular lines of pastoral activity. Unfortunately, there are such. It ought to be borne in mind, however, that neither the situation as to vacant churches nor that as to unemployed ministers is accurately presented by the reports found in the General Assembly Minutes, unless these reports be properly analyzed. A certain number of the churches there reported vacant have simply a nominal existence, in some cases being held as churches by the Presbyteries merely for property reasons. Similarly it should be recognized that only a limited number of the ministers reported as being "without charge" are really available for regular pastoral service.

*Health.*—The question of health affects a far larger number of our ministers than one would at first imagine. Sometimes it is the health of the minister himself. Frequently it is the health of some member of his family. Often a change of climate becomes absolutely necessary. This at once presents a serious problem for the average pastor, who may not be widely known and whose financial resources are limited. The Permanent Committee has given such cases as careful attention as possible, and we have been deeply gratified that with the coöperation of the Presbyterial Committees during the year quite a considerable number of changes have been made to the distinct and lasting advantage of the ministers concerned and often to the strengthening of the work of the Church in the sections to which these men have moved.

*Ministers Desiring to Change Fields.*—By far the largest number of those coming to the Assembly's Committee for information and assistance belong to this class. Whatever may be said historically regarding the long pastorate as characteristic of Presbyterianism, we are now forced to admit that whatever the cause, or causes, for some years past, the pendulum has apparently been swinging decidedly in the opposite direction. At any rate, a very long list of men are more or less anxious to locate elsewhere.

Often there has seemed to be good reason for changing. Sometimes the minister's work and influence are hindered by conditions for which he is not to blame and which he apparently is powerless to change. While deeply sympathetic toward all such cases, this Committee cannot refrain from recording its conviction that the work of our Church would be greatly profited if the length of the average pastorate could at least be doubled. We are far from believing that a pastoral dissolution should be recognized as the one uniform remedy for the passing ills of a church. When a minister goes to a definite field of labor we believe that he should do so strong in the confidence that his decision has been made with the approval of the Great Head of the Church, and then having gone to such a field possessed of such a conviction, no small or passing discouragement should be allowed to terminate the relation thus conscientiously established.

MINISTERIAL SUPPORT.—This is a subject closely related to the problem of Vacancy and Supply. On the rolls of the General Assembly we find a total of 10,130 churches. Seventy-six of these churches each have a membership of 1,000 or more. But the even more interesting and appalling fact is that of this whole number of churches more than 6,000 have memberships falling below 100 each. The average Presbyterian church has a membership of 144.

The vast majority of our pastors serve on quite limited support. The present high cost of living has brought this problem in a more serious form to many a minister's home.

On recommendation of this Committee the last General Assembly called the attention of the Presbyteries to this important subject. During the year we forwarded the resolution of the Assembly to each Presbytery as a part of a

communication on the subject of Ministerial Support. In connection therewith it was suggested that each Presbytery appoint a committee to investigate conditions within the bounds of the Presbytery, making such report and recommendations as might to the committee seem advisable. Quite a long list of Presbyteries acted favorably on this suggestion. In these Presbyteries committees were appointed, and some of these committees have already rendered excellent service by the information which they have carefully collected and laid before the Presbyteries with appropriate recommendations. This beneficent work should be continued by a special committee, or, possibly better still, by the Vacancy and Supply Committee in each Presbytery, such Committee from time to time conferring with and making suggestions to the various churches and presenting to the Presbytery such recommendations as will tend to correct those delinquencies which are quite evident in many sections of the Church.

THE FUNCTIONS OF THE ASSEMBLY'S COMMITTEE.—It hardly seems necessary to discuss this subject, particularly as the Overture leading to the appointment of this Committee, as well as all actions taken by the various General Assemblies from 1912 onward, are a matter of printed record and were referred to at length in our last Annual Report. An examination of these various enactments will show that the Permanent Committee on Vacancy and Supply is by no means an ordinary "Employment Agency," but has three prime functions:

(1) *Supervision.* A permanent committee "to supervise the supply of vacant pulpits and the service of unemployed ministers." This is the initial provision of the Overture adopted in 1912. The first general task of this Committee is, therefore, to examine the situation throughout the whole Church and constantly keep in touch with conditions so far as they relate to vacant fields and unemployed ministers, and this the Committee has endeavored to do, and almost universally has had the cordial coöperation of Presbyterial representatives.

(2) *Information.* Another stipulation of the Overture is "To conduct correspondence with Synods and Presbyteries and their committees concerning unemployed ministers and vacant congregations." And "To furnish information to church sessions and ministers." The Corresponding Secretary, according to the Assembly of 1912, is to be "A depository and distributer of facts both as to unemployed ministers and vacant churches to whom both ministers and churches may apply, and by whom they may be put at once in correspondence with Presbyterial or Synodical Committees, or with other parties or bodies interested."

The Assembly's Committee with fidelity and persistency has sought to discharge the obligations of this difficult and stupendous task. The need of such "a centre of information" is daily becoming more evident to both ministers and churches.

As the new Vacancy and Supply Plan becomes operative throughout the Church, the office of the Assembly's Committee is destined more and more to become a clearing-house for the Presbyteries. This we believe to be a most important feature of our work. The Vacancy and Supply Plan emphasizes the responsibility which primarily rests upon the Presbytery to directly supervise, assist and care for all of its own vacant fields. When the Presbytery finds itself unable to promptly and satisfactorily discharge these obligations because of lack of men, then the Assembly's Committee, with its wider knowledge of the whole field, stands ready to assist the Presbyterial Committee to the limit of its ability. In this way a congestion of ministers in one section of the country, and a dearth of ministers in another, will generally be avoided, or such a condition when it does occur can promptly be corrected.

(3) *Adjustment.* This is the third important feature of the work of the Assembly's Committee as stated in the Overture: "To seek to adjust in coöperation with Synodical and Presbyterial Committees the requirements of Vacancy and Supply by methods adequate to given conditions in any Synod or Presbytery." This is what the Committee has undertaken in formulating and bringing before the Presbyteries the Vacancy and Supply Plan and in treating with Presbyterial representatives in regard to the proper administration of their work.

RESOLUTIONS.—1. The General Assembly approves of the various lines of activity pursued by the Permanent Committee on Vacancy and Supply and

records its appreciation of the faithful and efficient services rendered by the representatives of the Committee, resulting in improved conditions as to vacancies throughout the Church.

2. The General Assembly expresses its gratification at the fact that fully two-thirds of the Presbyteries on the home field have already adopted the Vacancy and Supply Plan as presented by the Permanent Committee and approved by the last Assembly and in the interest of uniformity, this Assembly again recommends it to the remaining Presbyteries, for consideration and adoption.

3. Believing that the proper support of all of our pastors is a matter of intense importance, the General Assembly commends the investigations being made in many of the Presbyteries in the hope that existing wrongs may be righted and inequalities adjusted, and the Assembly again calls the attention of all of the Presbyteries to the necessity that careful consideration be given all phases of the subject of Ministerial Support.

4. That Drs. George N. Luccock and John E. Bushnell, and Elders Henry P. Crowell and E. A. K. Hackett, whose terms of service on this Committee expire with this Assembly, be reëlected.

Respectfully submitted,

GEORGE N. LUCCOCK, *Chairman.*

The above statement shows, in general, the financial condition of the General Assembly from year to year for thirty Assemblies. The management which began with 1884 resulted in such economies that a surplus was accumulated, which enabled the Assembly to meet in Portland, Ore., in 1892, and Los Angeles, Cal., in 1903, without calling for additional funds from the Presbyteries, and also to reduce the apportionments from 1896 to 1905. The interest earned during the period amounted to $36,060.62.

WILLIAM H. ROBERTS, *Stated Clerk.*

*The Assembly year is in each case that of the year first given, *i.e.*, the Assembly year 1902–1903 is the year including the expenses of the Assembly meeting in 1902. The Assembly year ended about April 30 until 1909 and now ends March 31.

‡ Includes loans of $19,500.

The Trustees of the General Assembly of the Presbyterian Church in the U. S. A., in accordance with the ninth section of its Charter, respectfully report to the General Assembly the state of the accounts of the Corporation for the year ending March 31, 1915.

These accounts are herewith presented and made part of this Report, and consist of the Treasurer's annual account of the principal and income, showing the receipts and disbursements of both funds and the balance of cash on hand at the end of the fiscal year, together with the investment of the principal.

These accounts are accompanied by the Report of the Committee of the Board on Finance, with the usual certificate of this Committee, and the report of the Committee on Accounts as to the conditions of the finances and the investment of the Funds as shown by the account, and the audit of the Treasurer's account. The certificate of Vollum, Fernley, Vollum & Rorer, certified public accountants, as to the examination of the accounts, cash and securities of the Corporation, is also appended.

The disposition of the income received upon the various trusts appears in the Treasurer's accounts.

During the year the Corporation has received but two legacies amounting to $1,899.86.

The Trustees are now administering the following trusts:

| | | |
|---|---|---|
| Princeton Theological Seminary: | | |
| " 29 Scholarships | $46,575 | 83 |
| " 4 Professorships | 34,284 | 60 |
| " Permanent Fund | 10,661 | 80 |
| " Students' Fund | 10,794 | 10 |
| | $102,316 | 33 |
| 36 Miscellaneous Funds | 992,885 | 00 |
| Total | $1,095,201 | 33 |

Many of the Miscellaneous Funds are subdivided, thus largely increasing the number of beneficiaries.

The funds in the hands of the Trustees are invested as follows:

| | |
|---|---|
| 89 separate loans on real estate, secured by first mortgage | $545,475 00 |
| 1 ground rent | 700 00 |
| 41 separate investments in securities | 511,332 81 |
| Real estate devised to Trustees | 8,750 00 |
| Real estate bought under foreclosure, carried on books at (appraised value $21,600) | 16,491 83 |
| Advances made to secure bequests | 700 58 |
| Balance uninvested | 11,751 11 |
| Total | $1,095,201 33 |

The figures in the column marked Assessed Amount in the values placed upon real estate upon which mortgages are held are those of the official assessment of the properties. Those in the column marked Appraised Amount are the valuation of the expert appraiser of the Philadelphia Trust, Safe Deposit and Insurance Company, Treasurer of the Board.

The average net income for the year on the investments was 4.614%.

The Trustees are restricted in their investments to the highest class of securities.

All the stocks owned by the Trustees were received as legacies, also real estate to the value of $8,750.

At the date of this report, no interest is in default on either the bonds and stocks or the mortgages on real estate.

The entire expense of administering the various trusts was $2,524. This includes the salaries of the Treasurer and Secretary, the compensation of the Solicitor, certified public accountants, the bookkeeping, and all other expenses of every kind.

In addition to acting as Treasurer, the Philadelphia Trust Company supplies to the Board, free of charge, a safe in its burglar-proof vaults under two separate sets of keys, for the safekeeping of the securities, and also provides storage facilities for the large number of title papers, insurance policies, etc., that accompany the mortgages, and also allowed $1,038.81 interest on current balances in their hands.

The indemnity bond of the Treasurer for $25,000 has been renewed for another year.

GEORGE STEVENSON, *President.*

E. R. STERRETT, *Recording Secretary.*

THE PHILADELPHIA TRUST, SAFE DEPOSIT AND INSURANCE COMPANY, *Treasurer,*

by THOMAS S. GATES, *President.*

The undersigned, in accordance with the direction of the General Assembly of 1899, have caused the securities, bonds and mortgages, and other evidences of property belonging to the Trustees of the General Assembly of the Presbyterian Church in the United States of America, as set forth in the foregoing statement of the Treasurer, to be examined by Messrs. All the securities are deposited in the vaults of the Philadelphia Trust, Safe Deposit and Insurance Company, Philadelphia, and are all registered in the name of the corporation, with the exception of ten thousand (10,000) dollars Cincinnati, Indianapolis, St. Louis and Chicago Railway Company General 4's and twenty thousand (20,000) dollars Chicago and Eastern Illinois Railroad Company General Consolidated and First Mortgage 5's, which are coupon bonds, with no provision for registration.

Part of the securities mentioned in said statement were specifically bequeathed to the corporation.

The Committee further reports that all investments have been made and are maintained in carefully selected high-class securities strictly within the category and classes prescribed by Article IV of the By-Laws. All real estate securities are based upon values of the specific properties not exceeding an average of 60 per cent. thereof as ascertained by both official assessment and appraisement of competent experts, and all of highest class, and, while under the exceptional monetary and financial conditions just now existent the present market price of some of the securities, other than mortgages, is somewhat less than their cost price, their real value is, in the judgment of the Committee, not diminished; the interest and income therefrom being regularly paid and none are in default.

# V. Miscellaneous.

## I. THE MILEAGE AND CONTINGENT FUNDS.

Special attention is called to the *Mileage and Contingent System* adopted by the General Assembly of 1870, and amended by the General Assemblies of 1875, 1877, 1884 and 1896. As amended, it is as follows:

"The Committee to whom it was referred to consider and report a uniform system of Mileage, whereby full provision may be made for the traveling expenses of the Commissioners to our General Assemblies, and to meet the contingent expenses of each Assembly, respectfully report:

"It is affirmed, *Form of Government*, Chapter xxii, Section 3, that, 'in order, as far as possible, to procure a respectable and full delegation to all our judicatories, it is proper that the expenses of ministers and elders, in their attendance on these judicatories, be defrayed by the bodies which they respectively represent.'

"The principle is thus established, that provision should be made for the payment of the traveling expenses of Commissioners to the General Assembly. This provision should be made by the Presbyteries. As far as possible, the feebler Presbyteries should be aided in this matter by the stronger. It appears just and reasonable, and so has been found by experience, that the estimated contingent expenses of each Assembly, and the traveling expenses of the Commissioners in coming to and returning from the Assembly, should be fully met by the apportionment of the whole amount among the several Presbyteries, according to the number of their communicants respectively.

"It is therefore recommended—

"1. That the Standing Committee on Mileage, annually appointed, be instructed to present an estimate of the probable amount that will be needed by the next General Assembly, in order to meet their contingent expenses and the traveling expenses of their Commissioners, with a statement of the *per capita* rate, based on the number of communicants, that will be needed to secure the amount.

"2. That the Presbyteries, at their Stated Meeting next following the adjournment of the General Assembly, apportion the amount required of their churches as they deem best.

"3. That the churches be instructed to pay over their respective apportionments at the Stated Meeting of their Presbyteries next preceding the meeting of the General Assembly—the whole amount due from the Presbytery to be forwarded to the Assembly.*

"4. That, as early as the fourth day of the sessions of the Assembly, the apportionment of each Presbytery be paid in full, and a bill of the necessary traveling expenses of its Commissioners be presented to the Standing Committee on Mileage. N.B.—It is understood that Commissioners, both in coming to and returning from the Assembly, will avail themselves of any commutation of fares that may be offered in season; and that in other cases they are to take, when practicable, the most economical route; no allowance to be made for extra accommodations on the way. Also, that Commissioners asking compensation for sleeping car fare attach receipts to their claims for Mileage for all sleeping car fares. Also, that no one will charge for return expenses unless he intends to go back to his field of labor; and that no one on a business tour, or excursion of pleasure, will make a convenience of the meeting of the Assembly and expect payment of his traveling expenses from the Mileage Fund. Also, that Commissioners, as soon after their arrival as practicable, are to report themselves to the Committee of Arrangements, and have their respective places of abode assigned them.

* See also Sec. 8, p. 448[54].

"5. That the Mileage Committee, after appropriating from the whole sum an amount sufficient to meet the estimated contingent expenses of the Assembly, be instructed to audit these bills, and that the Stated Clerk pay them *pro rata* (if found in accordance with the preceding regulations), as far as the funds will permit.

"6. That, in order to avail themselves of the proceeds of this fund, the Presbyteries must contribute their full proportion to it according to the *per capita* rate.

"7. That every Minister, and every vacant church contributing to this fund, connected with the Presbyteries thus complying with the provisions of this plan, be entitled to a copy of the Annual Minutes of the General Assembly.

"8. That the Commissioners from Presbyteries in foreign lands receive their necessary traveling expenses, *pro rata*, from and to their place of residence in this country."

In accordance with this system, every Presbytery is requested to pay in full, next year, to the Stated Clerk of the General Assembly, a sum equal to *three cents* for Mileage, and *three cents* for Contingent Expenses, or in all *six cents* for every communicant under the care of their churches, as determined by their Statistical Report, herewith printed. This will entitle their Commissioners to a full share in the apportionments for necessary traveling expenses. It is expected that these expenses will be fully met, if the Presbyteries comply with the recommendations of the Assembly.

They are expected, also, to provide for an

ENTERTAINMENT FUND.

In addition to the Mileage Fund, the Assembly of 1877 made provision for a "Supplemental Contingent Expense Fund," to "be used for the purpose of meeting the expense of entertaining such Commissioners as are not otherwise provided for." Each Presbytery is requested to contribute to this fund a sum equal at least to *two cents* per church member, and to forward it, with the Mileage and Contingent Funds, to the Stated Clerk of the Assembly. It is to be disbursed by the Committee of Arrangements, whose bills for entertainment the Stated Clerk and the Treasurer are authorized to pay, subject to the provisions of the Plan of Financial Administration of the Assembly.

☞See, *Minutes* of 1915, p 290.

## II. THE ANNUAL MINUTES.

The *Minutes* for 1915 will be supplied at *One Dollar* per copy, carriage included. A copy will be sent, without charge, to the Stated Clerk of every Presbytery and of every Synod; also (in the case of every Presbytery which has paid its full apportionment to the Mileage and Contingent Funds of the Assembly) to every ordained Minister, and to the Session of each contributing *vacant* church, *whose address is known;* also to every ordained missionary of the foreign Presbyteries.

## III. SYNODICAL REPORTS.

A *Statistical Report* is to be forwarded to the Assembly by the Stated Clerk of every Synod; in which are to be stated the number and names of the Presbyteries within their bounds; the changes which may have been made in the number or arrangement of their Presbyteries; the names of the Stated Clerks of the Presbyteries; the place and hour of the next annual meeting; and the names of the Moderator and Stated Clerk of the Synod. A blank will be sent to the Stated Clerk of every Synod, near the close of the calendar year, which should be filled up and forwarded, without delay, to the Stated Clerk of the Assembly.

## IV. PRESBYTERIAL REPORTS

It is required of every Presbytery to prepare and forward to the General Assembly:

1. A *Statistical Report*, according to the form exhibited on page 448[48] of the present Appendix; a printed blank for which will be furnished in due season

by order of the Assembly, to the Stated Clerk of every Presbytery. This Report should, if possible, embrace all the changes in the Presbytery previous to the first day of April.

2. A *Narrative of Christian Life and Work* within the bounds of the Presbytery, for the year ending March 31st. A blank for the Narrative was adopted by the General Assembly of 1906 (*Minutes*, p. 223), and a copy will be forwarded to every Stated Clerk. As the Narratives are not to be publicly read, less care may be given to their style, and more to the details of particulars, such as will aid the Standing Committee of the Assembly in preparing their Annual General Narrative of the State of Religion within the bounds of the Church. The blanks for the *Congregational* Narratives are also furnished by the Stated Clerk of the Assembly.

3. *A Tabulated Statement.* By order of the Assembly of 1880, a blank for a Tabulated Statement of facts will annually be forwarded to the Stated Clerk of each Presbytery, to be filled properly, and duly reported to the Assembly. This Tabulated Statement should be sent to the Stated Clerk of the Assembly, together with the Narrative, at least ten days before the meeting of that body.

A statement of the number of licensures, ordinations, installations, dissolutions of pastoral relations; organizations and dissolutions of churches; receptions and dismissions of Ministers and churches; together with the number of deaths of Ministers since the last Annual Report, are to be inserted in the proper places in the Tabulated Statement.

## V. STATED CLERKS OF PRESBYTERIES.

In preparing the Statistical Report, let the following RULES be strictly observed:*

(1) Fill up the *Statistical Report Blank* in every detail. (See above, §1.)

(2) Record Ministers in the order of their MINISTERIAL AGE, *not alphabetically*, with their CHRISTIAN names in full, without abbreviations, or duplications, and put their P. O. address on the same line, in the adjoining column.

(3) Report as *in transitu* the name of each "dismissed" Minister. Do not strike his name from your Roll until you have been officially informed of his reception by another Presbytery.

(4) ☞ Place the name of every Church and Mission Chapel opposite the name of its Pastor, or Stated Supply; never opposite the name of any other Minister. If the Church is Vacant, place it at the foot of the roll and give its P.O. address. If the Church uses in worship a language other than English, indicate the fact by words, such as German, Welsh, Spanish, Indian, Bohemian, etc. ☜

(5) Place after the name of every Minister an abbreviation, denoting his occupation: *e.g.*, P., for a Pastor; P.E., for a Pastor Elect; P.Em., for a Pastor Emeritus; C.P., for a Colleague Pastor; A.P., for an Associate Pastor; Univ. P., for a University Pastor; S.S., for a Stated Supply; D.M., for a District Missionary; C.M., for a City Missionary; T.M., for a Tract Missionary; S.M., for a Synodical Missionary; S.S.M., for a Sabbath-school Missionary; P.M., for a Presbyterial Missionary; P.Ev., for Pastor-Evangelist; F.M., for a Foreign Missionary; Pres., for the President of a College; Chan., for a Chancellor; Prof., for a Professor of a Theological Seminary or College; Prin., for the Principal of an Academy, etc.; Sec., for a Secretary or Stated Clerk; D.R.E., for Director of Religious Education; D.Sec., for a District Secretary of a Benevolent Institution; Agt., for an Agent of do.; Ch., for a Chaplain; Tea., for a Teacher; Ed., for an Editor; Ev., for an Evangelist; H.R., for a Minister honorably retired; Col., for a Colporteur; Com., for a Commissioner; Supt., for a Superintendent; Libr., for a Librarian; and for all other Ministers, no designation whatsoever.

(6) Place after the name of every Church the abbreviation P., for one that has a Pastor; P.E., for one that has a Pastor-Elect; S.S., for one that has a Stated Supply; V., for one that is vacant, and also add "m" for each church with a manse.

(7) If a Church fail to report, let the "whole number" of communicants be given as reported to the Synod, or to the last Assembly, with an asterisk (*) in the column of communicants, denoting the fact.

* The Reports of the Presbyteries in last year's *Minutes* show the established form, which should be carefully followed in every particular by *Clerks of Sessions*, as well as by Stated Clerks of Presbyteries.

(8) *Additions.*—In the additions to church membership, distinguish between those by Examination, those by Certificate, and those by Restoration. The column headed "Restored" is to include all those who have been reinstated, whether from the Suspended Roll, or by action of Session in restoration after full judicial process.

(9) *Losses.*—In the losses, distinguish between those dismissed by letter, those placed upon the Suspended Roll, and those deceased. The column headed "Dismissed, etc.," is to include the members dismissed to other churches, also those erased from the roll under Sections 49 and 53, Book of Discipline, and also those excommunicated. The column headed "Suspended Roll" is to include the number of non-resident members whose cases were acted upon, *during the year*, by the Session under Sections 50 and 51, Book of Discipline (not the total number on the Roll); also those suspended after full judicial process.

(10) *Baptisms.*—In the baptisms, distinguish between the persons baptized upon confession and those baptized as infants.

(11) *Balancing of Returns.*—Compare your report of communicants with that of the previous year and adjust the return so that it will balance. For example: Total members previous year, 205. Additions, "Examination" 22, "Certificate" 16, "Restored" 5, total 43. Losses, "Dismissed," etc., 12, "Suspended Roll" 18, "Deceased" 6, total 36. Gain, 7. Net total this year, 212.

(12) *Sabbath-school Membership.*—To include officers, teachers and scholars in all Sabbath-schools connected with the congregation, not including the "Cradle Roll" nor the "Home Department." [*Note.*—A separate statement of the details of Sabbath-school work is to be made, on its special blank, for the use of the Board of Publication and Sabbath School Work.]

*Funds.*—The columns for the Funds Contributed are to be filled as follows:

1. *Home Missions.*—To include all moneys paid to the Board, all moneys paid for Presbyterial and Synodical Home Missions and Church Extension, also all moneys paid to any general Home Mission object; including contributions of societies, value of boxes, etc.

2. *Foreign Missions.*—To include all moneys paid for the spread of the Gospel in foreign fields, whether given to the Board or other agencies; including contributions of societies, etc., and gifts to institutions connected with the Board.

3. *Education.*—To include all moneys paid for the education of candidates for the ministry, whether to the Board or other agencies, and also gifts to Theological Seminaries.

4. *Sabbath-school Work.*—To include all moneys paid to the Board of Publication and Sabbath-school Work for its missionary operations, and to other Sabbath-school organizations. The contributions for the support of the Home Sabbath-school are to be placed in the column headed "Congregational."

5. *Church Erection.*—To include all moneys paid for church erection outside of the congregation, whether through the Board or otherwise.

6. *Relief and Sustentation.*—To include all moneys paid in behalf of disabled ministers and missionaries, and in aid of their families, whether to the combined Boards of Relief and Sustentation or otherwise; including contributions of societies, etc.

7. *Freedmen.*—To include all moneys paid for the evangelization and education of Freedmen, whether through the Board or otherwise; including contributions of societies, etc., and gifts to institutions connected with the Board.

8. *Colleges.*—To include all moneys paid to Colleges, Academies and Schools, whether to the Board or otherwise. Contributions to the institutions connected with Foreign Missions and Freedmen are to be placed under those heads.

9. *Temperance.*—To include all moneys given to the Board of Temperance or to other Temperance agencies.

10. *General Assembly, etc.*—To include all moneys given for ecclesiastical expenses, whether for Presbytery, Synod or General Assembly. Give both dollars and cents in this column.

11. *Congregational.*—To include all moneys collected in or by the congregation for local church purposes—the salary of the minister, the support of the church Sabbath-schools, the relief of the poor, building and repairing edifices, the liquidation of debts, church endowments and other objects. Moneys received from any other church or Board for the salary of the minister or other expenses should not be included.

12. *Miscellaneous.*—To include all moneys paid to the Assembly's Permanent Committee on Evangelism and other evangelistic agencies, also to Tract Socie-

ties, Christian Endeavor, Young Men's Christian Associations, Hospitals, and general benevolence.

*Bible Society.*—To include all moneys paid to the American Bible Society, or to other Bible agencies. A blank is sent for these contributions, which are reported separately (see p. 448[11]), in addition to being included in the "*Miscellaneous*" column.

*Individual Gifts.*—If the donors do not object, the direct gifts of individuals to any of the Boards, or to the causes they represent, should be reported with other gifts under the proper head. Individual gifts for religious and charitable causes not included in the regular schedule should be placed under the head "Miscellaneous."

**Be sure to omit the fractions of the dollar,** except in the General Assembly column.

(13) The *Names* of the Licentiates are to be recorded immediately after the list of Ministers, in the same column, with their *Addresses* in the next column; next give the *Names* and *Addresses* of the Local Evangelists; these are *not* ordained ministers. Of the Candidates—including all who are studying for the ministry under the care of the churches of the Presbytery—the *Number* only is to be given.

(14) ☞**ADD UP**☜ and **verify** every column of figures, and *Authenticate* the Report with your signature, together with the date.

(15) Avoid erasures and interlineations, **make names and numbers distinctly legible,** and punctuate properly.

(16) Affix no extraneous matter, such as memoranda, explanations, or orders for the delivery of the printed *Minutes* of the Assembly; let these be given on a separate sheet; also, every Overture to the Assembly.

**Revise** your Report, and find out its defects. Put in the commas and periods that are wanting; fill out the abbreviations; supply the *Christian* names of every Minister (an *initial* letter is not a name), and see that every name and figure is perfectly legible and arranged in strict accordance with the established form.

☞Forward the Statistical Report by April 24, or if this cannot be done, let it be sent at the earliest date possible to the office of the Rev. W. H. Roberts, D.D., the STATED CLERK OF THE GENERAL ASSEMBLY.

## IX. STANDING ORDERS AND RULES.

1. The General Assembly shall meet annually, on the third Thursday of May beginning at 10.30 A.M.; the afternoon session shall be held at 2.30 P.M.

2. The credentials of Commissioners and Delegates are to be presented at a previous hour of the same day, or of the preceding day, according to public notice, to the Stated and Permanent Clerks, acting as a Permanent Committee on Commissions.

3. The Lord's Supper is to be celebrated by the Assembly on the evening of Thursday, the first day of its sessions.

4. The dates assigned to popular meetings are as follows:

The evening of Friday, the second day, to the Board of Publication and Sabbath School Work and the Sabbath-school interests of the Church.

The evening of Saturday, the third day, to the Presbyterian Brotherhood and to the Board of Education.

The afternoon of the first Sunday, to the Woman's Executive Committee of Home Missions; the evening to the College Board.

The evening of Monday, the fourth day, to Missions among the Freedmen.

The evening of Tuesday, the fifth day, to the Home Mission Work.

The evening of Wednesday, the sixth day, to the Foreign Mission Work.

The evening of Thursday, the seventh day, to the cause of Temperance.

5. The whole territory of the Church shall be divided into twenty-two Electing Districts, composed of Presbyteries, so arranged, by combining the smaller Synods, and dividing the larger by Presbyteries, as to make nearly equal delegations, as follows, *e.g.*:

6. (*a*) The General Assembly shall be divided into twenty-two Electing Sections, composed of Commissioners, so arranged as to make the Sections of nearly equal delegations. The Electing Sections shall be numbered the same as the Electing Districts.

(*b*) The members of each Electing Section shall be seated together in a compact body. Accordingly, each Commissioner shall be assigned to his seat in advance of the meeting of the Assembly, by the Committee of Arrangements, under the supervision and direction of the Stated Clerk, and shall occupy such pew or seat from the beginning of the first session until the end of the second day.

(*c*) The organization of the Electing Sections shall be effected in the following manner, to wit:

Immediately after the roll call, and before the nominating and seconding speeches for Moderator shall be made, the Stated Clerk shall announce one Commissioner in each Electing Section as the Convener thereof, and the receiver of any necessary papers for the Section. Under the supervision of such Convener, each Electing Section shall then elect a Chairman and a Secretary. The quorum of an Electing Section shall be a majority of its members.

7. (*a*) The roll shall be called immediately after the opening prayer at the afternoon session of the first day, in the following manner, unless there be a motion to the contrary, to wit: only the names of absentees as they appear on the roll of the Permanent Committee on Commissions shall be called, at which time any needed corrections may be made.

(*b*) After the election of the Moderator, the Permanent Clerk shall report absentees from the first roll-call. Vacancies in the Electing Sections may then be filled by the Assembly. Whenever additional members take their seats, the Permanent Clerk shall add their names to the roll.

(*c*) No Commissioner failing to enroll shall be allowed to vote in his Electing Section.

8. The election of the Moderator shall be effected immediately after the roll-call and the organization of the Electing Sections, in the following manner, to wit:

(*a*) Only one speech nominating a candidate for Moderator shall be made, limited to ten minutes; and only one speech, and that not to exceed five minutes, shall be made in seconding the nomination of a candidate.

(*b*) Where there is only one nominee for Moderator, the election may be made by acclamation. Where there are more than one, the election may be made by ballot, in the following manner, to wit:

After the nominations are made (the organization of the Electing Sections having been effected (see Rule 6, (*c*) ), the Chairman of each Electing Section shall appoint two tellers. Each Commissioner shall write the name of his choice on a blank, to be provided in advance by the Stated Clerk. The tellers shall collect the ballots and count them, under the supervision of the Chairman. The result shall be recorded by the Secretary on blanks in duplicate, one of which shall be handed to the Stated Clerk, with the number of the Section written thereupon. The other shall be retained by the Secretary.

(*c*) When the reports of the ballots have been handed in from all the Sections, the Stated Clerk shall read each aloud, giving the number of the Section and the vote cast. Tellers appointed by the Stated Clerk shall take and tabulate the votes as read. The Moderator shall then announce the vote as tabulated. If no one has received a majority of the whole vote, another vote shall be taken in the same manner. When one shall have received a majority, the Moderator shall announce the result, and declare him to be elected.

9. The election of the Standing Committees, by the Electing Sections, shall be effected immediately after the election of the Moderator, in the following manner, to wit:

(*a*) The Electing Sections shall meet, at the places assigned them, for the purpose of electing the Standing Committees, toward the close of the second session of the first day; but if not at that time, then at 9.30 A.M. of the second day.

(*b*) The Standing Committees shall be numbered consecutively, and shall each consist of twenty-three members, including the Chairman and eleven ministers and eleven elders. The Committees shall be chosen from the Electing Sections as herein provided. The quorum shall be a majority of the members. Each Presbytery shall be represented on some Standing Committee.

(*c*) On odd-numbered years, each odd-numbered Section shall elect one minister for each odd-numbered Committee, and one elder for each even-numbered Committee.

On the same year, each even-numbered Section shall elect one minister for each even-numbered Committee, and one elder for each odd-numbered Committee.

On the even-numbered years this order shall be reversed.

(*d*) The Stated Clerk shall furnish to each Electing Section properly printed Election Return Blanks, for the election of the Standing Committees, which shall be filled in by the Secretary of the Electing Section, and returned forthwith to the Stated Clerk, and the Stated Clerk shall, if possible, furnish to each Chairman, before the close of the first day, a list of the members of his Committee, and shall also announce, at the close of the evening session, the names of the Committees on Bills and Overtures and on Judicial Business.

(*e*) As soon as possible after his election, the Moderator shall appoint an additional member of each Standing Committee, who shall be the Chairman thereof, provided that he shall not appoint more than one member, as Chairman, from the same Electing Section, except in the case of the Committees on Mileage and on Finance, and the Chairmen of these two Committees shall be Ruling Elders.

If the Moderator shall appoint, as a member and Chairman of any Standing Committee, any one chosen by any Electing Section, as a member of that or any other Standing Committee, the appointment of the Moderator shall take precedence, and the Electing Section shall choose another member to fill the vacancy on the Committee, caused by the Moderator's appointment.

10. The Stated Clerk shall give notices to the Commissioners as to their places in the Electing Sections and as to the Committeemen to be chosen. He shall also assign their places, in the Electing Districts, to new Presbyteries that may be erected during the intervals of the meetings of the Assembly, and he shall attend to other details connected with the operation of the Plan.

Only one formal address in explanation of a Report shall be made. It shall be the duty of the Stated Clerk to communicate these Rules to the Chairmen of the Standing Committees, upon their appointment.

13. The Stated Clerk shall receive all Memorials, Overtures and other miscellaneous papers addressed to the General Assembly, shall make record of the same, and then deliver them, for distribution or reference, to the Standing Committee on Bills and Overtures. 16. The Stated Clerk and Permanent Clerk shall be a Committee to revise the phraseology of all papers sent down to the Presbyteries to be voted upon, provided that in no case shall this Committee so change the phraseology as to alter the meaning [1886, p. 113].

17. The Stated and Permanent Clerks shall be a Committee to supervise the publication of any and all editions of the Constitution hereafter issued by the Board of Publication, and also of the Rules for Judicatories [1886, p. 113].

18. Each Board and Permanent Committee is instructed to send up its minutes with its Report, that these minutes may be reviewed by the Assembly, on the Report of the appropriate Standing Committee [1885, p. 690].

19. A sufficient number of the Reports of the Boards and Committees shall be forwarded by them to the place of meeting of each Assembly, prior to the day of meeting; and a complete file of the same, stitched together, shall be delivered to each Commissioner [1886, p. 77].

20. In all regions, where through the organization of Union Presbyteries or the existence of Missions without Presbyterial organization, there are no Presbyteries in connection with this Assembly, each Mission organized, as such, under our Board of Foreign Missions, may send to the General Assembly an ordained missionary, or ruling elder, as a delegate; and the Standing Rules of the Assembly are hereby so amended that such delegate is entitled to sit as an advisory member in the Assembly, and to speak, under the rules, on all questions, and that his expenses from his domicile, in this country, to and during the Assembly, and return, shall be met as those of Commissioners, out of the funds of the Assembly [1887, p. 247]. This rule shall also apply to Home Mission Presbyteries whose members are so located as to prevent regular meetings, and in the discretion of the Assembly. of the Church; and no more than one ruling elder from the same congregation shall serve on a Board at the same time [1887, pp. 51, 108; 1898, p. 132].

22. Any vacancy occurring in the membership of any of the Boards of the Church, during the interval between Assemblies, may be filled, until the next succeeding meeting of the Assembly, by the Board in which such vacancy may occur [1887, p. 128].

23. The Moderator is authorized to fill by appointment any vacancies which may occur, by resignation or otherwise, in any of the Special Committees [1892, p. 209].

24. All resolutions for the appropriation of money, outside the Boards, should be brought before the Finance Committee, before action by the Assembly [1892, p. 199].

25. The recommendation of any particular congregation to the benevolence of the denomination, by the General Assembly, is not to be understood as creating either a legal or a moral obligation upon the Assembly for the payment of the amount recommended to be contributed by the churches [1892, p. 36; 1893, p. 41].

26. The Stated and Permanent Clerks shall be a Committee to have the oversight of arrangements for the entertainment of the General Assembly [1896, p. 130].

27. All reports of Special Committees shall be delivered to the Stated Clerk forty days prior to the meeting of the General Assembly, shall be printed by him, and copies shall be sent, in bound form, to Commissioners, so far as practicable, immediately upon notification of their election; and copies shall also be delivered to the Assembly on the second day of the sessions.

30. Hereafter, all Overtures from Presbyteries and Synods, which are to come before the General Assembly, shall be, so far as practicable, in the hands of the Stated Clerk at least two weeks before the meeting of the Assembly, and by him shall be printed in convenient form for distribution on the floor of the Assembly, such distribution to be made not later than the second day of the Assembly.

31. All Overtures, memorials and miscellaneous papers, connected with the business of the Assembly, must be presented to the Assembly not later than the close of the second day of its session.

32. The election of members of Judicial Commissions of the General Assembly shall take place on the morning of Tuesday, the fifth day, as the first Order of the Day, in the following manner:

It shall be the duty of the Judicial Committee of the General Assembly to report to the Assembly, on Tuesday, the fifth day, suitable nominations to fill the vacancies on the Permanent Judicial Commission of the General Assembly, from which nominations, together with any others regularly made by the Commissioners at the same time as those made by the Judicial Committee, the necessary number of persons shall be elected, on Thursday, the seventh day, as the first Order of the Day.

33. The Permanent Judicial Commission of the General Assembly shall have authority to adopt rules pertaining to its own method of procedure, and shall report the same to the General Assembly; *provided*, that such rules shall not be inconsistent with the Constitution of the Church or the rules adopted by the General Assembly.*

34. When members of Committees do not attend for two successive meetings, and their absence is unexcused, then their places become automatically vacant, and the Moderator of the Assembly is authorized to appoint their successors. [1915, p. 31.]

*See Rules for Judicatories, No. XLIV. See also p. 448[61].

35. The Standing Orders and Rules may be suspended by a two-thirds vote of the Assembly, upon motion duly made.

## GENERAL RULES FOR JUDICATORIES.

[The following "General Rules for Judicatories," not having been submitted to the Presbyteries, make no part of the Constitution of the Presbyterian Church. Yet the General Assembly of 1871, considering uniformity in proceedings in all the subordinate judicatories as greatly conducive to order and despatch in business, having revised and approved these rules, recommended them to all the lower judicatories of the Church for adoption. Subsequent Assemblies have modified them from time to time.]

I. The Moderator shall take the chair precisely at the hour to which the judicatory stands adjourned; and shall immediately call the members to order; and, on the appearance of a quorum, shall open the session with prayer.

II. If a quorum be assembled at the time appointed, and the Moderator be absent, the last Moderator present *being a Commissioner*, or, if there be none, the senior member present, shall be requested to take his place without delay, until a new election.

III. If a quorum be not assembled at the hour appointed, any two members shall be competent to adjourn from time to time, that an opportunity may be given for a quorum to assemble.

IV. It shall be the duty of the Moderator, at all times, to preserve order, and to endeavor to conduct all business before the judicatory to a speedy and proper result.

V. It shall be the duty of the Moderator, carefully to keep notes of the several articles of business which may be assigned for particular days, and to call them up at the time appointed.

VI. The Moderator may speak to points of order, in preference to other members, rising from his seat for that purpose; and shall decide questions of order, subject to an appeal to the judicatory by any two members.

VII. The Moderator shall appoint all committees, except in those cases in which the judicatory shall decide otherwise. In appointing the Standing Committees, the Moderator may appoint a Vice-Moderator, who may occupy the chair at his request, and otherwise assist him in the discharge of his duties.

VIII. When a vote is taken by ballot in any judicatory, the Moderator shall vote with the other members: but he shall not vote in any other case, unless the judicatory be equally divided; when, if he do not choose to vote, the question shall be lost.

IX. The person first named on any committee shall be considered as the chairman thereof, whose duty it shall be to convene the committee; and, in case of his absence or inability to act, the second named member shall take his place and perform his duties.

X. It shall be the duty of the Clerk, as soon as possible after the commencement of the sessions of every judicatory, to form a complete roll of the members present, and put the same into the hands of the Moderator. And it shall also be the duty of the Clerk, whenever any additional members take their seats, to add their names, in their proper places, to the said roll.

XI. It shall be the duty of the Clerk immediately to file all papers, in the order in which they have been read, with proper endorsements, and to keep them in perfect order. The Stated Clerk shall receive all overtures, memorials and miscellaneous papers addressed to the judicatory; shall make record of the same and deliver them to the Committee on Bills and Overtures for appropriate disposition or reference. This committee shall have the floor on the reassembling of the judicatory after each adjournment, to report its recommendations as to orders of business or reference of papers, and this right of the committee shall take precedence of the Orders of the Day. This committee shall report the papers retained by it, as well as those recommended for reference to other committees, and no committee shall report on matters which have not been referred to it by the judicatory.

XII. The minutes of the last meeting of the judicatory shall be presented at the commencement of its sessions, and, if requisite, read and corrected.

XIII. Business left unfinished at the last sitting is ordinarily to be taken up first.

XIV. A motion made must be seconded, and afterwards repeated by the Moderator, or read aloud, before it is debated; and every motion shall be reduced to writing, if the Moderator or any member require it.

XV. Any member who shall have made a motion, shall have liberty to withdraw it, with the consent of his second, before any debate has taken place thereon; but not afterwards, without the leave of the judicatory.

XVI. If a motion under debate contain several parts, any two members may have it divided, and a question taken on each part.

XVII. When various motions are made with respect to the filling of blanks, with particular numbers or times, the question shall always be first taken on the highest number and the longest time.

XVIII. Motions to lay on the table, to take up business, to adjourn, and the call for the previous question, shall be put without debate but it shall not be in order for any one debating another motion to propose the motion to lay on the table or the previous question, at the close of his remarks, unless he shall obtain the floor again for that purpose. On questions of order, postponement, or commitment, no member shall speak more than once. On all other questions, each member may speak twice, but not oftener, without express leave of the judicatory.

XIX. When a question is under debate, no motion shall be received, unless to adjourn, to lay on the table, to postpone indefinitely, to postpone to a day certain, to commit, or to amend; which several motions shall have precedence in the order in which they are herein arranged; and the motion for adjournment shall always be in order.

XX. An amendment, and also an amendment to an amendment, may be moved on any motion; but a motion to amend an amendment to an amendment, shall not be in order. Action on amendments shall precede action on the original motion. A substitute shall be treated as an amendment.

XXI. A distinction shall be observed between a motion to lay on the table *for the present*, and a motion to lay on the table *unconditionally*, viz.: A motion to lay on the table, *for the present*, shall be taken without debate; and, if carried in the affirmative, the effect shall be to place the subject on the docket, and it may be taken up and considered at any subsequent time. But a motion to lay on the table, *unconditionally*, shall be taken without debate; and, if carried in the affirmative, it shall not be in order to take up the subject during the same meeting of the judicatory, without a vote of reconsideration.

XXII. The previous question shall be put in this form, namely, Shall the main question be now put? It shall be admitted only when demanded by a majority of the members present; and the effect shall be to put an end to all debate and bring the body to a direct vote: First, on a motion to commit the subject under consideration (if such motion shall have been made); secondly, if the motion for commitment does not prevail, on pending amendments; and, lastly, on the main question.

XXIII. A question shall not be again called up or reconsidered at the same sessions of the judicatory at which it has been decided, unless by the consent of two-thirds of the members who were present at the decision; and unless the motion to reconsider be made and seconded by persons who voted with the majority.

XXIV. A subject which has been indefinitely postponed, either by the operation of the previous question, or by a motion for indefinite postponement, shall not be again called up during the same sessions of the judicatory, unless by the consent of three-fourths of the members who were present at the decision.

XXV. Members ought not, without weighty reasons, to decline voting, as this practice might leave the decision of very interesting questions to a small

proportion of the judicatory. Silent members, unless excused from voting, must be considered as acquiescing with the majority.

XXVI. When the Moderator has commenced taking the vote, no further debate or remark shall be admitted, unless there has evidently been a mistake, in which case the mistake shall be rectified, and the Moderator shall recommence taking the vote. If the House shall pass the motion to "vote on a given subject at a time named," speeches shall thereafter be limited to ten minutes. Should the hour for adjournment or recess arrive during the voting, it shall be postponed to finish the vote, unless the majority shall vote to adjourn; in which case the voting shall, on the reassembling of the House, take precedence of all other business till it is finished. Under this rule, the "yeas and nays" shall not be called except on the final motion to adopt as a whole. This motion to fix a time for voting shall be put without debate.

XXVII. The yeas and nays on any question shall not be recorded, unless required by one-third of the members present. If division is called for on any vote, it shall be by a rising vote, without a count. If, on such a rising vote, the Moderator is unable to decide, or a quorum rise to second a call for "tellers," then the vote shall be taken by rising, and the count made by tellers, who shall pass through the aisles, and report to the Moderator the number voting on each side.

XXVIII. No member, in the course of debate, shall be allowed to indulge in personal reflections.

XXIX. If more than one member rise to speak at the same time, the member who is most distant from the Moderator's chair shall speak first. In the discussion of all matters where the sentiment of the House is divided, it is proper that the floor should be occupied alternately by those representing the different sides of the question.

XXX. When more than three members of the judicatory shall be standing at the same time, the Moderator shall require all to take their seats, the person only excepted who may be speaking.

XXXI. Every member, when speaking, shall address himself to the Moderator, and shall treat his fellow-members, and especially the Moderator, with decorum and respect.

XXXII. No speaker shall be interrupted, unless he be out of order, or for the purpose of correcting mistakes or misrepresentations.

XXXIII. Without express permission, no member of a judicatory, while business is going on, shall engage in private conversation; nor shall members address one another, nor any person present, but through the Moderator.

XXXIV. It is indispensable that members of ecclesiastical judicatories maintain great gravity and dignity while judicially convened; that they attend closely, in their speeches, to the subject under consideration, and avoid prolix and desultory harangues; and, when they deviate from the subject, it is the privilege of any member, and the duty of the Moderator, to call them to order.

XXXV. If any member act, in any respect, in a disorderly manner, it shall be the privilege of any member, and the duty of the Moderator, to call him to order.

XXXVI. If any member consider himself aggrieved by a decision of the Moderator, it shall be his privilege to appeal to the judicatory, and the question on the appeal shall be taken without debate.

XXXVII. No member shall retire from any judicatory without the leave of the Moderator, nor withdraw from it to return home without the consent of the judicatory.

XXXVIII. All judicatories have a right to sit in private, on business which, in their judgment, ought not to be matter of public speculation.

XXXIX. Besides the right to sit judicially in private, whenever they think proper to do so, all judicatories have a right to hold what are commonly called

"interlocutory meetings," in which members may freely converse together, without the formalities which are usually necessary in judicial proceedings.

XL. Whenever a judicatory is about to sit in a judicial capacity, it shall be the duty of the Moderator solemnly to announce, from the chair, that the body is about to pass to the consideration of the business assigned for trial, and to enjoin on the members to recollect and regard their high character as judges of a court of Jesus Christ, and the solemn duty in which they are about to act.

XLI. It is expedient that Judicatories appoint a Standing Committee, to be known as the "Judicial Committee," to whom shall be referred all papers and questions of a judicial nature, and whose duty it shall be to recommend to the judicatory answers to judicial questions, and orders of procedure in all judicial cases.

In the General Assembly, the province of the Judicial Committee shall be to pass upon the question of the regularity of the papers and the record in all cases referred to it by the Assembly; to determine, upon the face of the papers, whether questions of doctrine or Constitution are raised, and if, *prima facie*, there is a case, to recommend the same to the Assembly for reference to Judicial Commissions. The members of the Judicial Committee are not debarred by their appointment from sitting and voting as members of the judicatory.

XLII. The permanent officers of a judicatory shall have the rights of corresponding members in matters touching their several offices.

XLIII. The Moderator of every judicatory above the Church Session, in finally closing its sessions, in addition to prayer, may cause to be sung an appropriate psalm or hymn, and shall pronounce the apostolical benediction.

XLIV. Whenever a case is to be taken from an inferior judicatory to the General Assembly, the Stated Clerk of such inferior judicatory shall, at least twenty days before the meeting of the General Assembly, send a notice concerning such case to the Stated Clerk of the Assembly, who shall forthwith notify the Chairman of the Permanent Judicial Commission, unless the General Assembly shall have ordered otherwise, that the services of the Commission will be needed at the approaching Assembly; but if no such notice shall be received by the Stated Clerk of the General Assembly, he shall forthwith notify the Chairman of the Permanent Judicial Commission that the services of the Commission will not be needed at the approaching Assembly.

XLV. These Rules may be suspended by a two-thirds vote of the judicatory, upon motion duly made.

## RULES OF THE PERMANENT JUDICIAL COMMISSION.

In accordance with the requirements of the Constitution, the Permanent Judicial Commission respectfully reports to the General Assembly the following Rules of Procedure:

1. The General Rules for Judicatories, as far as applicable.

2. *Vice-Moderator.*—In addition to a Moderator and Clerk, the Commission shall elect, annually, a Vice-Moderator, who shall act as Moderator in the event of the death, disability, resignation or absence of the Moderator, or of the termination of his commissionership; and he shall hold office until the election of his successor.

The Vice-Moderator shall be a member of the Commission, whose term expires at a period not less than two years from the date of his election.

3. *Clerk.*—In the event of the death, disability, resignation or absence of the Clerk, or the termination of his commissionership, the Moderator shall appoint a Clerk *pro tem.*, to serve in the interim of the meetings of the Commission.

5. The Commission, when so ordered, shall meet at the same time and place with the General Assembly, and shall convene for organization at 5 o'clock P.M. of the first day of the meeting of the General Assembly. The time and place of all other meetings shall be determined by the Moderator and the Clerk of the Commission, unless otherwise ordered by the Commission or the General Assembly.

6. Immediately after the organization of the Commission, at any meeting of the General Assembly, the fact shall be reported to the General Assembly, and at the same time a report shall be made as to vacancies existing or about to occur, caused either by the expiration of the term for which members were elected or by death or resignation, for reference to the Judicial Committee, according to the Constitution.

7. The officers of this Commission shall be elected, annually, on Tuesday, the fifth day of the meeting of the General Assembly, at 3 o'clock P.M., and such officers shall assume the duties of their several offices upon the final adjournment of the General Assembly, serving in the interim between meetings of the General Assembly and until final adjournment of the next succeeding General Assembly.

8. It shall be the duty of the Moderator, or some one designated by him, to appear before the General Assembly to present the findings of the Commission in cases referred to it by the General Assembly.

9. The Commission shall designate a member or members to represent it in the General Assembly to defend any action or finding of the Commission.

10. The Commission shall set a time limit for arguments of such litigants and their counsel as may appear before the Commission in any case, and shall so notify them prior to the hearing of the same.
